In general, the financial plan will address the following areas of concern:

PERSONAL: Family records, budgeting, personal liabilities, estate information and financial goals.

Should the client choose to implement the recommendations contained in the plan, Gragg & Gragg, L.L.P. suggests the client work closely with his/her attorney, accountant, insurance agent, and/or investment advisor. Implementation of financial planning recommendations is entirely at the client's discretion. Counseling and consulting fees will be in the range from \$200-\$400 per hour, depending on the nature and complexity of each client's circumstances and upon mutual agreement with the client.

Clients can also receive investment or financial advice on a more limited basis. Gragg & Gragg has the discretionary authority to terminate the client's contract with CPS without the client's consent. Gragg & Gragg, L.L.P. and CPS have separate contracts with the client.

The owners of Gragg & Gragg, LLP are Gary Bryon Gragg Jr. and Jason D. Gragg.

Item 5 – Fees and Compensation

All fees are subject to negotiation. All fees are calculated on assets under management and are not charged on the basis of a share of capital gains upon or capital appreciation of the funds or any portion of the funds of an advisory client [SEC Rule 205 (a)(I)]. Fees for financial planning and consulting will be charged either on an hourly basis or fixed fee basis. Gragg & Gragg, L.L.P. may waive the financial planning and consulting fee for those clients who select Gragg & Gragg, L.L.P. for money management services.

The specific manner in which fees are charged by Gragg & Gragg, LLP is established in a client's written agreement with Gragg & Gragg, L.L.P.. Gragg & Gragg, L.L.P. will generally bill its fees on a quarterly basis. Clients may also elect to be billed directly for fees or to authorize Gragg & Gragg, L.L.P. to directly debit fees from client accounts. Management fees shall not be prorated for each capital contribution and withdrawal made during the applicable calendar quarter. Accounts initiated or terminated during a calendar quarter will be charged a prorated fee. Upon termination of any account, any prepaid, unearned fees will be promptly refunded, and any earned, unpaid fees will be due and payable. The client has the right to terminate an agreement without penalty within five business days after entering into the agreement.

Gragg & Gragg, L.L.P. fees are exclusive of brokerage commissions, transaction fees, and other related costs and expenses which shall be incurred by the client. Clients may incur certain charges imposed by custodians, brokers, third party investment and other third parties such as fees charged by managers, custodial fees, deferred sales charges, odd-lot differentials, transfer taxes, wire transfer and electronic fund fees, and other fees and taxes on brokerage accounts and securities transactions. Mutual funds and exchange traded funds also charge internal management fees, which are disclosed in the fund's prospectus. Such charges, fees and commissions are exclusive of and in addition to Gragg & Gragg, L.L.P. fee, and Gragg & Gragg, L.L.P. shall not receive any portion of these commissions, fees, and costs.

Gragg & Gragg, L.L.P. follows the guidelines set by the Securities and Exchange Commission for directly debiting advisory fees from client custodial accounts to ensure that Gragg & Gragg, LLP will not be deemed to have custody of client funds and/or securities with regard to the practice of direct debiting.

Clients will be invoiced in advance, at the beginning of each calendar quarter, based upon the month end values (market value or fair market value in the absence of market value, plus any margin balance) of the client's account during the previous quarter. The value of the portfolio is determined on the nearest valuation date preceding the end of the quarter, which valuation date is defined as the last day of the month.

Management of the account and the fee commences upon the signing of the agreement, unless otherwise agreed upon. If the agreement commences other than at the beginning of a quarter, a pro rata charge will be made for the initial period the portfolio is under the advisor's management prior to the beginning of a quarter on the amount agreed upon.

Management fees do not include wire fees, margin interest, overnight or registered postage charges, mutual fund sales charges, IRA custodial fees or transaction charges. These fees are charged to the client directly by the mutual fund or custodian when incurred.

Item 12 further describes the factors that Gragg & Gragg, L.L.P. considers in selecting or recommending broker-dealers for *client* transactions and determining the reasonableness of their compensation (*e.g.*, commissions).

All fees paid to Gragg & Gragg, L.L.P. for investment advisory services are separate and distinct from the fees and expenses charged by mutual funds to their shareholders. These fees and expenses are described in each fund's prospectus. These fees will generally include a management fee, other fund expenses, and a possible distribution fee. If the fund also imposes sales charges, a client may pay an initial or deferred sales charge. A client could invest in a mutual fund directly, without the services of Gragg & Gragg, L.L.P. In that case, the client would not receive the services provided by Gragg & Gragg, LLP which are designed, among other things, to assist the client in determining which mutual fund or funds are most appropriate to each client's financial condition and objectives. Accordingly, the client should review both the fees charged by the funds and the fees charged by Gragg & Gragg, L.L.P. to fully understand the total amount of fees to be paid by the client and to thereby evaluate the advisory services being provided. When appropriate to the needs of the client, Gragg & Gragg, L.L.P. may recommend the use of trading (securities sold within 30 days), margin strategies, or option writing. Because these investment strategies involve certain additional degrees of risk, they will only be recommended when consistent with the client's stated tolerance for risk.

