Institutional Consulting Services

Procyon also provides consulting services to Clients in various areas of need. Services are custom to the scope of each engagement. For certain engagements, the Advisor will provide a formal report or deliverable. Clients are not obligated to implement any recommendations made by the Advisor or maintain an ongoing relationship with the Advisor. If the Client elects to act on any of the recommendations made by the Advisor, the Client is under no obligation to effect the transaction through the Advisor.

C. Client Account Management

Prior to engaging Procyon to provide investment advisory services, each Client is required to enter into one or more advisory agreements with the Advisor that define the scope, terms, conditions, authority and responsibilities of the Advisor and the Client.

D. Wrap Fee Programs

Procyon does not manage or place Client assets into a wrap fee program. Investment management services are provided directly by Procyon.

E. Assets Under Management

Procyon is a newly established advisor. As of the date of this filing, Procyon does not have any assets under management; however, the Advisor reasonably expects to be eligible for registration with the SEC within 120 days of approval as an investment advisor.

Item 5 – Fees and Compensation

The following paragraphs detail the fee structure and compensation methodology for services provided by the Advisor. Each Client shall sign one or more agreements that detail the responsibilities of Procyon and the Client.

A. Fees for Advisory Services

Retirement Plan Advisory Services

Retirement plan advisory fees are paid quarterly, in advance of each calendar quarter, pursuant to the terms of the retirement plan advisory agreement. Fees are based on the market value of assets in the Plan at the end of the prior calendar quarter. Fees are based on the following schedule:

Assets Under Management	Annual Rate
\$0 to \$3,500,000	0.500%
\$3,500,000 to \$5,000,000	0.400%
\$5,000,001 to \$7,500,000	0.300%
\$7,500,001 to \$10,000,000	0.250%
\$10,000,001 to \$15,000,000	0.225%
\$15,000,001 to \$20,000,000	0.200%
\$20,000,001 to \$35,000,000	0.175%
\$25,000,001 to \$50,000,000	0.150%
\$50,000,001 to \$75,000,000	0.125%
\$75,000,001 and Over	0.100%

Fees may be negotiable depending on the size and complexity of the Plan. Certain Clients may have fee schedules that differ from the schedule above.

Institutional Consulting Services

Consulting services are offered at an hourly rate of up to \$350 per hour or for a fixed engagement fee. Fees may be negotiable depending on the nature and complexity of each Client's circumstances. An estimate for total hours and/or costs will be determined prior to engaging for these services.

B. Fee Billing

Retirement Plan Advisory Services

Fees may be directly invoiced to the Plan Sponsor or deducted from the assets of the Plan, depending on the terms of the retirement plan advisory agreement.

Institutional Consulting Services

Financial planning and consulting fees are generally invoiced upon receipt of the agreed upon deliverable[s]. However, the Advisor may require an advance payment that represents no more than 50% of the expected fee.

C. Other Fees and Expenses

Clients may incur certain fees or charges imposed by third parties, other than Procyon, in connection with investments made on behalf of the Client's account[s]. The Client is responsible for all custody and securities execution fees charged by the Custodian. The investment advisory fee charged by Procyon is separate and distinct from these custody and execution fees.

In addition, all fees paid to Procyon for investment advisory services are separate and distinct from the expenses charged by mutual funds and ETFs to their shareholders, if applicable. These fees and expenses are described in each fund's prospectus. These fees and expenses will generally be used to pay management fees for the funds, other fund expenses, account administration (e.g., custody, brokerage and account reporting), and a possible distribution fee. The Client should review both the fees charged by the fund[s] and the fees charged by Procyon to fully understand the total fees to be paid.

D. Advance Payment of Fees and Termination

Retirement Plan Advisory Services

Procyon is compensated for its services in advance of the quarter in which advisory services are rendered. Either party may terminate the advisory agreement, at any time, by providing advance written notice to the other party. The Client shall be responsible for advisory fees up to and including the effective date of termination. Upon termination, the Advisor will refund any unearned, prepaid advisory fees from the effective date of termination to the end of the quarter. The Client's advisory agreement[s] with the Advisor is non-transferable without the Client's prior consent.

Institutional Consulting Services

The Advisor is generally compensated for its consulting services upon completion of the engagement deliverable[s]. Either party may terminate a planning agreement, at any time, by providing written notice to the other party. Upon termination, the Client shall be responsible for fees based on the hours worked by the Advisor or the percentage of the engagement completed. The Client's financial planning agreement with the Advisor is non-transferable without the Client's written approval.

