4b: Types of Advisory Services

Silver Oak Wealth offers a variety of investment advisory services to our clients. We work with our clients to identify their investment goals and objectives as well as risk tolerance in order to create an initial portfolio allocation designed to complement their clients’ financial goals and objectives. We may create a portfolio, consisting of, but not limited to individual stocks or bonds, exchange traded funds, no-load funds and/or load-waived funds (front-end commissions will not be charged).

Each portfolio will be initially designed to meet a particular investment goal, which Silver Oak Wealth has determined to be suitable to our client’s circumstances. Once the appropriate portfolio has been determined, we will review the portfolio and rebalance the account based upon our client’s individual needs, stated goals and objectives. Silver Oak Wealth’s strategy, generally, will be to seek to meet client investment objectives while providing clients with access to personal advisory services.

Silver Oak Wealth offers financial planning services for our clients. We will prepare a written financial plan for all financial planning clients. The plan considers all of your assets, liabilities, goals and objectives and includes gathering all information necessary to provide you with appropriate and agreed upon services, which may include one or more of the following:

- Investment Planning
- Investment Policy Statements
- Financial Independence
- Retirement Planning

You are encouraged to review your plans on a regular basis.

4c: Client Tailored Relationships and Restrictions

As a fiduciary, Silver Oak Wealth always acts solely in your best interests. Your portfolio is customized based on your investment objectives. You may make requests or make suggestions regarding the investments made in your portfolio. Restrictions on trading which, in our opinion, are not in your best interest cannot be honored and if forced may result in the termination of our agreement.

Similarly, you are under no obligation to act upon Silver Oak Wealth's or associated person's recommendations. If you elect to act on any of the recommendations, you are under no obligation to effect the transaction through Silver Oak Wealth or its associated person when the person is an agent with a licensed broker-dealer or through any associate or affiliate of such person.

4d: Wrap Fee Program

Silver Oak Wealth does not sponsor nor provide portfolio management services to a wrap fee program.

4e: Assets under Management (AUM)

ITEM 5 – FEES AND COMPENSATION

5a, b & d: Fee Schedules, Payments & Options

Investment Management

STANDARD FEE SCHEDULE

1.9% of Client's assets under management.

For purposes of determining value, securities and other instruments traded on a market for which actual transaction prices are publicly reported are valued at the last reported sale price on the principal market in which they are traded. In certain circumstances, fees may be negotiable.

The fee includes the time and activities necessary to work with your attorney and/or accountant in reaching agreement on solutions, as well as assisting them in implementation of all appropriate documents. We are not responsible for attorney or account fees charged to you as a result of the above activities.

Compensation for our services will be calculated in accordance with what is set in the client agreement. We may modify the terms of any agreement by written changes submitted to the client for signature. While we strive to maintain competitive fees, the same or similar services may be available from other firms at higher or lower fees.

Silver Oak Wealth fees are paid from your account by the custodian when we submit an invoice to them. If there is insufficient cash in your account to pay your fees, an equal balance of securities in your portfolio may be sold to pay our fee. In addition to our fees, there may be custodial, mutual fund or similar third party management fees and charges.

Silver Oak Wealth fees are paid quarterly in advance, with payment due within 10 days from the date of the invoice. Our fee is determined by taking the percentage rate we charge, times the market value of the account, divided by the number of days in the year and multiplied by the number of days in the quarter. The market value is the sum of the values of all assets in the account, not adjusted by any margin debit. Fees for partial quarters at the commencement or termination of our agreement will be billed or refunded on a pro-rated basis contingent on the number of days the account was open during the quarter. Quarterly fee adjustments for additional assets received into the account during a quarter or for partial withdrawals will also be provided on the above pro rata basis.

