## Item 4 – Other Business Activities

Ilya Falkovich is a registered representative of Eagles Coast Capital LLC. Ilya Falkovich may recommend securities products that will pay him/her a commission through their broker-dealer relationship. When such recommendations or sales are made, a conflict of interest exists as Ilya Falkovich may receive more commissions from the sale of these products than from providing you with advisory services. Ilya Falkovich spends approximately 50 % per month in this role. We require that all IARs disclose this conflict of interest when such recommendations are made. We also require IARs to disclose to clients that they may purchase recommended products from other representatives not affiliated with us. Our Code of Ethics requires our IARs do what is in the client's best interests at all times. Our CCO monitors all transactions to ensure that representatives put their clients first, not the commission they may receive. The broker-dealer also monitors all transaction to make certain they are suitable for the client.
