The Commission may censure any person, or deny, temporarily or permanently, to any person the privilege of appearing or practicing before the Commission in

III.

On the basis of this Order and Respondents’ Offers, the Commission finds that:

A. SUMMARY

1. These proceedings involve violations of Exchange Act Rule 2-01(b)(1) of Regulation S-X, 17 C.F.R. §210.02 and Public Company Accounting Oversight Board (“PCAOB”) Rules 3500T and 4006 in five audits performed by Respondents for four public company issuers.

D. RESPONDENTS’ IMPROPER PROFESSIONAL CONDUCT

1. Respondents’ Audit Practice

14. In or around 2001, Park founded an audit firm, initially named Chang G. Park, C.P.A. In November 2009, the firm was re-incorporated as PLS.

15. PLS currently provides audit and review services to microcap issuers, development stage companies, and shell companies. Park, Joseph Lee, and Juchi Lee are the three individual auditors who conduct PLS’s audits and reviews of public company financial statements.

16. PLS has never used any proprietary auditing software. The individual auditors use downloads of commercially available electronic audit templates to document audits. The individual auditors complete these templates electronically and/or print out hard copies to fill out manually.

17. The individual auditors either save their electronic work papers on PLS’s networked storage drive, or they save them in electronic client folders on their PLS computers which are copied to PLS’s networked storage drive. Hard copies are printed out and assembled in audit binders for the auditors’ review and signature; the resulting audit binders are then stored in the individual auditors’ offices.

18. Joseph Lee and Juchi Lee are generally responsible for preparing PLS’s audit documentation and assembling and storing the audit binders. Park generally reviews the audit binders assembled by Joseph Lee or Juchi Lee.

19. As managing partner of the firm, Park manages the relationship of the firm with its clients, while Joseph Lee and Juchi Lee perform most of the audit and review work. When matters arise during a client’s audit, all three individual auditors typically meet to discuss the audit.

20. As of early 2016, PLS was providing audit and review services to approximately thirty clients, including IMMA, IMKG, RDTK, and TSOI.
2. **The July 2016 Commission Subpoena and the November 2016 PCAOB Inspection**

21. On July 5, 2016, the Commission issued an administrative subpoena for documents to PLS (the “July 2016 Commission Subpoena”). The subpoena included requests for IMMA audit work papers created during, or concerning, the time period from September 30, 2014, to July 5, 2016.

22. PLS produced IMMA audit work papers in response to the July 2016 Commission Subpoena. Juchi Lee was responsible for gathering and producing PLS’s documents in response to the subpoena.

23. On April 1, 2016, the PCAOB informed PLS that it would conduct an inspection of PLS during the week of November 7, 2016 (the “November 2016 PCAOB inspection”).

24. On April 12, 2016, a representative of the PCAOB emailed Park, cc’ing Joseph Lee and Juchi Lee, requesting that PLS complete and return, prior to the inspection, an attached “issuer information form.” The issuer information form required PLS to specify, among other information, the engagement partner (“EP”) and engagement quality reviewer (“EQR”) assigned to its client issuers.

25. Park asked Joseph Lee and Juchi Lee to fill out the issuer information form, for Park’s review.

26. PLS sent the completed issuer information form back to the PCAOB on October 12, 2016. PLS subsequently amended the issuer information form to reflect the termination of its auditor relationship with TSOI, sending a final version to the PCAOB on October 31, 2016. The final version of the issuer information form PLS provided to the PCAOB included information for twenty-nine issuers.

27. The final version of the issuer information form PLS provided to the PCAOB identified the individual auditors’ roles on audits for issuers IMMA, IMKG, RDTK and TSOI as follows:

<tr>

<th>EP</th>
<th>EQR</th>

28. Park instructed Joseph Lee and Juchi Lee to review PLS’s clients’ audit binders in preparation for the inspection.
29. Before the November 2016 PCAOB inspection was scheduled to begin, the PCAOB informed PLS that it would review the audit work papers for IMKG, RDTK and TSOI during the inspection.

30. After learning which issuers were selected for the inspection, Park instructed Joseph Lee and Juchi Lee to review the audit binders for those issuers again.

31. The PCAOB conducted its inspection of PLS from November 7, 2016 to November 11, 2016.

3. **Respondents Failed to Prepare and Retain Required Audit Documentation, and Inappropriately Modified Audit Documentation, in Violation of PCAOB Auditing Standard No. 3**

32. Respondents violated PCAOB Auditing Standard No. 3, Audit Documentation (“AS 3”), in that they: failed to timely prepare required audit documentation; failed to document the addition of documents to the work papers after the documentation completion date; and drafted back-dated, fraudulent work papers to create the appearance of having proper contemporaneous work papers.

33. AS 3 establishes general requirements for documentation the auditor should prepare and retain in connection with engagements conducted pursuant to the standards of the PCAOB. AS 3.1, AS 3.4. Audit documentation is the written record of the basis for the auditor’s conclusions that provides the support for the auditor’s representations, whether those representations are contained in the auditor’s report or otherwise. AS 3.2. Audit documentation also facilitates the planning, performance, and supervision of the engagement, and is the basis for the review of the quality of the work because it provides the reviewer with written documentation of the evidence supporting the auditor’s significant conclusions. Id.

34. Among other things, audit documentation includes records of the planning and performance of the work, the procedures performed, evidence obtained, and conclusions reached by the auditor. AS 3.2. The auditor also must identify all significant findings or issues in an engagement completion document. AS 3.13.

