ORDER OF SUSPENSION OF TRADING

In the Matter of

Corporate Universe, Inc.

File No. 500-1

It appears to the Securities and Exchange Commission that the public interest and the protection of investors require a suspension in the trading of the securities of Corporate Universe, Inc. (“COUV” or “the Company”) (CIK No. 0001450307) because of questions regarding the accuracy and adequacy of information about the company in the marketplace since at least December 1, 2020. Those questions relate to publicly available information concerning COUV including: (a) a statement made by the Company on December 1, 2020 claiming that it is currently selling a face mask that has been proven to filter 98% of COVID-19 particles, and that the mask is “scientifically proven to kill COVID-19 particles”; and (b) a statement by the Company on December 16, 2020 that it has entered into a definitive letter of intent to acquire a company that holds 30 patents related to carbon ion battery technology. COUV is a Delaware corporation with its principal place of business located in Claymont, Delaware. The Company’s common stock is quoted and traded on OTC Link whose parent company is OTC Markets Group Inc., under the ticker symbol COUV. As of February 5, 2021, COUV’s common stock had 9 market makers, and was eligible for the “piggyback” exception of Rule 15c2-11(f)(3) under the Securities Exchange Act of 1934.
The Commission is of the opinion that the public interest and the protection of investors require a suspension of trading in the securities of the above-listed Company.

THEREFORE, IT IS ORDERED, pursuant to Section 12(k) of the Securities Exchange Act of 1934, that trading in the securities of the above-listed Company is suspended for the period from 9:30 a.m. EST on February 10, 2021, through 11:59 p.m. EST on February 24, 2021.

By the Commission.
