On September 8, 2008, the registration of the registered securities of Birman Managed Care, Inc. (n/k/a Alcar Chemical Group, Inc.) (Birman Managed Care), was revoked by default. Birman Managed Care, Inc., Exchange Act Release No. 58471 (A.L.J. Sept. 8, 2008) (Default Order). The Default Order was based on Birman Managed Care's failure to file an Answer within ten days of the August 25, 2008, service of the Securities and Exchange Commission's (Commission) August 20, 2008, Order Instituting Proceedings (OIP) in this matter<sup>1</sup> or otherwise to defend the proceeding within the meaning of 17 C.F.R. § 155(a)(2). As the Default Order found, Birman Managed Care is delinquent in its periodic filings with the Commission, having not filed any periodic reports since it filed a Form 10-QSB for the period ended March 31, 2000.

On September 11, 2008, Birman Managed Care filed a motion to set aside the default and its Answer. Birman Managed Care's filing complies with the requirements of 17 C.F.R. § 201.155(b), and, accordingly, the default will be set aside.

"A motion to set aside a default shall be made within a reasonable time, state the reasons for the failure to appear or defend, and specify the nature of the proposed defense in the proceeding." 17 C.F.R. § 201.155(b). Birman Managed Care's motion was "made within a reasonable time." It states its mistaken belief that the Answer was due within twenty days of service of the OIP, rather than ten days, as specified in the OIP, as "the reasons for the failure to appear or defend."

<sup>1</sup> Birman Managed Care was served with the OIP by USPS Express Mail attempted delivery at "the most recent address shown on [its] most recent filing with the Commission." 17 C.F.R. § 201.141(a)(2)(ii).

Concerning the nature of the proposed defense, Birman Managed Care states that it was bankrupt between 2001 and 2005 and not able to create financial statements and receive audits. Thereafter, unauthorized persons hijacked the company, changed its name, and obtained new CUSIP numbers and ticker symbols. Birman Managed Care states that it is in the process of pursuing the unauthorized corporate hijackers.

A prehearing conference will be held by telephone September 30, 2008, at 2:00 p.m. EDT. The parties should be prepared to discuss resolution of this proceeding by summary disposition, pursuant to 17 C.F.R. § 201.250, as well as establishment of a hearing date, if necessary.

IT IS SO ORDERED.
