**Administrative Proceeding
File No. 3-16590**

**In The Matter of
Brian J. Ourand
Respondent**

**RESPONSE TO THE DIVISION OF ENFORCEMENT'S
BRIEF DATED JUNE 6, 2016**

The Respondent reiterates his position that there is good cause for his Petition For Commission Review to be granted. The Respondent argues that circumstances (Respondent's relocation) dictate that the Respondent's request should not be summarily denied. There is no harm to either the Respondent nor to Counsel for the Division of Enforcement to move forward with the Respondent's Petition For Commission Review. In fact, Respondent firmly believes that In the interest of justice and for these proceedings and entire process to be considered fair and impartial, it is imperative that the Respondent's request be granted.

Respectfully submitted,
