Item 18 – Financial Information

Item 4 – Advisory Business

- A. About Us: BidMoni was founded in 2018 to assist fiduciaries of employer-sponsored, defined contribution retirement plans (“Plan Sponsors”) with the fulfillment of their fiduciary obligations under the Employee Retirement Income Security Act of 1974, as amended and applicable (“ERISA”) to prudently select and monitor service providers, including recordkeepers and third-party administrators. We also provide investment advisory services either directly or indirectly (as a solicitor or subadvisor) to a third-party registered investment adviser.

Stephen Daigle is the principal of BidMoni. Kendall Dixon is 30% owner.

- B. Description of Services Available: Our core service is to provide a platform that serves as a marketplace for Plan Sponsors to specify the needs of their plan(s) and participants in order to obtain relevant price quotes from participating retirement plan recordkeepers and third-party administrators (the “Program”). If a Plan Sponsor is successful in identifying a recordkeeper using our Program, we will charge a fee as described below and will continue to monitor price quotes supplied by other recordkeepers in connection with the Program to help Plan Sponsors evaluate whether the fees they are currently paying for recordkeeping services are reasonable with respect to quotes received through the Program for similar services provided to plans with comparable needs.

Our secondary services are limited to conducting due diligence on select, unaffiliated registered investment advisers (“RIAs”) that will: i) provide a one-time sample investment line-up so that Plan Sponsors can make an apples-to-apples comparison of bids submitted by participating recordkeepers; and, when elected by a Plan Sponsor; and ii) if elected by a Plan Sponsor such RIAs may also serve in an investment fiduciary capacity under ERISA for purposes of delivering investment advice and/or exercising discretion relating to the plan’s investment line-up.

In the latter capacity, we will act in “solicitor” capacity when making RIA programs available to our clients (“Solicitor Services”) and will not be providing investment advisory services directly to Plan Sponsors; rather, our role is limited to assisting with selecting one or more RIAs believed to be suitable for each plan based upon its investment policies and objectives.

BidMoni is compensated for referring Plan Sponsors to the RIAs. The RIAs will share a percentage of the advisory fee charged to each plan with us.

When we act as a solicitor for RIAs, we will provide each Plan Sponsor with a written solicitor disclosure statement describing the nature of our relationship with the RIA and the terms of our compensation arrangement with the RIA, including a description of the compensation that we will receive for referring the Plan Sponsor to the RIA and the amount, if any, that will be charged to the plan, in addition to the advisory fee that the plan will pay to the RIA as a result of our referral of the Plan Sponsor to the RIA, if applicable.

The RIAs we refer to Plan Sponsors will be limited to recommending (in in cases where we serve in a discretionary capacity, selecting) open-end mutual funds, money market funds, stable value funds and/or exchange traded funds (“ETFs”).

- C. Individualized Services and Client-Imposed Restrictions: The RIAs, on behalf of which we provide Solicitor Services, will advise or manage the plans in accordance with each plan’s investment policy statement (“IPS”) adopted by the Plan Sponsor. The IPS may include reasonable restrictions on investing in certain securities or types of securities so long as it results in a broad range of investment options being made available to plan participants from which the participants can allocate and diversify their individual accounts based upon their unique risk tolerances, investment objectives and investment time horizons.
- D. Wrap Programs: We do not sponsor or otherwise make available any wrap fee programs.
- E. Assets Under Management: As a solicitor, we have no assets under management.

Item 5 – Fees & Compensation

If a Plan Sponsor enters into an agreement for recordkeeping services with a participating recordkeeper as a result of the Program, the recordkeeper will collect an asset-based fee on our behalf from the plan and transmit the fee to us for providing the Program services. Our standard fee for the Program service is 5 basis points of plan assets based upon the value of such assets as determined solely by the plan’s recordkeeper (the “Program Fee”). This Program Fee may be negotiable based upon the nature, scope and/or frequency of our services.

