SECURITIES EXCHANGE ACT OF 1934
Release No. 61186 / December 17, 2009

SEC SUSPENDS TRADING IN THE SECURITIES OF SOMATIC SYSTEMS INC

The Securities and Exchange Commission announced the temporary suspension, pursuant to Section 12(k) of the Securities Exchange Act of 1934 (the "Exchange Act"), of trading of the securities of Somatic Systems Inc. ("Somatic") at 9:30 a.m. on December 17, 2009, and terminating at 11:59 p.m. on December 31, 2009.

The Commission temporarily suspended trading in the securities of Somatic because of questions that have been raised regarding the issuance of Somatic stock, trading in the company's stock, and the adequacy of publicly disseminated information concerning, among other things, Somatic's current financial condition and business operations.

The Commission cautions brokers, dealers, shareholders, and prospective purchasers that they should carefully consider the foregoing information along with all other currently available information and any information subsequently issued by the company.

Further, brokers and dealers should be alert to the fact that, pursuant to Rule 15c2-11 under the Exchange Act, at the termination of the trading suspension, no quotation may be entered unless and until they have strictly complied with all of the provisions of the rule. If any broker or dealer has any questions as to whether or not it has complied with the rule, it should not enter any quotation but immediately contact the staff in the Division of Trading and Markets, Office of Interpretation and Guidance, at (202) 551-5777. If any broker or dealer is uncertain as to what is required by Rule 15c2-11, it should refrain from entering quotations relating to Somatic's securities until such time as it has familiarized itself with the rule and is certain that all of its provisions have been met. If any broker or dealer enters any quotation that is in violation of the rule, the Commission will consider the need for prompt enforcement action.

If any broker, dealer or other person has any information which may relate to this matter, Thomas A. Sporkin, Deputy Chief, Office of Internet Enforcement, Division of Enforcement, should be telephoned at (202) 551-4891.
