## Item 1: Cover Page

**This wrap fee program brochure provides information about the qualifications and business practices of Edward D. Jones & Co., L.P. (“Edward Jones,” “we” or “us”). If you have any questions about the contents of this brochure, please contact us at 800-803-3333. The information in this brochure has not been approved or verified by the U.S. Securities and Exchange Commission (“SEC”) or by any state securities authority. Registration with the SEC or any state securities authority does not imply a certain level of skill or training.**

**Additional information about Edward Jones is also available on the SEC’s website at [www.adviserinfo.sec.gov](http://www.adviserinfo.sec.gov).**

## **Item 2: Material Changes**

Not all changes included in this updated brochure have been deemed material by Edward Jones. This section describes material changes that have been made to the brochure since it was filed on August 20, 2016.

- Item 4: Services, Fees and Compensation. We have updated information about account minimums and investment restrictions for certain Benefit Plan accounts (defined herein).
- Item 5: Account Requirements and Types of Clients. We have updated information about initial investment requirements and funding for certain accounts.

#### **Item 4: Services, Fees and Compensation**

Edward Jones is a registered broker-dealer and investment adviser. As an investment adviser, Edward Jones offers several advisory programs. This program brochure ("Brochure") provides clients ("client," "you" or "your") with information about Edward Jones, Edward Jones Guided Solutions® Fund Account ("Guided Solutions Fund"), the fees charged for our services, and our business practices. Please review this Brochure carefully and consult with your tax professional before you decide to invest in Guided Solutions Fund.

Other advisory programs offered through Edward Jones are not described in this Brochure. These programs offer different services and investments and have different fees and minimum investment requirements. To learn more about other advisory programs offered by Edward Jones, please ask your financial advisor or go to [www.edwardjones.com/advisorybrochures](http://www.edwardjones.com/advisorybrochures) to review the brochures for the available advisory programs.

Edward Jones is the primary operating subsidiary of The Jones Financial Companies, L.L.L.P. ("JFC"), a holding company registered as a partnership with the State of Missouri. Edward Jones registered as a broker-dealer in 1941 and as an investment adviser in 1993.

As a dually registered broker-dealer and investment adviser, Edward Jones offers a variety of financial services. You can purchase many of the same or similar investments as those available in an advisory program for a lower fee through Edward Jones as a broker-dealer, although you will not receive the additional services available through an advisory program or the protections afforded by the Investment Advisers Act of 1940, as amended. It is important for you to consider the additional costs associated with an advisory program before investing.

As of December 31, 2015, we managed \$131,085,849,271 in discretionary assets and \$9,338,272,992 in non-discretionary assets across all of our advisory programs.

The decision to invest in Guided Solutions Fund is yours. Before making this decision, you and your financial advisor should discuss whether other programs and investments may be more appropriate for your investment goals or needs. If you decide to invest in Guided Solutions Fund, our advisory relationship begins when Edward Jones accepts a written Client Services Agreement between you and Edward Jones. Any preliminary discussions or recommendations made before the written Client Services Agreement is accepted do not constitute investment advice and should not be relied upon as such.

Before investing in Guided Solutions Fund, you should decide if you are comfortable assuming responsibility for the day-to-day management of your account. Investors in Guided Solutions Fund typically:

- want to be involved in the investment process and approve final trade decisions;
- value the receipt of ongoing advice from Edward Jones when making investment decisions;
- desire a disciplined approach to long-term investing and are willing to adhere to an asset allocation strategy aligned with Edward Jones' guidance; and
- are comfortable paying monthly, asset-based (percentage) fees for investments and advice rather than individual commissions or sales charges.

#### **Guided Solutions Fund Overview**

Guided Solutions Fund is a client-directed advisory program sponsored by Edward Jones designed to provide the client with ongoing investment advice, guidance and services for an

asset-based fee. The Guided Solutions Fund experience is rooted in the working relationship between you and your Edward Jones financial advisor. In consultation with your Edward Jones financial advisor, you will select an appropriate portfolio objective (your “Portfolio Objective”).

**Portfolio Objective.** In order to invest in Guided Solutions Fund, you will complete a Client Profile, which includes important information about your account, including responses to an Investment Objective Questionnaire. Edward Jones scores certain answers to help you determine your risk tolerance. Your risk tolerance, combined with other information such as your life stage or time horizon, results in a recommended Portfolio Objective.

Depending on your account size compared to net worth, the makeup of your other investment assets, and recommended Portfolio Objective, you may be able to choose an alternative Portfolio Objective if one is available and you are willing to take more or less risk than the recommended Portfolio Objective. You ultimately decide whether to invest in a recommended Portfolio Objective or an alternative Portfolio Objective, if available. Edward Jones will have no authority to change your Portfolio Objective without your instruction.

Based on your risk tolerance, life stage, time horizon and other financial information, your Portfolio Objective determines the recommended asset allocation, investment category ranges and Investment Diagnostics (defined below) ranges (collectively, the “Target Ranges”). Edward Jones’ guidance regarding certain factors including, but not limited to, international exposure and security overconcentration are collectively referred to as “Investment Diagnostics.” The recommended Target Ranges are determined solely by Edward Jones and can be modified by Edward Jones without prior notice.

Portfolio Objectives in Guided Solutions Fund include:

**All Equity Focus:** This portfolio offers the highest growth potential. The majority of investments in the portfolio are equity-based, which are likely to carry the highest level of risk. This portfolio seeks long-term capital appreciation and provides very little or no current income.

**Growth Focus:** This portfolio emphasizes higher growth potential while providing modest current income. Over the long term, it should have higher risk than portfolios with a more income-oriented objective.

**Balanced toward Growth:** This portfolio emphasizes growth potential with a secondary goal of current income. Over the long term, it should have moderate to higher risk.

**Balanced Growth & Income:** This portfolio blends current income with long-term growth potential. Over the long term, it should have moderate risk.

**Balanced toward Income:** This portfolio emphasizes current income with a secondary goal of growth potential. Over the long term, it should have lower to moderate risk.

**Income Focus:** This portfolio emphasizes current income with little growth potential or inflation protection. Over the long term, it should have lower risk than portfolios with a more growth-oriented objective.

Edward Jones constructs and periodically reviews the recommended Target Ranges for each Portfolio Objective in Guided Solutions Fund. Due to various influences such as changing market conditions or a reclassification of an Eligible Investment (defined below) to a different asset class, we may change the Target Ranges of a Portfolio Objective. If we change

the Target Ranges for your Portfolio Objective, we will notify you if your account's Target Allocation (defined below) is out of alignment, as necessary. Your Guided Solutions Fund account includes an annual rebalancing feature and may be eligible for on-demand rebalancing. For more information see "Account Alignment" below.

After you have selected your Portfolio Objective, you may choose from among the mutual funds and exchange-traded funds ("ETFs") available for Guided Solutions Fund ("Eligible Investments") and determine the percentage of your money to invest in each Eligible Investment (your "Target Allocation") in alignment with your Portfolio Objective. Please see "Eligible Investments" below for restrictions on ETF investments for certain Benefit Plan accounts (defined below).

When analyzing investments and developing recommendations that may be appropriate for your account, we rely on a variety of different sources of information. Such sources may include research developed by Edward Jones that covers a wide range of Eligible Investments and investment research reports issued by firms that are not affiliated with us.

