Item 3: Disciplinary Information

There are no legal or disciplinary events that are material to a client's or prospective client's evaluation of this advisory business.

Item 4: Other Business Activities

Brannigan James is a licensed insurance agent. This activity creates a conflict of interest since there is an incentive to recommend insurance products based on commissions or other benefits

received from the insurance company, rather than on the client's needs. Additionally, the offer and sale of insurance products by supervised persons of Decisional Wealth Advisors LLC are not made in their capacity as a fiduciary, and products are limited to only those offered by certain insurance providers. Decisional Wealth Advisors LLC addresses this conflict of interest by requiring its supervised persons to act in the best interest of the client at all times, including when acting as an insurance agent. Decisional Wealth Advisors LLC periodically reviews recommendations by its supervised persons to assess whether they are based on an objective evaluation of each client's risk profile and investment objectives rather than on the receipt of any commissions or other benefits. Decisional Wealth Advisors LLC will disclose in advance how it or its supervised persons are compensated and will disclose conflicts of interest involving any advice or service provided. At no time will there be tying between business practices and/or services (a condition where a client or prospective client would be required to accept one product or service conditioned upon the selection of a second, distinctive tied product or service). No client is ever under any obligation to purchase any insurance product. Insurance products recommended by Decisional Wealth Advisors LLC's supervised persons may also be available from other providers on more favorable terms, and clients can purchase insurance products recommended through other unaffiliated insurance agencies.

Item 5: Additional Compensation

Brannigan James Judge does not receive any economic benefit from any person, company, or organization, other than Decisional Wealth Advisors LLC in exchange for providing clients advisory services through Decisional Wealth Advisors LLC.
