## ***Other Business Activities***

Ms. Kurtz and Mr. Arrington are licensed as registered representatives of Leigh Baldwin & Co., a FINRA Broker/Dealer. As such, in their separate capacity as a registered representative, will be able to effect securities transactions for your account, for which they will receive separate and customary compensation. While they endeavor at all times to put the interest of our clients first as part of our firm's fiduciary duty, clients should be aware that the receipt of additional compensation itself creates a conflict of interest and may affect their judgment when making recommendations. This activity accounts for approximately 20% of Ms. Kurtz's time, and 5% of Mr. Arrington's time.

Ms. Kurtz, in her individual capacity, is also a licensed insurance agent with various insurance companies, and in such capacity, may recommend, on a fully-disclosed commission basis, the purchase of certain insurance products. While the Firm does not sell such insurance products to its investment advisory clients, the Firm does permit its Advisory Affiliates, in their individual capacities as licensed insurance agents, to sell insurance products to its investment advisory clients. A conflict of interest exists to the extent that the Firm recommends the purchase of insurance products where the Firm's Advisory Affiliates receive insurance commissions or other additional compensation.

Additionally, Mr. Van Buren is the owner of JVB Consulting, LLC and co-owner and treasurer of Van Buren & Kohlhepp, Ltd., which are non-investment related businesses. JVB Consulting, LLC is a general consulting firm for retirement plans.

Additionally, Mr. Arrington is the co-owner, with his spouse, of Yella Hammer, LLC, a Rental Real Estate firm. This is a non-investment related business, and Mr. Arrington devotes about 3 hours/week during non-market hours.