In addition, we may use certain Edward Jones investment tools as a preliminary basis for recommending certain Eligible Investments that align to your Portfolio Objective. The use of such investment tools does not guarantee the performance of your account or any investments therein or protect against potential investment losses.

You are responsible for directing the buying and selling of Eligible Investments in your account, except as otherwise described in this Brochure. You may change your Eligible Investment selections and your Target Allocations at any time, provided you remain aligned with your selected Portfolio Objective. Once you have established your Target Allocation, Edward Jones will select the Eligible Investments to be bought

or sold with respect to any investment into or withdrawal out of your Account. We will select such Eligible Investments in alignment with your Target Allocation. You are responsible for choosing and maintaining Target Allocations that are in alignment with the Target Ranges for your Portfolio Objective.

You are responsible for all trading and investment decisions in your account and should not rely solely on the recommendations of Edward Jones or your financial advisor in choosing among Eligible Investments. Neither Edward Jones nor your financial advisor will have discretionary authority for any trading or investment decisions in your account, except as otherwise described in this Brochure.

**Eligible Investments.** Through Guided Solutions Fund, clients can choose from an extensive list of Eligible Investments selected by Edward Jones that includes mutual funds and ETFs across a variety of asset classes. However, Benefit Plan accounts (defined below) with an initial investment of less than \$5,000 can only invest in up to seven mutual funds and are not eligible to invest in or hold ETFs.

For purposes of this Brochure, "Benefit Plan" accounts are defined as: a Simplified Employee Pension ("SEP") individual retirement account ("IRA") or a Traditional IRA linked to an Edward Jones SEP IRA, a Savings Incentive Match Plan for Employees ("SIMPLE") IRA, or an Edward Jones sponsored owner-only 401(k) plan ("Owner K").

If your Benefit Plan account's initial investment in Guided Solutions Fund is at least \$5,000 or if the value of your account increases to \$5,000 or more (regardless of any subsequent decrease in value below \$5,000), your account can invest in a greater number of mutual funds as well as ETFs. Funds not yet invested in your selected Eligible Investments may be invested in the Edward Jones Money Market Fund as a cash sweep vehicle.

The Edward Jones Money Market Fund is affiliated with Edward Jones but is not an Eligible Investment. The portion of your Guided Solutions Fund account that is invested in the Edward Jones Money Market Fund will not be included in the calculation of your Program Fee (as defined below). Please refer to Appendix A for more information about the Edward Jones Money Market Fund.

There is no guarantee that an Eligible Investment will perform in any particular manner. Past performance is not a guarantee of future results. It is important that you read the prospectus of any mutual fund or ETF investment that is an Eligible Investment before investing. Further details about a mutual fund or ETF investment can also be found in its statement of additional information ("SAI") and shareholder reports.

You will not be able to hold any investment in your account that Edward Jones has deemed ineligible for Guided Solutions Fund or ineligible for your account type ("Ineligible Investments"). (See restrictions applicable to Benefit Plan accounts described above.) In the event that Edward Jones re-categorizes an investment from an Eligible Investment to an Ineligible Investment, Edward Jones will notify you and recommend a replacement Eligible Investment. You must instruct Edward Jones to remove the Ineligible Investment from your account and determine whether to replace it with the recommended Eligible Investment or another appropriate Eligible Investment.

If you do not instruct Edward Jones to remove the Ineligible Investment from your account within the timeframe established for Guided Solutions Fund, as determined by Edward Jones, we will liquidate the Ineligible Investment and purchase the recommended replacement Eligible Investment. If you continue to participate in Guided Solutions Fund after the replacement by Edward Jones of an investment in your account, you will be deemed to have consented to such

replacement. The replacement Eligible Investment may be subject to higher internal expenses than the prior investment and may result in your Target Allocation being out of alignment with the Target Ranges for your Portfolio Objective. Liquidation may cause a taxable event as well as additional fees and expenses.

While all Eligible Investments can be held in your Guided Solutions Fund account, not all Eligible Investments can be purchased in the account. For example, certain mutual funds that are Eligible Investments may be closed to new investors.

**Account Alignment.** Edward Jones will review your account annually and notify you if your account's Target Allocation is out of alignment with the Target Ranges for your Portfolio Objective. If your account's Target Allocation is out of alignment for any reason, you will be responsible for realigning your account's Target Allocation within the timeframe established for Guided Solutions Fund, as determined by Edward Jones. To restore your account's alignment you must work with your financial advisor to realign your account's Target Allocation within the Target Ranges for your Portfolio Objective. Realigning your account may result in trading activity, which may cause a taxable event as well as additional fees and expenses.

In the event that you do not provide instructions to Edward Jones to restore your account's Target Allocation alignment within the required timeframe, your account will be removed from Guided Solutions Fund.

Unless your account's Target Allocation is out of alignment with the Target Ranges for your Portfolio Objective or is otherwise restricted by Edward Jones, we will automatically rebalance your account on an annual basis to restore your account to its Target Allocation of Eligible

Investments. Rebalancing is achieved by buying, redeeming or selling shares of Eligible Investments. Rebalancing trades are subject to certain dollar minimums as determined by Edward Jones. You will not be notified before your annual rebalance occurs, unless you are required to bring your account's Target Allocation into alignment. If you continue to participate in Guided Solutions Fund after the annual rebalancing of your account, you will be deemed to have consented to such rebalancing. Asset allocation and rebalancing strategies do not guarantee a profit or protect against loss. Rebalancing trades in a taxable account may result in a taxable event as well as additional fees and expenses.

Your account may be eligible for on-demand rebalancing. Upon receipt of your on-demand rebalancing request, your account will be rebalanced by Edward Jones to restore your account to its Target Allocation of Eligible Investments. On-demand rebalancing will not be available if your account has been rebalanced within 31 days prior to your request, if your account is being automatically rebalanced at the time of your request, or if your account is otherwise restricted by Edward Jones. On-demand rebalancing also may not be available while your account's Target Allocation is out of alignment with your Target Ranges. If your on-demand rebalancing request is received within 31 days prior to an annual rebalancing date, the on-demand rebalancing will serve as the annual rebalancing.

**Brokerage Services.** You are solely responsible for all trading decisions in your account, and Edward Jones will only execute trades at your direction, except as otherwise described in this Brochure. When Edward Jones executes trades for your account, we are not acting as an investment adviser, but solely as a broker-dealer. Trading in your account will be subject to our trading policies and practices. You will not be charged trade commissions or sales charges for

Guided Solutions Fund trades. However, Guided Solutions Fund may cost you more or less than purchasing advisory services and brokerage services separately, depending on certain factors, such as the frequency of your trading. You cannot request that your orders be executed through another broker-dealer. Not all investment advisers require their clients to execute their trades through a certain broker-dealer as we do.

Guided Solutions Fund trades are generally aggregated. This means that trades for your account are combined with all other client accounts, including accounts for Edward Jones associates, and executed in a single trade. Once the trade is executed, it is then allocated to your account in the proper amount. Trade aggregation is done to increase operational efficiencies and allow us to keep trading costs down. If we did not aggregate trades, the Program Fee could potentially be higher.

Mutual fund trades are aggregated and executed after the close of a trading day. Trade aggregation does not have any effect on the price you pay for mutual funds purchased for your account.

