Item 2 Education Background and Business Experience

Richard Todd Wood (Todd Wood) was born in 1971. Mr. Wood graduated from University of Notre Dame in 2005, with a Master’s Degree in Business Administration (MBA) and from Ball State University in 1995, with a Bachelor’s of Science in Political Science. Mr. Wood founded and has been with Agile Capital, Inc. since October 2014.

Todd began his career in finance working for Morgan Stanley and Merrill Lynch as a financial consultant for high net worth individuals and institutions on alternative investment allocations, including managed futures and managing the exposure of highly concentrated market positions that posed significant risk to clients. At Merrill Lynch, in particular, Todd was a valued contributor on a team managing \$390 million in assets and \$90 million in a discretionary equity portfolio.

Prior to attaining his MBA from the University of Notre Dame, Todd served as a founder and Chief Executive Officer of Terragraphix, an emerging medical software company where his performance was acknowledged by Indiana Business Magazine as one of “Indiana’s Technology Stars” in July of

2003. He was also awarded the 2003 Mira Award for entrepreneurial technology with products less than 2 years old that offer measurable value to customers, strong management team, and demonstrated ability to maintain growth for the State of Indiana.

As the former CFO of a publicly traded NASDAQ biotechnology company, Todd headed the capital raising initiatives completing \$15M in registered secondary offering, working closely with the executive management team and board on funding alternatives and capital reorganization that included PIPE's, right offering, warrant price resetting. He also served as primary liaison to investment banks, gaining him further insight into how loan officers and investment experts work.

Item 3 Disciplinary Information
