Item 4 Advisory Business

Salient Advisors, L.P. is an SEC-registered investment adviser with its principal place of business located in Texas. Salient Advisors, L.P. began conducting business in 2002.

The Adviser is also registered as a Commodity Trading Advisor (“CTA”) and Commodity Pool Operator (“CPO”) with the Commodity Futures Trading Commission (the “CFTC”) and is a member of the National Futures Association (the “NFA”).

Listed below are the firm's principal owners (i.e., those individuals and/or entities controlling 25% or more of this company).

- Salient Partners, L.P., Limited Partner

The Adviser has an Investment Committee which oversees its operations and investment advisory services. The Investment Committee is comprised of senior management.

These individuals, and other affiliated persons of the Adviser, are also owners, officers, and/or employees of Salient Partners, L.P. Research, analysis, and allocation of investment opportunities will be shared by the Adviser and affiliates of Salient Partners, L.P.

Salient Advisors, L.P. offers the following advisory services to our clients:

Salient Advisors, L.P. (the “Adviser”) provides investment advisory services to Investment Funds which includes the Salient Tactical Plus Fund (the “Salient Tactical Plus Fund”).

The Salient Tactical Plus Fund is a series of Salient MF Trust, a Delaware statutory trust and an open-end management investment company registered under the Investment Company Act of 1940, as amended and the Securities Act of 1933, as amended. The investment advisory services provided to the Fund are governed by an investment management agreement between the Fund and Salient Advisors, L.P.

The Salient Tactical Plus Fund invests primarily in a diversified portfolio of instruments that provide exposure to U.S. and non-U.S. equity securities. These instruments generally include futures and options on securities, securities indices and shares of exchange-traded funds (“ETFs”). The Fund may also invest in equity securities (such as common stocks, preferred stocks and shares of investment companies, including ETFs) of U.S. and non-U.S. issuers, which may include emerging market issuers, in any industry sector and in all market capitalization ranges, including small capitalization stocks, without limitation. The Adviser has entered into an agreement with Broadmark Asset Management LLC, an unrelated firm, to assist the Adviser in the management of the Salient Tactical Plus Fund as a sub-advisor. The Fund’s investment objective, investment strategy and other important disclosure information is contained in the Fund’s prospectus and SAI.

Salient Advisors, L.P. has no other clients, and the investment services that Salient provides are limited to the management of the assets of the Salient Tactical Plus Fund (i.e., Salient Advisors, L.P. does not provide any investment advice directly to individual investors in the Fund).

Publication of periodicals or newsletters:

We also issue research reports and develop other products derived from market research. Our market research reports and other products differ from traditional investment research because they focus on macroeconomic conditions, business trends in particular industries and industry conditions, rather than on statistical analysis or financial valuation or earnings models of individual issuers. We use our research reports in connection with providing investment advice to the funds we manage. We also use our research reports in communications to fund investors and potential investors.

Amount of Managed Assets:

As of 12/31/2020, the Adviser was actively managing \$69,292,273 of clients' assets on a discretionary basis.

Item 5 Fees and Compensation

Salient Advisors, L.P. is compensated for providing investment advisory services to the Salient Tactical Plus Fund in the form of management fees.

The Salient Tactical Plus Fund pays the Adviser management fees equal to an annual rate of 1.45% of the Fund's average daily net assets. For a more detailed discussion of the Fund's fees and expenses, please refer to the Fund's prospectus and SAI.

The Adviser does not have a stated minimum client investment amount, but it does not plan to accept any clients other than investment companies or unregistered investment funds. However, individual investors in the Fund are subject to a minimum investment, which in certain circumstances is subject to waiver in our discretion. With regards to the Salient Tactical Plus Fund, subject to certain exceptions, the minimum initial investment requirement for Class A and Class C shares of the Fund is \$2,500, and the minimum initial investment requirement for Class I shares of the Fund is \$1,000,000.

Further, we retain the discretion to negotiate the fees paid to the Adviser in respect of investors in funds other than the Salient Tactical Plus Fund. We will take into account the particular circumstances in determining whether to negotiate fees in respect of particular investors in such funds. Certain groups of related investor accounts may be grouped for purposes of achieving minimum account size and determining the corresponding fund-level fee for such funds, in respect of such investors' investments in such funds. Discounts not generally available to such funds or their investors are offered to family members and friends of affiliated persons of our firm. Fees are deducted directly from client accounts, as described in the offering document of the Fund.

