Professional Designations

Your advisor has achieved the following designation: **CFA® - Chartered Financial Analyst®**

The Chartered Financial Analyst (CFA) charter is a globally respected, graduate-level investment credential established in 1962 and awarded by CFA Institute - the largest global association of investment professionals. There are currently more than 107,000 CFA charterholders working in 135 countries. To earn the CFA charter, candidates must: 1) pass three sequential, six-hour examinations; 2) have at least four years of qualified professional investment experience; 3) join CFA Institute as members; and 4) commit to abide by, and annually reaffirm, their adherence to the CFA Institute Code of Ethics and Standards of Professional Conduct.

The CFA Institute Code of Ethics and Standards of Professional Conduct, enforced through an active professional conduct program, require CFA charterholders to (i) place their clients' interests ahead of their own; (ii) maintain independence and objectivity; (iii) act with integrity; (iv) maintain and improve their professional competence; and, (v) disclose conflicts of interest and legal matters. The CFA Program curriculum is updated every year by experts from around the world to ensure that candidates learn the most relevant and practical new tools, ideas, and investment and wealth management skills to reflect the dynamic and complex nature of the profession. To learn more about the CFA charter, visit www.cfainstitute.org.

Your advisor has achieved the following designation: **FRM® - Financial Risk Manager®**

The Financial Risk Manager (FRM) designation is the most globally respected and widely recognized certification for financial risk management. The FRM Program has been sponsored by the Global Association of Risk Professionals. The FRM Program is developed by the FRM Committee, which is comprised of world-leading experts in risk. To reflect the emerging demands of the industry, the FRM curriculum is reviewed and revised annually by the FRM Committee. FRM certification is awarded after a candidate has passed two rigorous multiple choice exams (FRM Exam Part I and Part II) and demonstrated two years of relevant work experience. Candidates must take the FRM Exam Part I before taking Part II. Certified FRMs are strongly encouraged to earn 40 hours of Continuing Professional Development (CPD) every two years to maintain the latest best practices in risk management.