ETF trades are aggregated and executed twice each trading day at a time determined by Edward Jones. If an ETF trade is made after the designated trade aggregation cut-off time, it will be aggregated in the morning on the next business day. You may not receive the same price as trades executed the prior trading day. As a result, trade aggregation will affect the price you pay for an ETF in your account. ETFs will be rounded to the nearest whole share. If there is not sufficient cash or assets invested in a money market fund to cover rounding, Edward Jones is authorized to sell a sufficient amount of shares of mutual funds and ETFs held in your account to purchase a whole ETF share. If Edward Jones sells mutual funds or ETFs, this may result in your account being out of alignment with the Target Ranges for your Portfolio Objective.

Such transactions will be effected without regard to tax consequences. You may have to pay redemption fees to a mutual fund company if those mutual fund shares were held for only a short time. (See below for more information on redemption fees.)

From time to time, the volume and/or number of trades that are directed by clients to be executed for Guided Solutions Fund accounts may exceed Edward Jones' operational and technological capacities if these trades are directed on a single day. For example, this may occur if Edward Jones is re-categorizing an investment from an Eligible Investment to an Ineligible Investment, if a large number of accounts need to be rebalanced or by request of a mutual fund or ETF sponsor. To maintain the orderly processing of trades and to minimize the incidence of errors, Edward Jones may allocate trades based on the time of order entry. In certain circumstances this process may take several days or weeks. Although designed to be fair and equitable over time, this may result in clients receiving different prices. In addition, if the volume or size of redemptions required to be effected as a result of re-categorizing a mutual fund from an Eligible Investment to an Ineligible Investment or the rebalancing of a large number of accounts exceeds the limits set forth in the mutual fund's trading policies and procedures, the mutual fund may take up to seven days to process redemptions or may redeem positions in-kind. In such circumstances, client assets may not be fully invested and may be subject to market risk between the redemption date and the date the assets are reinvested. Alternatively, Edward Jones may rely on a random allocation process to effect the redemptions over time in a manner consistent with the limits set forth in the mutual fund's trading policies and procedures.

In certain circumstances, a trade error may occur in your account. It is Edward Jones' policy to use an error account to correct trades. The correction process may result in trades between your

account and an Edward Jones error account. If a trade error is caused by your activity and the process of correcting the error results in a net loss in the error account, your account will be debited for the amount of such loss. If the trade error is caused by our activity, it is Edward Jones' policy to restore your account to the position it would have been in had the trade error not occurred. However, in those instances in which we cannot restore your account to the position it would have been in had the trade error not occurred, Edward Jones will work with you to ensure that your account is otherwise made whole. If the process of resolving a trade error results in a net gain in the error account, we will donate the amount of such gain to charities chosen by Edward Jones.

**Custody Services.** Taxable accounts or tax-qualified accounts (other than a Traditional or Roth IRA) participating in Guided Solutions Fund are held at Edward Jones, as a broker-dealer. Traditional or Roth IRAs are held at Edward Jones Trust Company. Edward Jones Trust Company has delegated its duties and responsibilities as a custodian to Edward Jones, as a broker-dealer.

As custodians, Edward Jones and Edward Jones Trust Company are responsible for:

- safekeeping your funds and securities;
- collecting dividends, interest and proceeds from any sales; and
- disbursing funds from your account.

Edward Jones (as broker-dealer) will provide all accounts with written trade confirmation of securities transactions and account statements for each month there is activity in the account. If Edward Jones Trust Company is the custodian, the account statement will be sent by Edward Jones on behalf of Edward Jones Trust Company. **Please review your account statements carefully and notify us immediately if you detect an error or a discrepancy.**

**Termination of Your Account.** You or Edward Jones may terminate your participation in Guided Solutions Fund at any time without an advisory termination fee. While oral instructions to terminate your participation in Guided Solutions Fund are acceptable, Edward Jones in its sole discretion may require written notice in order to terminate Guided Solutions Fund advisory services for your account. Your account will be charged the Program Fee (defined below) through the date of termination.

Upon termination of your Guided Solutions Fund account, Edward Jones will not be obligated to recommend any action with regard to the assets in your account, but you may instruct Edward Jones to sell the securities or transfer the securities to another Edward Jones account or third-party account. Some mutual funds and/or mutual fund share classes may not be held in a non-advisory account. In these cases, Edward Jones is authorized to redeem those shares for you or convert the mutual fund share class into a different share class.

If you terminate and sell the assets in your account, your proceeds will be available upon settlement of the trades generated to complete the liquidation. Settlement is typically three business days following the trades. Account liquidation may cause a taxable event as well as additional fees and expenses.

## **Fees**

When you obtain services through Guided Solutions Fund, you pay fees to Edward Jones. You also incur internal fees and expenses in the mutual funds and ETFs that you purchase or that are held in your account. The following section explains:

- who receives the fees and expenses;
- when you pay the fees and expenses;
- how the fees and expenses are calculated and paid; and

- potential fee offsets or reductions you may receive from Edward Jones.

## **Program Fee Paid to Edward Jones**

Every Guided Solutions Fund account is charged an asset-based fee for investment advisory services, execution of transactions through Edward Jones and related services (the "Program Fee"). Mutual funds and ETFs have internal fees and expenses (as discussed more fully below), which are in addition to the Program Fee. Such fees and expenses will reduce the account's overall returns and performance.

## **How the Program Fee Is Calculated**

The Program Fee is based on the market value of investments held in your account. The Program Fee is assessed at an annual fee rate (shown below), payable monthly in arrears. As the value of the investments in your account increases or decreases, you are charged the percentage rate for the tier that corresponds to this value.

Benefit Plan accounts with an initial investment of less than \$5,000 are subject to a \$4 minimum monthly fee. If the value of a Benefit Plan account increases to \$5,000 or more (regardless of any subsequent decrease in value below \$5,000) that account will be subject to a \$10 minimum monthly fee. All other Guided Solutions Fund accounts are subject to the \$10 minimum monthly fee.

**Program Fee Schedule for Taxable,  
Traditional IRA and Roth IRA accounts**

| <u>Value of<br/>Account Investments</u> | <u>Annual<br/>Fee Rate</u> |
|---|----------------------------|
| First \$250,000                         | 1.35%                      |
| Next \$250,000                          | 1.30%                      |
| Next \$500,000                          | 1.25%                      |
| Next \$1,500,000                        | 1.00%                      |
| Next \$2,500,000                        | 0.80%                      |
| Next \$5,000,000                        | 0.60%                      |
| Over \$10,000,000                       | 0.50%                      |

**Program Fee Schedule for  
Benefit Plan accounts**

| <u>Value of<br/>Account Investments</u> | <u>Annual<br/>Fee Rate</u> |
|---|----------------------------|
| First \$250,000                         | 1.50%                      |
| Next \$250,000                          | 1.45%                      |
| Next \$500,000                          | 1.40%                      |
| Next \$1,500,000                        | 1.15%                      |
| Next \$2,500,000                        | 0.95%                      |
| Next \$5,000,000                        | 0.75%                      |
| Over \$10,000,000                       | 0.65%                      |

To determine your Program Fee, your account may be grouped with your other Edward Jones advisory accounts or the Edward Jones advisory accounts of people related to or close to you who meet the criteria below that are held in the same Edward Jones branch into what we refer to as a Pricing Group. Each account can only be in one Pricing Group and we will disclose to you the accounts making up your Pricing Group upon request. Other members of the Pricing Group will receive the same disclosure upon request. Your Pricing Group is based on the following criteria:

1. Your single, joint, custodial, Owner K and IRA accounts are grouped together if they are registered at the same address and share one or more of the following:
  - (i) the same last name, (ii) the same

Social Security number, or (iii) the same Edward Jones Relationship Group (If you have worked with your financial advisor to group your account with other accounts for the purpose of planning and establishing financial goals, that is a Relationship Group. Your Relationship Group may be the same as your Pricing Group. Please contact your financial advisor if you have any questions about your Relationship Group).

