## I.

On March 19, 2013, the Securities and Exchange Commission (“Commission”) instituted public administrative and cease-and-desist proceedings pursuant to Section 8A of the Securities Act of 1933 (“Securities Act”), Section 21C of the Securities Exchange Act of 1934 (“Exchange Act”), Sections 203(f) and 203(k) of the Investment Advisers Act of 1940 (“Advisers Act”), and Section 9(b) of the Investment Company Act of 1940 (“Investment Company Act”) against, among others, Craig Berkman, d/b/a Ventures Trust LLC (“Berkman” or “Respondent”), Face Off Acquisitions, LLC (“Face Off Acquisitions”), Face Off Management, LLC, a/k/a Face Off Acquisitions Management, LLC (“Face Off Management”), Ventures Trust II LLC (“Ventures II”), Ventures Trust III LLC (“Ventures III”), Ventures Trust IV LLC (“Ventures IV”), Ventures Trust V LLC (“Ventures V”), Ventures Trust VI LLC (“Ventures VI”), Ventures Trust Asset Fund LLC (“Ventures Asset Fund”), Ventures Trust Management LLC, Ventures Trust Asset Management, LLC a/k/a Ventures Trust II Asset Management, LLC (Ventures Trust Management LLC and Ventures Trust Asset Management, LLC are collectively referred to hereinafter as “Ventures Trust Management”), Assensus Capital, LLC (“Assensus Capital”), Assensus Capital Management, LLC (“Assensus Management”).

## II.

In response to the institution of these proceedings, Respondent has submitted an Offer of Settlement (the “Offer”) which the Commission has determined to accept. Solely for the purpose of these proceedings and any other proceedings brought by or on behalf of the Commission, or to which the Commission is a party, Respondent consent to the Commission’s jurisdiction over him and the subject matter of these proceedings and to the entry of this Order Making Findings and Imposing Remedial Sanctions and a Cease-and-Desist Order Pursuant to Section 8A of the Securities Act of 1933, Section 21C of the Securities Exchange Act of 1934, Sections 203(f) and 203(k) of the Investment Advisers Act of 1940, and Section 9(b) of the Investment Company Act of 1940 as to Craig Berkman, d/b/a Ventures Trust LLC (“Order”), as set forth below:

## III.

On the basis of this Order and Respondent’s Offer, the Commission finds<sup>1</sup> that:

### SUMMARY

1. From approximately October 2010 through September 2012, Berkman fraudulently raised at least \$13.2 million from approximately 120 investors by selling membership interests in

---

<sup>1</sup> The findings herein are made pursuant to Respondent’s Offer of Settlement and is not binding on any other person or entity in this or any other proceeding.

limited liability companies (“LLCs”) that Berkman controlled, including Face Off Acquisitions, Assensus Capital and several LLCs with the words “Ventures Trust” in their names.

2. Berkman made material misrepresentations he knew were false to investors in three different sets of offerings. In one set of offerings, Berkman told investors in Ventures II, III, IV, V, and VI (collectively, the “Ventures LLCs”) that their funds would be used to acquire highly coveted, pre-initial public offering (“pre-IPO”) shares of Facebook, Inc., LinkedIn, Inc., Groupon, Inc., and Zynga Inc. In another offering, Berkman told investors in Face Off Acquisitions that their money would be used either to purchase pre-IPO shares of Facebook or to acquire a company that held pre-IPO Facebook shares. In a third offering, Berkman told investors in Assensus Capital that he would use their money to fund various new, large-scale, technology ventures.

3. Instead of using the investor funds to acquire pre-IPO shares or fund technology ventures, Berkman misappropriated most of the offering proceeds. Berkman used most of the money to make payments to investors in his earlier investment schemes and to some of the victims of this fraud in Ponzi scheme fashion, including approximately \$5.43 million to satisfy a prior judgment against him and another \$4.8 million to investors who had invested either in this pre-IPO scheme or in other schemes. Berkman also used approximately \$1.6 million to fund his own personal expenses, including large cash withdrawals and dining and travel expenses.

