
The Commission temporarily suspended trading in the securities of Pax Energy, which are quoted on the OTC Bulletin Board and on the Pink Sheets operated by Pink OTC Markets Inc. under the ticker symbol PXCE, because it appears to the Commission that there is a lack of current and accurate information concerning, among other things, an acquisition by the company, the value of the company after the completion of the acquisition, and the company’s current and future financial condition.

The Commission cautions broker dealers, shareholders, and prospective purchasers that they should carefully consider the foregoing information along with all other currently available information and any information subsequently issued by the company.

Further, brokers and dealers should be alert to the fact that, pursuant to Rule 15c2-11 under the Exchange Act, at the termination of the trading suspension, no quotation may be entered unless and until they have strictly complied with all of the provisions of the rule. If any broker or dealer has any questions as to whether or not he has complied with the rule, he should not enter any quotation but immediately contact the staff in the Division of Trading and Markets, Office of Interpretation and Guidance, at (202) 551-5777. If any broker or dealer is uncertain as to what is required by Rule 15c2-11, he should refrain from entering quotations relating to Pax Energy’s securities until such time as he has familiarized himself with the rule and is certain that all of its provisions have been met. If any broker or dealer enters any quotation which is in violation of the rule, the Commission will consider the need for prompt enforcement action.

If any broker dealer or other person has any information which may relate to this matter, the Los Angeles Regional Office of the Securities and Exchange Commission should be telephoned at (323) 965-3998.