35. The report release date is the date the auditor grants permission to use the auditor’s report in connection with the issuance of the company’s financial statements. AS 3.14. Prior to the report release date, the auditor must have completed all necessary auditing procedures and obtained sufficient evidence to support the representations in the auditor’s report. AS 3.15. A

complete and final set of audit documentation should be assembled for retention as of a date not more than 45 days after the report release date (the “documentation completion date”). *Id.*

36. Circumstances may require additions to audit documentation after the report release date. AS 3.16. Audit documentation must not be deleted or discarded after the documentation completion date, however, information may be added. *Id.* Any documentation added must indicate the date the information was added, the name of the person who prepared the additional documentation, and the reason for adding it. *Id.*

37. Because PLS did not use automated auditing software, it was up to the individual auditors themselves to keep track of what audit work had been performed, and when, and to ensure that the audit documentation for each audit was completed by the 45-day documentation completion date, as required by AS 3.15.

38. The individual auditors were aware that PLS commonly lacked a complete audit binder for its clients’ audits.

a. Park noticed missing work papers when reviewing audits; reprimanded Joseph Lee for missing documentation; and told Juchi Lee that Joseph Lee’s work papers were incomplete.

b. Juchi Lee acknowledged that prior to the November 2016 PCAOB inspection, the individual auditors were less “serious” about complying with the audit documentation completion period, which she understood to be “45 days or 60 days.”

c. Joseph Lee admitted that he was unaware of the 45 day audit documentation completion period before the November 2016 PCAOB inspection.

39. PLS and the individual auditors inappropriately added documents to audit work papers after the audit report had been released and the applicable documentation completion date had passed, without disclosing the date that these documents were added, or other information required under AS 3.16. In certain instances, the individual auditors identified documents that were missing from the audit work papers, then intentionally prepared and backdated those documents in order to make it appear as though those documents had been prepared and included in the audit work papers on or before the date of the corresponding PLS audit report. PLS subsequently produced backdated documents in response to the July 2016 Commission Subpoena and/or the November 2016 PCAOB inspection.
40. PLS and the individual auditors knew or were reckless in not knowing that they inappropriately added documents to audit work papers and backdated audit work papers.

a. **IMMA Audits – Fiscal Years Ended October 31, 2014 and 2015**

41. PLS performed the audit for IMMA’s fiscal year ended October 31, 2014 (the “IMMA 2014 audit”). IMMA filed the PLS audit report, dated February 12, 2014, with its Form 10-K on February 12, 2015. The audit report stated that PLS had conducted the audit in accordance with PCAOB standards. The applicable documentation completion date was March 29, 2015.

42. PLS also performed the audit for IMMA’s fiscal year ended October 31, 2015 (the “IMMA 2015 audit”). IMMA filed the PLS audit report, dated February 10, 2016, with its Form 10-K on February 10, 2016. The audit report stated that PLS had conducted the audit in accordance with PCAOB standards. The applicable documentation completion date was March 26, 2016.

43. The issuer information form that PLS provided to the PCAOB in connection with the November 2016 PCAOB inspection described Juchi Lee as the EP for IMMA, and Park as the EQR.

44. Juchi Lee was the lead auditor for the IMMA 2014 audit and the IMMA 2015 audit. Park reviewed the audit binders for these audits. Each of them knew or were reckless in not knowing that the IMMA 2014 audit and the IMMA 2015 audit had not actually been conducted in accordance with PCAOB standards.

45. The July 2016 Commission Subpoena required PLS to produce IMMA audit work papers for the time period from September 30, 2014, to July 5, 2016, which included both the IMMA 2014 audit and the IMMA 2015 audit. After PLS received the July 2016 Commission Subpoena on or around July 5, 2016, Juchi Lee prepared and backdated documents for both the IMMA 2014 audit and the IMMA 2015 audit.

46. Specifically, after PLS received the July 2016 Commission Subpoena on or around July 5, 2016, Juchi Lee prepared an audit form entitled “Inquiries of Management/Directors about the Risks of Fraud” for the IMMA 2014 audit. Juchi Lee admitted that she had searched the IMMA 2015 audit work papers for that audit’s version of the same form; hand copied the responses from that version onto a blank form, which she then signed and backdated to make it look like it had been prepared in 2015; and produced the backdated form to the Commission along with the IMMA 2014 audit work papers.

---

4 The February 12, 2014 date on the PLS audit report appears to have been a typo, as the report was for the fiscal year ended October 31, 2014, and was filed with IMMA’s Form 10-K on February 12, 2015.
47. Or around July 21, 2016, Juchi Lee also prepared an “Engagement Acceptance and Continuance” form for the IMMA 2014 audit and backdated this document to December 1, 2014, approximately two months before the date of the corresponding PLS audit report, which was February 12, 2015. This document, which was filled out electronically prior to printing, included the names of both Juchi Lee (as “Lead Partner”) and Park (as “Concurring Partner”) next to the date December 1, 2014. Juchi Lee admitted that she had created this document after reviewing the audit work papers in July 2016.

48. On or around July 27, 2016, Juchi Lee prepared a form entitled “Engagement Completion Document” for the IMMA 2015 audit and backdated this document to February 10, 2016, the date of the corresponding PLS audit report. The hard copy version of this form included handwritten signatures from both Juchi Lee and Park, which also were backdated to February 10, 2016. Park admitted that his signature on this document was backdated.

b. IMKG Audit – Fiscal Year Ended February 28, 2015

49. PLS performed the audit for IMKG’s fiscal year ended February 28, 2015 (the “IMKG 2015 audit”). IMKG filed the PLS audit report, dated July 29, 2015, with its Form 10-K on July 29, 2015. The audit report stated that PLS had conducted the audit in accordance with PCAOB standards. The applicable documentation completion date was September 12, 2015.