4. Of the \$13.2 million raised, Berkman used \$600,000 to purchase a small interest in an unrelated fund that had acquired pre-IPO Facebook stock. That purchase did not provide any of the Ventures LLCs, or any other company affiliated with Berkman, with ownership of Facebook shares. Berkman and/or one of his associates nevertheless used a forged letter about that investment to falsely represent to investors that Ventures II owned nearly half a million shares of Facebook stock. Upon discovering the forgery, the fund informed Berkman that it was immediately terminating and liquidating the Ventures II interest, leaving Ventures II without even an indirect interest in Facebook shares.

### **SETTLING RESPONDENT**

5. **Berkman**, age 72, is currently incarcerated in the Metropolitan Detention Center in Brooklyn, New York. At all relevant times, Berkman controlled each of the Respondent entities.. Berkman has pleaded guilty to criminal conduct relating to the findings in this Order. Specifically, in *United States v. Craig L. Berkman*, Crim. No. 13-CR-00732 (SAS) (S.D.N.Y.) (“Parallel Criminal Action”), Berkman pleaded guilty to violations of Section 10(b) of the Exchange Act [15 U.S.C. §78j(b)], and wire fraud [18 U.S.C. §1343]. In connection with that guilty plea, Berkman admitted, among other things, that:

- (a) From around October 2010 through March 2013, he controlled a series of limited liability companies that solicited money from investors. He told investors that their investments would be used to purchase pre-IPO shares of companies, such as Facebook, LinkedIn, Zynga and others, and they were expected to go public soon;

- (b) In the course of soliciting investments, he made false statements of material fact. For example, he knowingly over-represented the number of Facebook shares his companies controlled; and
- (c) He engaged in further fraud and deceit. He used the money invested with his companies for purposes other than purchasing pre-IPO shares of companies, as he had promised investors. For example, he used close to \$6 million to pay creditors in a bankruptcy proceeding.

In connection with his guilty plea in the Parallel Criminal Action, Berkman also agreed (i) to forfeit to the United States the amount of \$13,239,006; (ii) to pay restitution in the amount of \$8,435,888; and (iii) a stipulated sentencing guideline range of 97 to 121 months imprisonment and an applicable criminal fine range of up to \$5 million.

6. During the time of the events described herein, Berkman acted as an investment adviser and was associated with multiple investment advisers, including Face Off Management, Ventures Trust Management, Ventures Trust Asset Management and Assensus Management.

## **FACTUAL BACKGROUND**

### **Berkman's Prior Securities Violations and Bankruptcy**

23. In 2001, the Oregon Division of Finance and Securities issued a cease-and-desist order against Berkman for offering and selling convertible promissory notes without a brokerage license to Oregon residents between 1983 and 1997. Berkman received a \$50,000 fine.

24. In June 2008, an Oregon jury found Berkman liable in a private action for breach of fiduciary duty, conversion of investor funds, and misrepresentation to investors, among other things, arising from Berkman's involvement with a series of purported venture capital funds known as Synectic Ventures (collectively "Synectic"). Berkman's improper use of Synectic funds included more than \$5 million in purported "personal loans" and the misuse of investor funds to cover personal expenses and execute personal stock purchases. The court entered a \$28 million judgment against Berkman ("2008 Oregon Judgment").

25. In March 2009, Synectic filed an involuntary Chapter 7 bankruptcy petition against Berkman in the Middle District of Florida alleging that he owed more than \$15.4 million in unpaid debts arising from the 2008 Oregon Judgment. On August 11, 2010, the court entered three judgments against Berkman totaling nearly \$15 million, plus 9% interest and costs, deemed non-dischargeable in bankruptcy.

