I. OVERVIEW

1. The Division of Enforcement submits this Proposed Plan of Distribution (the “Plan”) to the United States Securities and Exchange Commission (the “Commission”) pursuant to Rule 1101 of the Commission’s Rules on Fair Fund and Disgorgement Plans (the “Commission’s Rules”), 17 C.F.R. § 201.1101. This Plan provides for the distribution of a Fair Fund (the “Fair Fund”), comprised of civil money penalties paid by S&P Dow Jones Indices LLC (the “Respondent”) in the above-captioned matter.

2. As described more specifically below, the Plan seeks to compensate investors who were harmed by the Respondent’s conduct described in the Order. In the Order, the Commission found that prior to February 5, 2018, Respondent, which publishes an index that measures the return from a rolling long position for certain Chicago Board Options Exchange Volatility Index ("VIX") futures contracts, failed to disclose the existence of a feature in this index that kept security prices static during a period of unprecedented volatility. As a result of this undisclosed feature, values being published and disseminated to the market were not based on the real-time prices of certain VIX futures contracts. This index was the primary input for the calculation of the indicative value of the VelocityShares Daily Inverse VIX Short Term Exchange Traded Note linked to the S&P 500 VIX Short-Term Futures Index due December 4, 2030 ("XIV" or the “Security”). As calculated using the methodology detailed in the Plan of Allocation (attached as Exhibit A), investors will be compensated for their losses on shares in the Security that were held and/or purchased between 4:09:40 p.m. on February 5, 2018 and 5:09 p.m. on the same date (the “Relevant Period”). In the view of the Commission staff and the Fund Administrator, this methodology constitutes a fair and reasonable allocation of the Fair Fund.

3. The Commission has custody of the Fair Fund and shall retain control of the assets of the Fair Fund. The Plan is subject to approval by the Commission, and the Commission retains jurisdiction over its implementation.
II. BACKGROUND

4. On May 17, 2021, the Commission issued an Order Instituting Cease-and-Desist Proceedings, Pursuant to Section 8A of the Securities Act of 1933, Making Findings, and Imposing a Cease-and-Desist Order (the “Order”)

1 against the Respondent. According to the Order, on Monday, February 5, 2018, despite notable market volatility, the index published by Respondent remained static during certain intervals between the 4:00 PM hour up until 5:08 PM, even though it was supposed to calculate values based on real-time prices of certain VIX futures contracts. This was due to the implementation of a heretofore unknown quality control feature called an “Auto Hold” used by Respondent.

5. An Auto Hold comes into effect if an index value breaches certain thresholds, at which point the immediately prior index value continues to be reported. The repetition of this index value continues until a current index value comes back within those thresholds or responsible Respondent personnel manually release the Auto Hold. On February 5, 2018, during the intervals described above, Respondent’s personnel did not release the Auto Hold for the index, resulting in the publication and dissemination of static index values, rather than values based on the real-time prices of certain VIX futures contracts.

6. The index was the primary input for the calculation of the Security’s indicative value, so like the index’s values, the Security’s indicative values published to the market during the same intervals on February 5, 2018 were similarly static. As a result, during certain intervals between the 4:00 PM hour up until 5:08 PM, the Security’s indicative values being reported in real-time were higher than what would have been calculated and disseminated if the Auto Hold had not been triggered. As such, during the 4:00 PM hour and until 5:09 PM, when the closing indicative value of the Security XIV was published, investors did not know that they had been purchasing and/or holding a product that had an economic value that was substantially less than what had been publicly reported. In addition, unlike the XIV indicative values being published to the market, the XIV indicative values that would have been published if the Auto Hold had not been triggered would have breached a key metric that would have provided the issuer a right to accelerate, or call, all outstanding XIV notes.

7. Without admitting or denying the allegations, Respondent consented to the entry of an order alleging violations of Section 17(a)(3) of the Securities Act of 1933. The Commission ordered the Respondent to pay a $9,000,000 civil money penalty to the Commission. The Commission also created a Fair Fund, pursuant to Section 308(a) of the Sarbanes-Oxley Act of 2002, so the penalty paid can be distributed to harmed investors.

8. The Respondent has paid in full. The Fair Fund consists of the $9,000,000 paid by the Respondent, and has been deposited at the United States Department of the Treasury’s Bureau of the Fiscal Service (“BFS”) for investment.

V. FUND ADMINISTRATOR

33. On November 2, 2021, the Commission appointed Epiq Class Actions and Claims Solutions, Inc., as the fund administrator for the Fair Fund (the “Fund Administrator”), and the Fund Administrator has obtained a bond in the amount of $9,000,000, as ordered. Pursuant to Rule 1105(a) of the Commission’s Rules, 17 C.F.R. § 201.1105(a), the Fund Administrator may be removed at any time by order of the Commission or hearing officer.