50. The issuer information form that PLS provided to the PCAOB in connection with the November 2016 PCAOB inspection listed Park as the engagement partner for IMKG, and Juchi Lee as the EQR.

51. However, Park and Joseph Lee each admitted that they went together to Korea to conduct field work for the audit. Joseph Lee prepared most of the audit work papers for IMKG, which Park reviewed. Each of them knew or were reckless in not knowing that the IMKG 2015 audit had not actually been conducted in accordance with PCAOB standards.

52. The PCAOB reviewed audit work papers for the IMKG 2015 audit in connection with the November 2016 PCAOB inspection.

53. Both Park and Joseph Lee admitted that in October 2016, in the course of preparing for the November 2016 PCAOB inspection, they had become aware that Joseph Lee had failed to obtain all of the documents necessary for the IMKG 2015 audit.

54. With Park’s knowledge, Joseph Lee emailed IMKG’s former owner and outside consultants to request board minutes, bank reconciliations, and other documents, in an attempt to complete the audit binder before the PCAOB inspection.

56. On or around October 12, 2016, Joseph Lee prepared a document entitled “Audit Program for General Planning Procedures” for the IMKG 2015 audit. Joseph Lee admitted that he had created this document after the audit report date, in preparation for the November 2016 PCAOB inspection.

57. On or around October 12 or 13, 2016, Joseph Lee also prepared a form entitled “Engagement Completion Document” for the IMKG 2015 audit, and backdated it to July 29, 2015, the date of the corresponding PLS audit report. This document, which was filled out electronically prior to printing, included the names of Joseph Lee (as “Engagement Manager”), Park (as “Engagement Partner”), and Juchi Lee (as “Concurring Partner/Engagement Quality Reviewer”) next to the date July 29, 2015. Joseph Lee admitted that this document had not been prepared before the audit report was issued, and that he had backdated this document to the audit report date.

58. On or around October 14, 2016, Joseph Lee prepared a “Risk Assessment Summary Form” for the IMKG 2015 audit, and backdated it to July 9, 2015, a few weeks prior to the date of the corresponding PLS audit report. Joseph Lee admitted that he had created this document after the audit report date, in preparation for the November 2016 PCAOB inspection.

c. RDTK Audit – Fiscal Year Ended December 31, 2015

59. PLS performed the audit for RDTK’s fiscal year ended December 31, 2015 (the “RDTK 2015 audit”). RDTK filed the PLS audit report, dated April 27, 2016, with its Form 10-K on April 27, 2016. The audit report stated that PLS had conducted the audit in accordance with PCAOB standards. The applicable documentation completion date was June 11, 2016.

60. RDTK filed an amended Form 10-K for its fiscal year 2015 on August 24, 2016. The Amended RDTK Form 10-K included a PLS audit report that was amended as to one note only; that report was dual dated related to the one note for August 22, 2016. The audit report stated that PLS had conducted the audit in accordance with PCAOB standards. The applicable documentation completion date was October 6, 2016.

61. The issuer information form that PLS provided to the PCAOB in advance of the November 2016 PCAOB inspection listed Park as the engagement partner for RDTK, and Juchi Lee as EQR.

62. However, Park and Joseph Lee conducted the fieldwork for RDTK. Joseph Lee prepared most of the audit work papers for RDTK, which Park reviewed. Each of them knew or were reckless in not knowing that the RDTK 2015 audit had not actually been conducted in accordance with PCAOB standards.

63. The PCAOB reviewed audit work papers for the RDTK 2015 audit in connection with the November 2016 PCAOB inspection.
64. Joseph Lee admitted that he had contacted RDTK after the audit report was released to request supporting documentation that was missing from the audit binders.

66. On or around October 18, 2016, Joseph Lee prepared a document entitled “Audit Program for General Planning Procedures” for the RDTK 2015 audit. Joseph Lee admitted that he had noticed this document was missing from the audit work papers and that he had created this document in preparation for the November 2016 PCAOB inspection.

67. On or around October 19, 2016, Joseph Lee also prepared a “Supervision, Review and Approval Form” for the RDTK 2015 audit and backdated it to April 27, 2016, the date of the original PLS audit report. This document, which was filled out electronically prior to printing, included the typed “signatures” of Joseph Lee (under the “Detailed Review” section supposed to be “performed by the staff in charge of the field work”), Park (as “Engagement Partner”), and Juchi Lee (as “Engagement Quality Reviewer”) next to the date April 27, 2016. Joseph Lee admitted that he had created this document in preparation for the November 2016 PCAOB inspection. Park also admitted that this document was created in October 2016 to supplement the audit work papers, and backdated.

68. In addition, on or around October 19, 2016, Joseph Lee prepared an “Engagement Completion Document” for the RDTK 2015 audit, and backdated it to April 27, 2016, the original report release date. This document, which was filled out electronically prior to printing, included the names of Joseph Lee (as “Engagement Manager”), Park (as “Engagement Partner”), and Juchi Lee (as “Concurring Partner/Engagement Quality Reviewer”) next to the date April 27, 2016. Joseph Lee admitted that he had created this document in October 2016 in preparation for the November 2016 PCAOB inspection. Park also admitted that this document was created in October 2016 to supplement the audit work papers, and backdated.

69. PLS performed the audit for TSOI’s fiscal year ended December 31, 2014 (the “TSOI 2014 audit”). TSOI filed the PLS audit report, dated June 15, 2016, with its Form 10-K on June 16, 2016. The audit report stated that PLS had conducted the audit in accordance with PCAOB standards. The applicable documentation completion date was July 30, 2016.