E. Compensation for Sales of Securities

Procyon does not buy or sell securities and does not receive any compensation for securities transactions in any Client account, other than the investment advisory fees noted above.

Item 6 – Performance-Based Fees and Side-By-Side Management

Procyon does not charge performance-based fees for its investment advisory services. The fees charged by Procyon are as described in "Item 5 – Fees and Compensation" above and are not based upon the capital appreciation of the funds or securities held by any Client.

Procyon does not manage any proprietary investment funds or limited partnerships (for example, a mutual fund or a hedge fund) and has no financial incentive to recommend any particular investment options to its Clients.

Item 7 – Types of Clients

Procyon offers investment advisory services to businesses, institutional investors and retirement plans. The relative percentage of each type of Client is available on Procyon's Form ADV Part 1. These percentages will change over time. Procyon does not impose a size for establishing a relationship, but does tailor its services to high net worth Clients.

Item 8 – Methods of Analysis, Investment Strategies and Risk of Loss

A. Methods of Analysis

Procyon primarily employs fundamental analysis methods in developing investment strategies for its Clients. Research and analysis from Procyon is derived from numerous sources, including financial media companies,

third-party research materials, Internet sources, and review of company activities, including annual reports, prospectuses, press releases and research prepared by others.

As noted above, Procyon generally employs a long-term investment strategy for its Clients, as consistent with their financial goals. Procyon will typically hold all or a portion of a security for more than a year, but may hold for shorter periods for the purpose of rebalancing a portfolio or meeting the cash needs of Clients. At times, Procyon may also buy and sell positions that are more short-term in nature, depending on the goals of the Client and/or the fundamentals of the security, sector or asset class.

B. Risk of Loss

Investing in securities involves certain investment risks. Securities may fluctuate in value or lose value. Clients should be prepared to bear the potential risk of loss. Procyon will assist Clients in determining an appropriate strategy based on their tolerance for risk and other factors noted above. However, there is no guarantee that a Client will meet their investment goals.

Fundamental analysis utilizes economic and business indicators as investment selection criteria. These criteria are generally ratios and trends that may indicate the overall strength and financial viability of the entity being analyzed. Assets are deemed suitable if they meet certain criteria to indicate that they are a strong investment with a value discounted by the market. While this type of analysis helps the Advisor in evaluating a potential investment, it does not guarantee that the investment will increase in value. Assets meeting the investment criteria utilized in the fundamental analysis may lose value and may have negative investment performance. The Advisor monitors these economic indicators to determine if adjustments to strategic allocations are appropriate. More details on the Advisor's review process are included below in "Item 13 – Review of Accounts".

Each Client engagement will entail a review of the Client's investment goals, financial situation, time horizon, tolerance for risk and other factors to develop an appropriate strategy for managing a Client's account. Client participation in this process, including full and accurate disclosure of requested information, is essential for the analysis of a Client's account. The Advisor shall rely on the financial and other information provided by the Client or their designees without the duty or obligation to validate the accuracy and completeness of the provided information. It is the responsibility of the Client to inform the Advisor of any changes in financial condition, goals or other factors that may affect this analysis.

The risks associated with a particular strategy are provided to each Client in advance of investing Client accounts. The Advisor will work with each Client to determine their tolerance for risk as part of the portfolio construction process. **Past performance is not a guarantee of future returns. Investing in securities and other investments involve a risk of loss that each Client should understand and be willing to bear. Clients are reminded to discuss these risks with the Advisor.**

Item 9 – Disciplinary Information

There are no legal, regulatory or disciplinary events involving Procyon. However, on or about May 11, 2015, Phil G. Fiore, Jr., Chief Executive Officer and Chief Compliance Officer of Procyon was subject to a regulatory action by the Financial Industry Regulatory Authority ("FINRA") for engaging in an outside business activity without notifying his then current employer. Without admitting nor denying the allegations against him, Mr. Fiore consented to entry of the finding of facts against him, was fined \$5,000 and suspending from associating with any FINRA member for a period of 30 days. Mr. Fiore has since satisfied the terms of this Order. Our backgrounds are on the Investment Adviser Public Disclosure website at www.adviserinfo.sec.gov by searching with our firm name or our CRD# 288239.

