Mr. Stephen Marek has no required disclosures under this item.

Item 4 Other Business Activities

Stephen Marek is a Registered Representative with Joseph Gunnar & Co., LLC. Joseph Gunnar & Co., LLC is a diversified financial services company engaged in the sale of specialized investment products. In this capacity, Mr. Marek may recommend securities or insurance products as part of your investment portfolio. If you purchase these products through Mr. Marek, he will receive the customary commissions in his separate capacity as a Registered Representative of Joseph Gunnar & Co., LLC.

As stated above, persons providing investment advice to advisory clients on behalf of our firm are registered representatives with Joseph Gunnar & Co., LLC. In their capacity as registered representatives, these persons receive compensation in connection with the purchase and sale of securities or other investment products, including asset-based sales charges, service fees or 12b-1 fees for the sale or holding mutual funds. Compensation earned by these persons in their capacities as registered representatives is separate and in addition to our advisory fees. This practice presents a conflict of interest because persons providing investment advice to advisory clients on behalf of our firm who are registered representatives have an incentive to recommend investment products based on the compensation received rather than solely based on your needs. Persons providing investment advice to advisory clients on behalf of our firm can select or recommend, and in many instances will select or recommend, mutual fund investments in share classes that pay 12b-1 fees when clients are eligible to purchase share classes of the same funds that do not pay such fees and are less expensive. This presents a conflict of interest. You are under no obligation, contractually or otherwise, to purchase securities products through a person affiliated with our firm.

Stephen Marek is separately licensed as an independent insurance agent. In this capacity, he can effect transactions in insurance products for his clients and earn commissions for these activities. The fees you pay our firm for advisory services are separate and distinct from the commissions earned by Mr. Marek for insurance related activities. This presents a conflict of interest because Mr. Marek may have an incentive to recommend insurance products to you for the purpose of generating commissions rather than solely based on your needs. However, you are under no obligation, contractually or otherwise, to purchase insurance products through any person affiliated with our firm.

Mr. Marek is the owner of Rhino Corp, a pass through entity for the expenses associated with the branch. This is a non-investment related entity, therefore, it does not create a conflict of interest for clients of Joseph Gunnar and Co., LLC.

Mr. Marek is also a member of Buttonwood Select Opportunities Management Associates LLC and Buttonwood H1 Management Associates LLC, a Joseph Gunnar & Co., LLC affiliated Buttonwood fund. Mr. Marek's duties as member of Buttonwood Select Opportunities Management Associates LLC and Buttonwood H1 Management Associates LLC do not create a conflict of interest to his provision of advisory services through Joseph Gunnar & Co., LLC as the fund is not recommended to any investment advisory clients.

Item 5 Additional Compensation

Refer to the *Other Business Activities* section above for disclosures on Mr. Marek's receipt of additional compensation as a result of his other business activities.

Also, refer to the *Fees and Compensation, Client Referrals and Other Compensation, and Other Financial Industry Activities and Affiliations* section(s) of Joseph Gunnar & Co., LLC's firm brochure for additional disclosures on this topic.

Mr. Marek does not receive economic benefits (sales awards and other prizes) from someone who is not a client.

Item 6 Supervision

In the supervision of our associated persons, advice provided is limited based on the restrictions set by Joseph Gunnar & Co., LLC, and by internal decisions as to the types of investments that may be included in client portfolios. We conduct periodic reviews of client holdings and documented suitability information to provide reasonable assurance that the advice provided remains aligned with each client's stated investment objectives and with our internal guidelines.