GENERAL INFORMATION

Termination of the Advisory Relationship: The Investment Management Agreement for the Salient Tactical Plus Fund became effective as of July 15, 2014. After the initial term, the Investment Management Agreement continues in effect from year to year thereafter, but only so long as the continuance of such agreement is specifically approved at least annually by the affirmative vote of: (i) a majority of the Trustees who are not parties to the Investment

Management Agreement or interested persons of any party to the Investment Management Agreement, or of any entity regularly furnishing investment advisory services with respect to the Fund pursuant to an agreement with any party to the Investment Management Agreement, cast in person at a meeting called for the purpose of voting on such approval; and (ii) a majority of the Fund's Trustees or the holders of a majority of the outstanding voting securities of the Fund. The Investment Management Agreement is terminable at any time without penalty upon 60 days' written notice by the Board, by vote of holders of a majority of the outstanding voting securities of the Fund, or by the Fund's Adviser.

Upon termination of an advisory agreement, any prepaid, unearned fees will be promptly refunded. In calculating a client's reimbursement of fees, we will pro rate the reimbursement according to the number of days remaining in the billing period. Clients that are charged a performance-based fee and elect to terminate their advisory agreement will be charged a performance-based fee based on the performance of the account for the measuring period going back from the termination date and prorated from the date on which the performance-based fee was last assessed.

Mutual Fund and Investment Fund Fees: All fees paid to the Adviser for investment advisory services are separate and distinct from the fees and expenses charged by mutual funds and/or ETFs to their shareholders, or underlying Investment Fund fees and expenses that the Fund, as an investor in such underlying Investment Funds, must bear. These fees and expenses are described in each Investment Fund's prospectus or offering document, and are also described generally in the Fund's prospectus or offering document. These fees will generally include a management fee, other fund expenses, a possible distribution fee, and/or an initial or deferred sales charge and/or servicing fees.

Additional Fees and Expenses: The Adviser's fees do not include the fees and expenses charged by custodians and imposed by broker dealers, including, but not limited to, any transaction charges imposed by a broker dealer. Please refer to the "Brokerage Practices" section (Item 12) of this Form ADV for additional information.

Compensation for Services Provided by Registered Representatives of Forward Securities, LLC and Salient Capital, L.P. Certain affiliated persons of the Adviser are licensed as registered representatives of Forward Securities, LLC or Salient Capital, L.P., broker-dealers affiliated with the Adviser. See Item 10 for additional disclosure regarding such arrangements and the conflicts of interest they pose.

Closed and Liquidated Private Funds – Receipt of Proceeds After Completion of Liquidating Distributions: In strict compliance with the noted private fund's offering materials, the Adviser's policy and practice is to return all liquidated fund assets to limited partners as soon as administratively feasible. In limited extenuating circumstances, returning previously unknown or unexpected proceeds (class/corporate actions, tax refunds and reclaims, et cetera) to closed and liquidated private fund limited partners may not be possible or practical given the passage of time, including, but not limited to, circumstances regarding the lack of fund books and records, outdated or unavailable limited partner information, disproportionately burdensome work to determine the beneficial owners to whom proceeds could be distributed, and the inability to provide additional required tax reporting.

In such circumstances as previously mentioned above, based upon a de minimis materiality threshold that can apply in the aggregate or on a per investor basis, the Adviser's Chief Financial Officer, in consultation with the Chief Compliance Officer, will draft an internal memorandum discussing the circumstances of the proceeds, the commercially reasonable efforts made to return said proceeds or the efforts that would be required to determine the investors to whom proceeds could be returned, and the outcome by which the proceeds could be distributed. Note, previously unknown proceeds that are unable to be returned to all limited partners are required to be donated to the charities the Adviser has historically supported based on a plan of distribution consistent with the Adviser's relative charitable contributions in the prior three years. Further, the Adviser is strictly prohibited from receiving any tax benefits for the charitable donations.