Item 10 – Other Financial Industry Activities and Affiliations

Neither the Advisor nor its Supervised Persons has any registrations or affiliations with a broker-dealer, futures commission merchant, commodity pool operator, or commodity-trading advisor.

Other Affiliated Registered Investment Advisors

The Advisor is under common control with Procyon Private Wealth Partners, LLC ("Procyon Private Wealth"), a registered investment advisor with the SEC (CRD# 288244). Procyon Private Wealth provides advisory services to high net worth individuals and families. Procyon Private Wealth generally will not have the same Clients as the Advisor. However, individuals associated with our Institutional Clients may be offered the services of Procyon Private Wealth.

Item 11 – Code of Ethics, Participation or Interest in Client Transactions and Personal Trading

A. Code of Ethics

Procyon has implemented a Code of Ethics that defines our fiduciary commitment to each Client. This Code of Ethics applies to all persons associated with Procyon (our "Supervised Persons"). The Code of Ethics was developed to provide general ethical guidelines and specific instructions regarding our duties to you, our Client. Procyon and its personnel owe a duty of loyalty, fairness and good faith towards each Client. It is the obligation of Procyon Supervised Persons to adhere not only to the specific provisions of the Code, but also to the general principles that guide the Code. The Code of Ethics covers a range of topics that address employee ethics and conflicts of interest. To request a copy of our Code of Ethics, please contact us at (617) 800-0388.

B. Personal Trading with Material Interest

Procyon allows the purchase or sale of the same securities that may be recommended to and purchased on behalf of Clients. Procyon does not act as principal in any transactions. In addition, the Advisor does not act as the general partner of a fund, or advise an investment company. Procyon does not have a material interest in any securities traded in Client accounts.

C. Personal Trading in Same Securities as Clients

Procyon allows the purchase or sale of the same securities that may be recommended to and purchased on behalf of Clients. Owning the same securities we recommend (purchase or sell) to you presents a potential conflict of interest that, as fiduciaries, we must disclose to you and mitigate through policies and procedures. As noted above, we have adopted a Code of Ethics, which addresses insider trading (material non-public information controls) and personal securities reporting procedures. When trading for personal accounts, Supervised Persons of Procyon may have a conflict of interest if trading in the same securities. The fiduciary duty to act in the best interest of its Clients can potentially be violated if personal trades are made with more advantageous terms than Client trades, or by trading based on material non-public information. This risk is mitigated by Procyon requiring reporting of personal securities trades by its employees for review by the Chief Compliance Officer ("CCO"). We have also adopted written policies and procedures to detect the misuse of material, non-public information.

D. Personal Trading at Same Time as Client

While Procyon allows the purchase or sale of the same securities that may be recommended to and purchased on behalf of Clients, such trades are typically aggregated with Client orders or traded afterwards. **At no time will Procyon transact in any security to the detriment of any Client.**

Item 12 – Brokerage Practices

A. Recommendation of Custodian[s]

Procyon does not have discretionary authority to select the broker-dealer/custodian for custody and execution services. The Client will select the broker-dealer/custodian (herein the "Custodian") to safeguard Client assets and authorize Procyon to direct trades to this Custodian as agreed in the investment advisory agreement. Further, Procyon does not have the discretionary authority to negotiate commissions on behalf of our Clients on a trade-by-trade basis.

Where Procyon does not exercise discretion over the selection of the Custodian, it may recommend the Custodian to Clients for custody and execution services. Clients are not obligated to use the Custodian recommended by the Advisor and will not incur any extra fee or cost associated with using a Custodian not recommended by Procyon. Procyon may recommend the Custodian based on criteria such as, but not limited to,

reasonableness of commissions charged to the Client, services made available to the Client, and its overall reputation. Procyon does not receive research services, other products, or compensation as a result of recommending a particular broker-dealer/custodian that may result in the Client paying higher commissions than those obtainable through other broker-dealer/custodians.

Following are additional details regarding the brokerage practices of the Advisor:

1. Soft Dollars - Soft dollars are revenue programs offered by broker-dealers/custodians whereby an advisor enters into an agreement to place security trades with such parties in exchange for research and other services. Procyon does not participate in soft dollar programs sponsored or offered by any broker-dealer-custodian.

2. Brokerage Referrals - Procyon does not receive any compensation from any third party in connection with the recommendation for establishing an account.

