### Item 3: Disciplinary Information

There are no legal or disciplinary events that are material to a Client's or prospective Client's evaluation of this advisory business.

### Item 4: Other Business Activities

Ms. Stack is a licensed insurance agent with various insurance companies. In addition, Ms. Stack is a Registered Representative of United Planners Financial Services, an unaffiliated broker-dealer.

### **Item 5: Additional Compensation**

Ms. Stack does not receive any economic benefit from any person, company, or organization, in exchange for providing Client advisory services through TCP Asset Management, LLC other than his compensation paid by the Company, i.e., salary and/or bonuses.

Ms. Stack receives compensation as a licensed insurance agent. And, as a Registered Representative of United Planners, an unaffiliated broker-dealer, she receives commissions based on the sale of securities and other investment products.

For those Investment Advisor Representatives (“IARs”) of the Company that are also registered as Registered Representatives (“RR”) of United Planners Financial Services (“UP”), an unaffiliated broker-dealer, as well as those IARs that may be licensed insurance agents, either of these situations may cause a conflict of interest. As RRs of UP, the IAR may sell general securities products such as stocks, bonds, mutual funds, exchange-traded funds, and variable annuities, and variable life products to advisory Clients and earn a commission on these sales from UP. Some, if not all, of the IARs are also licensed insurance agents and may offer insurance products through unaffiliated insurance entities to the Company’s advisory Clients and may earn a commission on any sales. This may create a conflict of interest just by the IAR earning a commission on the sale of securities products or as an insurance agent earning commissions on insurance products. Clients are under no obligation to purchase securities through their IAR in their separate capacity as a RR or insurance products in their separate capacity as an insurance agent. TCP is neither a broker-dealer nor an insurance agency, and therefore, does not offer either securities or insurance products.