70. The issuer information form that PLS provided to the PCAOB in connection with the November 2016 PCAOB inspection listed Joseph Lee as the engagement partner for TSOI, and Juchi Lee as the EQR.
71. However, Joseph Lee performed the substantive audit work for TSOI, including preparation of the audit binder, and Park served as the reviewer. Each of them knew or were reckless in not knowing that the TSOI 2014 audit had not actually been conducted in accordance with PCAOB standards.

72. Juchi Lee did not perform an engagement quality review for TSOI. In fact, Juchi Lee admitted that she had not performed engagement quality reviews for IMKG, RDTK, or TSOI, even though the issuer information form that PLS provided to the PCAOB in advance of the November 2016 PCAOB inspection listed her as the EQR for each of these issuers.

73. The PCAOB reviewed audit work papers for the TSOI 2014 audit in connection with the November 2016 PCAOB inspection.

74. Joseph Lee admitted that he did not fill out audit documentation forms for the TSOI 2014 audit until the fall of 2016, when he was reviewing audit binders in preparation for the November 2016 PCAOB inspection.

76. Sometime between October 24 and November 1, 2016, Joseph Lee prepared a document entitled “Audit Program for General Planning Procedures” for the TSOI 2014 audit. Joseph Lee admitted that he had created this document several months after the TSOI 2014 Form 10-K had been filed, in preparation for the November 2016 PCAOB inspection.

77. Sometime between October 24 and November 1, 2016, Joseph Lee also prepared a document entitled “Risk Assessment Summary Form” for the TSOI 2014 audit. This document, which was filled out electronically prior to printing, included the names of Joseph Lee and Juchi Lee next to the date January 7, 2016, which was several months prior to the date of the corresponding PLS audit report.

78. In addition, on or around October 31 or November 1, 2016, Joseph Lee prepared a “Supervision, Review and Approval Form” for the TSOI 2014 audit. This document, which was filled out electronically prior to printing, included the names of Joseph Lee (as “Engagement Partner”) and Juchi Lee (as “Engagement Quality Reviewer”) next to the date June 15, 2016, the date of the corresponding PLS audit report.
4. **Respondents Failed to Obtain or Perform Engagement Quality Reviews in Violation of PCAOB Auditing Standard No. 7**

79. Respondents violated PCAOB Auditing Standard No. 7, *Engagement Quality Review* ("AS 7"), by failing to obtain or perform adequate engagement quality reviews in connection with PLS’s clients’ audits.

80. AS 7 requires an engagement quality review and concurring approval of issuance for each audit engagement conducted pursuant to the standards of the PCAOB. AS 7.1. The objective of the EQR is to perform an evaluation of the significant judgments made by the engagement team and the related conclusions reached in forming the overall conclusion on the engagement and in preparing the engagement report, if a report is to be issued, in order to determine whether to provide concurring approval of issuance. AS 7.2. To evaluate such judgments and conclusions, the EQR to the extent necessary should hold discussions with the engagement partner and other members of the engagement team, and review documentation. AS 7.9.

81. The EQR must be an associated person of a registered public accounting firm. AS 7.3. An EQR from the firm that issues the engagement report must be a partner or another individual in an equivalent position. Id. The EQR may also be an individual from outside the firm. Id. To maintain objectivity, the EQR and others who assist the EQR should not make decisions on behalf of the engagement team or assume any of the responsibilities of the engagement team. AS 7.7.

82. In an audit, the EQR should evaluate, among other things, the significant judgments that relate to engagement planning, including consideration of the firm’s recent engagement experience with the company and risks identified in connection with the firm’s client acceptance and retention process. AS 7.10. The EQR also should evaluate the engagement team’s assessment of, and audit responses to, significant risks identified by the engagement team, including fraud risks, and other significant risks identified by the EQR. Id. The EQR’s review of documentation should specifically include the engagement completion document. Id.

83. Additionally, in an audit, the EQR should evaluate whether the engagement documentation that he or she reviewed indicates that the engagement team responded appropriately to significant risks, and supports the conclusions reached by the engagement team with respect to the matters reviewed. AS 7.11. The EQR may provide concurring approval of issuance only if, after performing with due professional care the review required by AS 7, he or she is not aware of a significant engagement deficiency, such as a failure by the engagement

team to obtain sufficient appropriate evidence in accordance with the standards of the PCAOB.  
AS 7.12. The audit firm may grant permission to the client to use the engagement report only after the EQR provides concurring approval of issuance.  AS 7.13.

84. The issuer information form that PLS provided to the PCAOB in advance of the November 2016 PCAOB inspection represented that Park was the EQR for IMMA, and Juchi Lee was the EQR for IMKG, RDTK, and TSOI. PLS, however, was not actually staffing its audits in this manner.

85. PLS and the individual auditors violated AS 7 by failing to obtain or perform adequate engagement quality reviews, in accordance with the requirements of AS 7, for the IMMA 2014 audit; the IMMA 2015 audit; the IMKG 2015 audit; the RDTK 2015 audit; and the TSOI 2014 audit.

86. Juchi Lee, the purported EQR for the IMKG 2015 audit, the RDTK 2015 audit, and the TSOI 2014 audit, admitted that she had not performed engagement quality reviews for IMKG, RDTK, or TSOI. She also admitted that she had not even known that she was supposed to be EQR for these issuers until October 2016, when Park tasked her and Joseph Lee with the job of completing the issuer information form for the PCAOB in connection with the November 2016 PCAOB inspection.

