Item 4 Services, Fees, and Compensation

A. Services

Coastal Capital provides customized wealth advisory services for its Clients through a wrap-fee program. We are the sponsor and investment adviser for the The Coastal Capital Wrap Fee Program (the "Wrap Fee Program"). A wrap-fee program is a type of investment program that provides clients with asset management and brokerage services for one all-inclusive fee. If you participate in our wrap fee program, you will pay our firm a single fee, which includes money management fees, certain transaction costs, and custodial and administrative costs. The fee schedule is as follows:

Annual Fee Schedule

Assets Under Management	Annual Fee
Up to \$499,999	1.25%
\$500,000 to \$999,999	1.15%
\$1,000,000 to \$1,999,999	1.00%
\$2,000,000 to \$3,499,999	0.85%
\$3,500,000 to \$4,999,999	0.75%
Over \$5,000,000	Negotiable

Investment advisory fees are paid quarterly, in advance of each calendar quarter, pursuant to the terms of the investment advisory agreement. Investment advisory fees are based on the market value of assets under management at the end of the preceding quarter. Fees may be negotiable at our sole discretion.

The Wrap Fee Program is not a different investment approach or service offering from our traditional fee structure. **Please see Item 4 - Advisory Services of the Disclosure Brochure for details on Coastal Capital's investment philosophy and related services.**

B. Program Costs

Services provided under this Wrap Fee Program may cost the Client more or less than paying for investment management services and transaction costs separately. The Frequency of trading, size of accounts and the securities used to construct a portfolio are factors that drive the overall cost of managing a portfolio.

Coastal Capital does not charge clients higher advisory fees based on their trading activity, but clients should be aware that Coastal Capital may have an incentive to limit trading activities in client accounts because Coastal Capital will be charged for executed trades.

C. Fees

Coastal Capital provides the Wrap Fee Program in order to charge a single fee that includes investment management and all standard securities transactions costs associated with Coastal Capital's investment strategies. The Wrap Fee Program includes typical securities trading costs incurred in connection with the discretionary investment management services provided by Coastal Capital. There are other fees charged by unaffiliated third parties that Clients should fully understand.

The Client may pay custodial fees, charges imposed directly by a mutual fund, index fund, or exchange traded fund which shall be disclosed in the fund's prospectus (i.e., fund management fees and other fund expenses), mark-ups and mark-downs, spreads paid to market makers, wire transfer fees, other fees and taxes on brokerage accounts and securities transactions, and fees for trades executed away from the Custodian. These fees are not included within the wrap-fee and are charged by Coastal Capital.

Additional information regarding fees are included in Item 5 of Form ADV Part 2A - Disclosure Brochure.

D. Compensation

Coastal Capital is the sponsor and portfolio manager of this Wrap Fee Program. Coastal Capital receives investment advisory fees paid by Clients for participating in the Wrap Fee Program and pays the Custodian for the costs associated with the normal trading activity in the Client's account[s].

Item 5 Account Requirements and Types of Clients

Coastal Capital offers investment advisory services to individuals, high net worth individuals, trusts, estates, foundations and endowments, businesses and retirement plans.

Coastal Capital generally does not impose a minimum account size for establishing a relationship. However, we have the right to terminate your account if it falls below a minimum size which, in our sole opinion, is too small to manage effectively.

We may also combine account values for you and your minor children, joint accounts with your spouse, and other types of related accounts to meet the stated minimum.

Item 6 Portfolio Manager Selection and Evaluation

A. Portfolio Manager Selection

Coastal Capital serves as sponsor and as portfolio manager for the services under this Wrap Fee Program; however, Coastal Capital may recommend or select other portfolio managers to manage a client's account in the Wrap Fee Program. Portfolio managers for each account are selected to align with the client's investment objectives and goals based on the portfolio manager's experience, tenure, and performance according to industry standards.

Each portfolio manager's performance is reviewed on a quarterly basis to evaluate whether the client's financial objectives and goals are being met.

B. Related Persons

Coastal Capital does not have any related persons who act as a portfolio manager for the Wrap Fee Program. Coastal Capital does not serve as a portfolio manager for any third party wrap fee programs.

C. Supervised Persons

Coastal Capital supervised persons serve as portfolio managers for the Wrap Fee Program. Details of the advisory services provided are included in Item 4.A. of the Disclosure Brochure.

Performance-Based Fees

Coastal Capital does not charge performance-based fees.

Methods of Analysis and Risk of Loss

Please see Item 8 of the Disclosure Brochure (Form ADV Part 2A) for details on the research and analysis methods employed by the Advisor. Past performance is not a guarantee of future returns. Investing in securities and other investments involve a risk of loss that each Client should understand and be willing to bear. Clients are reminded to discuss these risks with the Advisor.

Proxy Voting

Coastal Capital does not accept proxy-voting responsibility for any Client. Clients will receive proxy statements directly from the Custodian. The Advisor will assist in answering questions relating to proxies, however, the Client retains the sole responsibility for proxy decisions and voting.

Item 7 Client Information Provided to Portfolio Managers

Coastal Capital is required to describe the type and frequency of the information it communicates to any external managers that may be involved in managing its Clients' investment portfolios. Portfolio Managers who will manage a client's account through the Wrap Fee Program will be provided with the client's account application which includes information such as the Client's name, address, account number, social security number or taxpayer identification number, whether the account is taxable or non-taxable, the name of the IAR, investment strategy selected, and amount invested. We will also provide any restrictions requested by the Client.

Client information will be provided to the portfolio manager upon commencement of the relationship and will be updated at any point at which the information becomes materially inaccurate.

Item 8 Client Contact with Portfolio Managers

There is no restriction on the Client's ability to contact Coastal Capital or the selected Portfolio Manager regarding their accounts in the Wrap Fee Program.
