Financial Planning Services

We offer broad based financial planning services, including tax planning, investment planning, insurance planning, estate planning, disability planning, business planning, retirement planning, education planning, and budgeting and cash flow analysis. **PanthRex** strives to achieve a client’s long-term financial goals by implementing a financial planning process that may include any or all of the following steps:

Assessment of a client’s present financial situation by collecting information regarding net worth and cash flow statements, tax returns, insurance policies, investment portfolios, pension plans, employee benefit statements, etc.

Identification of a client’s financial and personal goals and objectives. Goals or objectives may include financing a child’s college education or retirement planning. The identified goals or objectives are specific, realistic, and measurable. All goals include time horizons.

Resolution of finance related problems. Obstacles to achieving financial independence are identified so that resolution may occur. Examples of problem areas can include too little or too much insurance coverage, inadequate cash flow or a high tax burden.

Plan Design. A written financial plan, when necessary, is prepared that includes recommendations and solutions to any financial related problems.

Implementation of the financial plan. The financial plan is finalized and agreed upon. The recommendations and solutions are executed to reach the desired goals and objectives.

Evaluation of the financial plan is reviewed periodically. The financial planning service provides the option of conducting a periodic review and revision of the plan to ensure that the financial goals are achieved. The client may be required to pay an additional fee to exercise this option.

We also provide financial planning services that cover a specific area, such as retirement or estate planning. We offer consultative services where we set an appointment to meet with you for financial planning advice for an hourly or a flat fee. The agreed upon fee structure for consultative financial planning services are disclosed in writing and must be signed and dated by the client and **PanthRex**.

Financial plans are based on your financial situation and the financial information you provide to **PanthRex** and Associated Persons. If your financial situation, goals, objectives, or needs change, you must notify us promptly.

You may choose to accept or reject our recommendations. If you decide to proceed with our recommendations, you may do so either through our investment advisory services or by using the advisory/brokerage firm of your choice. If a written financial plan has been developed by **PanthRex** for the client(s) and said client(s) desire(s) to take possession of the plan or any supporting information used in preparation of the client(s)'s financial plan, then the client(s) is/are required to purchase the plan at that time.

Note: Information related to tax and legal consequences that is provided as part of the financial plan is for informative purposes only. Clients are instructed to contact their tax or legal advisers for personalized advice. Recommendations may be made regarding purchasing various types of insurance products as part of the financial planning process. While IARs of **PanthRex** may hold various insurance licenses and may own or be affiliated with an insurance agency or insurance marketing organization. Clients are never obligated to purchase a recommended insurance product or to purchase any insurance products through an IAR associated with **PanthRex** or to use the services of any insurance agency or insurance marketing organization recommended by or affiliated with **PanthRex**. Any payments for or commissions generated by a purchased insurance product is separate and independent of financial planning fees or fees paid for investment advisory services.

Investment Monitoring and Referral Services

Our investment advice is tailored to meet our Client(s)' needs and investment objectives. If you decide to hire our firm to assist you with the management of your portfolio, an Associated Person of **PanthRex** will meet with you and gather information about your financial situation, investment objectives, and any reasonable restrictions you would like to impose on the management of the account. The information we gather will help us implement an asset allocation strategy that will be specific to your needs and goals.

Currently, we offer asset allocation and advisory services through various sub-advisors. All sub-advisors recommended by the firm must be registered with either the Securities and Exchange Commission or with the applicable State securities division. Factors considered in the selection of sub-advisors include but may not be limited to: i) **PanthRex**'s preference for particular sub-advisors; ii) the sub-advisor's quality of service and track record; iii) the client's risk tolerance, goals and objectives, as well as investment experience; and, iv) the amount of client assets available for investment. More information regarding sub-advisors is outlined in Item 8 below.

The sub-advisor may customize your portfolio by either using proprietary models or models provided by other affiliated or unaffiliated investment advisers. The investment strategy adopted by the sub-advisors may embrace value, growth, or contrarian investing styles. Generally, securities transactions will be decided upon and executed by the sub-advisors on a discretionary basis. This means that the manager selected will have the ability to buy and sell securities in your account without obtaining your approval.