87. Moreover, given the audit documentation deficiencies described above, PLS and the individual auditors could not have obtained or performed engagement quality reviews, in accordance with the requirements of AS 7, for the IMMA 2014 audit, the IMMA 2015 audit, the IMKG 2015 audit, the RDTK 2015 audit, or the TSOI 2014 audit. The documents that were inappropriately added to audit work papers, after the audit report had been released and the applicable documentation completion date had passed, included engagement acceptance, audit planning, risk assessment, engagement completion, and other documents that an EQR performing an engagement quality review pursuant to the standards of AS 7 should have reviewed before providing approval for the audit report to be released.

88. Respondents knew or were reckless in not knowing that they had failed to obtain or perform engagement quality reviews, in accordance with the requirements of AS 7, for the IMMA 2014 audit; the IMMA 2015 audit; the IMKG 2015 audit; the RDTK 2015 audit; and the TSOI 2014 audit.
5. Respondents Failed to Exercise Due Professional Care in Violation of PCAOB Interim Auditing Standard No. 230

89. Respondents violated PCAOB Interim Auditing Standard No. 230, *Due Professional Care in the Performance of Work* (“AU 230”), by failing to exercise due professional care in connection with the IMMA 2014 audit; the IMMA 2015 audit; the IMKG 2015 audit; the RDTK 2015 audit; and the TSOI 2014 audit. Namely, Respondents failed to prepare and retain required audit documentation and produced backdated documents to the PCAOB and the Commission, and they failed to obtain and perform engagement quality reviews.

90. AU 230 requires an auditor to exercise due professional care in the planning and performance of the audit and the preparation of the report. AU 230.01 - 230.02. Due professional care imposes a responsibility upon each professional within an independent auditor’s organization to observe the standards of field work and reporting. AU 230.02.

91. The matter of due professional care concerns what the independent auditor does and how well he or she does it. AU 230.04. An auditor should possess “the degree of skill commonly possessed” by other auditors and should exercise it with “reasonable care and diligence” (that is, with due professional care). AU 230.05. The engagement partner should know, at a minimum, the relevant professional accounting and auditing standards and should be knowledgeable about the client. AU 230.06.

92. Due professional care requires the auditor to exercise professional skepticism. AU 230.07. Professional skepticism is an attitude that includes a questioning mind and a critical assessment of audit evidence. *Id.* The auditor uses the knowledge, skill, and ability called for by the profession of public accounting to diligently perform, in good faith and with integrity, the gathering and objective evaluation of evidence. *Id.* Gathering and objectively evaluating audit evidence requires the auditor to consider the competency and sufficiency of the evidence. AU 230.08. Since evidence is gathered and evaluated throughout the audit, professional skepticism should be exercised throughout the audit process. *Id.*

93. PLS and the individual auditors failed to exercise due professional care in connection with the audit documentation for the IMMA 2014 audit; the IMMA 2015 audit; the IMKG 2015 audit; the RDTK 2015 audit; and the TSOI 2014 audit.

94. As described above, PLS and the auditors failed to prepare and retain required audit documentation for these audits, as required by AS 3. Although all three of the individual auditors were aware that PLS had a problem with missing work papers, they did not take any

16
action to remedy this problem until the July 2016 Commission Subpoena and the announcement of the November 2016 PCAOB inspection threatened to expose their audit deficiencies.

95. Even then, Respondents did not follow the requirements for adding audit documentation set forth in AS 3.16, but intentionally attempted to conceal their actions from the Commission and the PCAOB by retroactively completing and backdating documents, which PLS then produced to the Commission or the PCAOB.

96. PLS and the individual auditors also failed to exercise due professional care in connection with engagement quality reviews for the IMMA 2014 audit; the IMMA 2015 audit; the IMKG 2015 audit; the RDTK 2015 audit; and the TSOI 2014 audit. PLS and the individual auditors issued audit reports and provided information to the PCAOB, representing that engagement quality reviews had been obtained or performed for each of these audits, when in fact they had failed to obtain or perform engagement quality review, in accordance with the requirements of AS 7, for each of these audits.

97. Respondents knew or were reckless in not knowing that they failed to exercise due professional care in connection with the IMMA 2014 audit; the IMMA 2015 audit; the IMKG 2015 audit; the RDTK 2015 audit; and the TSOI 2014 audit.

6. **Respondents Willfully Violated PCAOB Rules 3500T and 4006**

99. AICPA’s Code of Professional Conduct Rule 102, *Integrity and Objectivity* ("AICPA Rule 102") mandates that “in the performance of any professional service, a member shall maintain objectivity and integrity.” AICPA Rule 102.01. The AICPA Code of Professional Conduct defines “professional services” as including “all services requiring accountancy or related skills performed by a member for a client, an employer, or on a volunteer basis. These services include, but are not limited to accounting, audit and other attest services, tax, bookkeeping, management consulting, financial management, corporate governance, personal financial planning, business valuation, litigation support, educational, and those services for which standards are promulgated by bodies designated by [the AICPA Council].” AICPA Code of Professional Conduct § 0.400.40.

---

7 The rule requires auditors to comply with the AICPA’s Code of Professional Conduct Rule 102, and interpretations and rulings thereunder, as in existence on April 16, 2003. Although PCAOB Rule 3500T references the AICPA Code as in existence on April 16, 2003, the definition of integrity remains identical to the current definitions in the Code of Professional Conduct promulgated by the AICPA and applicable to current members of the AICPA.
100. PLS and the individual auditors willfully violated Rule 3500T because they failed to act with integrity in connection with the preparation and issuance of the audit reports for the IMMA 2014 audit; the IMMA 2015 audit; the IMKG 2015 audit; the RDTK 2015 audit; and the TSOI 2014 audit.