34. The Fund Administrator will be responsible for administering the Fair Fund in accordance with the Plan. This will include, among other things, taking reasonable steps to identify and contact Preliminary Claimants; obtaining mailing information for Preliminary Claimants; establishing a website and staffing a call center to address inquiries during the claims process; developing a claims database; preparing accountings; cooperating with the tax administrator appointed by the Commission to satisfy any tax liabilities and to ensure compliance with income tax reporting requirements, including but not limited to Foreign Account Tax Compliance Act (FATCA); advising Preliminary Claimants of deficiencies in claims and providing an opportunity to cure any documentary defects; taking antifraud measures, such as identifying false, ineligible and overstated claims; making determinations under the

38. The Fund Administrator will be entitled to payment from the Fair Fund of reasonable fees and expenses, including the bond premium, incurred in the performance of its duties (including any such fees and expenses incurred by agents, consultants or third-parties retained by the Fund Administrator in furtherance of its duties).

VI. ADMINISTRATION OF THE FAIR FUND

Identification of and Notification to Preliminary Claimants

39. The Fund Administrator will, insofar as practicable, use its best efforts to identify Preliminary Claimants from a review of trading records, obtaining records from registered broker-dealers and investment advisors, and seeking information from any other source available to it. The Fund Administrator may also engage a third-party firm, after consultation with and approval of the Commission staff, to assist in identifying Preliminary Claimants to maximize the participation rate of VelocityShares Daily Inverse VIX Short Term ETNs linked to the S&P 500 VIX Short-Term Futures Index due December 4, 2030 investors in the Fair Fund.

40. Within sixty (60) days after Commission approval of the Plan, the Fund Administrator shall:

(a) design and submit a Claims Packet, including the Plan Notice and the Claim Form, to the Commission staff for review and approval;

(b) create a mailing and claim database of all Preliminary Claimants based upon information identified by the Fund Administrator;
(c) run a National Change of Address search to retrieve updated addresses for all records in the database, thereby ensuring the mailing information for Preliminary Claimants is up-to-date;

(d) mail a Plan Notice to each Preliminary Claimant identified by the Fund Administrator and to the Fund Administrator’s list of banks, brokers, and other nominees in accordance with paragraph 45 below;

(e) establish and maintain a website devoted solely to the Fair Fund. The Fair Fund’s website, located at SPDowJonesIndicesFairFund.com, will make available a copy of the approved Plan; provide information regarding the claims process and eligibility requirements for participation in the Fair Fund in the form of frequently asked questions; include in downloadable form, the Claim Form and other related materials; and such other information the Fund Administrator believes will be beneficial to Preliminary Claimants;

(f) establish and maintain a toll-free telephone number, 855-604-1705, for Preliminary Claimants to call to speak to a live representative of the Fund Administrator during its regular business hours or, outside of such hours, to hear prerecorded information about the Fair Fund. The toll-free number will be listed on all correspondence from the Fund Administrator to Preliminary Claimants as well as on the Fair Fund’s website; and

(g) establish and maintain a traditional mailing address and an email address which will be listed on all correspondence from the Fund Administrator to Preliminary Claimants as well as on the Fair Fund’s website.

41. The Fund Administrator will publish the Summary Notice on the internet and/or in print media acceptable to Commission staff once per week for three consecutive weeks and will first appear within ten (10) days of the initial mailing of the Plan Notice.

42. The Commission staff retains the right to review and approve any material posted on the Fair Fund’s website, any material mailed, and any scripts used in connection with any communication with Preliminary Claimants.

43. In all materials that refer to the Claims Bar Date, the filing deadline will be clearly identified with the calendar date, which is one hundred twenty (120) days from the date of the initial mailing of the Plan Notice.

44. The Fund Administrator will promptly provide a Claims Packet to any Preliminary Claimant upon request made via mail, phone, or email prior to the Claims Bar Date.

45. The Fund Administrator will send by mail, email, or other means, the Plan Notice to the Fund Administrator’s list of banks, brokers, and other nominees, as well as any other institutions identified during the outreach process, that may have records of the Security during
the Relevant Period (collectively, the “Nominees or Custodians”). The Fund Administrator will request that these entities, to the extent that they were record holders for beneficial owners of the Security:

(a) within fourteen (14) days of the Nominees’ or Custodians’ receipt of the Plan Notice, notify and send the Plan Notice to the respective beneficial owners, and, as requested, provide to the beneficial owners a Claims Packet, so that the beneficial owners may timely file a claim. The burden will be on the Nominees or Custodians to ensure the claims process information, including, if requested, the Claim Packet and other relevant materials, is properly disseminated to the beneficial owners; and/or

(b) provide to the Fund Administrator, within fourteen (14) days of receipt of the Plan Notice, a list of last known names and addresses for all beneficial owners for whom/which they held and/or purchased, as the record holder, the Security during the Relevant Period, so that the Fund Administrator can communicate with the beneficial owners directly.

46. At the discretion of the Fund Administrator, in consultation with the Commission staff, a reasonable number of additional copies of the Claims Packet shall be made available to any Nominee or Custodian requesting it for the purpose of distribution to beneficial owners.

