Other Business Activities

Form ADV Part 2B, Item 4

While approximately 80 percent of Mr. Zoll's time is dedicated to activities relating to his role as an Investment Adviser Representative of Fieldpoint Private Securities, LLC ("FPS"), a dually registered securities broker-dealer and registered investment advisor, Mr. Zoll is also a Registered Representative of FPS. In this capacity, Mr. Zoll may recommend or accept orders for securities transactions in brokerage accounts held at FPS. If such transactions are effected, Mr. Zoll may receive payments not otherwise received in connection with advisory accounts, including customary transactional commissions and ongoing commissions for client assets held in mutual funds, including 12b-1 fees. FPS at all times strives to act in the best interests of its clients; however, the possibility of such compensation may present a conflict of interest and provide an incentive for such brokerage products to be recommended. Please refer to the *Fees and Compensation* section and the *Client Referrals and Other Compensation* section of our firm brochure for additional disclosures on this topic. As a managing director of Fieldpoint Private Bank & Trust, Mr. Zoll may spend approximately 10 percent of his time on bank-related deposit and lending activities.