Advisory Fees in General: Clients should note that similar advisory services may (or may not) be available from other registered (or unregistered) investment advisers for similar or lower fees.

Limited Prepayment of Fees: The Adviser does not require payment of fees in excess of \$1200 more than six months in advance of services rendered.

Item 6 Performance-Based Fees and Side-By-Side Management

Salient Advisors, L.P. does not charge performance-based fees. However, certain of our supervised persons manage accounts for other investment advisers with respect to which the advisory fee is based entirely or partially on performance. These performance fee arrangements may create a conflict of interest for us in that such supervised persons may have an incentive to allocate the investment opportunities that he or she believes might be the most profitable to such other accounts instead of allocating them to the Fund we advise. The Adviser addresses this conflict by regularly reviewing allocations to ensure that they are appropriate to the needs of advised Funds.

Item 7 Types of Clients

Salient Advisors, L.P. provides advisory services to registered investment companies. See Item 5 for a discussion of minimum investment amounts applicable to investors in the Fund.

Item 8 Methods of Analysis, Investment Strategies and Risk of Loss

METHODS OF ANALYSIS

Salient Tactical Plus Fund: The Sub-Advisor's investment approach for managing the Fund's assets focuses on identifying securities and other instruments that the Sub-Advisor believes are undervalued, or overvalued, relative to their intrinsic values, and that offer the greatest risk-adjusted potential for returns. In evaluating whether a particular market, sector or industry is undervalued or overvalued, the Sub-Advisor considers a variety of factors, including valuation and monetary conditions, investor sentiment and returns over a calendar year or other time period. The Sub-Advisor seeks to invest in futures, options and options on futures on indices, equity securities and other instruments in sectors and

industries or groups of industries that the Sub-Advisor believes are attractive on a relative basis. Consistent with this approach, the Sub-Advisor may also sell short options and futures on indices, equity securities and other instruments that it believes are less attractive on a relative basis. The Sub-Advisor's investment approach also involves using strategies designed to create less downside volatility than the S&P 500 Index. With respect to the Fund, the Fund's principal investment strategies include seeking to create less market exposure during equity market downturns. If this strategy is successful, having less equity market exposure during equity downturns, as determined by the Sub-Advisor's investment process, will result in the Fund having less downside volatility than the S&P 500 Index.

For a more detailed discussion of the Fund's methods of analysis and material risks, please refer to the Fund's prospectus and SAI.

Risks for all forms of analysis: These securities analysis methods rely on the assumption that the companies whose securities we purchase and sell, the rating agencies that review these securities, and other publicly-available sources of information about these securities, are providing accurate and unbiased data. While the Analysts are alert to indications that data may be incorrect, there is always a risk that their analysis may be compromised by inaccurate or misleading information.

INVESTMENT STRATEGIES

Salient Tactical Plus Fund: The investment objective of the Salient Tactical Plus Fund is to produce, in any market environment, above-average risk-adjusted returns and less downside volatility than the S&P 500 Index. The Fund invests primarily in a diversified portfolio of instruments that provide exposure to U.S. and non-U.S. equity securities. These instruments generally include futures and options on securities, securities indices and shares of exchange-traded funds ("ETFs"). The Fund may also invest in equity securities (such as common stocks, preferred stocks and shares of investment companies, including ETFs) of U.S. and non-U.S. issuers, which may include emerging market issuers, in any industry sector and in all market capitalization ranges, including small capitalization stocks, without limitation.

For a more detailed discussion of the Fund's investment strategies and material risks, please refer to the Fund's prospectus and SAI.

Risk of Loss: Securities investments are not guaranteed and always carry a risk of loss.

Item 9 Disciplinary Information

We are required to disclose any legal or disciplinary events that are material to a client's or prospective client's evaluation of our advisory business or the integrity of our management. Our firm and our management personnel have no reportable disciplinary events to disclose.

Item 10 Other Financial Industry Activities and Affiliations

Salient Advisors, L.P. is affiliated with broker-dealers, Forward Securities, LLC and Salient Capital, L.P. Forward Securities, LLC and Salient Capital, L.P. serve as placement agent

and/or distributor for funds for which the Adviser or affiliates of the Adviser serve as investment adviser and/or general partner or managing member.

