Item 3: Disciplinary Information

There are no legal or disciplinary events that are material to a client's or prospective client's evaluation of this advisory business.

Item 4: Other Business Activities

Tamir Shabat is a licensed insurance agent. From time to time, he will offer clients advice or products from those activities. Clients should be aware that these services pay a commission and involve a conflict of interest, as commissionable products conflict with the fiduciary duties of a registered investment adviser. LPS Financial LLC always acts in the best interest of the client, including the sale of commissionable products to advisory clients. Clients are in no way required to implement the plan through any representative of LPS Financial LLC in such individual's outside capacity.

Mr. Shabat is also owner of BKS18, LLC, a personal holding company that provides administrative services to businesses. Advisory clients of LPS are not clients of BKS18, LLC. This other business activity does not create any conflicts of interest with advisory clients. Mr. Shabat spends fewer than 10 hours per month during LPS's business hours with this other business activity.

Mr. Shabat is an owner and Manager of Vessel Capital Management LLC. Vessel Capital Management LLC serves as the manager of a number of Delaware series limited liability companies operating as private equity funds under the brand "Vessel Capital Partners" (the "VCP Funds"). LPS may recommend to certain accredited and/or qualified clients to invest in one or more of the VCP Funds. The recommending of a VCP Fund to LPS clients may create a conflict of interest because Vessel Capital Management and/or Vessel Capital Advisors entities owned and controlled by Mr. Shabat, may receive income or profits as a result. LPS clients may be subject to higher fees for investing in the VCP Funds than they might otherwise pay as LPS clients and may pay higher acquisition costs in connection with the VCP Funds than they might pay for equivalent investments from other sources.

Any recommendations of the VCP Funds, therefore, can appear to be based on Mr. Shabat's interest in receiving higher fees and/or profits rather than on the client's interest to achieve his or her risk adjusted investment objective and goals. The VCP Funds' disclosure documents fully disclose the fees and profits that LPS's principals (including Mr. Shabat) may earn from clients' investments in the VCP Funds. In addition, LPS diminishes this conflict of interest by obtaining clients' acknowledgment of such economic benefits and of their opportunity to seek equivalent investments at lower cost before accepting investments in the VCP Funds, and by not charging clients a separately managed account advisory fee in addition to the VCP Fund's related advisory, management and performance fees. LPS recommends the VCP Funds only to clients who are accredited and/or qualified (as defined by applicable federal securities laws) and who have expressed a desire to invest in the types of investments held by the VCP Funds.

Item 5: Additional Compensation

Tamir Shabat does not receive any economic benefit from someone who is not a client in exchange for providing clients advisory services through LPS Financial LLC.

Item 6: Supervision

As Chief Compliance Officer of LPS Financial LLC, Tamir Shabat supervises all duties and activities of the firm. Tamir Shabat adheres to all required regulations regarding the activities of an Investment Adviser Representative and follows all policies and procedures outlined in the firm's policies and procedures manual, including the Code of Ethics, and appropriate securities regulatory requirements. Tamir Shabat's phone number is (212) 328-7876.