2. Your revocable trust accounts are grouped with your single, joint, custodial, Owner K, IRA, or other revocable trust accounts if they are registered at the same address and use the same tax ID number for tax reporting.
3. Your association, church, corporation, estate, irrevocable trust, LLC, partnership, and sole proprietorship accounts are grouped with other accounts of the same type if they are registered at the same address and use the same tax ID number for tax reporting. These types of accounts will be grouped with each other, but not with other account types.

Additionally, accounts that do not meet the above criteria with your account, but which meet the above criteria with another person's account in your Pricing Group, will be added to your Pricing Group. Please contact your financial advisor if you have questions about your Pricing Group.

In addition, the Program Fee may be lower than the above schedules in the following circumstances:

- Either Edward Jones or your financial advisor negotiates a lower Program Fee.
- You are an active or retired associate of Edward Jones.

Reducing the Program Fee is at the sole discretion of Edward Jones.

## **Potential Fee Offsets or Reductions to the Program Fee**

Depending on certain factors, you may be eligible to receive fee offsets or reductions to your Program Fee, as described below.

### **(i) Fee Offsets**

Rule 12b-1 Fees: Mutual fund companies or their affiliates may pay Edward Jones Rule 12b-1 fees for distribution and marketing expenses. If we receive Rule 12b-1 fees for the shares in your account, we will credit the amount received to your account as a fee offset.

Shareholder Accounting Revenue: Mutual fund companies may pay Edward Jones for account record-keeping and administrative services provided by Edward Jones for the mutual fund companies. If you have a taxable account or a Traditional or Roth IRA, Edward Jones will collect the shareholder accounting fees received for all clients with these account types during the billing period and then allocate the applicable fee offset, pro rata, based on the market value of the Eligible Investments held in each account. If you have a Benefit Plan account or are an Edward Jones associate, we will apply a fee offset equal to the amount received by Edward Jones for these services with respect to the actual Eligible Investments held in your account.

### **(ii) Fee Reductions**

If your Guided Solutions Fund account is funded from an Edward Jones account that incurred commissions or redemption fees within a preceding period, as established by Edward Jones, the Program Fee may be reduced for up to twenty-four (24) full months in which the account is active in Guided Solutions Fund. The amount of the fee reduction will depend on the type of security held and timing of trade activity for such security. Ask your financial advisor for additional information about potential fee

reductions. Any fee reductions will be applied in accordance with policies established by Edward Jones, which may be amended from time to time. If you close your account in Guided Solutions Fund before receiving the entire fee reduction, you will not receive any of the remaining fee reduction that may have been available for your account.

If you are selling securities to invest in Guided Solutions Fund but did not purchase them through Edward Jones, you may not receive a fee reduction.

## **Payment of Program Fee**

The Program Fee is charged to your account each month in arrears. If your Guided Solutions Fund account is open for part of a month, then you will pay a fee based on the number of days your account was open and invested in Guided Solutions Fund. The amount you pay is determined by the average daily market value of investments held in your account for the previous month.

You pay the Program Fee on the value of investments held in your account. However, cash and shares of the Edward Jones Money Market Fund in your account are not Eligible Investments and are not included in the calculation of the Program Fee.

The Program Fee will be deducted directly from your Guided Solutions Fund account and paid using the cash portion of your account, which may be cash or assets invested in a money market fund. If there is not sufficient cash or assets invested in a money market fund, Edward Jones is authorized to sell a sufficient amount of shares of mutual funds and ETFs held in your account to pay the Program Fee. If Edward Jones sells mutual funds or ETFs, this may result in your account being out of alignment with the Target Ranges for your Portfolio Objective. Such transactions will be effected without regard to tax

consequences. You may have to pay redemption fees to a mutual fund company if those mutual fund shares were held for only a short time. (See below for more information on redemption fees.) At the sole discretion of Edward Jones, you may be allowed to pay your Program Fee from an alternate Edward Jones account.

**Please note:** For U.S. federal tax purposes, you may be able to deduct the Program Fee depending on your financial situation and tax bracket. Edward Jones does not give tax advice, nor can we tell you whether your Program Fee can be deducted. You should talk to your attorney or qualified tax professional about whether your Program Fee can be deducted.

### **Internal Fees and Expenses of Mutual Funds and ETFs**

Mutual funds and ETFs have internal management fees and ongoing expenses for operating the funds (internal fees and expenses) that are deducted from the fund's assets, which has the effect of reducing the fund's net asset value ("NAV"). Many mutual funds that are Eligible Investments in Guided Solutions Fund have different share classes with different fees and expenses for each share class. The prospectus for each mutual fund and ETF will describe the internal fees and expenses. Please refer to Item 6 for more information regarding the selection of mutual funds and ETFs as Eligible Investments for Guided Solutions Fund.

Internal fees and expenses are in addition to the Program Fee described above and vary depending on the particular mutual fund or ETF. You will not see a separate entry on your account statement showing this fee.

Certain mutual funds may also impose redemption fees if shares of the mutual fund are held for only a short time (typically anywhere from 30 days to 12 months). The prospectus and

SAI will describe whether the mutual fund has a redemption charge and whether there are instances when the redemption fees will be waived.

Any internal fees and expenses charged by a mutual fund or ETF, as well as the fees you pay for Guided Solutions Fund, will reduce your account's investment performance.

### **Comparing Costs and Expenses**

You can choose to forgo the services of Guided Solutions Fund and buy and sell securities through Edward Jones as a broker-dealer or through other brokers or agents not affiliated with Edward Jones. If you purchase these investments through Edward Jones as a broker-dealer, you generally pay sales charges or commissions, a portion of which would be paid to your financial advisor. A financial advisor will typically earn more in upfront fees and commissions when you use brokerage services. In the alternative, a financial advisor will typically earn more over time if you invest in Guided Solutions Fund. This creates a financial incentive and potential conflict of interest to the financial advisor when recommending Guided Solutions Fund instead of brokerage services.

There are several factors that could affect the benefits you would receive if you purchase the same services separately or participate in Guided Solutions Fund. An important factor to consider is the amount of trading activity in which you engage in your account and the corresponding brokerage commissions that would be charged if you bought and sold individual securities in a brokerage account.

### **Other Fees and Expenses Not Included in the Program Fee**

In addition to the Program Fee described above, clients may incur other fees and expenses. A client may pay for other services including, but

not limited to, estate service fees, ACH return fees and fees to distribute an account pursuant to a transfer on death agreement.

Also, the Program Fee does not cover transfer taxes; electronic fund, wire and other account transfer fees; fees and expenses incurred by mutual funds or ETFs purchased for your account (described previously); mutual fund redemption fees and contingent deferred sales charges; and any other charges imposed by law or otherwise agreed to by Edward Jones and you with regard to your account.

Deposits, including interest and dividends, received into your account but not yet invested in Eligible Investments may earn interest that will be retained by Edward Jones. We may also earn and retain interest on distributions requested from your account until the time the check is cashed or another payment method is completed.

