Other Business Activities

Form ADV Part 2B, Item 4

Approximately 94 percent of Mr. Ferraro's time is dedicated to activities relating to his role as an Investment Adviser Representative of Fieldpoint Private Securities, LLC ("FPS"), a dually registered securities broker-dealer and investment advisor. Mr. Ferraro is also a Registered Representative of FPS, and spends approximately 1 percent of his time in securities brokerage-related activities. As a Registered Representative of FPS, Mr. Ferraro may recommend or accept orders for securities transactions in brokerage accounts held at FPS. If such securities brokerage transactions are effected, Mr. Ferraro may receive payments not otherwise received in connection with advisory accounts, including customary transactional commissions and ongoing commissions for client assets held in mutual funds. FPS at all times strives to act in the best interests of its clients; however, the possibility of brokerage transaction compensation may present a conflict of interest and provide an incentive for transactional brokerage products to be recommended. Please refer to the *Fees and Compensation* section and the *Client Referrals and Other Compensation* section of our firm brochure for additional disclosures on this topic. Mr. Ferraro is also a Managing Director of Fieldpoint Private Bank & Trust, and he may spend approximately 5 percent of his time on activities related to bank deposit and lending activities.