47. Requests to the Fund Administrator for additional copies of the Claims Packet in excess of 500 are subject to approval by the Fund Administrator, in consultation with the Commission staff.

48. Documented reasonable out-of-pocket expenses incurred by the Nominees or the Custodians, which would not have been incurred but for compliance with paragraph 46 above, shall be reimbursed from the Fair Fund. The amount of such expenses allowed will be at the discretion of the Fund Administrator, in consultation with the Commission staff. Unless otherwise determined by the Fund Administrator in consultation with the Commission staff, out-of-pocket expenses based on the following rates will be considered reasonable:

(a) a maximum of $0.08 per Claims Packet, plus postage at the pre-sort postage rate per Claim Packet actually mailed;

(b) $0.05 per email of Summary Notice or Plan Notice and Claim Form link disseminated; or

(c) $0.20 per name, address, and email address provided to the Fund Administrator, up to a maximum of amount of $1,500.00.

49. The Fund Administrator will attempt to locate any Preliminary Claimant whose mailing is returned as “undeliverable” and will document all such efforts. The Fund Administrator shall use its best efforts to make use of commercially available resources and other reasonably appropriate means to obtain updated addresses in response to “undeliverable” notices,
and forward any returned mail for which an updated address is provided or obtained. The Fund Administrator will make available, upon request by the Commission staff, a list of all Preliminary Claimants whose Plan Notice have been returned as “undeliverable” due to incorrect addresses and for which the Fund Administrator has been unable to locate current addresses.

Filing a Claim

50. To avoid being barred from asserting a claim, on or before the Claims Bar Date, each Preliminary Claimant must submit to the Fund Administrator a properly completed Claim Form reflecting such Preliminary Claimant’s claim, together with all required supporting documentation as the Fund Administrator, in its discretion, deems necessary or appropriate to substantiate the claim. Without limitation, this information may include third-party documentary evidence of purchases and dispositions of the Security during the Relevant Period, as well as holdings of the Security at pertinent dates.

51. The burden will be upon the Preliminary Claimant to ensure that his, her or its Claim Form has been properly and timely received by the Fund Administrator. A Claim Form that is postmarked after the Claims Bar Date will not be accepted unless the deadline is extended by the Fund Administrator for good cause shown, after consultation with the Commission staff.

52. All Claim Forms and supporting documentation necessary to determine a Preliminary Claimant’s eligibility to receive a distribution from the Fair Fund under the terms of the Plan must be verified by a declaration executed by the Preliminary Claimant under penalty of perjury under the laws of the United States. The declaration must be executed by the Preliminary Claimant, unless the Fund Administrator accepts such declaration from a Person authorized to act on the Preliminary Claimant’s behalf, whose authority is supported by such documentary evidence as the Fund Administrator deems necessary.

53. Electronic claims submission is encouraged; the Plan Notice will include directions on how Preliminary Claimants can submit their claims electronically via the Fair Fund’s website. If using the web-based claim filing option, a Preliminary Claimant must submit his, her, or its claim to the Fund Administrator by 11:59 p.m. on the Claims Bar Date. The Plan Notice will also include directions for submission of claims if the Preliminary Claimant is unable to submit his, her, or its claim electronically.

54. When submitting claims to the Fair Fund on behalf of its clients, all Third-Party Filers must use the electronic filing template provided by the Fund Administrator in this matter. Filers that do not comply with the template and format provided by the Fund Administrator may be rejected. Third-Party Filers must also submit a signed master proof of claim and release, as well as proof of authority to file on behalf of the claimant(s) at the time the electronic file of transactions is submitted. Failure to do so may result in rejection of the claim.

55. Each Third-Party Filer must establish the validity and amount of each claim in its submission. Third-Party Filers must submit such supporting documentary evidence of purchases, dispositions, and holdings of the Security as the Fund Administrator deems necessary or appropriate to substantiate each individual claim. Without limitation, this includes the
complete name of the Preliminary Claimant (beneficial account owner) and its TIN (for individuals) or EIN (for companies), sufficient contact information to confirm the identity of the beneficial owner, and documentation from the original bank, broker or other institution of purchases and dispositions of the Security (account statements, confirmations and other documentation of purchases and dispositions), as well as holdings of the Security on pertinent dates. Documentation generated by the Third-Party Filer as well as affidavits in lieu of supporting documentation will not be accepted unless, for good cause, the Fund Administrator determines it acceptable. The Fund Administrator will have the right to request, and the Third-Party Filer will have the burden of providing to the Fund Administrator, any additional information and/or documentation deemed necessary by the Fund Administrator to substantiate the claim(s) contained in the submission. Documentation from a Third-Party Filer that is not acceptable to the Fund Administrator will result in rejection of the affected claim(s). The determination of the Fund Administrator to reject a claim for insufficient documentation, as reflected on the Final Determination Notice, is final and within the discretion of the Fund Administrator.