The average overnight interest rate on these deposits may fluctuate daily and is tied to changes in widely referenced interbank lending rates, such as Fed Funds Effective Rate (“FFER”), Fed Funds Target Rate (“FFTR”) and London Interbank Offered Rates (“LIBOR”). Under these arrangements, banks may pay interest based on a spread to one of these rates or may pay a fixed interest rate.

#### **Item 5: Account Requirements and Types of Clients**

Your initial investment in a Guided Solutions Fund account must generally be at least \$5,000, except for Benefit Plan accounts. There is no minimum initial investment requirement for Benefit Plan accounts.

The total value of your account is monitored by Edward Jones. If your account value falls significantly (for example, a balance of \$2,000 or below), we may, in our discretion, remove your account from Guided Solutions Fund. This is

also applicable to Benefit Plan accounts with an account balance that has reached or exceeded \$5,000.

You can fund your Guided Solutions Fund account with cash and/or securities. If you fund a Benefit Plan account or a Traditional or Roth IRA account, all incoming assets will be liquidated and the proceeds will be invested in Eligible Investments. Otherwise, if you establish your Guided Solutions Fund account and/or later add to your account with Ineligible Investments, Edward Jones is authorized to liquidate or redeem those Ineligible Investments without regard to tax consequences or redemption fees that may be assessed on the liquidation or redemption of those securities. Edward Jones will act in its capacity as a broker-dealer, not as a fiduciary or investment adviser, in connection with such transactions and will sell those securities at no commission. Edward Jones will not provide advice and/or guidance regarding the securities being sold to fund the Guided Solutions Fund account. Trades that occur in a taxable account may result in a taxable event as well as additional fees and expenses.

Generally, Guided Solutions Fund is available only to residents or entities of the United States with the following types of accounts: individuals; trusts; charitable organizations; corporations and other business entities; Traditional and Roth IRAs; and Benefit Plans.

Edward Jones can prohibit anyone or any account type from investing in Guided Solutions Fund for any reason, including if we believe it is not an appropriate investment strategy for you. As a general rule, you should intend to invest in Guided Solutions Fund for a minimum of three years.

If, at any time, you transfer mutual funds into a Guided Solutions Fund account and those mutual funds are current Eligible Investments but in a different share class from those held for Guided

Solutions Fund, Edward Jones is authorized to convert those shares into a different share class eligible to be held in Guided Solutions Fund.

If you terminate your Guided Solutions Fund account and transfer mutual funds into a brokerage account in which the current mutual fund share class is not available, Edward Jones is authorized to liquidate or convert those funds into a different share class.

Any share class conversion could result in higher or lower fees and expenses and may negatively affect investment performance.

#### **Item 6: Guided Solutions Fund Investment Selection and Evaluation**

Guided Solutions Fund is a client-directed wrap fee program sponsored by Edward Jones. No third party investment advisers, no related persons nor Edward Jones supervised persons serve as portfolio managers in Guided Solutions Fund. In consultation with your Edward Jones financial advisor, you will select your Portfolio Objective and Eligible Investments for your account. For more information see Item 4.

**Performance-Based Fees and Side-by-Side Management.** This section does not apply to Edward Jones.

**Methods of Analysis, Investment Strategies and Risk of Loss.** Edward Jones selects the Eligible Investments available in Guided Solutions Fund based on numerous quantitative and qualitative factors, each of which may be given different weight in the decision-making process, and generally no one factor determines the outcome of any selection.

Eligible Investments undergo periodic review by Edward Jones to determine if they remain suitable for Guided Solutions Fund. An Eligible Investment can be re-categorized from an Eligible Investment to an Ineligible Investment

for a variety of reasons, including, but not limited to, the following:

- a significant change to a fund's investment team;
- a major shift in a fund's investment process;
- a drift away from a fund's stated investment style;
- an alternate Eligible Investment has been identified within the same asset class;
- a change in Edward Jones' guidance and/or outlook; and
- a decision by Edward Jones to reduce the overall ownership level of a fund.

Depending on market volatility, your account will sometimes depart from the Target Ranges for your Portfolio Objective. Different asset classes will perform better than others, resulting in an asset allocation that may have more or less risk than you may want. In order to keep your account in alignment with the Target Ranges for your Portfolio Objective, you should monitor this and you may realign your account if it has deviated significantly from the Target Ranges for your Portfolio Objective.

Guided Solutions Fund accounts will be automatically rebalanced by Edward Jones on an annual basis to restore your account to its Target Allocation of Eligible Investments, except as otherwise set forth in this Brochure. For more information on account rebalancing, see Item 4.

The objective of investing in a variety of Eligible Investments in various types of asset classes allocated in the Target Ranges is to construct a portfolio designed to experience less volatility and show more consistent performance over time. There is no guarantee that this goal will be achieved.

**Risk of Loss.** All investment strategies and investments involve risk, and the value of your account will fluctuate. As a result, your account may be worth more or less than the amount of money you invested. Past performance does not

guarantee future results, and there is no guarantee that your Portfolio Objective will be achieved.

Depending on the Eligible Investments you select, your account may also be subject to the following risks:

*Concentration Risk.* An account with a limited number of Eligible Investments may experience more volatility than a more diversified account with a larger number of Eligible Investments.

*Mutual Funds Risk.* Mutual funds are diversified, professionally managed portfolios of securities that pool the assets of individuals and organizations to invest toward a common objective such as current income or long-term growth. Mutual funds are subject to investment advisory, transactional, operating and other expenses. Each mutual fund is subject to specific risks, depending on its investments. The value of mutual funds' investments and the net asset value of the funds' shares will fluctuate in response to changes in market and economic conditions, as well as the financial condition and prospects of companies and other investments in which the funds invest. The performance of a mutual fund will depend on whether the fund's investment adviser is successful in pursuing the fund's investment strategy.

Mutual fund investments in Guided Solutions Fund may consist of different share classes. While each share class invests in the same pool of investments and has the same investment objective, they have different internal fees and expenses depending on how they are sold. Mutual funds often permit the conversion of shares from one class to another, subject to certain conditions as determined by the mutual fund. Edward Jones may convert your shares to another available share class when we believe the new class of shares will be more beneficial to you. Edward Jones will select either Class A shares or Institutional/Advisor shares for Guided Solutions Fund, depending on several factors. Class A shares are typically purchased in

brokerage accounts and carry an up-front sales charge and ongoing Rule 12b-1 fees. If Class A shares are selected in Guided Solutions Fund, the up-front sales charges are waived but the Class A shares are still charged the ongoing Rule 12b-1 fee. As further described in Item 5, Rule 12b-1 fees received from mutual funds held in your account are credited back to your account. Institutional/Advisor shares are generally available to advisory programs if certain eligibility criteria imposed by the mutual fund are met. Institutional/Advisor shares generally do not impose a sales charge or ongoing Rule 12b-1 fees. As a result, Institutional/Advisor shares are usually less expensive than Class A shares. Clients should not assume that they will be invested in the share class with the lowest possible expense ratio. Factors reviewed by Edward Jones in selecting share classes for Guided Solutions Fund include: 1) the eligibility criteria set by the mutual fund company, including minimum investments, and 2) the overall cost structure of the share class and whether the impact of the credit of Rule 12b-1 fees make Class A shares more cost effective. As a result, the Institutional/Advisor share class may not be used. Please refer to the appropriate prospectus and the SAI for more information regarding the available share classes of mutual funds used in Guided Solutions Fund. In its sole discretion, Edward Jones can change the share class of any mutual fund at any time without prior notice to you.