3. Directed Brokerage - All Clients are serviced on a “directed brokerage basis”, where Procyon will place trades within the established account[s] at the Custodian designated by the Client. Further, all Client accounts are traded within their respective brokerage account[s], unless instructed otherwise by the Client. The Advisor will not engage in any principal transactions (i.e., trade of any security from or to the Advisor’s own account) or cross transactions with other Client accounts (i.e., purchase of a security into one Client account from another Client’s account[s]). In selecting the Custodian, Procyon will not be obligated to select competitive bids on securities transactions and does not have an obligation to seek the lowest available transaction costs. These costs are determined by the Custodian.

B. Aggregating and Allocating Trades

The primary objective in placing orders for the purchase and sale of securities for Client accounts is to obtain the most favorable net results taking into account such factors as 1) price, 2) size of order, 3) difficulty of execution, 4) confidentiality and 5) skill required of the Custodian. Procyon will execute its transactions through the Custodian as designated by the Client, unless otherwise instructed. Procyon may aggregate orders in a block trade or trades when securities are purchased or sold through the same Custodian for multiple (discretionary) accounts. If a block trade cannot be executed in full at the same price or time, the securities actually purchased or sold by the close of each business day must be allocated in a manner that is consistent with the initial pre-allocation or other written statement. This must be done in a way that does not consistently advantage or disadvantage particular Client accounts.

Item 13 – Review of Accounts

A. Frequency of Reviews

Investments in Client accounts are monitored on a regular and continuous basis by Mr. Fiore. Formal reviews are generally conducted at least annually or more or less frequently depending on the needs of the Client.

B. Causes for Reviews

In addition to the investment monitoring noted in Item 13.A., each Client account shall be reviewed at least annually. Reviews may be conducted more or less frequently at the Client’s request. Accounts may be reviewed as a result of major changes in economic conditions, known changes in the Client’s financial situation, and/or large deposits or withdrawals in the Client’s account[s]. The Client is encouraged to notify Procyon if changes occur in the Client’s personal financial situation that might adversely affect the Client’s investment plan. Additional reviews may be triggered by material market, economic or political events.

C. Review Reports

The Client will receive brokerage statements no less than quarterly from the Custodian. These brokerage statements are sent directly from the Custodian to the Client. The Client may also establish electronic access to the Custodian’s website so that the Client may view these reports and their account activity. Client brokerage statements will include all positions, transactions and fees relating to the Client’s account[s]. The Advisor may also provide Clients with periodic reports regarding their holdings, allocations, and performance.

Item 14 - Client Referrals and Other Compensation

A. Compensation Received by Procyon

Procyon does not have any disclosures for this Item.

B. Client Referrals from Solicitors

Procyon does not engage paid solicitors for Client referrals.

Item 15 – Custody

Procyon does not accept or maintain custody of any Client accounts, except for the authorized deduction of the advisor's fee. All Clients must place their assets with a "qualified custodian" as detailed in item 12. Clients are required to engage the Custodian to retain their funds and securities and direct Procyon to utilize the Custodian for the Client's security transactions. Procyon encourages Clients to review statements provided by the Custodian. For more information about Custodians and brokerage practices, see "Item 12 - Brokerage Practices".

Item 16 – Investment Discretion

Procyon may have discretion over the selection and amount of securities to be bought or sold in Client accounts without obtaining prior consent or approval from the Client. However, these purchases or sales may be subject to specified investment objectives, guidelines, or limitations previously set forth by the Client and agreed to by Procyon. Discretionary authority will only be authorized upon full disclosure to the Client. The granting of such authority will be evidenced by the Client's execution of an investment advisory agreement containing all applicable limitations to such authority. All discretionary trades made by Procyon will be in accordance with each Client's investment objectives and goals.

Item 17 – Voting Client Securities

Procyon does not accept proxy-voting responsibility for any Client. Clients will receive proxy statements directly from the Custodian. The Advisor will assist in answering questions relating to proxies, however, the Client retains the sole responsibility for proxy decisions and voting.

Item 18 – Financial Information

Neither Procyon, nor its management, have any adverse financial situations that would reasonably impair the ability of Procyon to meet all obligations to its Clients. Neither Procyon, nor any of its advisory persons, has been subject to a bankruptcy or financial compromise. Procyon is not required to deliver a balance sheet along with this Disclosure Brochure as the Advisor does not collect fees of \$1,200 or more for services to be performed six months or more in advance.