The Program Fee will be paid quarterly in arrears. Unless we agree otherwise in writing, all applicable Program Fees shall be based upon the total value of the assets in the plan account without regard to any debit balance.

In some cases, we may also be compensated by certain third parties, including recordkeepers that may or may not participate in our above-referenced Program, for providing data to them relating to fee benchmarking, plan success metrics or other data as described in our Privacy Policy. Because the Program relies exclusively upon objective metrics supplied by Plan Sponsors and bids from participating recordkeepers, our receipt of such payments for data from third parties does not present a conflict of interest that would affect the information we provide to Plan Sponsors.

In the event the Plan Sponsor elects to engage a third-party RIA in connection with the above-referenced Solicitation Services, the plan's recordkeeper will also collect the RIA fee described above, which includes our fee for Solicitation Services.

We will not receive any compensation from investment companies in connection with or as a result of the Solicitation Services.

None of the fees we receive cover any execution, custody, clearing or settlement services, investment management fees charged by mutual funds, third-party managers, etc. It is solely the responsibility of the Plan Sponsor to determine whether such third-party fees are reasonable and to verify the accuracy of all payments of such fees from their plans.

Custody of all plan assets will be maintained with a third-party custodian selected by the Plan Sponsor, and plan recordkeeping will be provided by an unaffiliated, third-party recordkeeper selected by the Plan Sponsor. Plan Sponsors will be solely responsible for paying all fees or charges of the custodian and recordkeeper. We will not be responsible or liable for recommendations or services rendered by third party service providers ("other provider") or the other provider's compliance with applicable laws.

The plan's custodian, recordkeeper or the Plan Sponsor will be responsible for arranging for the execution of securities transactions through a broker-dealer it believes can provide best execution. We will not have any discretionary authority or responsibility over the administration of any plan or for the interpretation of plan documents, the determination of participant eligibility, benefits, vesting, or the approval of the distributions to be made by the plan.

Item 6 – Performance-Based Fees & Side-By-Side Management

Not applicable.

Item 7 – Types of Clients

Our clients receiving Advisory Services are exclusively Plan Sponsors of participant-directed 401(k), 403(b) or 457(b) plans. We provide Advisory and Program Services exclusively via our interactive website. We serve only businesses (i.e., Plan Sponsors and recordkeepers) and do not provide any services to individuals (i.e., plan participants or beneficiaries).

Item 8 – Methods of Analysis, Investment Strategies & Risk of Loss

All investing involves risk including the possible loss of principal. There can be no assurance the investment will achieve its investment objectives. In addition to the general risks of investing, the investment is subject to additional risks including commodities risk, derivatives risks, ETF risk, risks of foreign investing and model and data risks. Exposure to the commodities markets may subject the investment to greater volatility than investments in traditional securities. Derivatives, such as options, futures and swaps, can be volatile, and a small investment in a derivative can have a large impact on the

performance of the investment as derivatives can result in losses in excess of the amount invested. Shares of an ETF may trade at a premium or discount to the net asset value of its portfolio securities. Foreign investments may be subject to additional risks, which include international trade, currency, political, regulatory and diplomatic risks, which may affect their value. Given the complexity of the investments and strategies of the investment, we rely on quantitative models and data supplied by third parties. Models and Data may prove to be incorrect or incomplete and expose the investment to potential risks. Please review each investment's prospectus or offering memoranda for a complete discussion of the specific risks associated with such investment.

Item 9 – Disciplinary Information

Not applicable.

Item 10 – Other Financial Industry Activities & Affiliations

Stephen Daigle is a registered representative of GWN Securities, Inc., a broker-dealer registered with the Securities and Exchange Commission ("SEC").