56. The receipt of the Security by gift, inheritance, devise, or operation of law will not be deemed to be a purchase of the Security, nor will it be deemed an assignment of any claim relating to the purchase of the Security unless specifically so provided in the instrument of inheritance. However, the recipient of the Security as a gift, inheritance, devise or by operation of law will be eligible to file a Claim Form and participate in the distribution of the Fair Fund to the extent the original purchaser would have been eligible under the terms of the Plan. Only one claim may be submitted with regard to the same transactions in the Security, and in cases where multiple claims are filed by the donor and donee, the donee claim will be honored, assuming it is supported by proper documentation.

57. Claims on behalf of a retirement plan covered by Section 3(3) of ERISA, 29 U.S.C.§ 1002(3), which do not include Individual Retirement Accounts and such plan’s participants, are properly made by the administrator, custodian or fiduciary of the plan and not by the plan’s participants. The Fund Administrator will distribute any payments on such claims directly to the administrator, custodian or fiduciary of the retirement plan. The custodian or fiduciary of the retirement plan will distribute any payments received in a manner consistent with its fiduciary duties and the governing account or plan provisions.

Claims Eligibility Determination

58. The Fund Administrator will review all claim submissions and determine the eligibility of each Preliminary Claimant to participate in the Fair Fund by reviewing claim data and supporting documentation (or the lack thereof) and verifying the claim. Any Preliminary Claimant with a valid claim that held the Security during the Relevant and who is not an Excluded Party, will be deemed an Eligible Claimant. Each Preliminary Claimant will have the burden of proof to establish the validity and amount of his, her or its claim, and qualification as an Eligible Claimant. The Fund Administrator will have the right to request, and the Preliminary Claimant will have the burden of providing to the Fund Administrator, any additional information and/or documentation deemed relevant by the Fund Administrator.
59. The Fund Administrator will provide a Claim Status Notice within ninety (90) days of the Claims Bar Date to each Preliminary Claimant who has filed a Claim Form with the Fund Administrator, setting forth the Fund Administrator’s determination of the eligibility of the claim (eligible, partially or wholly deficient, or ineligible). The Claim Status Notice will provide to each Preliminary Claimant whose claim is deficient, in whole or in part, the reason(s) for the deficiency (e.g., failure to provide required information or documentation). In the event the claim is denied, in whole or in part, the Claim Status Notice will state the reason(s) for such denial. The Claim Status Notice will also notify the Preliminary Claimant of the opportunity to cure any deficiency, request reconsideration, or dispute the determination made by the Fund Administrator and provide instructions regarding what is required to do so.

60. Any Preliminary Claimant with a deficient claim will have thirty (30) days from the date of the Claim Status Notice to cure any deficiencies identified in the Claim Status Notice.

61. Any Preliminary Claimant seeking reconsideration of a denied claim must advise the Fund Administrator in writing within thirty (30) days of the date of the Claim Status Notice. All requests for reconsideration must include the necessary documentation to substantiate the basis upon which the Preliminary Claimant is requesting reconsideration of his, her, or its claim.

62. The Fund Administrator may, in its sole discretion, consider disputes of any nature presented in writing within thirty (30) days of the Claim Status Notice by Preliminary Claimants, and will consult Commission staff as appropriate.

63. The Fund Administrator will send, as appropriate, a Final Determination Notice to all Preliminary Claimants who responded to the Claim Status Notice in an effort to cure a deficiency, seek reconsideration of a rejected claim, or dispute the determination made by the Fund Administrator, notifying the Preliminary Claimant of its determination. The Fund Administrator will send such Final Determination Notices no later than thirty (30) days following receipt of documentation or information in response to the Claim Status Notice, or such longer time as the Fund Administrator determines is necessary for a proper determination concerning the claim.

64. The Fund Administrator will have the authority, in its sole discretion, to waive technical claim deficiencies and approve claims on a case-by-case basis, or in groups of claims. All determinations made by the Fund Administrator in accordance with the Plan in any dispute, request for reconsideration, or request to cure a deficient claim will be final and not subject to appeal.

65. The Preliminary Claimant has the burden of notifying the Fund Administrator of a change in his, her or its current address and other contact information, and of ensuring that such information is properly reflected on the Fund Administrator's records.
Distribution Methodology

66. The Fund Administrator will calculate each Eligible Claimant’s Recognized Loss in accordance with the Plan of Allocation. All Eligible Claimants who are determined to receive a Distribution Payment will be deemed a Payee.

Establishment of a Reserve

67. Before determining the amount of funds available for distribution and calculating each Payee’s Distribution Payment, the Fund Administrator, in conjunction with the Tax Administrator, will establish a reserve to pay Administrative Costs and to accommodate any unexpected expenditures (the “Reserve”).

68. After all disbursements and Administrative Costs are paid, any remaining amounts in the Reserve will become part of the Residual described in paragraph 91 below.

