Item 4 - Services, Fees and Compensation

Wallace Hart was formed in 2016 and provides financial planning services and portfolio management to its clients. Such services may be offered through the “Wallace Hart Wrap Program” or the “Program,” which has been designed to simplify the payment of management fees and brokerage expenses.

Jeremy Wallace and M. Andrew Hart are the principal owners of Wallace Hart. Mr. Hart is a minority owner of Wallace Hart. Please see Part 2B Brochures for more information on Mr. Wallace and Mr. Hart, as well as others who formulate investment advice and have direct contact with clients, or have discretionary authority over client accounts.

Portfolio Management Services

At the beginning of a client relationship, Wallace Hart meets with the client, gathers information, and performs research and analysis as necessary to develop the client’s Investment Plan. The Investment Plan will be updated from time to time when requested by the client, or when determined to be necessary or advisable by Wallace Hart based on updates to the client’s financial or other circumstances.

To implement the client’s Investment Plan, Wallace Hart will manage the client’s investment portfolio on a discretionary basis. As a discretionary investment adviser, Wallace Hart will have the authority to supervise and direct the portfolio without prior consultation with the client.

Notwithstanding the foregoing, clients may impose certain written restrictions on Wallace Hart in the management of their investment portfolios, such as prohibiting the inclusion of certain types of investments in an investment portfolio or prohibiting the sale of certain investments held in the account at the commencement of the relationship. Each client should note, however, that restrictions imposed by a client may adversely affect the composition and performance of the client’s investment portfolio. Each client should also note that his or her investment portfolio is treated individually by giving consideration to each purchase or sale for the client’s account. For these and other reasons, performance of client investment portfolios within the same investment objectives, goals and/or risk tolerance may differ and clients should not expect that the composition or performance of their investment portfolios would necessarily be consistent with similar clients of Wallace Hart.

Financial Planning

Wallace Hart offers limited financial planning services to those clients in need of such service in conjunction with portfolio management services. Wallace Hart’s limited financial planning services normally address areas such as general cash flow planning, retirement planning, and insurance analysis. The goal of this service is to assess the financial circumstances of the client in order to more effectively develop the client’s Investment Plan.

General Fee Information

Wallace Hart generally offers all clients the opportunity to participate in the Wallace Hart Wrap Program. Fees paid by clients to participate in the Wallace Hart Wrap Program generally include brokerage expenses (i.e., commissions, ticket charges, etc.) as well as the management fee paid to Wallace Hart. Under the all-inclusive billing alternative, Wallace Hart will assess one client fee that captures the management, brokerage and administrative portions collectively. Please see Part 2A, **Item 5 – Fees and Compensation** for Wallace Hart’s fee schedule and other billing information.

Fees paid to Wallace Hart are exclusive of and distinct from the fees and expenses charged by mutual funds, ETFs (exchange traded funds) or other investment pools to their shareholders (generally including a management fee and fund expenses, as described in each fund’s prospectus or offering materials). Clients may

pay certain fees in addition to the fees of the Wallace Hart Wrap Program, such as margin interest, check fees, trade-away fees, odd lot differentials and other similar types of fees. Any portions of the Wallace Hart Wrap Program fees that Wallace Hart does not pay to third parties in connection with transaction and execution expenses are retained by Wallace Hart. Because of this, Wallace Hart may have a disincentive to trade securities in client accounts as Wallace Hart's overall compensation under this arrangement may be greater than it is for clients that do not participate in the Wallace Hart Wrap Program. However, for accounts under \$900,000, Wallace Hart generally agrees to pay a flat fee for all transactions to mitigate against this conflict of interest. Wallace Hart, in its sole discretion, may establish a minimum portfolio asset value size requirement for participation in the Wallace Hart Wrap Program.

The client should review all fees charged by funds, Wallace Hart and others to fully understand the total amount of fees paid by the client for investment and financial-related services. Clients participating in the Wallace Hart Wrap Program may pay higher or lower fees than clients purchasing such services separately, depending on the cost of services if provided separately and the level of trading in a particular client's account.