Item 8 – Methods of Analysis, Investment Strategies and Risk of Loss

Gragg & Gragg L.L.P., through its sub-advisors, utilizes a number of different sources for its research and investment process, including financial publications and new, Value Line, Morningstar, annual reports, online research services, and financial newsletters, among many others. None of these services or products is obtained by the firm, or its sub-advisors, on a soft dollar basis.

Our investment philosophy at Gragg & Gragg, LLP is to stick to our value driven premise that buying securities when they are undervalued is associated with a high probability of achieving above-average returns in the future, and of course, buying securities when they are overvalued will result in a high probability of achieving lower than expected returns

Our investment strategy is to identify companies with strong balance sheets, dependable earnings, history of increasing dividends, significant overseas exposure and a dominate player in their respective industry. These companies have competitive advantages over their competitors; this allows them to withstand the volatility the market can provide. We buy with a margin of safety and monitor until such time the company is overvalued, at which time it may be sold and the proceeds reinvested in another undervalued company. We understand the importance of diversification; therefore, properly diversifying all Client Accounts can likely lead to better performance over time. In areas where market research is limited, we may elect to incorporate mutual funds, index funds, or exchange traded funds to adequately diversify the Client Account. Our view is long-term and our Clients understand this position. Short-term movements in the market sometimes in response to non-factual information, either positive or negative, therefore having a long-term approach rids the Account of short-term fluctuations. This process takes time, effort and experience. It requires the use of expertise and good judgment in a qualitative, as well as quantitative process, making it as much of an art as it is a science.

Investing in securities involves risk of loss that clients should be prepared to bear. Gragg & Gragg, LLP does not guarantee the future performance of the Account or any specific level of performance, the success of any investment decision or strategy that Gragg & Gragg, LLP may use, or the success of Advisor's overall management of the Account. Client understands that investment decisions made for Client's Account by Gragg & Gragg, LLP are subject to various market, currency, economic, political and business risks, and that those investment decisions will not always be profitable. Gragg & Gragg, LLP will manage only the securities, cash and other investments held in Client's Account and in making investment decisions for the Account, Gragg & Gragg, LLP will not consider any other securities, cash or other investments owned by Client. Except as may otherwise be provided by law, Gragg & Gragg, LLP will not be liable to Client for (i) any loss that Client may suffer by reason of any investment decision made or other action taken or omitted in good faith by Gragg & Gragg, LLP with that degree of care, skill, prudence, and diligence under the circumstances that a prudent person acting in a fiduciary capacity would use; (ii) any loss arising from Gragg & Gragg, LLP's adherence to Client's instructions; or (iii) any act or failure to act by the Custodian, any broker or dealer to which Gragg & Gragg, LLP directs transactions for the Account, or by any other third party. This limitation on liability is valid however only to the extent it does not violate federal and state securities laws. Federal and state securities laws impose liabilities under certain circumstances on persons who nonetheless act in good faith, and therefore not constitute a waiver or limitation of any right Client has under such laws.

Item 9 – Disciplinary Information

Registered investment advisers are required to disclose all material facts regarding any legal or disciplinary events that would be material to your evaluation of Gragg & Gragg LLP or the integrity of Gragg & Gragg LLP's management. Gragg & Gragg LLP has no information applicable to this item.

Item 11 – Code of Ethics

Gragg & Gragg LLP has adopted a Code of Ethics for all supervised persons of the firm describing its high standard of business conduct, and fiduciary duty to its clients. The Code of Ethics includes provisions relating to the confidentiality of client information, a prohibition on insider trading, a prohibition of rumor mongering, restrictions on the acceptance of significant gifts and the reporting of certain gifts and business entertainment items, and personal securities trading procedures, among other things. All supervised persons at Gragg & Gragg LLP must acknowledge the terms of the Code of Ethics annually, or as amended.

The Code of Ethics is designed to assure that the personal securities transactions, activities and interests of the employees of Gragg & Gragg, L.L.P. will not interfere with (i) making decisions in the best interest of advisory clients and (ii) implementing such decisions while, at the same time, allowing employees to invest for their own accounts.

In addition, the Code requires pre-clearance of many transactions, and restricts trading in close proximity to client trading activity. Nonetheless, because the Code of Ethics in some circumstances would permit employees to invest in the same securities as clients, there is a possibility that employees might benefit from market activity by a client in a security held by an employee. Employee trading is continually monitored under the Code of Ethics, and to reasonably prevent conflicts of interest between Gragg & Gragg LLP and its clients.

Gragg & Gragg, L.L.P. or its associated persons may buy or sell securities for their personal accounts identical or different than those recommended to clients. It is the expressed policy of Gragg & Gragg LLP that no person employed by Gragg & Gragg LLP shall prefer his or her own interest to that of an advisory client or make personal investment decisions based on the investment decision of advisory clients. Gragg & Gragg LLP buys and sells securities for its owners, employees, and their immediate families that it also recommends to clients. At times, Gragg & Gragg LLP may buy investments for its proprietary accounts that it does not buy for its clients.