Edward Jones clients collectively own a large percentage of certain mutual funds which are Eligible Investments. Due to this significant ownership, there may be adverse consequences in the event that Edward Jones, as the investment adviser, re-categorizes a mutual fund from an Eligible Investment to an Ineligible Investment. If the resulting volume or size of redemptions directed by accounts in Guided Solutions Fund as a result of the re-categorization exceeds the limits set forth in the mutual fund's policies and procedures, the resulting delay in effecting

redemptions may result in accounts experiencing increased risk of loss. A mutual fund can also decide to redeem shares “in-kind” instead of cash. In that event, accounts may receive the actual underlying securities of the fund. The underlying securities could lose value before they are sold. In addition, brokerage and other transaction costs apply to the sale of the underlying securities. Edward Jones will work with the mutual fund company to minimize any potential adverse impact to accounts in Guided Solutions Fund, but there is no assurance that you will be able to avoid the risk of loss and other adverse consequences. As always, you should read the fund’s prospectus to understand its investment objectives, strategies, principal risks, fees and expenses, and past performance when deciding whether to invest in a mutual fund.

*ETFs Risk.* ETFs are typically registered investment companies whose shares track an index, a commodity or a basket of assets such as an index fund, but trade like stocks on an exchange. ETFs experience price changes throughout the day as they are bought and sold. An investment in an ETF generally presents the same primary risks as an investment in a conventional mutual fund (i.e., one that is not exchange-traded) that has the same investment objective, strategies and policies. The price of an ETF can fluctuate within a wide range, and an ETF will lose value if the prices of the underlying investments owned by the ETF go down. Like mutual funds, ETFs are subject to investment advisory, transactional, operating and other expenses. ETF performance may vary from that of its benchmark or its peers.

*Money Market Funds Risk.* Money market funds are a type of mutual fund that invests in high-quality, short-term debt securities, pays dividends that generally reflect short-term interest rates and seeks to maintain a stable NAV per share (typically \$1). An investment in a money market fund is not insured or guaranteed by the Federal Deposit Insurance Corporation or any other

government agency. Although a money market fund is managed to maintain a stable net asset value of \$1 per share, the value of the fund may fluctuate, and you could lose money.

**Voting Proxies.** When you invest in Guided Solutions Fund, you are solely responsible for voting proxies arising from any securities held in your account. Edward Jones will not take any action and will not render any advice regarding how to vote proxies arising from any securities held in your account. You may receive proxy-related materials and notices from Edward Jones or the applicable mutual fund or ETF sponsor, and you will be responsible for voting proxies.

**Legal Notices.** Edward Jones will not take any action and will not render any advice regarding any legal action on your behalf relating to any Eligible Investments or other assets held in your account (including shares of the Edward Jones Money Market Fund) that may become subject to any legal action, regulatory action, administrative action, class action lawsuit and/or bankruptcy. However, Edward Jones will promptly forward any such documents to you.

#### **Item 7: Client Information Provided to Edward Jones**

Client information provided to Edward Jones will be maintained in accordance with our privacy policies.

Over time, your financial goals and objectives may change. Accordingly, you and your financial advisor must perform an annual review, as set forth in Item 9B below.

#### **Item 8: Client Contact with Edward Jones**

You may contact your Edward Jones financial advisor during normal business hours with questions regarding your account.

## **Item 9: Additional Information**

### **A. Disciplinary Information and Other Financial Industry Activities and Affiliations**

#### **Disciplinary Information**

Edward Jones is a registered broker-dealer and investment adviser. This section contains information about certain legal and regulatory matters that Edward Jones believes are material to a client's evaluation of its advisory business or the integrity of its management. Edward Jones has also been subject to various legal and regulatory proceedings relating to its brokerage business that are disclosed in Part 1A of its Form ADV.

State of California – Revenue Sharing. In the early 1990s, Edward Jones negotiated revenue sharing plans with seven fund families, which had been designated as “preferred funds.” On December 20, 2004, the State of California alleged that Edward Jones violated Corporations Code Section 25401 by failing to adequately disclose its revenue sharing arrangements with these certain designated preferred funds, and Section 25216(a) by omitting to disclose a material fact or facts with respect to its revenue sharing arrangements with these certain designated preferred funds, which may have been misleading. On September 2, 2008, Edward Jones reached an agreement with the California Attorney General in which the case was dismissed with prejudice. Without admitting or denying the allegations, Edward Jones agreed to pay \$2.7 million to the Attorney General as fees and costs, and \$4.8 million to the State of California as civil penalties.

National Association of Securities Dealers (“NASD”) – NAV Transfer Programs. The NASD alleged that Edward Jones failed to provide all investors the opportunity to purchase Class A shares of certain mutual funds at NAV

(i.e., without any deduction for a sales load) pursuant to the terms of its NAV transfer programs. The NASD further alleged that Edward Jones failed to exercise reasonable due diligence to identify the essential terms and conditions of all NAV transfer programs offered by the mutual funds that it sold and failed to establish, maintain and enforce a system and procedures to ensure that all of its clients received NAV pricing when appropriate. On December 11, 2006, pursuant to NASD Rule 9216, Edward Jones entered into a letter of acceptance, waiver and consent whereby it agreed, without admitting or denying the findings of the NASD, to the entry of certain findings and sanctions in connection with its handling of NAV transfer programs offered by certain mutual funds during the period January 1, 2002, through December 31, 2004. Edward Jones was censured and fined \$250,000, and agreed to provide remediation payments to investors estimated to be approximately \$25 million.

Financial Industry Regulatory Authority (“FINRA”) – Official Statements Delivery. On November 2, 2006, FINRA alleged Edward Jones violated MSRB Rule G-32 by failing to timely deliver official statements to certain clients in various transactions when Edward Jones was not an underwriter or member of the syndicate and violated MSRB Rules G-8, G-27, and G-17 regarding certain record-keeping requirements. Without admitting or denying the findings, on April 9, 2009, Edward Jones consented to the described sanctions and entry of findings, and was censured and fined \$900,000. Edward Jones adopted and implemented systems and procedures reasonably designed to ensure compliance with MSRB Rules G-32 and G-8.

FINRA – Exchange-Traded Funds (“ETFs”). In violation of FINRA Rule 2010 and NASD Rules 2110, 2310 and 3010, FINRA alleged that Edward Jones (1) failed to establish and maintain a supervisory system, including written supervisory procedures, reasonably designed to

achieve compliance with applicable NASD or FINRA rules in connection with the sale of non-traditional ETFs; (2) failed to establish and maintain an adequate supervisory system to monitor transactions in non-traditional ETFs involving retail clients; (3) did not exercise due diligence in investigating non-traditional ETFs; (4) did not ensure that its registered representatives obtained adequate information and instruction regarding traditional ETFs before recommending those products to clients; and (5) did not provide such information directly to registered representatives or require that they obtain it from other sources. FINRA also alleged that Edward Jones' supervisory system was inadequate with respect to its oversight of non-traditional ETF transactions and until the time when FINRA issued Regulatory Notice 09-31, relied on its general supervisory procedures to oversee transactions in non-traditional ETFs. FINRA alleged that those procedures did not address the products' unique features and risks, e.g., Edward Jones' sales exception reports and other supervisory tools did not differentiate between exchange-traded equity securities, traditional ETFs and non-traditional ETFs. FINRA alleged that Edward Jones' general supervisory procedures did not require it to monitor either the length of time clients held open positions in non-traditional ETFs or the effect of long holding periods on those positions. On January 9, 2014, without admitting or denying the findings, Edward Jones entered into a letter of acceptance, waiver and consent in which Edward Jones was censured, fined \$200,000, and ordered to pay \$51,581.25 in restitution to clients.

