Item 2 – Material Changes

Form ADV 2 is divided into two parts: *Part 2A (the "Disclosure Brochure")* and *Part 2B (the "Brochure Supplement")*. The Disclosure Brochure provides information about a variety of topics relating to an Advisor's business practices and conflicts of interest. The Brochure Supplement provides information about advisory personnel of Kailasa.

Kailasa believes that communication and transparency are the foundation of its relationship with Clients and will continually strive to provide its Clients with complete and accurate information at all times. Kailasa encourages all current and prospective Clients to read this Disclosure Brochure and discuss any questions you may have with us. And of course, we always welcome your feedback.

Initial Filing

Kailasa is a new Registered Investment Advisor. This is the initial filing of the Disclosure Brochure.

Future Changes

From time to time, we may amend this Disclosure Brochure to reflect changes in our business practices, changes in regulations and routine annual updates as required by the securities regulators. This complete Disclosure Brochure or a Summary of Material Changes shall be provided to each Client annually and if a material change occurs in the business practices of Kailasa.

At any time, you may view the current Disclosure Brochure on-line at the SEC's Investment Adviser Public Disclosure website at www.adviserinfo.sec.gov by searching with our firm name or our CRD# 286159. You may also request a copy of this Disclosure Brochure at any time, by contacting us at (617) 800-0388.

Item 4 – Advisory Services

A. Firm Information

Kailasa Capital Management LLC (“Kailasa” or the “Advisor”) is a Registered Investment Advisor U.S. Securities and Exchange Commission (“SEC”), which is organized as a Limited Liability Company (“LLC”) under the laws of the State of Delaware. Kailasa was founded in April 2017, and is owned by RIA Ventures Management LLC. The Chief Compliance Officer of Kailasa is Christopher E. Winn.

This Disclosure Brochure provides information regarding the qualifications, business practices, and the advisory services provided by Kailasa.

B. Advisory Services Offered

Kailasa offers investment advisory services to individuals, high net worth individuals, trusts and estates (each referred to as a “Client”).

Kailasa provides discretionary investment management services for its Clients. Kailasa works with each Client to identify their investment goals and objectives as well as risk tolerance and financial situation in order to determine the most appropriate portfolio construction based on its internal investment strategies. Kailasa will typically construct Client portfolios with individual equity and individual fixed income positions. For exposure to international and certain asset classes, the Advisor may utilize exchange-traded funds (“ETFs”) and/or mutual funds. The Advisor may employ options strategies for downside protection and may utilize other types of investments, as necessary for certain Clients. The Advisor often liquidates legacy positions to implement its investment strategies, but may retain certain holdings to avoid tax implications.

Kailasa’s investment strategy is primarily long-term focused, but the Advisor may buy, sell or re-allocate positions that have been held less than one year to meet the objectives of the Client or due to market conditions. Kailasa will construct, implement and monitor the portfolio to ensure it meets the goals, objectives, circumstances, and risk tolerance agreed to by the Client. Each Client will have the opportunity to place reasonable restrictions on the types of investments to be held in their respective portfolio, subject to acceptance by the Advisor.

Kailasa evaluates and selects investments for inclusion in Client portfolios only after applying its internal due diligence process. Kailasa may recommend, on occasion, redistributing investment allocations to diversify the portfolio. Kailasa may recommend specific positions to increase sector or asset class weightings. The Advisor may recommend employing cash positions as a possible hedge against market movement. Kailasa may recommend selling positions for reasons that include, but are not limited to, harvesting capital gains or losses, business or sector risk exposure to a specific security or class of securities, overvaluation or overweighting of the position[s] in the portfolio, change in risk tolerance of Client, generating cash to meet Client needs, or any risk deemed unacceptable for the Client’s risk tolerance.

Kailasa will provide investment management and related advisory services. At no time will Kailasa accept or maintain custody of a Client’s funds or securities, except for authorized deduction of the Advisor’s fees. All Client assets will be managed within their designated account[s] at the Custodian, pursuant to the Client investment management agreement.

C. Client Account Management

Prior to engaging Kailasa to provide investment advisory services, each Client is required to enter into an Investment management agreement with the Advisor that defines the terms, conditions, authority and responsibilities of the Advisor and the Client. These services may include:

- Establishing an Investment Policy Statement – Kailasa, in connection with the Client, may develop a statement that summarizes the Client’s investment goals and objectives along with the broad strategy[ies] to be employed to meet the objectives.
- Asset Allocation – Kailasa will develop a strategic asset allocation that is targeted to meet the investment objectives, time horizon, financial situation and tolerance for risk for each Client.