Preparation of the Payment File

69. Within thirty (30) days following the date of the Final Determination Notices described above, paragraph 63, the Fund Administrator will compile and send to the Commission staff the Payee information, including the name, address, calculated Recognized Loss, and the amount of the Distribution Payment for all Payees (the “Payee List”). The Fund Administrator will also provide a Reasonable Assurances Letter to the Commission staff, representing that the Payee List: (a) was compiled in accordance with the approved Plan; (b) is accurate as to Payees’ names, addresses, Recognized Losses and amounts of their Distribution Payment; (c) includes the number of Payees compensated; (d) the total amount being distributed; and (e) provides all information necessary to make a payment to each Payee.

The Escrow Account

70. Prior to the disbursement of the Net Available Fair Fund, the Fund Administrator will establish an escrow account (the “Escrow Account”) with a United States commercial bank that is a well-capitalized financial institution as defined by the Federal Reserve Act, Subpart D, 12 C.F.R. 208.43 and that is not unacceptable to the Commission staff (the “Bank”), pursuant to an escrow agreement (the “Escrow Agreement”) to be provided by Commission staff.

71. The Fund Administrator, pursuant to the Escrow Agreement, shall also establish with the Bank a separate deposit account (e.g. controlled distribution account, managed distribution account, linked checking and investment account) (the “Distribution Account”), insured by the Federal Deposit Insurance Corporation (“FDIC”) up to the guaranteed FDIC pass through limit. The Distribution Account shall be linked with the Escrow Account and shall be named, and records maintained, in accordance with the Escrow Agreement.

72. During the term of the Escrow Agreement, the portions of the Fair Fund transferred to the Escrow Account (the “Escrow Property”), shall be invested and reinvested in short-term U.S. Treasury securities backed by the full faith and credit of the United States Government or
an agency thereof. The investment shall be, of a type and term necessary to meet the cash liquidity requirements for payments to Payees, tax obligations, and/or fees of the Tax Administrator and/or Fund Administrator, including investment or reinvestment in a bank account insured by the FDIC up to the guaranteed FDIC limit, or in money market mutual funds registered under the Investment Company Act of 1940 that invest 100% of their assets in direct obligations of the United States Government.

73. The Fund Administrator shall provide duplicate original bank and/or investment statements on any accounts established by the Fund Administrator to the Tax Administrator on a monthly basis and shall assist the Tax Administrator in obtaining mid-cycle statements, as necessary.

74. The Fund Administrator shall deposit or invest funds in the Escrow and Distribution Accounts so as to result in the maximum reasonable net return, taking into account the safety of such deposits or investments. In consultation with Commission staff, the Fund Administrator shall work with the Bank on an ongoing basis to determine an allocation of funds between the Escrow and Distribution Account.

75. All interest, dividends, and/or income earned by the Escrow Property will accrue for the benefit of the Escrow Property. All Administrative Cost associated with the Escrow and Distribution Accounts will be the responsibility of the Fund Administrator, who may be reimbursed for said costs as provided in this Plan. No such Administrative Costs may be paid to the Bank, its agents, and/or its affiliates from the Escrow Property.

Distribution of the Fair Fund

76. The Fund Administrator will seek to distribute the Net Available Fair Fund to all Payees only after all Claim Forms have been processed and all Preliminary Claimants whose claims have been rejected or disallowed, in whole or in part, have been notified and provided the opportunity to contest or cure pursuant to the procedures set forth herein.

77. Upon the Commission’s staff’s receipt, review, and acceptance of the Payee List and Reasonable Assurances Letter from the Fund Administrator, the Commission staff will seek an Order from the Commission pursuant to Rule 1101(b)(6) of the Commission’s Rules, 17 C.F.R. § 210.1101(b)(6), to disburse funds to the Bank in accordance with the Payee List for distribution by the Fund Administrator in accordance with the Plan. All disbursements will be made pursuant to a Commission Order.

78. Upon issuance of an Order to disburse, the Commission staff will direct the transfer of funds in accordance with the Payee List to the Bank. The Fund Administrator will then use its best efforts to commence mailing Distribution Payment checks and/or effect wire transfers within ten (10) business days of the release of the funds into the Escrow Account. All efforts will be coordinated to limit the time between the Escrow Account’s receipt of the funds and the issuance of Distribution Payments.
79. All Distribution Payments will be issued by the Fund Administrator from the Distribution Account. All checks will bear a stale date of one hundred twenty (120) days from the date of issuance. Checks that are not negotiated by the stale date will be voided, and the Bank will be instructed to stop payment on those checks. A Payee’s claim will be extinguished if he, she, or it fails to negotiate his, her or its check by the stale date, and the funds will remain in the Fair Fund, except as provided in paragraph 87.

80. All payments will be preceded or accompanied by a communication that includes, as appropriate: (a) a statement characterizing the distribution; (b) a statement that the tax treatment of the distribution is the responsibility of each Payee and that the Payee should consult his, her or its tax advisor for advice regarding the tax treatment of the distribution; (c) a statement that checks will be void and cannot be reissued after one hundred twenty (120) days from the date the original check was issued; and (d) contact information for the Fund Administrator for questions regarding the Distribution Payment. The letter or other mailings to Payees characterizing a Distribution Payment will be submitted to the Tax Administrator and Commission staff for review and approval.

