Item 4 Advisory Business

Description of Firm

Arcano Capital USA is a registered investment adviser based in New York, NY. We are organized as a company under the laws of the State of Delaware. We are owned by Arcano Capital Advisors, S.L. Alvaro de Remedios is the primary owner of Arcano Capital Advisors, S.L.

The following paragraphs describe our services and fees. Refer to the description of each investment advisory service listed below for information on how we tailor our advisory services to your individual needs. As used in this brochure, the words "we," "our," and "us" refer to Arcano Capital USA and the words "you," "your," and "client" refer to you as either a client or prospective client of our firm.

Arcano Capital USA serves as the investment adviser and provides discretionary investment advisory services to private investment funds (individually, a "**Fund**" and collectively as the "**Funds**"). The detailed terms, strategies and risks applicable to the Funds are described in each Fund's organizational and offering documents regarding the investment of client funds based on the individual needs of the client. Details of the guidelines, parameters and restrictions on investments relating to the Fund clients may be found in the applicable Fund's Private Placement Memorandum.

Such funds are available for investment only by institutional investors and other sophisticated, high-net-worth investors, who meet the eligibility requirements of the applicable fund set forth in its Governing Documents. Each such fund is exempt from registration as an investment company under the U.S. Investment Company Act, as amended (the "Investment Company Act"), under Section 3(c)(1) and/or 3(c)(7) thereof.

Assets Under Management

We are a newly registered investment adviser; therefore, we do not have any discretionary or non-discretionary assets under management.

Item 5 Fees and Compensation

Management Fees

Management fees are charged on a quarterly basis, and calculated according to a Base Fee and a percentage per annum that is determined according to each Share Class of the Fund.

The Base Fee is specified in the legal documentation of the Fund and can be based on the NAV of the Fund, the Commitments from investors, the Equity invested by the Fund or any other indicator. The Base Fee may also be different depending on the period of the Fund (i.e. fund raising period, investment period, etc).

The Fund may incorporate different Share Classes that charge different % of management fees. Investors are allocated to each share classes in accordance with different variables as described in the legal documentation of the Fund, including but not limited to, size of the commitment, timing when the investor formalizes the commitment, etc.

Item 6 Performance-Based Fees and Side-By-Side Management

We do not accept performance-based fees or participate in side-by-side management. Performance-based fees are fees that are based on a share of a capital gains or capital appreciation of a client's account. Side-by-side management refers to the practice of managing accounts that are charged performance-based fees while at the same time managing accounts that are not charged performance-based fees. Our fees are calculated as described in the *Fees and Compensation* section above, and are not charged on the basis of a share of capital gains upon, or capital appreciation of, the funds in your advisory account.

Item 12 Brokerage Practices

We maintain relationships with several broker-dealers. While you are free to choose any broker-dealer or other service provider as your custodian, we recommend that you establish an account with a brokerage firm with which we have an existing relationship. Such relationships may include benefits provided to our firm, including but not limited to market information and administrative services that help our firm manage your account(s). We believe that the recommended broker-dealers provide quality execution services for our clients at competitive prices. Price is not the sole factor we consider in evaluating best execution. We also consider the quality of the brokerage services provided by recommended broker-dealers, including the value of the firm's reputation, execution capabilities, commission rates, and responsiveness to our clients and our firm. In recognition of the value of the services recommended broker-dealers provide, you may pay higher commissions and/or trading costs than those that may be available elsewhere.

Research and Other Soft Dollar Benefits

We do not have any soft dollar arrangements.

Economic Benefits

As a registered investment adviser, we have access to the institutional platform of your account custodian. As such, we will also have access to research products and services from your account custodian and/or other brokerage firm. These products are in addition to any benefits or research we pay for with soft dollars, and may include financial publications, information about particular companies and industries, research software, and other products or services that provide lawful and appropriate assistance to our firm in the performance of our investment decision-making responsibilities. Such research products and services are provided to all investment advisers that utilize the institutional services platforms of these firms, and are not considered to be paid for with soft dollars. However, you should be aware that the commissions charged by a particular broker for a particular transaction or set of transactions may be greater than the amounts another broker who did not provide research services or products might charge.

Brokerage for Client Referrals

We do not receive client referrals from broker-dealers in exchange for cash or other compensation, such as brokerage services or research.

Aggregated Trades

We do not combine multiple orders for shares of the same securities purchased for advisory accounts we manage (the practice of combining multiple orders for shares of the same securities is commonly referred to as "aggregated trading"). Accordingly, you may pay different prices for the same securities transactions than other clients pay. Furthermore, we may not be able to buy and sell the same quantities of securities for you and you may pay higher commissions, fees, and/or transaction costs than other clients.

Item 13 Review of Accounts

We will not provide you with regular written reports. You will receive trade confirmations and monthly or quarterly statements from your account custodian(s).

While reviews of your investment account(s) are not part of the contracted services, at your request we will review your investment account(s). Otherwise, we do not review or monitor your investment account(s) or review statements you receive from any third-party money manager or account custodian. At your request, we may meet with you and/or your other professionals to discuss asset allocation, but we will not make recommendations regarding specific investments or provide any regular written reports to you. At our sole discretion, reviews and meetings may be subject to our then current hourly rate.

Item 14 Client Referrals and Other Compensation

We do not receive any compensation from any third party in connection with providing investment advice to you nor do we compensate any individual or firm for client referrals.