State of New Hampshire – Solicitation Calls. In April 2013, the State of New Hampshire brought an action against Edward Jones, in which the allegations included solicitations calls being made in violation of applicable telephone solicitation rules, failure to properly train and supervise registered representatives in the area of telephone solicitation, and failure to establish a

system and procedures reasonably designed to ensure compliance with applicable telephone solicitation rules. On February 25, 2014, Edward Jones and the State of New Hampshire entered into a Consent Agreement in which Edward Jones agreed to pay the State \$175,000 in costs, \$175,000 in contribution to New Hampshire investor education, and \$400,000 in an administrative fine, without any admission of fault or wrongdoing.

SEC – Municipal Bond Pricing. On August 13, 2015, Edward Jones, without admitting or denying the findings, entered into a settlement in public administrative and cease-and-desist proceedings with the SEC regarding certain of the Firm's municipal securities activities. Pursuant to the settlement, the SEC alleged that Edward Jones violated Sections 17(a)(2) and (3) of the Securities Act of 1933 ("Securities Act"), Sections 15B(c)(1) and 15(b)(4)(E) of the Securities Exchange Act of 1934 ("Exchange Act"), and Municipal Securities Rulemaking Board ("MSRB") Rules G-17, G-11(b) and (d), G-27 and G-30(a), was censured and was ordered to cease and desist from violating or causing any current and future violations of Sections 17(a)(2) and (3) of the Securities Act, Section 15B(c)(1) of the Exchange Act and MSRB Rules G-17, G-11, G-30 and G-27. The settlement requires Edward Jones to pay \$5,194,401.37 to current and former customers of Edward Jones and to pay a civil money penalty in the amount of \$15,000,000. In entering into the settlement, the SEC considered remedial acts undertaken by Edward Jones related to this matter.

FINRA – Mutual Fund Sales Charge Waivers. On May 5, 2015, FINRA's Enforcement Division advised Edward Jones that it was investigating whether any violations of the federal securities laws or rules had occurred with respect to mutual fund purchases and sales charge waivers for certain retirement plan and charitable organization accounts. Prior to being advised of the investigation, Edward Jones had commenced

a review of this issue and self-reported to FINRA. On October 26, 2015, Edward Jones, without admitting or denying the findings, entered into a settlement agreement with FINRA to resolve this matter. Pursuant to the settlement, Edward Jones agreed to provide remediation to certain customers, estimated at the time of the settlement agreement to be approximately \$13.5 million. A monetary penalty was not imposed by FINRA. In reaching the settlement, FINRA recognized the extraordinary cooperation of Edward Jones, including its self-reporting of the issue to FINRA.

### **Other Financial Industry Activities and Affiliations**

You should be aware that Edward Jones, its affiliates and its financial advisors perform services for you and other clients outside Guided Solutions Fund, including the execution of brokerage transactions (e.g., the purchase or sale of securities or insurance products), research, the retail distribution of securities (e.g., mutual funds), the participation in principal transactions and certain underwritings and other investment advisory services. Edward Jones and its affiliates may receive compensation, including fees and commissions, associated with these services. Edward Jones has a financial interest in our clients' transactions and the recommendations we make to clients to buy or sell securities or investment products.

A potential conflict of interest exists where Edward Jones has an existing business relationship with the mutual fund families that are available as Eligible Investments through Guided Solutions Fund. Edward Jones receives revenue sharing from certain unaffiliated mutual fund families outside of advisory programs. Edward Jones' receipt of revenue sharing creates a potential conflict of interest in the form of additional financial incentives. We believe that this potential conflict of interest is addressed through internal policies to prevent Edward

Jones, in its capacity as investment adviser, and any affiliated investment adviser, from considering revenue sharing from existing business relationships when selecting Eligible Investments for Guided Solutions Fund.

Edward Jones has additional policies and procedures, including client disclosures, to address this conflict. For more information regarding revenue sharing, please visit [www.edwardjones.com/disclosures](http://www.edwardjones.com/disclosures) or request a revenue sharing disclosure document from your Edward Jones financial advisor. Edward Jones and its financial advisors may also receive compensation for services and recommendations that may differ from advice given to you while participating in Guided Solutions Fund.

In its capacity as a broker-dealer, Edward Jones performs research and distributes recommendations to buy, sell or hold the equity securities of asset management companies or financial institutions with asset management affiliates that manage mutual funds designated as Eligible Investments in Guided Solutions Fund. In order to preserve the independence of this process and to address any conflicts of interest, we have adopted a policy under which we do not consider our opinion on equity securities of asset management companies or financial institutions in selecting mutual funds designated as Eligible Investments in Guided Solutions Fund.

The following summarizes Edward Jones' material relationships or arrangements with other entities that participate in the financial industry.

Edward Jones is the primary operating subsidiary of JFC, and is dually registered as an investment adviser with the SEC and a broker-dealer with both the SEC and FINRA.

Olive Street Investment Advisers, LLC, a subsidiary of JFC, serves as the affiliated investment adviser of proprietary mutual funds that are Ineligible Investments in Guided

Solutions Fund. Certain current or former associates of Edward Jones may serve as officers or directors of the affiliated investment adviser or the proprietary mutual funds.

Edward Jones' Canadian operating subsidiary, an Ontario, Canada, limited partnership (Edward Jones in Canada), is a broker-dealer registered with the Investment Industry Regulatory Organization of Canada.

Edward Jones Trust Company, a wholly owned subsidiary of JFC, is a federally chartered savings association that offers fiduciary services to clients and exercises discretion over investment assets. Edward Jones Trust Company acts as trustee or investment agent under trust agreements, wills and similar arrangements. Edward Jones Trust Company also acts as custodian for certain Traditional and Roth IRAs participating in Guided Solutions Fund through an agreement between Edward Jones and Edward Jones Trust Company. For additional information about this arrangement, please see Item 4.

Edward Jones owns directly or indirectly 100% of three insurance agencies that conduct general insurance producing activities in the U.S.: Edward Jones Insurance Agency of New Mexico, L.L.C., a New Mexico limited liability company; Edward Jones Insurance Agency of Massachusetts, L.L.C., a Massachusetts limited liability company; and Edward Jones Insurance Agency of California, L.L.C., a California limited liability company.

Edward Jones indirectly owns 100% of two insurance agencies that perform general insurance related activities in Canada: Edward Jones Insurance Agency (Quebec) Inc., a Canadian corporation; and Edward Jones Insurance Agency, an Ontario Canada limited partnership.

Edward Jones owns 7% of Customer Account Protection Company Holdings, Inc. (CAPCO), a captive insurance group.

Edward Jones also owns, as a limited partner, 49.5% of Passport Research Ltd., a Pennsylvania limited partnership that acts as an investment adviser to the Edward Jones Money Market Fund. Appendix A contains a detailed discussion of our affiliation with the Edward Jones Money Market Fund.