101. PLS and the individual auditors further demonstrated a lack of integrity by taking affirmative steps to conceal their auditing deficiencies from us and the PCAOB, including the preparation and backdating of additional audit documentation which was subsequently produced to us and/or the PCAOB.

102. PCAOB Rule 4006, *Duty to Cooperate with Inspectors* (“Rule 4006”), requires a public accounting firm and its associated persons to cooperate with the Board in the performance of any Board inspection. Cooperation includes, but it is not limited to, cooperating and complying with any request made by the PCAOB to “provide access to, and the ability to copy, any record in the possession, custody, or control of such firm or person.” See Rule 4006(a). “Implicit in this cooperation requirement is that auditors provide accurate and truthful information.” In the Matter of the Application of Kabani & Company, Inc., et al., Exchange Act Release No. 80201, at 13-14 (March 10, 2017) (Commission Opinion).

103. PLS and the individual auditors willfully violated Rule 4006 in connection with the November 2016 PCAOB inspection by providing to the PCAOB documents that had been added to audit work papers for the IMKG 2015 audit, the RDTK 2015 audit, and the TSOI 2014 audit, after the audit report for each of these audits had been released and the applicable documentation completion date had passed, without disclosing of the date that these documents were added to the work papers, the persons who did so, or the reasons for doing so, as required under AS 3.

104. Moreover, PLS and the individual auditors attempted to deceive the PCAOB by backdating documents so that it would appear as though these documents had been prepared and included in the audit work papers before the audit report had been released.

**E. VIOLATIONS**

F. FINDINGS

a. Based on the foregoing, the Commission finds that Respondents engaged in improper professional conduct within the meaning of Section 4C(a)(2) of the Exchange Act and Rule 102(e)(1)(ii) of the Commission’s Rules of Practice.
b. Based on the foregoing, the Commission finds that Respondent PLS 
willfully violated Rule 2-02(b)(1) of Regulation S-X; Respondents Park, 
Joseph Lee and Juchi Lee willfully aided and abetted and caused PLS’s 
violations of Rule 2-02(b)(1) of Regulation S-X; and Respondents willfully 
violated PCAOB Rules 3500T and 4006.

**Disgorgement and Civil Penalties**

The disgorgement and prejudgment interest ordered in paragraph IV.N is consistent with 
equitable principles and does not exceed Respondent PLS’s net profits from its violations and 
will be distributed to harmed investors, if feasible. The Commission will hold funds paid 
pursuant to paragraph IV.N in an account at the United States Treasury pending a decision 
whether the Commission in its discretion will seek to distribute funds. If a distribution is 
determined feasible and the Commission makes a distribution, upon approval of the distribution 
final accounting by the Commission, any amounts remaining that are infeasible to return to 
investors, and any amounts returned to the Commission in the future that are infeasible to return 
to investors, may be transferred to the general fund of the U.S. Treasury, subject to Section 
21F(g)(3) of the Exchange Act.

**IV.**

In view of the foregoing, the Commission deems it appropriate to impose the sanctions 
agreed to in Respondents’ Offers.

Accordingly, it is hereby ORDERED, effective immediately, that:

A. Respondents PLS, Park, Joseph Lee and Juchi Lee shall cease and desist from 
committing or causing any violations and any future violations of Exchange Act Rule 2-02(b)(1) of 
Regulation S-X and PCAOB Rules 3500T and 4006.

B. Respondent PLS is denied the privilege of appearing or practicing before the 
Commission as an accountant.

C. After five years from the date of this Order, PLS may request that the 
Commission consider its reinstatement by submitting an application (attention: Office of the 
Chief Accountant) to resume appearing or practicing before the Commission as:

1. a preparer or reviewer, or a person responsible for the preparation or 
review, of any public company’s financial statements that are filed with 
the Commission. Such an application must satisfy the Commission that 
PLS’s work in its practice before the Commission will be reviewed either 
by the independent audit committee of the public company for which it 
works or in some other acceptable manner, as long as it practices before 
the Commission in this capacity; and/or
2. an independent accountant.

Such an application must satisfy the Commission that:

(a) PLS is registered with the Public Company Accounting Oversight Board ("Board") in accordance with the Sarbanes-Oxley Act of 2002, and such registration continues to be effective. However, if registration with the Board is dependent upon reinstatement by the Commission, the Commission will consider the application on its other merits;

(b) PLS hired an independent CPA consultant ("consultant") who is not unacceptable to the staff of the Commission and is affiliated with a public accounting firm registered with the Board, that has conducted a review of PLS’s quality control system and submitted to the staff of the Commission a report that describes the review conducted and procedures performed, and represents that the review did not identify any criticisms of or potential defects in the Firm’s quality control system that would indicate that any of PLS’s employees will not receive appropriate supervision. PLS agrees to require the consultant, if and when retained, to enter into an agreement that provides that for the period of review and for a period of two years from completion of the review, the consultant shall not enter into any employment, consultant, attorney-client, auditing or other professional relationship with PLS, or any of its present or former affiliates, directors, officers, employees, or agents acting in their capacity. The agreement will also provide that the consultant will require that any firm with which he/she is affiliated or of which he/she is a member, and any person engaged to assist the consultant in performance of his/her duties under this Order shall not, without prior consent of the staff, enter into any employment, consultant, attorney-client, auditing or other professional relationship with PLS, or any of its present or former affiliates, directors, officers, employees, or agents acting in their capacity as such for the period of the review and for a period of two years after the review;

(c) PLS has resolved all disciplinary issues with the Board, and has complied with all terms and conditions of any sanctions imposed by the Board (other than reinstatement by the Commission); and

(d) PLS acknowledges its responsibility, as long as it appears or practices before the Commission as an independent accountant, to
comply with all requirements of the Commission and the Board, including, but not limited to, all requirements relating to registration, inspections, engagement quality reviews, and quality control standards.

