Representative does not limit his recommendations to products or services offered by the broker-dealer and ensures that all recommendations are appropriate for a client's specific needs. Clients have the

option to purchase investment products recommended through other broker-dealers not affiliated with this representative.

Insurance company or agency

Thus, a conflict of interest exists between the interests of your representative and those of the advisory clients, creating an incentive for him to recommend investment and insurance products based on the compensation received, rather than on a client's needs. However, clients are under no obligation to act upon any recommendations of the representative or to effect any transactions through him if they decide to follow the recommendations (unless they have granted our firm discretionary investment authority).