Kailasa Capital Management LLC

500 Grant Street, Suite 2934, Pittsburgh, PA 15219

Phone: (617) 800-0388

<http://kailasacapital.com>

- Portfolio Construction – Kailasa will develop a portfolio for the Client that is intended to meet the stated goals and objectives of the Client.
- Investment Management and Supervision – Kailasa will provide investment management and ongoing oversight of the Client's investment portfolio.

D. Wrap Fee Programs

Kailasa does not manage or place Client assets into a wrap fee program. Investment management services are provided directly by Kailasa.

E. Assets Under Management

Kailasa is a newly established advisor. As of the date of this filing, Kailasa does not have any assets under management; however, the Advisor reasonably expects to be eligible for registration with the SEC within 120 days of approval as an investment advisor.

Item 5 – Fees and Compensation

The following paragraphs detail the fee structure and compensation methodology for services provided by the Advisor. Each Client shall sign an investment management agreement that details the responsibilities of Kailasa and the Client.

A. Fees for Advisory Services

Investment management fees are paid quarterly, in advance of each calendar quarter, pursuant to the terms of the Investment management agreement. Investment management fees are based on the market value of assets under management at the end of the calendar quarter and are based on the following schedule:

Equity Strategies	Fixed Income Strategies
1.00% annually	0.20% annually

Investment management fees will vary depending on the size and complexity of the Client relationship. Relationships with multiple objectives, specific reporting requirements, portfolio restrictions and other complexities may be charged a higher fee. The investment management fee in the first quarter of service is prorated from the inception date of the account[s] to the end of the first quarter. Fees may be negotiable at the sole discretion of the Advisor. The Client's fees will take into consideration the aggregate assets under management with Advisor. All securities held in accounts managed by Kailasa will be independently valued by the Custodian. Kailasa will not have the authority or responsibility to value portfolio securities.

Performance Fee Option

Certain "Qualified Clients" (as defined in Item 6) may be offered an alternative fee structure where the Advisor does not charge an asset-based fee, but instead may earn a performance-based fee. Please see Item 6.

B. Fee Billing

Investment management fees will be calculated by the Advisor or its delegate and deducted from the Client's account[s] at the Custodian. The Advisor shall send an invoice to the Custodian indicating the amount of the fees to be deducted from the Client's account[s] at the respective quarter-end date. The amount due is calculated by applying the quarterly rate (annual rate divided by 4) to the total assets under management with Kailasa at the end of the prior quarter. Clients will be provided with a statement, at least quarterly, from the Custodian reflecting deduction of the investment management fee. It is the responsibility of the Client to verify the accuracy of these fees as listed on the Custodian's brokerage statement as the Custodian does not assume this responsibility. Clients provide written authorization permitting Kailasa to be paid directly from their accounts held by the Custodian as part of the management agreement and separate account forms provided by the Custodian.

C. Other Fees and Expenses

Clients may incur certain fees or charges imposed by third parties, other than Kailasa, in connection with investments made on behalf of the Client's account[s]. The Client is responsible for all custody and securities execution fees charged by the Custodian and executing broker-dealer (if separate). The investment management fee charged by Kailasa is separate and distinct from these custody and execution fees.

In addition, all fees paid to Kailasa for investment advisory services are separate and distinct from the expenses charged by mutual funds and exchange-traded funds to their shareholders, if applicable. These fees and expenses are described in each fund's prospectus. These fees and expenses will generally be used to pay management fees for the funds, other fund expenses, account administration (e.g., custody, brokerage and account reporting), and a possible distribution fee.

D. Advance Payment of Fees and Termination

Kailasa is compensated for its services in advance of the quarter in which investment management services are rendered. Clients may request to terminate the investment management agreement with Kailasa, at any time, by providing advance written notice to the other party. The Client shall be responsible for investment management fees up to and including the effective date of termination. Upon termination, the Advisor will refund any unearned, prepaid investment management fees from the effective date of termination to the end of the quarter. The Client's investment management agreement with the Advisor is non-transferable without the Client's prior consent.

E. Compensation for Sales of Securities

Kailasa does not buy or sell securities and does not receive any compensation for securities transactions in any Client account, other than the Investment management fees noted above.