26. The parties to the bankruptcy proceeding then reached a settlement in which Berkman was required to pay \$4.75 million in seven installments, beginning on November 30, 2010. After making the first four payments, totaling \$1.5 million, Berkman failed to make the fifth payment, due on March 17, 2011. He defaulted on several subsequent revised payment schedules, which also included 5% annual interest. The Chapter 7 Trustee recommenced adversary proceedings, leading to a further revised settlement agreement with a final payment date of May 11, 2012. On May 9, 2012, Berkman paid the remaining balance of more than \$3.2 million and the pending adversary proceedings against him were dismissed with prejudice.

27. As detailed below, Berkman used a substantial part of the proceeds of his pre-IPO offering fraud (and none of his own money) to pay the Florida bankruptcy claims.

### **The Ventures Fraud**

28. From approximately October 2010 through February 2012, Berkman and the Manager made numerous misrepresentations to Ventures LLC investors when offering and selling membership interests in the various Ventures LLCs, both orally and in writing, including in the formal offering documents.

29. Berkman and the Manager falsely told investors that each of the Ventures LLCs would use their funds to acquire highly coveted, pre-IPO shares in one or more social media companies that were planning IPOs at the time, including Facebook, LinkedIn, Groupon or Zynga. For example, Berkman and the Manager falsely told certain investors that Ventures II was going to

purchase pre-IPO Facebook shares and falsely told other investors that Ventures II had already purchased such shares.

30. Berkman and the Manager sent prospective investors offering documents that contained a host of materially false statements.

31. Berkman and the Manager provided investors with at least three different versions of a private placement memorandum (“Memorandum”) for Ventures II and other formal offering materials, all of which contained false statements about acquiring Facebook shares. For example, Berkman provided a February 2012 Ventures II Memorandum to at least one potential investor, and the Manager provided Memoranda dated November 2010 and September 2011 to other investors. These Memoranda all represent that “investment proceeds will be used to purchase Facebook shares” and that “Facebook shares will be purchased” at various prices per share.

32. Berkman and the Manager also provided investors with the Ventures II operating agreement, which states that “the purpose of the Company is to acquire Facebook stock.” Both Berkman and the Manager signed Ventures LLC membership certificates falsely stating that the investor is a “registered holder of one unit invested in Facebook.” The Manager provided these certificates to investors.

33. Berkman signed letters to Ventures II investors acknowledging receipt of their investment proceeds and falsely stating, among other things, that the “investment was used to purchase . . . shares of Facebook stock at a cost basis of [a certain amount] per share.” In addition, Berkman signed Ventures II “Quarterly Reports” and a “Letter of Ownership,” which the Manager provided to investors, falsely stating that their Ventures II investment purchased a specific number of shares of pre-IPO Facebook shares at a specific price. The Manager further provided investors with a Ventures II “Facebook Opportunity Fund Overview,” which falsely stated that their “investment is solely allocated to the purchase of Facebook stock.”

34. Berkman also lied to Ventures II investors about the annual interest rate they would receive. The Ventures II Memoranda and other documents represented that members “will receive a 5% annual simple interest return on the investment until 100% of their principal and accumulated interest has been returned.” Berkman signed a quarterly report falsely stating that the value of the investment had increased, apparently due to the 5% annual interest. Berkman had the Manager give the quarterly report to Ventures II investors.

35. Berkman knew all of these statements were false, because he knew that none of the Ventures LLCs owned pre-IPO Facebook, LinkedIn, Groupon or Zynga shares and because he was personally misappropriating the investors’ funds.

36. In late 2010, Ventures II used \$600,000 of investor funds to acquire an interest in the Actual Facebook Funds. This acquisition did not entitle Ventures II to the ownership of Facebook shares owned by the Actual Facebook Funds, but it did entitle Ventures II to an approximately 3.19% interest in the Actual Facebook Funds. At most, Ventures II’s \$600,000

interest in the Actual Facebook Funds represented an indirect interest equivalent to approximately 22,253 shares of Facebook.