Salient Advisors, L.P. does not use Forward Securities, LLC or Salient Capital, L.P. to place trades in client accounts. However, affiliated persons of the Adviser are licensed as registered representatives of Forward Securities, LLC or Salient Capital, L.P. These individuals, in their separate capacity, can effect securities transactions for which they may receive separate, yet customary compensation. Such transactions include the sale of interests in investment vehicles managed by the Adviser or affiliates of the Adviser.

Such individuals are also affiliated persons of other advisers that are affiliates of Salient Advisors, L.P. While Salient Advisors, L.P. and these individuals endeavor at all times to put the interest of the clients first as part of their fiduciary duty, such clients of our adviser affiliates should be aware that the receipt of additional compensation from Forward Securities, LLC or Salient Capital, L.P. creates a conflict of interest, and may affect the judgment of these individuals when making recommendations. Further, more detailed disclosure of such conflicts of interest is contained in Part 2A of Form ADV of the relevant adviser affiliate of Salient Advisors, L.P.

Under California law, certain of Salient Advisors, L.P.'s advisory business solicitation efforts directed toward California state public retirement systems require Salient Advisors, L.P., certain employees, and Salient Capital, L.P., an affiliate, to register in California as a "Lobbyist Employer," "Lobbyist" and "Lobbying Firm," respectively. Such registration subjects Salient Advisors, L.P., its registered Lobbyists (whether one or more), and Salient Capital, L.P. to specified gift, political contribution and other restrictions and certain periodic reporting requirements, and prohibits such registered Lobbyists and Salient Capital, L.P. from accepting or agreeing to accept any payment in any way contingent upon Salient Advisors, L.P. being awarded investment advisory business from any California state public retirement systems. Neither Salient Advisors, L.P., Salient Capital, L.P., nor any other of their Advisory Affiliates, presently intend to engage in any other conduct customarily known as "lobbying" in California, including attempting to influence state legislative action.

Salient Advisors, L.P. is registered with the Commodity Futures Trading Commission ("CFTC") as a commodity trading advisor ("CTA") and a commodity pool operator ("CPO") and is a member of the National Futures Association ("NFA"). Salient Advisors, L.P. is also affiliated with a CTA. Broadmark Asset Management LLC is registered with the CFTC as a CTA and is a member of the NFA. Affiliated persons of the Adviser are principals and/or affiliated persons of the CTAs/CPO.

As discussed in detail in Item 4, above, the Adviser's clients are all investment companies or unregistered private partnerships.

Individuals on the Investment Committee and other affiliated persons of the Adviser are also owners, officers and/or employees of Broadmark Asset Management LLC; Forward Management, LLC; Salient Capital Advisors, LLC; Sustainable Woodlands Partners, LLC and The Salient Zarvona Energy Fund GP, L.P. In these capacities, these individuals also provide investment advice to the following pooled investment vehicles:

All Series of Forward Funds; All Series of Salient MF Trust; Salient MLP Total Return Fund, L.P.; Salient MLP Total Return TE Fund, L.P.; Salient Midstream & MLP Fund; The Salient Zarvona Energy Fund, L.P.; Salient Zarvona Energy Fund II-A, L.P.; Salient Zarvona Energy Fund II-B, L.P.; Chalk II-4 Co-Invest, L.P.; Sustainable Woodlands Fund II, L.P.

This presents a potential conflict of interest in that these individuals have an incentive to favor the clients of these other advisory firms when identifying or allocating investment opportunities for the Adviser. To address this potential conflict, the Adviser regularly reviews the allocations of investment opportunities between affiliated Advisers.

The following investment advisers are under common ownership and share one or more affiliated persons with the Adviser:

Broadmark Asset Management LLC, which provides investment advice to individuals, investment companies, pooled investment vehicles and other institutional clients;

Forward Management, LLC, which provides investment advice to individuals, investment companies and other institutional clients;

Salient Capital Advisors, LLC, which provides investment advice to individuals, pension and profit sharing plans, investment companies, pooled investment vehicles and other institutional clients;

Sustainable Woodlands Partners, LLC, which provides investment advice to pooled investment vehicles;

The Salient Zarvona Energy Fund GP, L.P., which provides investment advice to pooled investment vehicles.

