Peter Marshall is a registered representative of Securities Service Network, LLC (“SSN”). Client accounts will be opened at SSN and securities transactions will be executed through Mr. Marshall in his capacity as a registered representative of SSN. No commissions are generated for securities transactions, but there is a ticket charge which generally does not exceed \$15 for trades. The ticket charge is paid to SSN, and Mr. Marshall does not receive any portion of this fee. For mutual fund investments, Mr. Marshall receives trailing commissions. Trailing commissions are fees the mutual fund pays to registered representatives each year that a client owns a particular mutual fund. If you decide to use SSN and Mr. Marshall to implement any recommendations made, Mr. Marshall receives commissions for those trades. Mr. Marshall expects to spend approximately 25% of his time acting in the capacity of registered representative of SSN.

Mr. Marshall is an investment advisor representative with SSN Advisory, Inc., an investment advisor unaffiliated with TMFG, and expects to spend approximately 10% of his time acting in that capacity.

Peter A. Marshall is also affiliated with various insurance agencies. If you elect to implement insurance recommendations through Mr. Marshall, he will receive the normal and customary commissions. You are under no obligation to implement insurance recommendations through Mr. Marshall.

The receipt of commissions for selling insurance or securities products gives Mr. Marshall an incentive to recommend investment products based on the compensation received, rather than on the client’s needs.

He uses your information to make investment recommendations or decisions on your behalf. To meet regulatory requirements, he performs regular reviews of clients' accounts to confirm that the management meets clients' stated needs. Every quarter approximately 10% of clients are reviewed in this way. Mr. Marshall adheres to applicable regulatory requirements, together with all policies and procedures outlined in the firm's code of ethics and compliance manual. He also adheres to all required regulations regarding the activities of an Investment Adviser Representative.

ITEM 7: REQUIREMENTS FOR STATE-REGISTERED ADVISORS

Investment advisors who are registered with a state regulatory agency rather than the SEC are required to provide information about a wider range of disciplinary information than that described above. Mr. Marshall has not declared personal bankruptcy and has no disciplinary information to report.
