<sup>1</sup> Note: Our firm may, under certain circumstances, rebut the presumption that a disciplinary event is material. If an event is immaterial, we are not required to disclose it. When we review a legal or disciplinary event involving the advisor to determine whether it is appropriate to rebut the presumption of materiality, we consider all of the following factors: (1) the proximity of advisor to the advisory function; (2) the nature of the infraction that led to the disciplinary event; (3) the severity of the disciplinary sanction; and (4) the time elapsed since the date of the disciplinary event. If we conclude that the materiality presumption has been overcome, we prepare and maintain a file memorandum of our determination in our records. We follow SEC rule 204-2(a)(14)(iii) and similar state rules.
