The Securities and Exchange Commission announced the temporary suspension, pursuant to Section 12(k) of the Securities Exchange Act of 1934 (the “Exchange Act”), of trading in the securities of Photozou Holdings, Inc. (ticker symbol PTZH) (“PTZH”) (CIK No. 0001627469), of Tokyo, Japan, at 9:30 a.m. EDT on April 30, 2021, and terminating at 11:59 p.m. EDT on May 13, 2021.

The Commission temporarily suspended trading in the securities of PTZH in light of: (1) potentially manipulative transactions in PTZH’s common stock, particularly in February and March 2021, that may have influenced the market price for PTZH’s common stock; and (2) unusual trading activity affecting the market for PTZH securities, particularly in February and March 2021, when the share price for PTZH’s common stock greatly increased even though there was no publicly available news that reasonably explained such trading activity.

The Commission cautions broker-dealers, shareholders, and prospective purchasers that they should carefully consider the foregoing information along with all other currently available information and any information subsequently issued by the company.

Further, brokers and dealers should be alert to the fact that, pursuant to Rule 15c2-11 under the Exchange Act, at the termination of the trading suspension, no quotation may be entered unless and until they have strictly complied with all of the provisions of the rule. If any broker or dealer has any questions as to whether or not it has complied with the rule, it should not enter any quotation but instead should immediately contact the staff in the Division of Trading and Markets, Office of Interpretation and Guidance, at (202) 551-5777. If any broker or dealer is uncertain as to what is required by Rule 15c2-11, it should refrain from entering quotations relating to PTZH’s securities until such time as it has familiarized itself with the rule and is certain that all of its provisions have been met. If any broker or dealer enters any quotation that is in violation of the rule, the Commission will consider the need for prompt enforcement action.

If any broker-dealer or other person has any information that may relate to this matter, they should immediately contact Justin Jeffries, Associate Regional Director, at (404) 842-5750. The Commission appreciates the assistance of the Financial Industry Regulatory Authority (FINRA).
