B. Advisory Services Offered

Wealthramp provides individuals, high net worth individuals, trusts, and estates (each referred to as an “Investor”) with an interactive, online financial advice matching platform at <https://Wealthramp.com>. The mission of Wealthramp is to match Investors with fiduciaries to assist the Investor with their financial needs.

Wealthramp does not manage investment assets. In matching Investors with qualified registered investment advisors (“RIAs”), Wealthramp may receive a referral fee or a subscription fee for its services (Please see Item 5).

Wealthramp screens RIAs and the Investment Advisor Representatives (“IARs”) that seek to join the Wealthramp platform. RIAs and IARs that are accepted to the Wealthramp platform must agree to the Wealthramp terms of service and meet Wealthramp due diligence criteria. RIAs and IARs accepted to the Wealthramp platform are also required to enter into a platform subscription agreement and, in some instances, a Solicitor Referral Agreement.

Referrals

Users visiting <https://Wealthramp.com> and other electronic sites utilized by the Advisor will be offered access to the Wealthramp Interactive platform, whereby the user can seek to evaluate, correspond with and/or select an RIA and/or IAR to seek to establish an advisory relationship. The terms of the relationship between an Investor and an RIA/IAR are separate from any agreements between Wealthramp and those parties. Wealthramp DOES NOT provide investment advisory services to any Investor.

Wealthramp’s services are limited to making referrals to other registered investment advisers. The Advisor that the Investor ultimately chooses to work with is responsible for determining and implementing specific investment strategies for the Investor.

As part of Wealthramp’s vetting process, it is determined whether Advisors accessible through the Wealthramp website are registered as investment advisers and what their areas of focus and expertise are. Wealthramp does not review the ongoing performance of the third-party advisor, does not affect changes for the Investor account, and does not provide investment recommendations to the Investors. Wealthramp’s services are limited to making referrals to other registered investment advisers. The Advisor that the Investor ultimately chooses to work with is responsible for determining and implementing specific investment strategies for the Investor.

In consideration for its services, Wealthramp may receive a subscription fee or a referral fee. Please see Item 5 below. For any Solicitor relationship the RIA and/or IAR must enter into a Solicitor Referral Agreement with Wealthramp that defines the details of the relationship and the revenue-sharing arrangement.

The Investor, prior to entering into an agreement with an unaffiliated RIA, will be provided an electronic copy of each respective RIA's Form ADV 2A – Disclosure Brochure (or a brochure that makes the appropriate disclosures) for that RIA.

C. Client Account Management

Prior to engaging Wealthramp to provide services, each Investor must register via <https://Wealthramp.com> and agree to the Wealthramp terms of use and related requirements. RIAs and IARs are required to register and undergo a background due diligence process and may also be required to enter into a Solicitor Referral Agreement before access to the Wealthramp platform is provided.

D. Wrap Fee Programs

Wealthramp does not offer a Wrap Fee Program.

E. Assets Under Management

Wealthramp does not manage Investor assets and therefore has no disclosures for this Item.

Item 5 – Fees and Compensation

Wealthramp does not charge a fee to Investors to utilize its platform at <https://Wealthramp.com>. RIAs and IARs that are accepted to the Wealthramp platform will be required to enter into a Solicitor Agreement with Wealthramp whereby Wealthramp is compensated on an ongoing basis if the Investor becomes a client of the RIA. Wealthramp provides the Investor with a Solicitor Disclosure Statement that details the revenue-sharing arrangement. Certain legacy RIAs and IARs have an arrangement to pay Wealthramp a subscription fee up to \$500 per month.

Investors are not charged for the use or access to the <https://Wealthramp.com> platform.

D. Advance Payment of Fees and Termination

Referral fees are generally paid following RIA's or IAR's billing to the Investor. RIAs and IARs may terminate their relationship based on the terms of their agreement[s] with Wealthramp. Investors may cancel their Wealthramp profile at any time. The agreement[s] between the Investor and any third party are governed by the terms of those agreements.

Item 7 – Types of Clients

Wealthramp provides investment advisory services to individuals, high net worth individuals, trusts and estates. There is no fee or minimum level of wealth to use the website at <https://Wealthramp.com>.

Item 8 – Methods of Analysis, Investment Strategies and Risk of Loss

Wealthramp does not manage Investor assets, however, in matching Investors to Advisors, Wealthramp engages in a rigorous vetting process.

Wealthramp's process of selecting Advisors for its network consists of conducting due diligence on prospective Registered Investment Advisers ("RIA") and their Investment Adviser Representatives ("IARS"). The diligence process includes, but is not limited to, (1) review of each IARs ADV and other public records; and vetting of any unresolved material disciplinary disclosures; (2) review of the IARs education, work history, and professional designations; (3) review of RIA's fee structure and any conflicts of interest; and (4) extensive interview with Wealthramp management personnel to understand qualitative aspects of the RIA and the IAR. Generally, Wealthramp will not admit dual registered IARs onto the platform except in rare instances for advisors that otherwise pass the thorough vetting process and are believed to always act in their clients' best interests. Exceptions may include advisors that provide existing clients access to legacy commission-based 529 accounts, and advisors that on rare occasions and only at an Investor's request incorporate annuity investments into an Investor's portfolio. Such exceptions are rare and Wealthramp will fully disclose such exceptions.

Once the due diligence is complete and the RIA and IAR(s) are approved, Wealthramp may refer Investors to the approved IAR; however, Wealthramp cannot ensure that those Advisors will perform as desired, and Wealthramp has no control over the day-to-day operations of any recommended Advisors. Wealthramp would not be aware of certain activities at its recommended advisors, including without limitation, an Advisor engaging in unreported risks, investment style changes or even regulatory breaches or fraud. Additionally, Wealthramp cannot guarantee that an Investor's financial goals will be attained through its recommended Advisors. Investors should understand the inherent risks associated with any type of investments they participate in.

Past performance is not a guarantee of future returns. Investing in securities and other investments involve a risk of loss that each Investor should understand and be willing to bear. Investor are reminded to discuss these risks with the RIA they select for to be their advisor, if applicable. Investors should obtain risk disclosures from any advisor in which the conduct business and fully understand the risks of investing.

Item 9 – Disciplinary Information