37. In September 2011, Kern asked the Law Firm, counsel to the Actual Facebook Funds, for a letter on the firm's letterhead describing Ventures II's interest in the Actual Facebook Funds and Facebook. In response, an associate at the Law Firm sent a letter with his signature to a purported Ventures II office in Manhattan at an address Kern provided. The letter, dated October 19, 2011, was addressed to Berkman and the Manager. The letter accurately stated that Ventures II held a 3.1899% interest in the Actual Facebook Funds and that the Actual Facebook Funds held an unspecified amount of Facebook shares. The letter did not state that Ventures II actually owned any Facebook shares.

38. The letter was subsequently altered with Berkman's participation, knowledge and consent. The altered version was dated February 22, 2012. It was printed on the Law Firm's letterhead and had a forged version of the Law Firm associate's signature on it. The letter falsely represented that the Actual Facebook Funds "ha[ve] allocated 497,625 shares of Facebook, Inc. in Ventures Trust II LLC[s] capital account."

39. In or prior to February 2012, a prospective investor, who happened to be a securities attorney, asked the Manager for some assurance that Ventures II had acquired the pre-IPO Facebook shares that the Manager had claimed it acquired. In approximately February 2012, the Manager showed the forged letter to the investor, who then invested \$108,000 in Ventures II. The Manager refused to let the investor retain a copy of the letter.

40. On February 27, 2012, the Manager sent an email to another prospective investor with a copy of the forged letter attached.

41. On March 1, 2012, the Law Firm wrote a letter addressed to Berkman and the Manager. The letter enclosed a copy of the forged letter and stated that the forged letter "constitutes a fraudulent misrepresentation of your participation and interest in" the Actual Facebook Funds, "since your investment represents only 22,253 shares of Facebook, Inc. stock." The letter continued: "[The forged letter] was not drafted, executed or distributed by this law firm, is an unlawful and unauthorized use of this law firm's name and letterhead and contains a forged signature of an attorney at this law firm." The letter further informed Berkman and the Manager that "[y]our misconduct is consistent with a general pattern of deceit" and therefore that Ventures II's interest in the Actual Facebook Funds "is hereby terminated effective as of the dates of your initial investments."

42. On March 9, 2012, Kern, "as counsel to Ventures [II]," wrote back to the Law Firm. Kern's letter claimed that Ventures II "is the victim of some other party's fabrication of the letter" and "we do not know the source of that letter." Kern's letter took issue with the termination of "important legal and economic rights of Ventures [II]" and threatened to file a NASD complaint.

43. On approximately March 12, 2012, a partner at the Law Firm informed Kern by telephone that Ventures II's \$600,000 interest in the Actual Facebook Funds had been rescinded and that the proceeds would be held in a segregated account to satisfy potential future claims. In other words, Ventures II no longer held even an indirect interest in Facebook shares.

44. Despite Kern's threats of legal action, neither Kern nor anyone else associated with Ventures II took legal action against the Actual Facebook Funds. The Actual Facebook Funds transferred Ventures II's interest to another investor and placed the cash proceeds in a segregated account.

45. In total, Berkman and the Manager raised more than \$9.9 million from all the Ventures LLC investors. Of that amount, approximately \$6.56 million was deposited in various Ventures II bank accounts, purportedly to be used to acquire pre-IPO Facebook shares; approximately \$1.68 million was deposited in a Ventures III account, purportedly to be used to acquire pre-IPO LinkedIn shares; approximately \$624,000 was deposited in a Ventures IV account, purportedly to be used to acquire pre-IPO Groupon shares; and approximately \$1.07 million was deposited in a Ventures VI account, purportedly to be used to acquire pre-IPO Zynga shares.

46. Other than \$600,000 that was used to purchase an interest in the Actual Facebook Funds that was subsequently terminated, none of the Ventures LLCs' investor funds were ever used to purchase pre-IPO shares of Facebook, LinkedIn, Groupon, Zynga, or any other company, as Berkman knew.