Financial Planning

Fees for financial planning services are based on a rate of \$300 per hour. Special arrangements can be made for clients wishing on-going financial planning services. These arrangements will be defined and agreed upon by both parties via the financial planning agreement. Hourly financial planning fees are due at the time of service. Services performed on a fixed fee basis require a retainer equal to one-half the fixed fee. The remaining balance will be billed in equal installments on a monthly basis until the project is completed. If invoiced, they are due within ten (10) days of invoice. Special arrangements may be made with clients wishing ongoing financial planning services.

5.d: Termination

Either Silver Oak Wealth or our clients can terminate our agreement upon receipt of written notice to the other party, to include written agreement to changes by the client.

When an agreement is terminated, we will refund any pre-paid, unearned fees based on the number of days remaining in the quarter after termination. Refunds will be made within 30 calendar days of the effective date of termination.

When an agreement is terminated, all assets may need to be transferred from the current custodian. You will be responsible for paying all fees including full quarterly custodial administrative fees, account closure fees, mutual fund fees and all trading costs due to the termination. The custodian may assess additional fees for transfer of illiquid

investments. If there is insufficient cash in the account, the liquidation of some securities may be used to pay the fees. Prior to termination of an agreement, we can provide a good-faith estimate of these fees.

5c: Third Party Fees

You are responsible for the payment of all third party fees (i.e. custodian fees, mutual fund fees, transaction fees, etc.). Those fees are separate and distinct from the fees we charge.

All brokerage commissions, stock transfer fees, and other similar charges incurred in connection with transactions for the account will be paid out of the assets in the account and are in addition to the investment management fees paid to us. While we take measures to ensure the fees charged are accurate, it is your responsibility to ensure the amount of fee charged is correct. In addition to statements sent by us, you will receive statements directly from these brokers, custodians or mutual funds or other investments you hold. We strongly urge you to compare these statements for accuracy.

You assume all market risk involved in the investment of account assets under the Investment Advisory Agreement and understand that investment decisions made for this account are subject to various market, currency, economic, political and business risks. Except as may otherwise be provided by law, we will not be liable to you for (a) any loss that you may suffer by reason of any investment decision made or other action taken or omitted in good faith by Silver Oak Wealth with that degree of care, skill, prudence and diligence under the circumstances that a prudent person acting in a fiduciary capacity would use; (b) any loss arising from our adherence to your instructions; or (c) any unauthorized act or failure to act by a custodian of your account. Nothing in this document shall relieve us from any responsibility or liability we may have under state or federal statutes.

ITEM 11 – CODE OF ETHICS, PARTICIPATION OR INTEREST IN CLIENT TRANSACTIONS AND PERSONAL TRADING

11a: Code of Ethics Description

Silver Oak Wealth has adopted a Code of Ethics that governs a number of potential conflicts of interest we have when providing our advisory services to you. This Code of Ethics is designed to ensure we meet our fiduciary obligation to you and to stress the importance of a culture of compliance within our firm.

An additional benefit of our Code of Ethics is to detect and prevent violations of securities laws, including our obligations we owe to you.

Silver Oak Wealth's Code of Ethics is comprehensive, is distributed to each employee at the time of hire, and annually thereafter (if there are changes). We also supplement the Code of Ethics with annual training and on-going monitoring of employee activity. A complete copy of our Code of Ethics will be supplied to you, free of charge, if you request it.

Silver Oak Wealth's Code of Ethics includes the following:

- Requirements related to the confidentiality of your personal, business and financial information
- Prohibitions on insider trading (if we are in possession of material, non-public information)
- Reporting of gifts and business entertainment
- Pre-clearance of employee and firm transactions
- Reporting (on an on-going and quarterly basis) all personal securities transactions (what we call "reportable securities" as mandated by regulation)

On an annual basis, we require all employees to re-certify to our Code of Ethics, identify members of their household and any account to which they have a beneficial ownership (they "own" the account or have "authority" over the account), securities held in certificate form and all securities they own at that time.

