SECURITIES EXCHANGE ACT OF 1934
Release No. 57245 / January 31, 2008

Administrative Proceeding File No. 3-12945

In the Matter of Aimsi Technologies, Inc., formerly known as Advanced Integrated Management Services, Inc.,

The U.S. Securities and Exchange Commission today instituted public administrative proceedings against Aimsi Technologies, Inc. (“Aimsi”) to determine whether the registration of each class of its securities should be revoked or suspended for a period not exceeding twelve months for failure to file required periodic reports.

In this Order, the Division of Enforcement (Division) alleges that Aimsi is delinquent in its required periodic filings with the Commission. In this proceeding, instituted pursuant to Securities Exchange Act of 1934 (Exchange Act) Section 12(j), a hearing will be scheduled before an Administrative Law Judge. At the hearing, the judge will hear evidence from the Division and the respondent to determine whether the allegations of the Division contained in the Order, which the Division alleges constitute failures to comply with Exchange Act Section 13(a) and Rules 13a-1 and 13a-13 thereunder, are true. The judge in the proceeding will then determine whether the registration pursuant to Exchange Act Section 12 of the securities of this respondent should be revoked or suspended for a period not exceeding twelve months. The Commission ordered that the Administrative Law Judge in these proceedings issue an initial decision not later than 120 days from the date of service of the order instituting proceedings.