D. The Commission will consider an application by PLS to resume appearing or practicing before the Commission provided that its state CPA license is current and it has resolved all other disciplinary issues with the applicable state boards of accountancy. However, if state licensure is dependent on reinstatement by the Commission, the Commission will consider an application on its other merits. The Commission’s review may include consideration of, in addition to the matters referenced above, any other matters relating to PLS’s character, integrity, professional conduct, or qualifications to appear or practice before the Commission as an accountant. Whether an application demonstrates good cause will be considered on a facts and circumstances basis with due regard for protecting the integrity of the Commission’s processes.

E. Respondent Park is denied the privilege of appearing or practicing before the Commission as an accountant.

F. After five years from the date of this Order, Park may request that the Commission consider his reinstatement by submitting an application (attention: Office of the Chief Accountant) to resume appearing or practicing before the Commission as:

1. a preparer or reviewer, or a person responsible for the preparation or review, of any public company’s financial statements that are filed with the Commission (other than as a member of an audit committee, as that term is defined in Section 3(a)(58) of the Securities Exchange Act of 1934). Such an application must satisfy the Commission that Park’s work in his practice before the Commission as an accountant will be reviewed either by the independent audit committee of the public company for which he works or in some other acceptable manner, as long as he practices before the Commission in this capacity; and/or

2. a preparer or reviewer, or a person responsible for the preparation or review, of any public company’s financial statements that are filed with the Commission as a member of an audit committee, as that term is defined in Section 3(a)(58) of the Securities Exchange Act of 1934. Such an application will be considered on a facts and circumstances basis with respect to such membership, and the applicant’s burden of demonstrating good cause for reinstatement will be particularly high given the role of the audit committee in financial and accounting matters; and/or

3. an independent accountant.
Such an application must satisfy the Commission that:

(a) Park, or the public accounting firm with which he is associated, is registered with the Board in accordance with the Sarbanes-Oxley Act of 2002, and such registration continues to be effective;

(b) Park, or the registered public accounting firm with which he is associated, has been inspected by the Board and that inspection did not identify any criticisms of or potential defects in the respondent’s or the firm’s quality control system that would indicate that Park will not receive appropriate supervision;

(c) Park has resolved all disciplinary issues with the Board, and has complied with all terms and conditions of any sanctions imposed by the Board (other than reinstatement by the Commission); and

(d) Park acknowledges his responsibility, as long as he appears or practices before the Commission as an independent accountant, to comply with all requirements of the Commission and the Board, including, but not limited to, all requirements relating to registration, inspections, engagement quality reviews, and quality control standards.

G. The Commission will consider an application by Park to resume appearing or practicing before the Commission provided that his state CPA license is current and he has resolved all other disciplinary issues with the applicable state boards of accountancy. However, if state licensure is dependent on reinstatement by the Commission, the Commission will consider an application on its other merits. The Commission’s review may include consideration of, in addition to the matters referenced above, any other matters relating to Park’s character, integrity, professional conduct, or qualifications to appear or practice before the Commission as an accountant. Whether an application demonstrates good cause will be considered on a facts and circumstances basis with due regard for protecting the integrity of the Commission’s processes.

H. Respondent Joseph Lee is denied the privilege of appearing or practicing before the Commission as an accountant.

I. After three years from the date of this Order, Joseph Lee may request that the Commission consider his reinstatement by submitting an application (attention: Office of the Chief Accountant) to resume appearing or practicing before the Commission as:

1. a preparer or reviewer, or a person responsible for the preparation or review, of any public company’s financial statements that are filed with the Commission (other than as a member of an audit committee, as that term is defined in Section 3(a)(58) of the Securities Exchange Act of 1934). Such
an application must satisfy the Commission that Joseph Lee’s work in his practice before the Commission as an accountant will be reviewed either by the independent audit committee of the public company for which he works or in some other acceptable manner, as long as he practices before the Commission in this capacity; and/or

2. a preparer or reviewer, or a person responsible for the preparation or review, of any public company’s financial statements that are filed with the Commission as a member of an audit committee, as that term is defined in Section 3(a)(58) of the Securities Exchange Act of 1934. Such an application will be considered on a facts and circumstances basis with respect to such membership, and the applicant’s burden of demonstrating good cause for reinstatement will be particularly high given the role of the audit committee in financial and accounting matters; and/or

3. an independent accountant.

Such an application must satisfy the Commission that:

(a) Joseph Lee, or the public accounting firm with which he is associated, is registered with the Board in accordance with the Sarbanes-Oxley Act of 2002, and such registration continues to be effective;

(b) Joseph Lee, or the registered public accounting firm with which he is associated, has been inspected by the Board and that inspection did not identify any criticisms of or potential defects in the respondent’s or the firm’s quality control system that would indicate that Joseph Lee will not receive appropriate supervision;

(c) Joseph Lee has resolved all disciplinary issues with the Board, and has complied with all terms and conditions of any sanctions imposed by the Board (other than reinstatement by the Commission); and

(d) Joseph Lee acknowledges his responsibility, as long as he appears or practices before the Commission as an independent accountant, to comply with all requirements of the Commission and the Board, including, but not limited to, all requirements relating to registration, inspections, engagement quality reviews, and quality control standards.