Item 6 – Performance-Based Fees and Side-By-Side Management

Kailasa may receive a performance fee based upon any gains obtained in the accounts of "Qualified Clients" (as defined below) pursuant to an investment management agreement. Qualified Clients that are charged a performance fee will not be charged an investment management fee.

The performance fee will be calculated at the close of each calendar year and deducted from Client's account[s] at the Custodian. The performance fee will be up to 15% of any gains in the Client's account[s] for the year less the then current value of the 1-Year U.S. Treasury Bill rate. The performance fee is negotiated with the Client based on the strategy employed.

The Advisor will receive the performance fee only to the extent that there are cumulative gains in the Client's account[s] for the year that exceed the 1-Year U.S. Treasury Bill rate. The receipt of a performance fee by certain Clients results in a potential conflict of interest, where Kailasa has the potential for higher compensation from a Client. To mitigate the conflict, Kailasa does not charge an investment management fee to Clients that are charged a performance fee. Further, Client accounts to be assessed a performance fee are not managed differently from other accounts.

Who is a "Qualified Client"?

The Investment Advisers Act of 1940 (the "Advisers Act"), Rule 205-3(d)(1) defines a "Qualified Client" who is financially sophisticated and meets one or more of the following conditions:

- Client is a natural person who, or a company that, immediately after entering into the contract has at least \$1,000,000 under the management of the Advisor;
- Client is a natural person who, or a company that, immediately prior to entering into the contract has a net worth (together, in the case of a natural person, with assets held jointly with a spouse) of more than \$2,100,000 at the time the contract is entered into.

Kailasa does not manage any proprietary investment funds or limited partnerships (for example, a mutual fund or a hedge fund) and has no financial incentive to recommend any particular investment options to its Clients.

Item 7 – Types of Clients

Kailasa offers investment advisory services to individuals, high net worth individuals, trusts and estates (each referred to as a “Client”). The relative percentage of each type of Client is available on Kailasa’s Form ADV Part 1. These percentages will change over time. Kailasa generally does not impose a minimum size for establishing a relationship, but certain investment strategies may require a minimum for effective implementation.

Item 8 – Methods of Analysis, Investment Strategies and Risk of Loss

A. Methods of Analysis

Kailasa primarily employs fundamental and other analysis methods in developing investment strategies for its Clients. Research and analysis from Kailasa is derived from numerous sources, including financial media companies, third-party research materials, Internet sources, and review of company activities, including annual reports, prospectuses, press releases and research prepared by others.

As noted above, Kailasa generally employs a long-term investment strategy for its Clients, as consistent with their financial goals. Kailasa will typically hold all or a portion of a security for more than a year, but may hold for shorter periods for the purpose of rebalancing a portfolio or meeting the cash needs of Clients. At times, Kailasa may also buy and sell positions that are more short-term in nature, depending on the goals of the Client and/or the fundamentals of the security, sector or asset class.

B. Risk of Loss

Investing in securities involves certain investment risks. Securities may fluctuate in value or lose value. Clients should be prepared to bear the potential risk of loss. Kailasa will assist Clients in determining an appropriate strategy based on their tolerance for risk and other factors noted above. However, there is no guarantee that a Client will meet their investment goals.

Fundamental analysis utilizes economic and business indicators as investment selection criteria. These criteria are generally ratios and trends that may indicate the overall strength and financial viability of the entity being analyzed. Assets are deemed suitable if they meet certain criteria to indicate that they are a strong investment with a value discounted by the market. While this type of analysis helps the Advisor in evaluating a potential investment, it does not guarantee that the investment will increase in value. Assets meeting the investment criteria utilized in the fundamental analysis may lose value and may have negative investment performance. The Advisor monitors these economic indicators to determine if adjustments to strategic allocations are appropriate. More details on the Advisor’s review process are included below in “Item 13 – Review of Accounts”.

Each Client engagement will entail a review of the Client's investment goals, financial situation, time horizon, tolerance for risk and other factors to develop an appropriate strategy for managing a Client's account. Client participation in this process, including full and accurate disclosure of requested information, is essential for the analysis of a Client's account. The Advisor shall rely on the financial and other information provided by the Client or their designees without the duty or obligation to validate the accuracy and completeness of the provided information. It is the responsibility of the Client to inform the Advisor of any changes in financial condition, goals or other factors that may affect this analysis. The risks associated with a particular strategy are provided to each Client in advance of investing Client accounts.

