Other Business Activities

Form ADV Part 2B, Item 4

Approximately 85 percent of Mr. Reidy's time is dedicated to activities relating to his role as an Investment Adviser Representative of Fieldpoint Private Securities, LLC ("FPS"), which is a dually registered securities broker-dealer and investment advisor. Mr. Reidy is also a Registered Representative of FPS, and spends approximately 10 percent of his time in securities brokerage-related activities. As a Registered Representative of FPS, Mr. Reidy may recommend or accept orders for securities transactions in brokerage accounts held at FPS. If such securities brokerage transactions are effected, Mr. Reidy may receive payments not otherwise received in connection with advisory accounts, including customary transactional commissions and ongoing commissions for client assets held in mutual funds. FPS at all times strives to act in the best interests of its clients; however, the possibility of brokerage transaction compensation may present a conflict of interest and provide an incentive for transactional brokerage products to be recommended. Please refer to the *Fees and Compensation* section and the *Client Referrals and Other Compensation* section of our firm brochure for additional disclosures on this topic.

Mr. Reidy, as a Managing Director of Fieldpoint Private Bank & Trust, may spend approximately 5 percent of his time on lending-related activities. His time spent on these activities might conflict with the time required for investment advisory activities.

Additional Compensation

Mr. Reidy has no additional compensation beyond what is described above.