### **The Face Off Acquisition Fraud**

47. From approximately 2011 through July 2012, while he was conducting the Ventures fraud, Berkman fraudulently raised approximately \$2.6 million by selling membership interests in Face Off Acquisitions.

48. Actual Facebook Fund 2 owned a significant amount of pre-IPO Facebook shares.

49. Berkman told prospective investors over the telephone and in face-to-face meetings that Face Off Acquisitions would use its investor funds to acquire Actual Facebook Fund 2 or would otherwise acquire pre-IPO Facebook shares.

50. Berkman's effort to acquire Actual Facebook Fund 2 was perfunctory, at best. Berkman approached Actual Facebook Fund 2 about a proposal to purchase it, and Actual Facebook Fund 2's manager told Berkman in approximately April 2011 that it would cost at least \$28 million. Because Berkman and his entities never had the money, a deal was never likely or imminent, yet Berkman falsely portrayed the Actual Facebook Fund 2 deal as imminent to prospective investors.

51. Yet Berkman and Kern falsely portrayed the Actual Facebook Fund 2 deal as imminent to prospective investors.

52. In a letter dated April 14, 2012, Kern sent Berkman a letter that described the status of negotiations between Face Off Acquisitions and Actual Facebook Fund 2 and falsely implied that Face Off Acquisitions' purchase of Actual Facebook Fund 2 was likely and imminent. Kern captioned his letter "Memorandum of Understanding for Investors in Face Off Acquisitions, LLC to acquire [Actual Facebook Fund 2] (1,012,500 shares of Facebook)." Kern's letter stated:

- "I am writing to confirm that yesterday afternoon I spoke with . . . legal counsel for [Actual Facebook Fund 2]. . . and the Company's Managing Director . . . about the prospect for a timely acquisition of the Company by Face Off Acquisitions;"
- "The purpose of this letter is to provide direction for completing [Face Off Acquisitions'] purchase of [Actual Facebook Fund 2]."
- "[Counsel for [Actual Facebook Fund 2] confirms that under the right set of circumstances, [Actual Facebook Fund 2] is willing to enter into a transaction in the coming few days with Face Off Acquisitions."
- "[T]he sole assets of [Actual Facebook Fund 2] are 1,012,500 shares of Class B Common shares of Facebook, Inc."
- "With proof of funds, a summary Term Sheet will be prepared and we will immediately set upon organizing a 'Securities Transaction Agreement' for the purchase and sale of the ownership interests of [Actual Facebook Fund 2]. Because the Facebook IPO is expected to be effective in early May[,] the [Actual Facebook Fund 2] purchase must occur on or before April 24, 2012."

53. Berkman knew the letter was misleading. The seemingly urgent negotiations were a charade, because Berkman knew Face Off Acquisitions could not possibly pay \$28 million (or any amount even close to \$28 million) to purchase Actual Facebook Fund 2.

54. In approximately April 2012, Berkman provided Kern's letter to at least one prospective investor.

55. Berkman also provided at least one other Face Off Acquisitions investor with an Actual Facebook Fund 2 Memorandum and Actual Facebook Fund 2's due diligence materials to lend the purported acquisition the appearance of legitimacy.

56. In an email on May 15, 2012, Berkman told another Face Off Acquisitions investor that Berkman was "[i]n NY for the closing. We have agreed on a \$35.00 per [s]hare price. Will check in with you when the deal is done." In fact, as Berkman knew, there was no closing, no agreement on a share price, and no money to close any such deal.

57. Berkman also provided prospective investors with Face Off Acquisitions Memoranda and other formal offering materials that contained false statements regarding the use of investor funds to purchase pre-IPO Facebook shares or to purchase Actual Facebook Fund 2.

58. Berkman sent at least one investor an April 2012 Face Off Acquisitions Memorandum stating that “Face Off Acquisitions is focused on generating above average financial returns by purchasing up to 1,012,500 pre IPO Facebook common shares, and significant preferred shareholder interest in five proprietary medical technology, capacitor, and water treatment companies.”

