DEFINITIONS and CRITERIA for DESIGNATIONS

Certified Financial Planner (CFP®)

An experienced financial planner who has completed courses of study and passed examinations in areas such as insurance, securities, estate planning and taxes. Additionally, CFP's are required to disclose ethical standing and comply with the CFP Board Code of Ethics. The designation is awarded by the Certified Financial Planner Board of Standards.

Registered Investment Adviser (RIA)

An entity that, for compensation, engages in the business of advising others as to the value of securities or the advisability of purchasing or selling securities. Investment advisory practices are required to register with the Securities and Exchange Commission.

Master of Business Administration (MBA)

The Master of Business Administration is a professional graduate degree that concentrates on the analytical tools of business and the functional areas of accounting, economics, finance, organizational environments, marketing, management, and communications.

Bachelor of Science (B.S. in Business Administration)

The Bachelor of Science in business is a professional undergraduate degree that concentrates on the analytical tools of business and the functional areas of accounting, economics, finance, organizational environments, marketing, management, and communications.

Chartered Financial Consultant (ChFC®)

The Chartered Financial Consultant is a professional degree that enables the holder to be a more capable financial planner, prepared to succeed in serving a more diverse client base. It emphasizes the essentials of financial planning, including insurance, income taxation, retirement planning, investments and estate planning. The degree addresses areas such as behavioral finance, financial planning for families with special needs dependents, small business planning, financial planning for clients in the LGBT community, financial planning for divorce, and more.

Chartered Life Underwriter (CLU®)

The Chartered Life Underwriter is a professional degree that concentrates on servicing the diverse needs of individual and business clients through in-depth insurance knowledge. Holders of the designation have the expertise to provide guidance to clients on types and amounts of life insurance, make recommendations on aspects of risk management, and expert knowledge of various insurance solutions. A CLU® designee understands the legal aspects of life insurance, and assists clients in making decisions about estate planning, including various wills and trust arrangements.

Certified Exit Planner (CEP™)

The Certified Exit Planner is a professional degree that qualifies the holder to provide comprehensive, professionally executed exit planning services to the business owning community. A Certified Exit Planner counsel business owners and their advisors on a wide array of business issues ranging from building value within a business to identifying exit objectives, addressing key employee incentive planning and retention issues, incorporating business continuity planning, and establishing wealth preservation.

Certification for Long Term Care (CLTC®)

The Certification for Long Term Care is a professional designation that focuses on the discipline of extended care planning. Holders of the designation possess the critical tools necessary to discuss the subject of longevity and its consequences on their client's family and finances. They are trained in how to mitigate these consequences by developing a plan to protect their clients and their families. Extended care is a field of study similar to those of insurance, financial services, law and accounting. The field focuses on the severe consequences of providing care over an extended period of time.