Options Contracts

Investments in options contracts have the risk of losing value in a relatively short period of time. Option contracts are leveraged instruments that allow the holder of a single contract to control many shares of an underlying stock. This leverage can compound gains or losses.

Past performance is not a guarantee of future returns. Investing in securities and other investments involve a risk of loss that each Client should understand and be willing to bear. Clients are reminded to discuss these risks with the Advisor.

Item 9 – Disciplinary Information

There are no legal, regulatory or disciplinary events involving Kailasa or any of its Supervised Persons. Kailasa and its Supervised Persons value the trust you place in us. As we advise all Clients, we encourage you to perform the requisite due diligence on any advisor or service provider with whom you partner. Our backgrounds are on the Investment Adviser Public Disclosure website at www.adviserinfo.sec.gov by searching with our firm name or our CRD# 286159.

Item 10 – Other Financial Industry Activities and Affiliations

The sole business of Kailasa and Mr. Li is to provide investment advisory services to its Clients. Neither Kailasa nor its advisory personnel are involved in other business endeavors. Neither the Advisor nor its Supervised Persons has any registrations or affiliations with a broker-dealer, futures commission merchant, commodity pool operator, or commodity-trading advisor. Kailasa does not maintain any affiliations with other firms, other than contracted service providers to assist with the servicing of its Client's accounts.

Other Non-Affiliated Registered Investment Advisors

As an industry consultant, Mr. Winn (CCO) supports several other registered investment advisory firms. There is no conflict of interest between the Advisor and other firms.

Item 11 – Code of Ethics, Participation or Interest in Client Transactions and Personal Trading

A. Code of Ethics

Kailasa has implemented a Code of Ethics that defines our fiduciary commitment to each Client. This Code of Ethics applies to all persons associated with Kailasa (our "Supervised Persons"). The Code of Ethics was developed to provide general ethical guidelines and specific instructions regarding our duties to you, our Client. Kailasa and its Supervised Persons owe a duty of loyalty, fairness and good faith towards each Client. It is the obligation of Kailasa Supervised Persons to adhere not only to the specific provisions of the Code, but also to the general principles that guide the Code. The Code of Ethics covers a range of topics that address employee ethics and conflicts of interest. To request a copy of our Code of Ethics, please contact us at (617) 800-0388.

B. Personal Trading with Material Interest

Kailasa allows our Supervised Persons to purchase or sell the same securities that may be recommended to and purchased on behalf of Clients. Kailasa does not act as principal in any transactions. In addition, the Advisor does not act as the general partner of a fund, or advise an investment company. Kailasa does not have a material interest in any securities traded in Client accounts.

C. Personal Trading in Same Securities as Clients

Kailasa allows our Supervised Persons to purchase or sell the same securities that may be recommended to and purchased on behalf of Clients. Owning the same securities we recommend (purchase or sell) to you presents a potential conflict of interest that, as fiduciaries, we must disclose to you and mitigate through policies and procedures. As noted above, we have adopted, consistent with Section 204A of the Investment Advisers Act of 1940, a Code of Ethics, which addresses insider trading (material non-public information controls) and personal securities reporting procedures. When trading for personal accounts, Supervised Persons of Kailasa may have a conflict of interest if trading in the same securities. The fiduciary duty to act in the best interest of its Clients can potentially be violated if personal trades are made with more advantageous terms than Client trades, or by trading based on material non-public information. This risk is mitigated by Kailasa requiring reporting of personal securities trades by the Chief Compliance Officer ("CCO"). We have also adopted written policies and procedures to detect the misuse of material, non-public information.

D. Personal Trading at Same Time as Client

While Kailasa allows our Supervised Persons to purchase or sell the same securities that may be recommended to and purchased on behalf of Clients, such trades are typically aggregated with Client orders or traded afterwards. At no time will Kailasa, or any Supervised Person of Kailasa, transact in any security to the detriment of any Client.

Item 12 – Brokerage Practices

A. Recommendation of Custodian[s]

Kailasa does not have discretionary authority to select the broker-dealer/custodian for custody and execution services. The Client will select the broker-dealer/custodian (herein the "Custodian") to safeguard Client assets and authorize Kailasa to direct trades to the Custodian as agreed in the investment management agreement. Further, Kailasa does not have the discretionary authority to negotiate commissions on behalf of our Clients on a trade-by-trade basis.