81. All Distribution Payments, either on their face or in the accompanying mailing, will clearly indicate that the money is being distributed from the Fair Fund established by the Commission to compensate investors for harm as a result of securities law violations.

82. Distribution Payments must be made by check or electronic payment payable to the Payee (the beneficial account owner). A Third-Party Filer shall not be the payee of any Distribution Payment check or electronic Distribution Payment. Any other payment arrangement must be discussed with the Fund Administrator in consultation with the Commission staff and must be authorized by the Payee. Compensation to a Third-Party Filer for its services may not be paid or deducted from the Distribution Payment.

83. If, after discussion with the Fund Administrator in consultation with the Commission staff, and authorization by the Payee(s), a Distribution Payment is to be made to a Third-Party Filer to distribute to the Payee(s), the Third-Party Filer will be required to complete a certification, which will require them, at a minimum, to attest that any distribution to the custodian, trustee, or investment professional representing multiple potentially eligible beneficial owners, will be allocated for the benefit of current or former pooled investors and not for the benefit of management. The certification form will be available on the Fair Fund website and upon request from the Fund Administrator. All such Third-Party Filers must have an auditable mechanism available to the Fund Administrator and the Commission staff to confirm that each Payee received the Distribution Payment directed to them.

84. The submission of a Claim Form and the receipt and acceptance of a Distribution Payment by a Payee is not intended to be a release of a Payee's rights and claims against any party.
85. Electronic or wire transfers may be utilized at the discretion of the Fund Administrator to transfer approved Distribution Payments to filers of claims on behalf of twenty (20) or more Payees. Wire transfers will be initiated by the Fund Administrator using a two-party check and balance system, whereby completion of a wire transfer will require an authorization by two members of the Fund Administrator’s senior staff.

Post Distribution; Handling of Returned or Uncashed Checks; and Reissues

86. The Fund Administrator shall use its best efforts to make use of commercially available resources and other reasonably appropriate means to locate all Payees whose checks are returned to the Fund Administrator as “undeliverable.” If new address information becomes available, the Fund Administrator will repackage the distribution check and send it to the new address. If new address information is not available after a diligent search (and in no event no later than one hundred twenty (120) days after the initial mailing of the original check) or if the distribution check is returned again, the check shall be voided and the Fund Administrator shall instruct the issuing financial institution to stop payment on such check. If the Fund Administrator is unable to find a Payee’s correct address, the Fund Administrator, in its discretion, may remove such Payee from the distribution and the allocated Distribution Payment will remain in the Fair Fund for distribution, if feasible, to the remaining Payees.

87. The Fund Administrator will reissue checks to Payees upon the receipt of a valid, written request from the Payee prior to the initial stale date. In cases where a Payee is unable to endorse a Distribution Payment check as written (e.g., name changes, IRA custodian changes, or recipient is deceased) and the Payee or a lawful representative requests the reissuance of a Distribution Payment check in a different name, the Fund Administrator will request, and must receive, documentation to support the requested change. The Fund Administrator will review the documentation to determine the authenticity and propriety of the change request. If, in the discretion of the Fund Administrator, such change request is properly documented, the Fund Administrator will issue an appropriately redrawn Distribution Payment to the requesting party. Reissued checks will be void at the later of one hundred twenty (120) days from issuance of the original check or thirty (30) days from the reissuance, and in no event will a check be reissued after one hundred twenty (120) days from the date of the original issuance without the approval of Commission staff.

88. The Fund Administrator will make reasonable efforts to contact Payees who have failed to negotiate their Distribution Payment check and take appropriate action to follow up on the status of uncashed checks at the request of Commission staff. The Fund Administrator may reissue such checks subject to the time limits detailed herein.

Administrative Costs

89. All Administrative Costs will be paid from the Fair Fund in accordance with the Commission’s Rules.
Disposition of Undistributed Funds

90. If funds remain following the initial distribution and payment of all Administrative Costs, the Fund Administrator, in consultation with the Commission staff, may seek subsequent distribution of any available remaining funds, pursuant to the Commission’s Rules.

91. A residual within the Fair Fund will be established for any amounts remaining after the final disbursement to Payees from the Fair Fund (the “Residual”). The Residual may include funds from, among other things, amounts remaining the Reserve, distribution checks that have not been cashed, checks or electronic payments that were not delivered or returned to the Commission, tax refunds for overpayment or for waiver of IRS penalties.

92. All funds remaining in the Residual that are infeasible to distribute to investors will be returned to the Commission and transferred to the U.S. Treasury after the final accounting is approved by the Commission.

Accountings

93. Pursuant to Rule 1105(f) of the Commission’s Rules, during the first ten (10) days of each calendar quarter after funds have been transferred from the BFS to the Bank, the Fund Administrator will file with the Commission an accounting of all monies earned or received and all monies spent in connection with the administration of the Plan on a standardized accounting form provided by the Commission staff.