**B. Code of Ethics, Participation or Interest in Client Transactions and Personal Trading; Review of Accounts; Client Referrals and Other Compensation; and Financial Information.**

**Code of Ethics, Participation or Interest in Client Transactions and Personal Trading**

Edward Jones has established a Code of Ethics to ensure that our associates:

- (1) act with integrity and in an ethical manner with you and all of our clients;
- (2) place your and all of our clients' interests first;
- (3) conduct personal trading in compliance with our Code of Ethics, avoid potential conflicts of interest and make sure they do not abuse the faith and trust you have placed in them;
- (4) comply with all applicable rules, regulations and laws; and
- (5) do not use any material nonpublic information they may receive as a result of their employment with Edward Jones.

Under our Code of Ethics, Edward Jones' associates: (1) are prohibited from buying securities during an initial public offering; (2) are prohibited from buying securities in a private placement unless they have prior approval from Edward Jones; and (3) may be restricted from making trades in securities immediately before or

after trades in the same securities are made for advisory clients.

Some Edward Jones associates are deemed “access persons” under our Code of Ethics because they may have access to nonpublic information regarding either the securities in clients' accounts or changes to Eligible Investments, including asset allocations. Access persons are required to submit to the chief compliance officer, or his or her delegate, a list of any securities they own and securities transactions they made for any account they control at Edward Jones or another financial institution. You may request a copy of the Edward Jones Code of Ethics from your financial advisor.

As a broker-dealer, there may be times where Edward Jones will buy, sell or recommend that our brokerage clients who are not participating in Guided Solutions Fund buy securities that are also Eligible Investments in Guided Solutions Fund. These brokerage activities are done in the regular course of our business as a broker-dealer and are separate from our investment advisory services. There are times when we act as principal, which means we participate in client transactions by buying securities for our own inventory and selling those securities to our clients.

You should know that financial advisors, Edward Jones associates (including those directly involved with Guided Solutions Fund) and/or their family members are permitted to and may invest in Guided Solutions Fund. This practice could create a conflict of interest if associates placing trades for their own accounts were to place a trade before our clients and receive a better price on a security.

Edward Jones has internal supervisory reviews and procedures to review accounts held by our associates and certain family members and their personal trading practices. The reviews look for

improper trading activities, including trading that may be in conflict with the best interests of a client. In addition to the Code of Ethics and the supervisory reviews, Edward Jones prohibits financial advisors from placing trades for their personal accounts before trades for our clients in the same security. In the event a financial advisor's personal order fills at a better price than a client's order placed close in time, we will adjust the trade so the client receives the better price.

### **Review of Accounts**

At the time your Guided Solutions Fund account is opened, Edward Jones' supervisory associates will review your selected Portfolio Objective and the funding of your account. If you have sold investments purchased at Edward Jones in order to fund the account, the holding period of those investments will be reviewed for appropriateness. Supervisory personnel may also decide to call you directly to discuss your understanding of Guided Solutions Fund, including the fees and expenses you are or will be paying.

While you are invested in Guided Solutions Fund, Edward Jones will review your account annually to determine whether its Target Allocation is in alignment with the Target Ranges for your Portfolio Objective and will notify you if your account's Target Allocation is out of alignment. If this happens, you should work with your financial advisor to determine what adjustments are needed to bring your account's Target Allocation back into alignment. In the event that you do not provide instructions to bring your account's Target Allocation back into alignment within a time period determined by Edward Jones, your account will be removed from Guided Solutions Fund. For more information on account alignment, see Item 4.

In addition, you and your financial advisor must annually review whether there have been any changes to your financial circumstances

including, but not limited to, your risk tolerance and Portfolio Objective.

If you decide to invest in a different Portfolio Objective, you will need to complete a new Questionnaire and we may make recommendations to realign your account to match your new Portfolio Objective.

Our review does not substitute for your own continued review and monitoring of your account and performance of your investments. You should review trade confirmations (as applicable), account statements and other information we send to you. Current and timely information about your account will be available in Edward Jones' online client access system. If you have any questions, please discuss them with your financial advisor.

#### **Client Referrals and Other Compensation**

Edward Jones does not enter into arrangements with unaffiliated third parties to refer or solicit clients to any advisory program offered by Edward Jones.

Your financial advisor receives a portion of the monthly Program Fee. As a result, your financial advisor has a financial incentive not to negotiate the Program Fee. The portion of the Program Fee paid to your financial advisor is at the discretion of Edward Jones. The fee rate paid to your financial advisor will be the same regardless of the Portfolio Objective you select. As a result, your financial advisor does not have a financial incentive to recommend one Portfolio Objective over another.

Edward Jones has contracted with Broadridge Investor Communications Solutions, Inc. ("Broadridge"), an unaffiliated third-party vendor, to distribute proxies, periodic reports and voting instruction information to our clients. Pursuant to the agreement between Edward Jones and Broadridge, and in accordance with

regulations, Broadridge charges the issuing company on behalf of Edward Jones for these services. Edward Jones may receive from Broadridge a portion of the fees paid by the issuing company.

Certain unaffiliated mutual fund companies and/or ETF sponsors (or their investment advisers) with mutual funds and/or ETFs on the list of Eligible Investments may pay certain expenses on behalf of financial advisors, including training and educational expenses, and in some instances may make payments directly to Edward Jones to subsidize training and educational costs for financial advisors. They may also participate in conferences or other marketing activities with Edward Jones and may be asked to share in the cost of these activities. Edward Jones has not entered into any agreement with any ETF, mutual fund, or its investment adviser or its distributors or affiliates providing for payment of such expenses as a condition of inclusion on the list of Eligible Investments. Our financial advisors are not allowed to consider an advisory product partner's sponsorship of a marketing activity when choosing which Eligible Investments to suggest to you.

The Program Fee, as well as assets under care, may impact your financial advisor's eligibility for a bonus.

Financial advisors are eligible to participate in the Edward Jones Travel Award Program ("Travel Award Program"), which includes domestic and international travel, or a cash award in lieu of a trip. Program Fees received by a financial advisor are counted toward qualifying for the Travel Award Program.

#### **Financial Information**

This section does not apply to Edward Jones.

**Item 10: Requirements for State-Registered  
Advisers**

This section does not apply to Edward Jones.

## **APPENDIX A**

### **Disclosures Regarding Proprietary/Affiliated Money Market Fund**

Your Guided Solutions Fund account may from time to time be invested in shares of the Edward Jones Money Market Fund (the “Fund”), which is advised by Passport Research, Ltd. (the “Adviser”), a partnership in which Edward Jones has a 49.5% limited partnership interest. As such, the Fund is advised by an affiliate of Edward Jones or by a person in which Edward Jones has an interest.

Due to its limited partnership interest in the Adviser, Edward Jones receives a share of the Adviser’s net income and revenue, which are derived from advisory fees, as is more fully described in the prospectus of the Fund. In addition, the Adviser or persons related to the Adviser, including Edward Jones, may provide any other services to the Fund that are permitted by law and be compensated for them, including without limitation, custody, fund accounting, transfer agency and distribution. In addition, Edward Jones or its affiliates may serve as counterparties in transactions with the Fund where permitted by law or regulation, and may receive compensation in that capacity.

Edward Jones has provided you with the current prospectus for the Fund. The prospectus describes the investment characteristics of the Fund, the schedule of fees paid to the Adviser or its affiliates by the Fund, and the schedule of fees paid to the Adviser or its affiliates for any additional services provided by them to the Fund. The prospectus also describes certain revenue received by Edward Jones in connection with the Fund.