Investors in the Adviser's Clients are Solicited to Invest in Affiliated Partnerships.

Affiliated persons of the Adviser are members of the general partner of various private investment vehicles (as discussed above) and affiliated advisers, which themselves manage other registered investment companies and private pooled investment vehicles. Certain investors in funds managed by the Adviser are solicited to invest (by the affiliated persons) in such other registered investment companies or private pooled investment vehicles, although the Adviser's clients themselves, which are registered investment companies, are not. In such instances, our affiliated advisers and/or affiliated persons of our Adviser may receive additional compensation.

While Salient Advisors, L.P. and these individuals endeavor at all times to put the interest of their clients first as part of our fiduciary duty, clients of such adviser affiliates should be aware that the receipt of additional compensation itself creates a conflict of interest, and may affect the judgment of the adviser affiliate and these individuals when making recommendations. Further, more detailed disclosure of such conflicts of interest is contained in Part 2A of Form ADV of the relevant adviser affiliate of Salient Advisors, L.P.

Item 11 Code of Ethics, Participation or Interest in Client Transactions and Personal Trading

The Adviser has adopted a Code of Ethics (the “Code”) to effectuate the purposes and objectives of Sections 204A and Rule 204A-1 of the Investment Advisers Act of 1940. A copy of our Code of Ethics can be obtained by requesting it from an advisory representative or affiliated person by calling (713) 993-4675.

In summary, the Code sets forth the Adviser’s standards of business conduct reflecting our fiduciary obligations to our clients and specifically requires all employees to comply with the Code and federal (and other applicable) securities laws. In addition, the Code contains the following specific provisions:

- All access persons to report their personal securities transactions (quarterly) and their securities holdings (at least annually) to the Adviser for review;
- All employees to report any violations of the Code to the Adviser;
- The Adviser to provide each employee with a copy of the Code and any amendments; and
- All employees to provide an acknowledgement of their receipt of the Code and any amendments.

We strive to ensure that all employees act in accordance with the Adviser’s internal policies and applicable regulations governing those rendering registered investment advisory services. Employees not in compliance with firm goals in this regard are subject to sanctions, which include possible termination.

The Adviser’s affiliated persons may invest directly with or recommend to other clients of the affiliated persons (which may be investment programs, investment partnerships or separate accounts) that they invest directly with Investment Managers or Investment Funds recommended by the Adviser to the Fund. It is possible that Investment Funds that affiliated persons have invested in or may invest in may have capacity constraints that could limit further investment by the Adviser’s clients.

From time to time supervised persons (employees) of the firm may make personal investments in securities that have been recommended to, and/or are currently held by, our client investment funds. Consistent with our fiduciary duties, Code of Ethics and Insider Trading policies and procedures, all such supervised persons of the firm that acquire knowledge of the Fund’s intended or proposed portfolio investments in securities (“restricted securities”) are strictly prohibited from effecting or engaging in any personal securities trading in such restricted securities. Restricted securities may not be purchased directly or indirectly by supervised persons in an employee account or employee related account (accounts of immediate family members of supervised persons) at any time while restricted.

Persons found to have violated this policy will be subject to disciplinary actions including (but not limited to) warnings, sanctions, regulatory and/or Board reporting and/or possible termination.

Item 12 Brokerage Practices

The Adviser manages the assets of its client Investment Fund per the terms of the Agreements and the investment objectives of the Fund. In this capacity it has the authority to determine the investments made by the Investment Fund, the amount of those investments, and any brokers, dealers and associated commission rates.

Salient Advisors, L.P. requires that advised funds provide us with written authority to determine the broker-dealer to use and the commission costs that will be charged for these transactions.

The Adviser utilizes the services of one or more prime brokers and other brokers for the Salient Tactical Plus Fund.