94. Upon completion of all distributions to Payees pursuant to the procedures described above, the Fund Administrator shall arrange for the payment of all Administrative Costs, transfer all remaining funds to the Commission, and submit a final accounting for approval by the Commission on a standardized form provided by the Commission staff. The Fund Administrator will also submit a report to the Commission staff containing the final distribution statistics regarding distributions to individuals and entities, and such other information requested by the Commission staff.

Termination of the Fair Fund

95. The Fair Fund will be eligible for termination and the Fund Administrator will be eligible for discharge after all of the following have occurred (a) a final accounting, in a standard accounting format provided by the Commission staff, has been submitted by the Fund Administrator and approved by the Commission; (b) all Administrative Costs have been paid; and (c) any amount remaining in the Fair Fund has been returned to the Commission for transfer to U.S. Treasury. Once the Commission has approved the final accounting, the Commission staff will seek an order from the Commission authorizing: (a) the transfer of the Residual that is infeasible to return to investors, and any amounts returned to the Fair Fund in the future that are infeasible to return to investors, to the U.S. Treasury, subject to Section 21F(g)(3) of the Exchange Act; (b) discharge of the Fund Administrator; (c) cancellation of the Fund Administrator’s bond; and (d) termination of the Fair Fund.
96. Once the Fair Fund has been terminated and funds, if any, are transferred to the U.S. Treasury, no further claims will be allowed and no additional payments will be made whatsoever.

Miscellaneous

97. When administering this Plan, the Fund Administrator, and/or each of its designees, agents and assigns, may rely on: all applicable law; orders issued by the Commission, including orders issued by delegated authority; orders issued by an administrative law judge, if any, appointed in this proceeding; and any records, including records containing investor information, provided by Commission staff.

98. Should any additional funds be received pursuant to Commission or Court order, agreement, or otherwise, prior to the Commission’s termination of the Fair Fund, such funds will be added to the Fair Fund and distributed, if feasible, in accordance with the Plan, pursuant to the Commission’s Rules.

Wind-down and Document Retention

99. The Fund Administrator will shut down the website, P.O. Box and customer service telephone line(s) established specifically for the administration of the Fair Fund six (6) months after the transfer of any remaining funds to the Commission, or at such earlier time as the Fund Administrator determines with the concurrence of the Commission staff.

100. The Fund Administrator will retain all materials submitted by Payees in either paper or electronic form for a period of six (6) years from the date of approval of a final fund accounting. Materials maintained in electronic form must be accessible and readable for the duration of retention. Pursuant to the Commission staff’s direction, the Fund Administrator will either turn over to the Commission or destroy all materials, including documents in any media, upon expiration of this period.

VII. NOTICE AND COMMENT PERIOD

101. The Notice of Proposed Plan of Distribution and Opportunity to Comment (the “Notice”) will be published on the Commission’s website at http://www.sec.gov/litigation/fairfundlist.htm. Any Person wishing to comment on the Plan must do so in writing by submitting their comments to the Commission within thirty (30) days of the publication of the Notice: (a) to the Office of the Secretary, United States Securities and Exchange Commission, 100 F Street, NE, Washington, DC 20549-1090; (b) by using the Commission’s Internet comment form (www.sec.gov/litigation/admin.shtml); or (c) by sending an email to rule-comments@sec.gov. Persons should only submit comments that they wish to make publicly available.
Exhibit A

PLAN OF ALLOCATION

This Plan of Allocation is designed to compensate investors based on their losses on shares of VelocityShares Daily Inverse VIX Short Term Exchange Traded Notes linked to the S&P 500 VIX Short-Term Futures Index due December 4, 2030 (the “Security”) purchased or held on February 5, 2018 during after-hours trading between 4:09:40 PM, when the index experienced the first Auto Hold, and 5:09:00 PM, when the closing indicative value of the Security was published (the “Relevant Period”). During the Relevant Period, investors did not know that they had been purchasing and/or holding a product that had an economic value that was substantially less than what XIV’s calculation agent had publicly reported and that was at risk of being accelerated by the issuer. Investors who did not purchase and/or hold shares of the Security during the Relevant Period or who are an Excluded Party are ineligible to recover under this Plan.

For each share of the Security purchased and/or held during the Relevant Period, the Fund Administrator will calculate the amount of loss for each share of the Securities (“Recognized Loss per Share”) as follows:

A. Determine Purchase Price for Each Share of the Security (the “Purchase Price”)

1. For shares purchased or acquired prior to 4:09:40 PM on February 5, 2018, the Purchase Price is $92.50, the trade price of the Security at 4:09:40 PM on February 5, 2018.

2. For shares purchased or acquired between 4:09:40 PM and 5:09:00 PM on February 5, 2018, the Purchase Price is the actual purchase price.

B. Determine Sale Price for Each Share of the Security (the “Sale Price”)

1. For shares sold prior to the close of trading on February 15, 2018, the Security’s accelerated valuation date, the Sale Price is the actual sale price.

2. For shares sold after the close of trading on February 15, 2018 or redeemed, the Sale Price, for the purposes of this Plan, is $5.99, the closing indicative value of the Security on February 15, 2018.

