Item 4 Advisory Business

Firm Description

Greylock Peak Investments LLC ("Greylock Peak" or the "Firm") was founded in 2011. Greylock Peak Investments is a privately owned limited liability company headquartered in Sebastopol, California. The Firm is owned equally by CM and Company, LLC and Electrum, LLC. CM and Company is beneficially owned and controlled by Chris Martenson, the Chief Executive Officer of the Firm. Electrum is beneficially owned and controlled by Adam Taggart, an executive officer of the Firm and Ashley Taggart.

Types of Advisory Services

PeakProsperity.com, a website providing educational economic content, refers potential clients to other unaffiliated Registered Investment Advisory ("RIA") firms through our firm. Accordingly, Greylock Peak Investments is a Solicitor for other unaffiliated RIAs, including New Harbor Financial Group (CRD# 155528), an SEC-registered adviser. PeakProsperity.com shares common ownership with our firm. We are qualified to be and act as an investment adviser under the laws of the states in which we transact business in and are familiar with the rules and the numerous requirements pertaining to the solicitation of prospective investment advisor clients. The unaffiliated RIA firm is responsible for individual client suitability and portfolio management on an initial and ongoing basis. We will not provide any additional benefit to the client. In no event shall Greylock Peak participate in the management of client accounts or render investment advice to clients on behalf of the third party investment adviser.

When soliciting clients for unaffiliated RIA's each client shall be provided with the most recent relevant brochures or equivalent disclosure documents of the unaffiliated RIA's that details their applicable programs and the compensation to be paid by you and what portion of the same is received by us for our solicitation services and the association between our Firm and the unaffiliated RIA's. Clients who engage the unaffiliated RIA will sign an investment advisory agreement with the unaffiliated RIA.

Prior to introducing any Pennsylvania or Washington clients to another investment adviser, Greylock Peak will be responsible in determining if the investment adviser is properly registered, licensed, notice-filed or exempt from registration with the Pennsylvania Department of Banking and Securities, and the Washington State Department of Financial Institutions, respectively.

Types of Agreements

Greylock Peak Investments' investment advice is limited to recommending other investment advisers. Investment advisory services are provided by the unaffiliated RIA. Accordingly, Greylock Peak Investments does not have an agreement directly with the client.

Greylock Peak Investments, will, however, provide a copy of its Solicitor Disclosure Statement to the client. The Solicitor Disclosure Statement sets forth, among other things, the amount of compensation to be received by Greylock Peak Investments for referring the client to the unaffiliated RIA.

Assets under Management

Greylock Peak Investments operates as a Solicitor and does not have investment advisory clients; therefore, there are no assets under management at our Firm.

Wrap Fee Programs

Greylock Peak Investments does not participate in any wrap fee programs.

Item 5 Fees and Compensation

Solicitor Fee Schedule

The fees payable to us for these referral services depend upon the fee arrangement between our Firm and the unaffiliated RIA to whom you are referred. We will receive a portion of the unaffiliated RIA's ongoing account management fees as compensation for our solicitation or consulting. Our fee range is 25% to 30% of the fees charged to the referred client by the unaffiliated RIA. The fee shall be paid solely from the unaffiliated RIA and will be paid to us within 30 days of the unaffiliated RIA's receipt of the advisory fee from the client. The fee paid to us will not result in any additional charge to the client of the unaffiliated RIA.

With respect to the arrangement with New Harbor Financial Group ("New Harbor"), New Harbor uses the following fee schedule as a guideline for their asset management fees. If you become a client of New Harbor, refer to the fee schedule in your advisory agreement with New Harbor to determine the applicable fee you will pay New Harbor for their services.

