A. Firm Information

JJCC Financial, Inc. (“JJCC” or the “Advisor”) is a registered investment advisor with the State of Texas, which is organized as a Corporation under the laws of Texas. JJCC was founded in November 2012 as a registered investment advisor under the name Disciplined Wealth Strategies, Inc. (“DWS”). The assets and clients of DWS were acquired in January 2016. In February 2017, DWS changed its legal name to JJCC Financial, LLC and became a registered investment advisor. JJCC is owned and operated by John T. Blood (President). This Disclosure Brochure provides information regarding the qualifications, business practices, and the advisory services provided by JJCC.

B. Advisory Services Offered

JJCC offers investment advisory services to individuals, high net worth individuals, and other types of clients (each referred to as a “Client”). JJCC provides financial planning and related consulting services to its Clients. For investment management services, JJCC has selected Commonwealth Financial Network (“Commonwealth”) as a partner to enable the delivery of these services. Please see Item 10.

JJCC will typically provide a variety of financial planning services to individuals and families, pursuant to a written Financial Planning. Services are offered in several areas of a Client’s financial situation, depending on their goals, objectives and financial situation. Generally, such financial planning services will involve preparing a financial plan or rendering a financial consultation for clients based on the Client’s financial goals and objectives. This planning or consulting may encompass one or more areas of need, including, but not limited to investment planning, retirement planning, personal savings, cash flow planning, executive compensation, education savings and other areas of a Client’s financial situation.

A financial plan developed for or financial consultation rendered to the Client will usually include general recommendations for a course of activity or specific actions to be taken by the Client. For example, recommendations may be made that the Client start or revise their investment programs, commence or alter retirement savings, establish education savings and/or charitable giving programs. JJCC may also refer Clients to an accountant, attorney or other specialist, as appropriate for their unique situation. For certain financial planning engagements, the Advisor will provide a written summary of Client’s financial situation, observations, and recommendations. For consulting or ad-hoc engagements, the Advisor may not provide a written summary. Plans or consultations are typically completed within six months of contract date, assuming all information and documents requested are provided promptly.

Financial planning and consulting recommendations may pose a potential conflict between the interests of the Advisor and the interests of the Client. Clients are not obligated to implement any recommendations made by the Advisor or maintain an ongoing relationship with the Advisor. Clients may be offered additional services for the implementation and/or ongoing investment management of the Clients assets. These services are provided by Mr. Blood in his separate capacity as an investment advisor representative or registered representative of Commonwealth. Please see Item 10. If the Client elects to act on any of the recommendations made by the Advisor, the Client is under no obligation to effect the transaction through the Advisor or Mr. Blood.

C. Client Account Management

Prior to engaging JJCC to provide advisory services, each Client is required to enter into a financial planning agreement with the Advisor that defines the terms, conditions, authority and responsibilities of the Advisor and the Client.

Fees may be negotiable depending on the nature and complexity of each Client's circumstances. An estimate for total hours and/or costs will be determined prior to establishing the advisory relationship.

B. Fee Billing

Project-based financial planning and consulting fees are invoiced up to 50% of the expected cost of the engagement upon execution of the financial planning agreement and the balance upon the completion of the agreed upon deliverable[s]. Annual retainer engagements are generally billed quarterly, in advance of each calendar quarter.

C. Other Fees and Expenses

Clients may incur certain fees or charges imposed by third-parties for the implementation of investment recommendations. The Client is responsible for all custody and securities execution fees charged by the custodian and executing broker-dealer. The Investment Advisory Fee charged by JJCC is separate and distinct from these custodian and execution fees.

In addition, all fees paid to JJCC for investment advisory services are separate and distinct from the expenses charged by mutual funds and exchange-traded funds to their shareholders, if applicable. These fees and expenses are described in each fund's prospectus. These fees and expenses will generally be used to pay management fees for the funds, other fund expenses, account administration (e.g., custody, brokerage and account reporting), and a possible distribution fee.

D. Advance Payment of Fees and Termination

JJCC may be partially compensated for its services at the start of an engagement. Either party may terminate the planning agreement with JJCC, at any time, by providing written notice to the other party. Upon termination, the Client shall be billed for actual hours logged on the planning project times the agreed upon hourly rate or the percentage completed for a fixed fee engagement. Any unearned, prepaid fees will be promptly refunded to the Client. In addition, the Client may terminate the agreement within five business (5) days of signing the Advisor's financial planning or consulting agreement at no cost to the Client. After the five-day period, the Client will incur charges for bona fide advisory services rendered to the point of termination and such fees will be due and payable by the Client. The Client's financial planning agreement with the Advisor is non-transferrable without the Client's prior consent.