The Recognized Loss per Share is the difference between the Purchase Price and the Sale Price.

---

5 All capitalized terms used herein but not defined shall have the same meanings ascribed to them in the Plan.
6 In the absence of a timestamp on the transaction record, a transaction on February 5, 2018 will be deemed to have occurred between 4:09:40 PM and 5:09:00 PM if the transaction price is greater than or equal to $35.00 and less than or equal to $92.50, based on the Commission staff’s analysis of intra-day trading data.
If the Recognized Loss per Share calculates to a negative number, reflecting a gain, the Recognized Loss per Share on such shares will be $0.00.

All prices mentioned in the calculations exclude all taxes, fees and commissions. Purchases and sales shall be deemed to have occurred on the “contract” or “trade” date as opposed to the “settlement” or “payment” date.

**Additional Provisions**

**FIFO Methodology:** For each Eligible Claimant who made multiple purchases and sales of Security during the Relevant Period, the transactions will be matched according to the first-in, first-out (“FIFO”) method. The earliest sales during the Relevant Period will be matched first against any holdings at the opening of the Relevant Period. Once the beginning holdings have all been matched, or in the event that the Eligible Claimant had no beginning holdings, then any further sales will be matched against the earliest Relevant Period purchases and chronologically thereafter.

**Options and Derivatives:** XIV exchange-traded note is the only security eligible for recovery under this Plan. Option contracts to purchase or sell the Securities are not securities eligible for recovery under the Plan. With respect to the Securities purchased or sold through the exercise of an option, the purchase/sale date is the exercise date of the call and the assignment date of the put, and the purchase/sale price is the strike price of the call at the time of exercise and the strike price of the put at the time of assignment. Transactions in the Securities during the Relevant Period that are pursuant to, or in connection with, a swap or another derivative will not be eligible for a recovery.

**Short Sales:** If the sale date for a share falls before the purchase date, then the share has a Recognized Loss per Share of $0.00. The date of covering a short sale is deemed to be the date of purchase of the Securities and the date of a short sale is deemed to be the date of sale of the Securities. The earliest Relevant Period purchases will be matched against any short position existing on the date prior to the start of the Relevant Period, and not be entitled to a recovery, until that short position is fully covered.

**Recognized Loss:** An Eligible Claimant’s Recognized Loss will be the sum of the Recognized Loss per Share, as calculated above, on all shares of the Securities held or purchased during the Relevant Period. If the Recognized Loss calculates to a gain, then the Recognized Loss will be $0.00.

**Allocation of Funds:** If the Net Available Fair Fund is equal to or exceeds the sum of Recognized Losses of all Eligible Claimants, each Eligible Claimant’s distribution amount will equal his, her or its Recognized Loss, plus “Reasonable Interest” if applicable. If the Net Available Fair Fund is less than the sum of the Recognized Losses of all Eligible Claimants, each Eligible Claimant’s distribution amount will equal his, her or its “Pro Rata Share” of the Net Available Fair Fund (and no Reasonable Interest). In either case, the distribution amount will be subject to the “Minimum Distribution Amount.”
Reasonable Interest: If the Net Available Fair Fund exceeds that necessary to pay all Eligible Claimants their Recognized Losses in full, the Fund Administrator, in consultation with the Commission staff, may include interest in the distribution amount to compensate Eligible Claimants for the time value of their respective Recognized Losses. Reasonable interest will be calculated using the Short-term Applicable Federal Rate plus three percent (3%), compounded quarterly from the end of the Relevant Period through the approximate date of the disbursement of the funds. If there are insufficient funds to pay Reasonable Interest in full to all Eligible Claimants, each Eligible Claimant will receive his, her or its Pro Rata Share of the excess funds as the Reasonable Interest amount.

Pro Rata Share: A Pro Rata Share computation is intended to measure Eligible Claimants’ Recognized Losses against one another. The Fund Administrator shall determine each Eligible Claimant’s Pro Rata Share as the ratio of his, her or its Recognized Loss to the sum of Recognized Losses of all Eligible Claimants.

Minimum Distribution Amount: The Minimum Distribution Amount will be $10.00. If an Eligible Claimant’s distribution amount is less than the Minimum Distribution Amount, that Eligible Claimant will be deemed ineligible to receive a Distribution Payment and his, her or its distribution amount will be reallocated on a pro-rata basis to Eligible Claimants whose distribution amounts are greater than or equal to the Minimum Distribution Amount.

Payee: An Eligible Claimant whose distribution amount (inclusive of Reasonable Interest, if any) equals or exceeds the Minimum Distribution Amount will be deemed a Payee and receive a Distribution Payment equal to his, her or its distribution amount.

Prior Recovery: To avoid payment of a windfall, the Distribution Payment will be no larger than the Payee’s Recognized Loss minus the amount of any compensation for the loss that resulted from the conduct described in the Order that was received from another source (e.g., class action settlement), to the extent known by the Fund Administrator, Reasonable Interest, if awarded, may be added to such Distribution Payment.