PanthRex will routinely monitor the performance of the accounts managed by the sub-advisors and will assume discretionary authority to hire or fire the sub-advisor where such action is deemed to be in your, the client's, best interest. An Associated Person of **PanthRex** will contact the client at least annually, or more often as agreed upon with each client, to review the client's financial situation and objectives, communicate information to the sub-advisor managing the account as necessary, and to assist the client in understanding and evaluating the services provided by the available sub-advisor(s). Clients will be expected to notify **PanthRex** of any changes in their financial situation, investment objectives, or account restrictions.

A complete description of the programs and services provided by the sub-advisors, as well as additional information about the sub-advisor and other aspects of their portfolio management service(s), if applicable, are detailed and disclosed in: i) the sub-advisor's Form ADV Part 2A; ii) if applicable, the program wrap brochure or other applicable disclosure documents; or, iii) the sub-advisor's account opening documents. A copy of all relevant disclosure documents of the sub-advisor and of the individual portfolio manager(s) will be provided to anyone interested in these programs/managers.

PanthRex may use third-party money managers as sub-advisors or direct clients to third-party money managers. **PanthRex** will be compensated via a fee share from these advisers and this relationship will be documented in each contract between **PanthRex** and each third-party adviser. The fees shared will not exceed any limit imposed by any regulatory agency. The payment of fees for third-party investment advisers will depend on the specific sub-advisor/third-party adviser selected. As an example, if a client invests with a few days left in the month, they would be billed for the actual days in which they are invested in the models. In addition to management fees, if the account was established as a non-wrap account, the client would be responsible for any trading cost incurred.

When appropriate **PanthRex** will recommend that a client invest in a wrap vs. a non-wrap portfolio. When **PanthRex** determines that a wrapped portfolio is more appropriate for a client we will recommend that they invest in wrap portfolio sponsored by **PanthRex**. Additional information about our wrap program may be found in the Firm's wrap brochure.

Assets Under Management

As of December 31, 2017, **PanthRex** has \$16,300,197 in discretionary assets under management and \$0 in non-discretionary assets under management.

Item 5 - Fees and Compensation

Financial Planning Services Fees

PanthRex charges fixed fees and/or hourly fees for financial planning services. We utilize the following financial planning fee schedules:

- **Fixed Fees:** We charge a fixed fee of up to \$10,000.00, for broad based planning services. For example, a client with limited assets who hires the firm for retirement planning may only pay a fee of \$1,000.00 while a client with a complex financial situation who hires the firm for a broad based plan that includes a retirement plan, insurance review, tax planning, estate planning, cash flow planning and education goal planning may pay a fee of \$10,000.00. *In limited circumstances*, the total cost could potentially exceed \$10,000.00. In these cases, we will notify the client and may request that the client pay an additional fee.
- **Hourly Fees:** **PanthRex** charges an hourly fee of up to \$200 for clients who request specific services (such as a modular plan or hourly services) and do not desire a broad based written financial plan.

Prior to engaging **PanthRex** to provide financial planning services, the client will be required to enter into a written agreement with the firm. The Agreement will set forth the terms and conditions of the engagement and describe the scope of the services to be provided and the portion of the fee that is due from the client. Generally, **PanthRex** requires a prepayment of 50% of the fee with the remaining balance due upon completion of the agreed upon services. **PanthRex** does not require the prepayment of over \$1,200, six or more months in advance. Hourly fees charged for specific services are payable as invoiced.

We may offset or waive all or a portion of our financial planning fees if the client engages **PanthRex** for additional investment advisory services.

Either party may terminate the Agreement by written notice to the other. In the event the client terminates **PanthRex's** financial planning services, the balance of **PanthRex's** unearned fees (if any) shall be refunded to the client within 15 business days from receipt of the written termination request.

Investment Monitoring and Referral Services Fees

At this time **PanthRex** has a sub advisory relationship with Coppell Advisory Solutions, LLC dba Fusion Investment Advisors ("Fusion"), an affiliated SEC registered investment adviser firm. Fusion owns 25% of **PanthRex**. Clients should discuss any questions with or request further information from their Advisory Representative concerning the use of Fusion or the conflict of interest this creates. Further information about these potential conflicts is listed under Item 10 below.

