Item 4 – Other Business Activities

The sole member of CA, Billy Ray Caldwell is a Registered Rep affiliated with LPL, a securities broker-dealer registered with the Financial Industry Regulatory Authority, Inc. (“FINRA”). In such capacity, Billy Ray Caldwell may receive commissions for investments made by investment advisory clients which are placed through LPL. LPL Financial and CA are not related entities and the securities commission business is separate and apart from the CA's fee-only investment management services. This relationship is disclosed to clients when broker-dealers are recommended and in CA's brochure.

CA does not select broker-dealers for client security transactions. All client securities transactions are executed through a broker-dealer selected by each client. Clients may ask CA to recommend possible broker-dealers. In such cases, Caldwell Advisors will generally recommend LPL Financial. CA recommends broker/dealers and custodians that CA feels will provide services in a manner and at a cost that will allow CA to meet its duty of best execution. However, CA may be limited in the broker/dealer or custodians that it is allowed to use due to CA's registered representative relationship with LPL. LPL may limit or restrict the broker/dealer or custodial platforms for its registered representatives that are also independently licensed due to its duty to supervise the transactions implemented by these individuals.

While CA does recommend broker, dealers or custodians, clients are free to select any broker, dealer or custodian they wish. As previously discussed, however, CA may be limited in the broker, dealers or custodians where client's contracting for asset management services will be allowed to maintain their assets. If a client directs the use of a particular broker, dealer, or custodian, such direction must be provided in writing to CA. When a client directs the use of a particular broker, dealer or other custodian, CA may not be able to obtain the best prices and execution for the transaction. Clients who direct the use of a particular broker, dealer or custodian may receive less favorable prices than would otherwise be the case if clients had not designated a particular broker, dealer, or custodian.

No employee of CA or any related persons have any arrangements, oral or in writing, where they are paid cash or receive some economic benefit including commissions, equipment or non-research services from a non-client in connection with giving advice to clients.

Other Business Activities:

As noted in Item 5 above, the Sole Member of CA is actively engaged in a business other than giving investment advice. The Sole Member of CA is also a Registered Representative of LPL Financial and may earn commissions other transaction related compensation, such as 12b-1 fees, in its capacity as a RR. In addition, the Sole Member is also licensed with the Insurance authorities of several states and may earn commissions from the sale of insurance products to individuals, pension plans or business entities that may also be clients of CA. In the role as a RR, the Sole Member of CA may receive commissions or

other compensation such as 12b-1 fees. However, as outlined previously in Item 5, the Sole Member of CA does not receive commissions, 12b-1 fees or other transaction compensation on accounts for which it receives asset based fees.

Other Financial Industry Activities or Affiliations:

As noted above and in Item 5, CA has arrangements that are material to its advisory business or its clients with a related person who is a registered representative with a broker-dealer.

Item 5 – Additional Compensation

There is no additional compensation.