In effecting securities transactions, the Adviser generally seeks to negotiate with brokers and dealers a combination of the most favorable commission and the best price obtainable on each transaction. Consequently, brokers and dealers are selected primarily on the basis of their execution capability and trading expertise consistent with the effective execution of the transaction. In choosing brokers and dealers, the Adviser may consider a number of other factors, including the nature of the security being traded, the execution, clearance and settlement capabilities of the broker or dealer and its financial stability, and any research services it may provide. Recognizing the differing value of these factors, the Adviser may elect to pay a brokerage commission in excess of that which another broker or dealer might charge for effecting the same transaction. Prior to making such a decision, however, the Adviser will make a good faith determination that such commission is reasonable in relation to the value of the brokerage and research services received, viewed in terms of that particular transaction or in terms of all the accounts over which the Adviser or its affiliates exercise trading discretion. Consistent with requirements of best execution, brokerage commissions may be directed to brokers in recognition of investment research and information furnished as well as for services rendered in the execution of orders by such brokers. By allocating transactions in this manner, the Adviser is able to supplement its research and analysis with the views and information of such brokers.

The Adviser does not currently have any soft-dollar arrangements and does not receive any soft-dollar benefits.

In the history of the Adviser there have been very few investments made for our client investment funds where an affiliated broker-dealer would have been entitled (based upon then existing agreements) to receive fees from the issuer of the security in which the Adviser invested on behalf of its client investment funds. In all such limited situations the affiliated broker-dealer has waived, and will continue to waive (should such situations arise in the future), any fees it would otherwise be entitled to receive.

The Adviser will block trades where possible and when advantageous to clients. This blocking of trades permits the trading of aggregate blocks of securities composed of assets from multiple client accounts, so long as transaction costs are shared equally and on a pro-rated basis between all accounts included in any such block.

Block trading may allow us to execute equity trades in a timelier, more equitable manner, at an average share price. The Adviser will typically aggregate trades among clients whose accounts can be traded at a given broker, and may vary the order of brokers through which it places trades for clients on any particular day. The Adviser, its related persons (including its affiliates), and its affiliates' clients may also participate in an aggregated order. The Adviser's block trading policy and procedures are as follows:

- 1) Transactions for any client account may not be aggregated for execution if the practice is prohibited by or inconsistent with the client's advisory agreement with the Adviser or our firm's order allocation policy.
- 2) The trading desk in concert with the portfolio manager must determine that the purchase or sale of the particular security involved is appropriate for the client and consistent with the client's investment objectives and with any investment guidelines or restrictions applicable to the client's account.
- 3) The portfolio manager must reasonably believe that the order aggregation will benefit, and will enable the Adviser to seek best execution for each client participating in the aggregated order. This requires a good faith judgment at the time the order is placed for the execution. It does not mean that the determination made in advance of the transaction must always prove to have been correct in the light of a "20-20 hindsight" perspective. Best execution includes the duty to seek the best quality of execution, as well as the best net price.
- 4) Prior to entry of an aggregated order, an order ticket must be completed which identifies each client account participating in the order and the proposed allocation of the order, upon completion, to those clients.
- 5) If the order cannot be executed in full at the same price or time, the securities actually purchased or sold by the close of each business day must be allocated in a fair and equitable manner, typically pro rata, among the participating client accounts in accordance with the initial order ticket or other written statement of allocation. However, allocation adjustments may be made to participating client accounts in accordance with the initial order ticket or other written statement of allocation. Furthermore, adjustments to the allocation may be made to avoid having odd amounts of shares held in any client account, or to avoid excessive ticket charges in smaller accounts.
- 6) Generally, each client that participates in the aggregated order must do so at the average price for all separate transactions made to fill the order, and must share in the commissions on a pro rata basis in proportion to the client's participation. Under the client's agreement with the custodian/broker, transaction costs may be based on the number of shares traded for each client.
- 7) If the order will be allocated in a manner other than that stated in the initial statement of allocation, a written explanation of the change must be provided to and approved by the Chief Compliance Officer no later than the morning following the execution of the aggregate trade.

8) The Adviser's client account records separately reflect, for each account in which the aggregated transaction occurred, the securities which are held by, and bought and sold for, that account.

9) Funds and securities for aggregated orders are clearly identified on the Adviser's records and to the broker-dealers or other intermediaries handling the transactions, by the appropriate account numbers for each participating client.

10) No client or account will be favored over another.