As described above, we may serve as solicitors for recommending Plan Sponsors to third-party RIAs. BidMoni is compensated by such RIAs for referring Plan Sponsors to them. Consequently, we have a conflict of interest to refer Plan Sponsors to RIAs that pay referral fees to us rather than those that don't. Additionally, we may have a conflict of interest to refer Plan Sponsors to RIAs that pay higher referral fees over those that pay lower referral fees. BidMoni performs reasonable due diligence on the RIAs it refers on an initial and ongoing basis. Plan Sponsors we refer to RIAs will receive a separate written disclosure document that describes, among other things, the compensation that will be paid to us by the RIA, as well as any amount to be charged to the plan that is in addition to the advisory fee that would otherwise be paid by the plan to the RIA in exchange for the referral.

Item 11 – Code of Ethics, Participation or Interest in Client Transactions & Personal Trading

Pursuant to Rule 204A-1 under the Investment Advisers Act of 1940, as amended, we have adopted a Code of Ethics that governs the conflicts of interest we have when providing our services. Our Code of Ethics is designed to ensure that we meet our obligations to you and to foster a culture of compliance throughout our firm.

We distribute our Code of Ethics to each supervised person at BidMoni at the time of his or her initial affiliation with our firm; we make sure it remains available to each supervised person for as long as he or she remains associated with our firm; and we ensure that updates to our Code of Ethics are communicated to each supervised person as changes are made.

Our Code of Ethics sets forth certain standards of conduct and addresses conflicts of interest among BidMoni and our employees, agents, advisors, and clients. Clients and prospective clients may request a free copy of our Code of Ethics by mailing a written request to the address on page one of this Brochure.

BidMoni and its advisors may purchase or sell for their own accounts securities or other investment products that are also recommended to clients, which may create a conflict of interest. Our policies prohibit "trading ahead" of clients' transactions. When advisors are purchasing or selling securities for their own accounts, priority will be given to client transactions.

Item 12 – Brokerage Practices

We do not recommend any broker-dealers to clients, nor do we receive any soft dollars in connection with the above-referenced services. Plan Sponsors are solely responsible for selecting all recordkeepers, custodians and broker-dealers.

Item 13 – Review of Accounts

We do not review or monitor investment performance in connection with our Solicitation Services. We do, however, monitor certain fees and expenses in connection with the Program services as described in our agreements with Plan Sponsors.

Item 14 – Client Referrals & Other Compensation

- A. Use of Solicitors: As described above, we may serve as solicitors for recommending Plan Sponsors to third-party RIAs. BidMoni is compensated by such RIAs for referring Plan Sponsors to them. Consequently, we have a conflict of interest to refer Plan Sponsors to RIAs that pay referral fees to us rather than those that don't. Additionally, we may have a conflict of interest to refer Plan Sponsors to RIAs that pay higher referral fees over those that pay lower referral fees. BidMoni performs reasonable due diligence on the RIAs it refers on an initial and ongoing basis. Plan Sponsors we refer to RIAs will receive a separate written disclosure document that describes, among other things, the compensation that will be paid to us by the RIA, as well as any amount to be charged to the plan that is in addition to the advisory fee that would otherwise be paid by the plan to the RIA in exchange for the referral.
- B. Other Sources of Referrals: Additionally, from time-to-time a recordkeeper may refer a Plan Sponsor to us for Program services. We do not compensate any recordkeepers for such referrals.

Item 15 – Custody

We will not have custody of any client's assets.

Item 16 – Investment Discretion

We will not exercise discretion in connection with our services.

Item 17 – Voting Client Securities

We do not vote any proxies on behalf of Plan Sponsors. We will not be responsible for prospectus delivery and have no authority or responsibility to vote proxies for securities held by any plan or take any other action relating to shareholder rights and that investments fluctuate in value, and the value of investments when sold may be more or less than when purchased, and that past investment performance does not necessarily guarantee any level of future investment performance.

Plan Sponsors should receive any proxies or solicitations directly from an unaffiliated, third-party such as a recordkeeper or investment company.

Item 18 – Financial Information

We have no financial information to disclose at this time.
