In the Matter of
Turbo Global Partners, Inc.
File No. 500-1

ORDER OF SUSPENSION OF TRADING

It appears to the Securities and Exchange Commission that the public interest and the protection of investors require a suspension in the trading of the securities of Turbo Global Partners, Inc. ("TRBO" or "the Company") (CIK No. 0001411215) because of questions regarding the accuracy and adequacy of information in the marketplace since at least March 2020.

Those questions relate to statements TRBO made regarding its “Strategic Alliance Partnership with BeMotion, Inc.” to address the COVID-19 pandemic, including statements contained in press releases issued by the Company on March 30, 2020 and April 3, 2020 concerning its (i) entry into an agreement with BeMotion, Inc. to provide non-contact human temperature screening and facial recognition technology to TRBO; and (ii) ability to ship the technology to customers within five days of receiving an order.

TRBO is a Nevada corporation with its principal place of business located in Tampa, Florida. The Company’s common stock is quoted on OTC Link LLC (previously Pink Sheets), operated by OTC Markets Group Inc., under the symbol TRBO. As of April 6, 2020, TRBO had 10 market makers, and was eligible for the “piggyback” exception of Rule 15c2-11(f)(3) under the Securities Exchange Act of 1934.
The Commission is of the opinion that the public interest and the protection of investors require a suspension of trading in the securities of the above-listed company.

THEREFORE, IT IS ORDERED, pursuant to Section 12(k) of the Securities Exchange Act of 1934, that trading in the securities of the above-listed company is suspended for the period from 9:30 a.m. EDT on April 9, 2020, through 11:59 p.m. EDT on April 23, 2020.

By the Commission.