Portfolio Manager Crossover Between Adviser and Sub-Advised Funds

In the event that a portfolio manager of the Adviser also serves as a portfolio manager for a sub-advised fund, with respect to crossover strategies that apply to both the advised and sub-advised funds, active management trades will be submitted to the trading desk of the Adviser and sub-adviser simultaneously in order to be fair and equitable.

Item 13 Review of Accounts

The Adviser has an Investment Committee which oversees its operations and investment advisory services. The Investment Committee is comprised of senior management.

The Adviser reviews the investment opportunities, Investment Managers and Investment Funds that it recommends to the Fund on a monthly basis at a minimum. The Investment Committee meets formally on a monthly basis and reviews detailed reports on the asset allocation, performance and other investment characteristics of the Fund's portfolio. The Investment Committee has sole investment decision-making authority.

The Fund's monthly or quarterly investor statements are compiled and delivered to investors by a third-party administrator. In addition, the Adviser may provide individual investors with monthly reports that include a more detailed commentary on the Fund's performance and outlook.

Item 14 Client Referrals and Other Compensation

Subject to a written agreement, both affiliated and non-affiliated persons may receive compensation for referring prospective investors to our investment fund clients. Such agreements will comply with the requirements set out in Rule 206(4)-3 of the Investment Advisers Act of 1940, including (among other things) the requirement that the relationship between the solicitor and the investment adviser be disclosed to the client at the time of the solicitation or referral. Solicitors' fees are a percentage of the annual management fee earned by the Adviser on the individual capital account of referred investors and represent no additional expense to such investor's account.

In any such case, applicable state laws may require these persons to become licensed either as investment adviser representatives of the advisers or as an independent investment adviser.

Item 15 Custody

In respect of the Salient Tactical Plus Fund, because the Fund is a registered investment company, the Fund has engaged a qualified custodian and the Adviser does not have custody of the Fund's assets. The Fund's monthly or quarterly investor statements are compiled and delivered to investors by a third-party administrator.

Item 16 Investment Discretion

Our discretionary authority includes the ability to determine the security to buy or sell and to determine the amount of the security to buy or sell. This authority is contained in each fund's operating agreements, which will also contain any limits on this authority.

Item 17 Voting Client Securities

The Adviser votes proxies for client accounts, where applicable. The Adviser votes proxies in the best interests of clients and in accordance with its established policies and procedures. The Adviser will retain all proxy voting books and records for the requisite period of time, including a copy of each proxy statement received, a record of each vote cast, a copy of any document created that was material to making a decision how to vote proxies, and a copy of each written request for information on how the Adviser voted proxies.

The Adviser has contracted with Glass, Lewis & Co., LLC ("Glass Lewis") to handle the administration and voting of client proxies. The Adviser has directed Glass Lewis to vote all proxies in accordance with Glass Lewis' recommendations. Glass Lewis' proxy analysis is focused on the economic and financial consequences of voting and therefore on improving medium to long-term value and mitigating risk at public companies.

Glass Lewis' approach to enhancing overall corporate value growth through effective proxy voting is to look at each company individually and determine what is in the best interests of the shareholders of each company. In addition to corporate governance, Glass Lewis' research on proxies analyzes accounting, executive compensation, compliance with regulation and law, risks and risk disclosure, litigation, and other matters that reflect the quality of board oversight and company transparency.

Because the Adviser votes proxies in accordance with the recommendations of Glass Lewis, it is not expected that any material conflicts of interests will arise. However, if a material conflict of interest exists in a particular situation, the Adviser will disclose the conflict to the affected clients.

A copy of the Proxy Voting Policies and Procedures and information on the Adviser's actual proxy voting record may be obtained by calling (713) 993-4675.

Item 18 Financial Information

Under no circumstances do we require or solicit payment of fees in excess of \$1200 per client more than six months in advance of services rendered. Therefore, we are not required to

include a financial statement.

As an advisory firm that has discretionary authority and custody, we are also required to disclose any financial condition that is reasonably likely to impair our ability to meet our contractual obligations. Salient Advisors, L.P. has no additional financial circumstances to report.

Salient Advisors, L.P. has not been the subject of a bankruptcy petition at any time during the past ten years.