Fees are deducted by Fusion in accordance with the terms of the advisory agreement signed by the client and **PanthRex**. Fees are billed monthly, in arrears and are based on the average daily balance of your account during the preceding month. Fusion usually deducts advisory fees from a designated account to facilitate billing.

If you choose to have Fusion's fee deducted directly from your account, you must provide authorization. The qualified custodian holding your funds and securities will send you an account statement no less than on a quarterly basis. This statement will detail account activity. Please review each statement for

accuracy. **PanthRex** will have access to a copy of your account statements from the custodian. The client(s) is/are responsible for reviewing and notifying **PanthRex** if they have any question(s) pertaining to the accuracy of the fee calculation. If the client has any questions or concerns regarding their custodial statement or the fees associated with their **PanthRex** account, they should contact their Associated Person or **PanthRex** immediately. The contact information for **PanthRex**'s compliance department is provided on the cover page of this Brochure.

Clients subscribed to our Non Wrap portfolio management option should note that our annual fee is exclusive of, and in addition to brokerage commissions, transaction fees, and other related costs and expenses, which will be incurred by the Client. Please see Item 12 – Brokerage Practices for further information on brokerage and transaction costs.

All fees paid for investment advisory services are in addition to and separate and distinct from the fees and expenses charged by exchange-traded funds, mutual funds, third-party money managers, broker/dealers, and/or custodians retained by or on behalf of the client. Such fees and expenses are described in each exchange-traded fund and mutual fund's prospectus, each third-party money manager's Form ADV Brochure, Brochure Supplement, or similar disclosure document, and by any broker/dealer or custodian retained by/for the client. If a mutual fund also imposes sales charges, a client may incur an initial or deferred sales charge as described in the mutual fund's prospectus. A client using **PanthRex** may be precluded from using certain mutual funds or separate account managers because they may not be offered by the selected custodian(s).

Please refer to the Brokerage Practices section (Item 12) for additional information regarding the Firm's brokerage practices.

Please be advised that each custodian, third-party administrator, or similar party that **PanthRex** has contracted with to perform certain administrative functions for your account may assess your fees for specific services i.e. annual account fee, wire fee, return check fee, etc. These fees are established by each individual entity and **PanthRex** does not receive any portion of any fee, in which they may assess you for a specific service. Because these fees are subject to change without our consent a listing is not published in the brochure. If you would like to obtain a listing of these fees, please contact your Associated Person or **PanthRex**.

In order to address this conflict, the firm has adopted a code of ethics that obliges all associated persons to deal fairly with all clients when taking investment action and to uphold their fiduciary duty and to put the client's interest first. PanthRex views protecting its customers' private information as a top priority and, pursuant to the requirements of the Gramm-Leach-Bliley Act, the firm has instituted policies and procedures to ensure that customer information is kept private and secure.

PanthRex does not disclose any nonpublic personal information about its customers or former customers to any nonaffiliated third parties, except as permitted by law. In the course of servicing a client account, **PanthRex** may share some information with its service providers, such as transfer agents, custodians, broker-dealers, accountants, and lawyers.

PanthRex restricts internal access to nonpublic personal information about its clients to those employees who need to know that information in order to provide products or services to the client. **PanthRex** maintains physical and procedural safeguards that comply with state and federal standards to guard a client's nonpublic personal information and ensure its integrity and confidentiality. As emphasized above, it has always been and will always be the firm's policy never to sell information about current or former customers or their accounts to anyone. It is also the firm's policy not to share information unless required to process a transaction, at the request of the client, or as required by law.

A copy of the firm's privacy policy notice will be provided to each client prior to, or contemporaneously with, the execution of the Advisory Agreement. Thereafter, the firm will deliver a copy of the current privacy policy notice to its clients on an annual basis. If you have any questions on this policy, please contact Michael Wallin, Chief Compliance Officer, at (888) 302-5559 or by email at mwallin@panthrex.com.