59. Berkman sent at least one other investor a May 2012 Face Off Acquisitions Memorandum stating that “investment proceeds will be used solely to acquire up to 1,012,500 pre IPO Facebook shares at a \$35.00 per share cost basis,” and described the “use of proceeds [as] one hundred percent invested in pre Facebook IPO stock.”

60. In addition to the Memoranda, Berkman provided investors with other documents that contained similar misrepresentations, including:

- A Face Off Acquisitions operating agreement, which claimed that Face Off Acquisitions “has been formed to acquire, hold and/or dispose of all the issued and outstanding limited liability interests in [Actual Facebook Fund 2];”
- A Face Off Acquisitions memorandum dated April 11, 2012, which thanks the investor for his “willingness to review the Face Off Acquisitions investment opportunity to acquire 1,012,500 series B common pre IPO Facebook shares;” and
- A letter dated May 8, 2012, in which Berkman acknowledges receipt of a \$250,000 investment and tells the investor that it was “for the purpose of purchasing seven thousand one hundred forty two Facebook Series B common Rule 144 shares at a cost basis of \$35.00 per share.”

61. Berkman knew that each of the foregoing statements in the offering documents was false and misleading, because he intended to and did misappropriate all the funds invested in Face Off Acquisitions.

### **The Assensus Capital Fraud**

62. After Facebook’s IPO on May 18, 2012, Berkman shifted gears and began focusing on another phony investment vehicle called Assensus Capital. Berkman made similar misrepresentations to prospective investors in Assensus Capital: The investors’ money would be invested in some new cutting edge venture, when Berkman was in fact misappropriating the offering proceeds.

63. Berkman sent one investor a June 2012 Assensus Capital Memorandum that stated: “Investment proceeds will be used to acquire significant equity interest in unique enterprises that serve large and growing markets, with superior profit margins [through] investing in state-of-the-art medical devise, infrastructure (water), distressed debt, and advanced nanotechnology materials companies.”

64. Berkman also wrote memoranda to prospective Assensus Capital investors that named specific companies in which Assensus Capital would invest and extended an investment “guaranty” purportedly backed up by cash or shares from one of its “portfolio” companies, including Facebook.

65. One such memorandum to a prospective investor, dated August 27, 2012, stated: “Upon making [an] Assensus Capital LLC investment, you will receive a 5% simple interest from the date of your investment, which will be returned together with your principal investment [in cash] or the equivalent in Facebook shares.” That investor later invested approximately \$150,000.

66. Afterwards, Berkman tried to solicit another investment from the same investor by again offering a “guaranty” linked to Facebook stock, this time making the following representations about the nature and basis for the guaranty:

- “Assensus Capital LLC and Face Off Acquisitions LLC will obtain the removal of all Facebook share legends upon the expiration of the Facebook November lock-up period in order to allow all or a portion of the shares to be sold as soon as allowed after the expiration date;”
- “Assensus Capital is willing to provide this guaranty for two specific reasons: (1) a high degree of confidence that [EVI] will be acquired within the next 6-12 months; and (2) the value of my carried interest in previous investment activities relating to the acquisition of Facebook shares, that is represented by share certificates for 165,713,000 common shares that I am holding as part of my compensation;” and
- “If you decide to exercise the investment guaranty, you can elect to receive the amount of your prospective investment together with the accumulated five percent annual simple interest or, a partial or complete distribution of 6,500 [Facebook] shares in addition to the 51,666 Facebook shares that are in your capital account as the result of your initial \$150,000 [investment] with a cost basis of \$7.74 per share.”

67. As Berkman knew, each of these representations was false. He intended to and did misappropriate all of the funds invested in Assensus Capital and knew neither he nor Assensus Capital had Facebook shares with which to guaranty investments.