11b, c & d: Participation or Interest in Client Transactions

Silver Oak Wealth, or its employees, may buy and sell some of the same securities for our own accounts that we buy and sell for our clients. We will always buy or sell from our clients' accounts before we buy or sell from our accounts. In some cases Silver Oak Wealth, or its employees, may buy or sell securities for our own accounts and not for clients' accounts, as it may not meet the objectives or plans for the client.

Silver Oak Wealth will always maintain full disclosure with our clients so that you can make informed decisions. We will always evaluate our activity from the view of our clients to ensure that any and all required disclosures are made. For example, we will disclose anything that would cause you to be unfairly influenced to make any decision regarding actions or inactions in your account.

ITEM 12 – BROKERAGE PRACTICES

12a: Selecting Brokerage Firms

As part of our services, Silver Oak Wealth will recommend a broker-dealer. Silver Oak has selected TD Ameritrade as its broker dealer. Broker-dealers are selected based on price, reliability, speed of processing, tools and “best execution” in addition to other considerations. And while you are not required to effect transactions through any broker-dealer recommended by us, we feel we have made our selections based on a totality of benefits they offer.

Silver Oak Wealth may purchase software, tools, training programs or seminar services from our broker-dealer. Additionally, broker-dealers may provide services, tools or other non-financial benefits to us as a benefit for using the broker-dealer’s services. However, we endeavor at all times to put the interests of our clients first. You should be aware, however, that the receipt of the types of benefits discussed above can create a potential conflict of interest by influencing our choice of a broker-dealer.

To avoid creating a possible conflict of interest in recommending broker-dealers, we have established the following restrictions in order to ensure its fiduciary responsibilities:

1. Silver Oak Wealth adheres to our Code of Ethics as outlined in Item 11 above.
2. If Silver Oak Wealth receives separate compensation for transactions, we will fully disclose them.

4. Silver Oak Wealth will always act in accordance with all applicable federal and state regulations governing registered investment advisory practices.

12.b: Sales Aggregation

Silver Oak Wealth is authorized to aggregate purchases and sales and other transactions made for your account with purchases and sales and other transactions in the same or similar securities or instruments for other clients of ours. When we aggregate transactions, the actual prices applicable to the aggregated transactions will be averaged, and the account will be deemed to have purchased or sold its proportionate share of the securities or instruments involved at the average price obtained. Stock exchange regulations may in certain instances prevent the executing broker-dealer from delivering to the account a confirmation slip with respect to its participation in the aggregated transaction and, in such event, we will advise you in writing of any purchase or disposition of instruments for the account with respect to any such aggregated transaction. We will direct that confirmations of any transactions effected for the account will be sent, in conformity with applicable law, to you.

ITEM 13 – REVIEW OF ACCOUNTS

13a: Periodic Reviews

Accounts are reviewed by Brian Castillo or qualified staff members. The frequency of reviews is determined based on your investment objectives, but no less than annually.

The client understands that SIPC provides only limited protection for the loss of property held by a broker-dealer. As a fiduciary, Silver Oak Wealth will always act in the client's best interests and in doing so, the above does not limit or modify that duty to our clients. Custodial statements will include fees charged by Silver Oak Wealth. We strongly urge you to review the investment advisory fees contained in the custodial statement for accuracy.

ITEM 16 – INVESTMENT DISCRETION

Silver Oak Wealth asks our clients to give us discretionary authority in writing in order to execute transactions without our client's prior approval. These transactions may include the purchase and selling of securities, arranging for payments or generally acting on behalf of our clients in most matters necessary to the handling of the account.

In certain circumstances, we will request non-discretionary authority over our clients' accounts. Non-discretionary authority requires us to obtain your prior approval of each specific transaction prior to executing investment recommendations.

ITEM 17 – VOTING CLIENT SECURITIES

The clients of Silver Oak Wealth retain the authority to proxy vote and will continue to do so until we otherwise may agree in writing. You should ensure that proxy ballots are mailed directly to you by selecting this option on your custodial application forms.