J. The Commission will consider an application by Joseph Lee to resume appearing or practicing before the Commission provided that his state CPA license is current and he has resolved all other disciplinary issues with the applicable state boards of accountancy. However,
if state licensure is dependent on reinstatement by the Commission, the Commission will consider an application on its other merits. The Commission’s review may include consideration of, in addition to the matters referenced above, any other matters relating to Joseph Lee’s character, integrity, professional conduct, or qualifications to appear or practice before the Commission as an accountant. Whether an application demonstrates good cause will be considered on a facts and circumstances basis with due regard for protecting the integrity of the Commission’s processes.

K. Respondent Juchi Lee is denied the privilege of appearing or practicing before the Commission as an accountant.

L. After three years from the date of this Order, Juchi Lee may request that the Commission consider her reinstatement by submitting an application (attention: Office of the Chief Accountant) to resume appearing or practicing before the Commission as:

1. a preparer or reviewer, or a person responsible for the preparation or review, of any public company’s financial statements that are filed with the Commission (other than as a member of an audit committee, as that term is defined in Section 3(a)(58) of the Securities Exchange Act of 1934). Such an application must satisfy the Commission that Juchi Lee’s work in her practice before the Commission as an accountant will be reviewed either by the independent audit committee of the public company for which she works or in some other acceptable manner, as long as she practices before the Commission in this capacity; and/or

2. a preparer or reviewer, or a person responsible for the preparation or review, of any public company’s financial statements that are filed with the Commission as a member of an audit committee, as that term is defined in Section 3(a)(58) of the Securities Exchange Act of 1934. Such an application will be considered on a facts and circumstances basis with respect to such membership, and the applicant’s burden of demonstrating good cause for reinstatement will be particularly high given the role of the audit committee in financial and accounting matters; and/or

3. an independent accountant.

Such an application must satisfy the Commission that:

(a) Juchi Lee, or the public accounting firm with which she is associated, is registered with the Board in accordance with the Sarbanes-Oxley Act of 2002, and such registration continues to be effective;
(b) Juchi Lee, or the registered public accounting firm with which she is associated, has been inspected by the Board and that inspection did not identify any criticisms of or potential defects in the respondent’s or the firm’s quality control system that would indicate that Juchi Lee will not receive appropriate supervision;

(c) Juchi Lee has resolved all disciplinary issues with the Board, and has complied with all terms and conditions of any sanctions imposed by the Board (other than reinstatement by the Commission); and

(d) Juchi Lee acknowledges her responsibility, as long as she appears or practices before the Commission as an independent accountant, to comply with all requirements of the Commission and the Board, including, but not limited to, all requirements relating to registration, inspections, engagement quality reviews, and quality control standards.

M. The Commission will consider an application by Juchi Lee to resume appearing or practicing before the Commission provided that her state CPA license is current and she has resolved all other disciplinary issues with the applicable state boards of accountancy. However, if state licensure is dependent on reinstatement by the Commission, the Commission will consider an application on its other merits. The Commission’s review may include consideration of, in addition to the matters referenced above, any other matters relating to Juchi Lee’s character, integrity, professional conduct, or qualifications to appear or practice before the Commission as an accountant. Whether an application demonstrates good cause will be considered on a facts and circumstances basis with due regard for protecting the integrity of the Commission’s processes.

N. Respondent PLS shall, within 360 days of the entry of this Order, pay disgorgement of $36,000.00, prejudgment interest of $1,028.24, and civil money penalties of $36,000.00 to the Securities and Exchange Commission. P. Respondent Joseph Lee shall, within 360 days of the entry of this Order, pay a civil money penalty in the amount of $19,278.00 to the Securities and Exchange Commission. The Commission may distribute civil money penalties collected in this proceeding if, in its discretion, the Commission orders the establishment of a Fair Fund pursuant to 15 U.S.C. § 7246, Section 308(a) of the Sarbanes-Oxley Act of 2002. S. Regardless of whether the Commission in its discretion orders the creation of a Fair Fund for the penalties ordered in this proceeding, amounts ordered to be paid as civil money penalties pursuant to this Order shall be treated as penalties paid to the government for all purposes, including all tax purposes. To preserve the deterrent effect of the civil penalty, Respondents agree that in any Related Investor Action, they shall not argue that they are entitled to, nor shall they benefit by, offset or reduction of any award of compensatory damages by the amount of any part of Respondent’s payment of a civil penalty in this action (“Penalty Offset”). If the court in any Related Investor Action grants such a Penalty Offset, Respondents agree that they shall, within 30 days after entry of a final order granting the Penalty Offset, notify the Commission’s counsel in this action and pay the amount of the Penalty Offset to the Securities and Exchange Commission. Such a payment shall not be deemed an additional civil penalty and shall not be deemed to change the amount of the civil penalty imposed in this proceeding. For purposes of this paragraph, a “Related Investor Action” means a private damages action brought against Respondents by or on behalf of one or more investors based on substantially the same facts as alleged in the Order instituted by the Commission in this proceeding.
V.

It is further Ordered that, solely for purposes of exceptions to discharge set forth in Section 523 of the Bankruptcy Code, 11 U.S.C. §523, the findings in this Order are true and admitted by Respondents Park, Joseph Lee, and Juchi Lee, and further, any debt for disgorgement, prejudgment interest, civil penalty or other amounts due by Respondents Park, Joseph Lee, and/or Juchi Lee under this Order or any other judgment, order, consent order, decree or settlement agreement entered in connection with this proceeding, is a debt for the violation by Respondents Park, Joseph Lee, and/or Juchi Lee of the federal securities laws or any regulation or order issued under such laws, as set forth in Section 523(a)(19) of the Bankruptcy Code, 11 U.S.C. §523(a)(19).

By the Commission.