Where Kailasa does not exercise discretion over the selection of the Custodian, it may recommend the Custodian to Clients for custody and execution services. Clients are not obligated to use the Custodian recommended by the Advisor and will not incur any extra fee or cost associated with using a Custodian not recommended by Kailasa. Kailasa may recommend the Custodian based on criteria such as, but not limited to, reasonableness of commissions charged to the Client, services made available to the Client, its reputation, and/or the location of the Custodian's offices. Kailasa does not receive research services, other products, or compensation as a result of recommending a particular broker-dealer/custodian that may result in the Client paying higher commissions than those obtainable through other broker-dealers/custodians. Kailasa primarily recommends that Clients establish their account[s] with Fidelity Clearing & Custody Solutions, a related entity of Fidelity Investments, Inc. and affiliates (collectively "Fidelity"), where the Advisor maintains an institutional relationship.

Following are additional details regarding the brokerage practices of the Advisor:

- 1. Soft Dollars** - Soft dollars are revenue programs offered by broker-dealers whereby an advisor enters into an agreement to place security trades with the broker in exchange for research and other services. **Kailasa does not participate in soft dollar programs sponsored or offered by any broker-dealer. However, the Advisor does receive certain benefits from Fidelity as described in Item 14.**
- 2. Brokerage Referrals** - Kailasa does not receive any compensation from any third party in connection with the recommendation for establishing a brokerage account.
- 3. Directed Brokerage** - All Clients are serviced on a "directed brokerage basis", where Kailasa will place trades within the established account[s] at the custodian designated by the Client. Further, all Client accounts are traded within their respective brokerage account[s]. The Advisor will not engage in any principal transactions (i.e., trade of any security from or to the Advisor's own account) or cross transactions with other Client accounts (i.e., purchase of a security into one Client account from another Client's account[s]). Kailasa will not be obligated to select competitive bids on securities transactions and does not have an obligation to seek the lowest available transaction costs. These costs are determined by the Custodian.

B. Aggregating and Allocating Trades

The primary objective in placing orders for the purchase and sale of securities for Client accounts is to obtain the most favorable net results taking into account such factors as 1) price, 2) size of order, 3) difficulty of execution, 4) confidentiality and 5) skill required of the Custodian. Kailasa will execute its transactions through the Custodian selected by the Client, unless otherwise instructed by the Client. Kailasa may aggregate orders in a block trade or trades when securities are purchased or sold through the same broker-dealer for multiple (discretionary) accounts. If a block trade cannot be executed in full at the same price or time, the securities actually purchased or sold by the close of each business day must be allocated in a manner that is consistent with the initial pre-allocation or other written statement. This must be done in a way that does not consistently advantage or disadvantage particular Client accounts.

Item 13 – Review of Accounts

A. Frequency of Reviews

Securities in Client accounts are monitored on a regular and continuous basis by the CCO of Kailasa. Formal reviews are generally conducted at least annually or more or less frequently depending on the needs of the Client.

B. Causes for Reviews

In addition to the investment monitoring noted in Item 13.A., each Client account shall be reviewed at least annually. Reviews may be conducted more or less frequently at the Client's request. Accounts may be reviewed as a result of major changes in economic conditions, known changes in the Client's financial situation, and/or large deposits or withdrawals in the Client's account[s]. The Client is encouraged to notify Kailasa if changes occur in the Client's personal financial situation that might adversely affect the Client's investment plan. Additional reviews may be triggered by material market, economic or political events.

C. Review Reports

The Client will receive brokerage statements no less than quarterly from the Custodian. These brokerage statements are sent directly from the Custodian to the Client. The Client may also establish electronic access to the Custodian's website so that the Client may view these reports and their account activity. Client brokerage statements will include all positions, transactions and fees relating to the Client's account[s]. The Advisor may also provide Clients with periodic reports regarding their holdings, allocations, and performance.

Item 14 - Client Referrals and Other Compensation

A. Compensation Received by Kailasa

Kailasa is a fee-only advisory firm, who, in all circumstances, is compensated solely by the Client. Kailasa does not receive commissions or other compensation from product sponsors, broker-dealers or any un-related third party. Kailasa may refer Clients to various third parties to provide certain financial services necessary to meet the goals of its Clients. Likewise, Kailasa may receive referrals of new Clients from a third-party.