68. Despite Berkman’s assurances, the investor declined to invest additional funds.

69. In total, Berkman raised approximately \$718,000 from Assensus Capital investors.

### **The Misappropriation of Investor Funds**

70. None of the statements made by Berkman about the use of the funds invested in the Venture LLCs, Face Off Acquisitions, or Assensus Capital were true. Other than the \$600,000 investment in the Actual Facebook Funds, none of the offering proceeds were used to make any

investments at all, much less the purchase of pre-IPO shares in Facebook, LinkedIn, Groupon or Zynga.

71. Berkman personally transferred approximately \$5.1 million of investor funds to his personal bank account. Berkman used most of that \$5.1 million, plus a \$925,000 direct transfer from a Ventures LLC account, to pay his judgment creditors in the bankruptcy proceeding.

72. Berkman used the remaining money that he had transferred to his personal account (approximately \$600,000) and another approximately \$1 million taken directly from the Ventures LLC accounts to make large cash withdrawals, pay legal fees, fund his own travel and other personal expenses and make numerous other payments unrelated to the purported business of the Ventures LLCs, Face Off Acquisitions or Assensus Capital. For example, Berkman spent approximately \$300,000 on dining, travel, retail and healthcare expenses and withdrew at least another \$165,000 in cash or cash equivalents.

73. The Manager received approximately \$502,000 from accounts into which investor funds were deposited.

74. The majority of the rest of the offering proceeds, approximately \$4.8 million, was used to make payments to earlier investors in the pre-IPO scheme or, in some cases, to investors in Berkman's prior investment schemes. For example, in 2010 and 2011, Berkman transferred \$400,000 from a Ventures LLC account to two individuals to whom Berkman owed money from investments they had made in unrelated Berkman ventures in approximately 2004.

### ***Misrepresentations To Conceal The Scheme***

75. As the end of the lock up period for pre-IPO Facebook stock approached and investors began making requests for their distributions, the fraud began to unravel. In response, Berkman, Kern, and others knowingly or recklessly made, or caused to be made, misrepresentations to investors to keep them from learning of the fraud and demanding the return of their funds.

76. For example, in August 2012, Kern wrote and signed a "Memorandum to Investors About Ventures Trust II LLC Efforts to Secure and Protect Interests with Our Trading Counterparties." Kern's memorandum stated that he was writing "to advise [investors] on the status of our efforts to address concerns that have been raised about the integrity of the funds."

77. Kern's memorandum represented that "Ventures Trust II has utilized two separate counterparties in securing the investments in privately held Facebook stock," and that "we are in the process of attempting to secure the transfer of these shares to our own trading account in order to avoid any complications arising out of the counterparty's trading practices."

78. Kern's memorandum represented that with respect to the first counterparty, "which involves approximately 20% of the investment capital of Ventures Trust II in Facebook stock," the counterparty "and its counsel have repeatedly affirmed that it has the requisite shares and

reconfirmed to us that we have the securities interests to which we subscribed.” The memorandum then suggested that the counterparty may have “more-or-less fabricated” the price of the shares, creating a “collateral issue,” but assured investors that Ventures II would “address this in due course on behalf of our investors,” if necessary.

79. Kern’s memorandum further represented that the second counterparty “holds approximately 80% of our investments in Facebook.”

80. The memorandum also stated that Ventures II “is subject to non-disclosure agreements with [both] counterparties which prevent us from disclosing the identity of these New York based groups at this time” and that Ventures II “is not a Ponzi scheme and absolutely and affirmatively rejects this assertion as false and malicious.”

81. These statements were false. Berkman knew these statements were false.

82. In August 2012, the Manager emailed Kern’s memorandum to certain investors, with a copy to Berkman. Berkman thereafter told investors that he had decided to liquidate the fund investments and that the funds would soon start making distributions. As Berkman knew, such statements were false and, as recently as in or around March 2013, Berkman gave investors a series of false excuses for why the distributions were still being delayed.
