ITEM 4 – OTHER BUSINESS ACTIVITIES

Mr. Saint Amour is an independent insurance agent (life and health). Mr. Saint Amour may recommend these services to clients. This other business activity pays Mr. Saint Amour commissions that are separate from the fees described in the firm's ADV Part 2A. This is a conflict of interest because the commissions give Mr. Saint Amour a financial incentive to recommend and sell clients the insurance products. However, Mr. Saint Amour attempts to mitigate any conflicts of interest to the best of his ability by placing the client's interests ahead of his own, through his fiduciary duty and by informing clients that they are never obligated to purchase recommended insurance through him. Additionally, Mr. Saint Amour uses the services of a third-party brokerage to obtain multiple price quotes in a proactive effort to obtain price reductions for each client. Additionally, he informs clients that they always have the right to choose whether to act on the recommendation and that the clients have the right to purchase recommended insurance products through any licensed independent insurance agent.