Participation in Institutional Advisor Platform

Kailasa has established an institutional relationship with Fidelity to assist the Advisor in managing Client account[s]. Access to the Fidelity Institutional Platform is provided at no charge to the Advisor. The Advisor receives access to software and related support without cost because the Advisor renders investment management services to Clients that maintain assets at Fidelity. The software and related systems support may benefit the Advisor, but not its Clients directly. In fulfilling its duties to its Clients, the Advisor endeavors at all times to put the interests of its Clients first. Clients should be aware, however, that the receipt of economic benefits from the Custodian creates a potential conflict of interest since these benefits may influence the Advisor's recommendation of this Custodian over one that does not furnish similar software, systems support, or services.

Additionally, the Advisor may receive the following benefits from Fidelity: receipt of duplicate Client confirmations and bundled duplicate statements; access to a trading desk that exclusively services its institutional participants; access to block trading which provides the ability to aggregate securities transactions and then allocate the appropriate shares to Client accounts; and access to an electronic communication network for Client order entry and account information. The Advisor has also received financial support from Fidelity to offset initial costs of establishing the Advisor, licensing technology. In transferring accounts to Fidelity, Clients may be reimbursed by Fidelity for any account closure or transition fees.

B. Client Referrals from Solicitors

Kailasa does not engage paid solicitors for Client referrals.

Item 15 – Custody

Kailasa does not accept or maintain custody of any Client accounts, except for the authorized deduction of the Advisor's fee. All Clients must place their assets with a "qualified custodian". Clients are required to engage the Custodian to retain their funds and securities and direct Kailasa to utilize the Custodian for the Client's security transactions. In certain circumstances, the Client may also direct the Advisor to trade-away from the Custodian, which requires additional agreements with the Custodian. Clients may separately authorize Kailasa encourages Clients to review statements provided by the Custodian.

Item 16 – Investment Discretion

Kailasa generally has discretion over the selection and amount of securities to be bought or sold in Client accounts without obtaining prior consent or approval from the Client. However, these purchases or sales may be subject to specified investment objectives, guidelines, or limitations previously set forth by the Client and agreed to by Kailasa. Discretionary authority will only be authorized upon full disclosure to the Client. The granting of such authority will be evidenced by the Client's execution of an Investment management agreement containing all applicable limitations to such authority. All discretionary trades made by Kailasa will be in accordance with each Client's investment objectives and goals.

Item 17 – Voting Client Securities

Kailasa does not accept proxy-voting responsibility for any Client. Clients will receive proxy statements directly from the Custodian. The Advisor will assist in answering questions relating to proxies, however, the Client retains the sole responsibility for proxy decisions and voting.

Item 18 – Financial Information

Neither Kailasa, nor its management, have any adverse financial situations that would reasonably impair the ability of Kailasa to meet all obligations to its Clients. Neither Kailasa, nor any of its advisory persons, has been subject to a bankruptcy or financial compromise. Kailasa is not required to deliver a balance sheet along with this Disclosure Brochure as the Advisor does not collect fees of \$1,200 or more for services to be performed six months or more in advance.

Privacy Policy

Effective: March 21, 2017

Our Commitment to You

Kailasa Capital Management LLC ("Kailasa" or the "Advisor") is committed to safeguarding the use of personal information of our Clients (also referred to as "you" and "your") that we obtain as your Investment Advisor, as described here in our Privacy Policy ("Policy").

Our relationship with you is our most important asset. We understand that you have entrusted us with your private information, and we do everything that we can to maintain that trust. Kailasa (also referred to as "we", "our" and "us") protects the security and confidentiality of the personal information we have and implements controls to ensure that such information is used for proper business purposes in connection with the management or servicing of our relationship with you.

Kailasa does not sell your non-public personal information to anyone. Nor do we provide such information to others except for discrete and reasonable business purposes in connection with the servicing and management of our relationship with you, as discussed below.

Details of our approach to privacy and how your personal non-public information is collected and used are set forth in this Policy.

Why you need to know?

Registered Investment Advisors ("RIAs") must share some of your personal information in the course of servicing your account. Federal and State laws give you the right to limit some of this sharing and require RIAs to disclose how we collect, share, and protect your personal information.

Changes to our Privacy Policy

We will send you a copy of this Policy annually for as long as you maintain an ongoing relationship with us.

Periodically we may revise this Policy, and will provide you with a revised policy if the changes materially alter the previous Privacy Policy. We will not, however, revise our Privacy Policy to permit the sharing of non-public personal information other than as described in this notice unless we first notify you and provide you with an opportunity to prevent the information sharing.

Any Questions?

You may ask questions or voice any concerns, as well as obtain a copy of our current Privacy Policy by contacting us at (617) 800-0388.