Assets Under Management	Annual Fee
\$50,000 - \$100,000	2.00%
\$100,001 - \$200,000	1.75%
\$200,001 - \$500,000	1.50%
\$500,001 - \$1,000,000	1.30%
\$1,000,001 - \$2,500,000	1.15%
\$2,500,001 - \$5,000,000	1.10%
\$5,000,001 - \$7,500,000	1.05%
\$7,500,001 - \$10,000,000	1.00%
\$10,000,001 - \$12,500,000	0.95%
\$12,500,001 - \$15,000,000	0.90%
\$15,000,001+	0.85%

New Harbor compensates our firm with a percentage of the fees collected from clients in accordance with the following fee schedule:

Fee Sharing	Cumulative Assets Covered Under the Referral Agreement with New Harbor
25%	up to \$75MM
27.50%	\$75MM - \$100MM
30%	\$100MM+

New Harbor will pay Greylock Peak its portion of the investment management fee on a monthly basis, postmarked no later than the 10TH of the month following the month for which payment is being rendered. This monthly payment will be 1/3rd of the quarterly fee described above (after applying the "fee sharing percentage"), adjusted as follows: (a) increased to account for Greylock Peak's share of prorated management fees charged by New Harbor for new clients who initiate a relationship within a given quarter; and (b) reduced to account for Greylock Peak's share of any prorated fees that New Harbor rebates to a client that terminates investment services with New Harbor during a quarter. As a matter of practice, New Harbor charges prorated fees to clients in the month after the quarter in question. As such, prorated fees, if any, will be paid to Greylock Peak in January for the 4th quarter, in April for the 1st quarter, July for the 2nd quarter, and October for 3rd quarter.

Referred Clients have no obligation to pay any compensation directly to Greylock Peak. Greylock Peak seeks payment of its compensation solely from New Harbor. Fees are only payable to Greylock Peak upon receipt of funds by New Harbor from the prospective client(s).

The duration of payments from New Harbor to Greylock Peak shall continue for as long as a given client remains a paying investment management client of New Harbor.

Termination

The agreement between the unaffiliated RIA and our Firm may be terminated at any time and for any reason upon written notice to the other party. Termination of the agreement will only affect future referral prospects. We will remain entitled to continue receiving payment of our referral fees for all prospects whether they are clients at the time of termination or whether they become clients subsequent to termination as long as the unaffiliated RIA receives such fees from our referred clients and as long as we maintain the appropriate regulatory registrations.

Item 6 Performance-Based Fees and Side-By-Side Management

We act solely as a solicitor for unaffiliated RIAs. We do not accept performance-based fees or participate in side-by-side management.

Item 7 Types of Clients

Our customer base for referrals to other unaffiliated RIA's consists of individuals, pension and profit sharing plans, trusts, estates, charitable organizations, corporations and other business entities.

The third party money managers to whom you are referred may impose minimum account sizes for participation in their advisory services. Please refer to the third party money manager's Form ADV Part 2A for information on applicable minimum account sizes, if any.

Item 8 Methods of Analysis, Investment Strategies and Risk of Loss

Methods of Analysis and Investment Strategies

We refer clients to unaffiliated RIA's who offer a selection of different investment approaches. This includes trend following, countertrend, technical signal based, fundamental and tactical asset allocation strategies. Information of each unaffiliated RIA's method of analysis and investment strategies are described in each of their ADV Part 2A brochures or other disclosure documents that will be provided upon the referral.

Risk of Loss

All investment programs have certain risks that are borne by the investor. The advice offered to you is determined by the areas of expertise of the unaffiliated RIA agent providing the service and your stated objective. We advise you to notify your investment manager promptly if there are ever any changes in your financial situation or investment objective or if you wish to impose any reasonable restrictions upon their management services.

We do not represent, warrant, or imply that the services or methods of analysis employed by our unaffiliated RIA's can or will predict future results, successfully identify market tops or bottoms, or insulate you from losses due to market corrections or declines. All securities trading, whether in stocks, options, or other investment vehicles, is speculative in nature and involves substantial risk of loss that clients should be prepared to bear. Past performance is not necessarily indicative of future results. You should make every effort to understand the risks involved.

Item 9 Disciplinary Information

Greylock Peak Investments is required to disclose whether there are any legal events, criminal or civil action, an administrative proceeding before the SEC or any other regulatory agency, or a self-regulatory organization proceeding or disciplinary events that are material to a referral's or a prospective referral's evaluation of our advisory business or the integrity of our management.