All securities traded in affiliated accounts are subject to a blackout period where a security that has been Purchased or sold for a client account may not be purchased or sold for an affiliated account during the 3-day period before and after the client purchase or sale date.

All principal individuals and/or employees of Gragg & Gragg LLP are required to comply with all applicable federal and state securities laws, rules and regulations. Adviser's Code of Ethics further includes the firm's policy prohibiting the use of material non-public information. If any person of Gragg & Gragg LLP violates Gragg & Gragg LLP's internal controls and/or the applicable federal or state laws, rules & regulations, then

that person will be subject to disciplinary action ranging from verbal reprimand to termination of employment, depending on the nature, seriousness, and repetition of the violation.

Gragg & Gragg LLP clients or prospective clients may request a copy of the firm's Code of Ethics by contacting Jay Gragg, Chief Compliance Officer at (704) 482.2001 or jay@graggandgragg.com.

Item 12 – Brokerage Practices

Because Gragg & Gragg, LLP does not have the discretionary authority to determine the broker dealer to be used or the commission rates to be paid, clients must direct Gragg & Gragg, LLP as to the broker dealer to be used. In directing the use of a particular broker or dealer, it should be understood that Gragg & Gragg, L.L.P. may not have the authority to negotiate commissions or volume discounts, and the best execution may not be achieved. In addition, a disparity in commission charges may exist between the commissions charged to other clients.

While there is no direct linkage (except in certain circumstances) between the investment advice given to clients and Gragg & Gragg, L.L.P.'s participation in the FIWS program, economic benefits that are received by Gragg & Gragg, L.L.P. would not be received if Gragg & Gragg, L.L.P. did not give investment advice to clients. These benefits include: a dedicated trading desk that services FIWS participants exclusively, a dedicated service group and an account services manager dedicated to Gragg & Gragg, L.L.P.'s accounts, access to a real-time order matching system, electronic download of trades, balances and positions in FIWS's portfolio management software, access, for a fee, to an electronic interface with FIWS's software, duplicate and batched client statements, confirmations and year-end summaries, the ability to have advisory fees directly debited from client accounts (in accordance with federal and state requirements), a quarterly newsletter, access to Fidelity mutual funds, access to FidelityWealthScape.com, a Fidelity Brokerage information web site, access to over 6000 mutual funds NOT affiliated with Fidelity, and the ability to have loads waived for Gragg & Gragg, L.L.P. clients who invest in certain Fidelity loaded funds, when certain conditions are met and maintained.

Clients in need of brokerage or custodial services will have Fidelity Investments recommended to them. As part of the FIWS program, Gragg & Gragg, L.L.P. receives benefits that it would not receive if it did not offer investment advice.

Gragg & Gragg, L.L.P. has the policy to make whole all accounts that have trading errors. In the event that the trading error causes the account to increase in value, Gragg & Gragg, L.L.P. will not penalize the account for the trading error and will leave all increases in the account.

Gragg & Gragg LLP may, from time to time, aggregate client trades using Block Orders. If this strategy is used, all clients within the aggregate filled trade will receive the same price. Aggregate trades are used to move in and out of a particular investment quickly which could improve the execution of the trade.

Financial Planning - Consulting: These clients will be required to select their own broker-dealers and insurance companies for the implementation of financial planning and/or consulting recommendations. Gragg & Gragg LLP may recommend any one of several brokers (including, but not limited to Fidelity Investments). Gragg & Gragg LLP clients must independently evaluate these brokers before opening an account. The factors considered by Gragg & Gragg LLP when making this recommendation are the broker's ability to provide professional services, Gragg & Gragg LLP's experience with the broker, the broker's reputation, and the broker's financial strength, among other factors. Gragg & Gragg LLP's financial planning and/or consulting clients may use any broker/dealer of their choice.

Seminars: Due to the nature of this service, Gragg & Gragg LLP does not recommend broker-dealers to these clients.

Class Action & Legal Proceedings: Advisor does not accept responsibility for assisting or acting on a client's behalf with filings for class action or other legal proceedings.

Item 13 – Review of Accounts

Portfolio Management: Portfolios are reviewed on a continuous and regular basis. Portfolio management accounts are formally reviewed in their entirety initially upon engagement and quarterly, semi-annually, or annually, as contracted for at the inception of the advisory relationship. Periodic reviews of accounts are conducted on a weekly or monthly basis to accommodate additions to cash, unusual price movements, and any investment objective change by the client. These clients will receive monthly and/or quarterly statements from their broker-dealer/custodian. Gragg & Gragg LLP will provide these clients with reports as contracted for at the inception of the advisory relationship.

Item 16 – Investment Discretion

Gragg & Gragg LLP usually receives discretionary authority from the client at the outset of an advisory relationship to select the identity and amount of securities to be bought or sold.
