File No. 500-1

It appears to the Securities and Exchange Commission (“Commission”) that there is a lack of accurate and adequate public information concerning the securities of each of the issuers detailed below because questions have arisen as to their operating status, if any. As of June 25, 2021, the stock of each of the issuers below was quoted and traded on OTC Link whose parent company is OTC Markets Group, Inc., had at least one market maker, and was eligible for the “piggyback” exception of Rule 15c2-11(f)(3) under the Securities Exchange Act of 1934. The staff of the Commission also determined that none of the issuers below has posted any information with OTC Markets Group, Inc. or filed any information with the Commission for over a year.

1. As of June 25, 2021, the common stock of American Community Newspapers, Inc.
   (ticker symbol ACNI) (CIK No. 0001321544), a Delaware corporation purportedly located in Dallas, TX, had six market makers. The staff of the Commission attempted to contact this issuer
and either the issuer failed to respond to the staff’s inquiry about its operating status, did not have an operational address, or failed to provide its registered agent with an operational address. In addition, this issuer does not appear to have an operating U.S. phone number.

2. As of June 25, 2021, the common stock of Be Active Holdings, Inc. (ticker symbol JALA) (CIK No. 0001514514), a Delaware corporation purportedly located in Great Neck, NY, had six market makers. The staff of the Commission attempted to contact this issuer and either the issuer failed to respond to the staff’s inquiry about its operating status, did not have an operational address, or failed to provide its registered agent with an operational address. In addition, this issuer does not appear to have an operating U.S. phone number.

3. As of June 25, 2021, the common stock of Biomimix, Inc. (ticker symbol BMMX), a Delaware corporation purportedly located in Ashburn, VA, had six market makers. The staff of the Commission attempted to contact this issuer and either the issuer failed to respond to the staff’s inquiry about its operating status, did not have an operational address, or failed to provide its registered agent with an operational address. In addition, this issuer does not appear to have an operating U.S. phone number.

4. As of June 25, 2021, the common stock of BroadWebAsia, Inc. (ticker symbol BWBA) (CIK No. 0001411055), a Delaware corporation purportedly located in West Hollywood, CA, had five market makers. The staff of the Commission attempted to contact this issuer and either the issuer failed to respond to the staff’s inquiry about its operating status, did not have an operational address, or failed to provide its registered agent with an operational address. In addition, this issuer does not appear to have an operating U.S. phone number.

5. As of June 25, 2021, the common stock of CapitalSouth Bancorp (ticker symbol CAPB) (CIK No. 0001338977), a Delaware corporation purportedly located in Birmingham, AL, had six market makers. This issuer is a failed bank.
6. As of June 25, 2021, the common stock of Cell Tech International Incorporated (ticker symbol EFLI) (CIK No. 0001015194), a Delaware corporation purportedly located in Klamath Falls, OR, had six market makers. The staff of the Commission attempted to contact this issuer and either the issuer failed to respond to the staff’s inquiry about its operating status, did not have an operational address, or failed to provide its registered agent with an operational address. In addition, this issuer does not appear to have an operating U.S. phone number.

7. As of June 25, 2021, the common stock of Cloudward, Inc. (ticker symbol CDWD) (CIK No. 0001045739), a Delaware corporation purportedly located in Maple Valley, WA, had five market makers. The staff of the Commission attempted to contact this issuer and either the issuer failed to respond to the staff’s inquiry about its operating status, did not have an operational address, or failed to provide its registered agent with an operational address. In addition, this issuer does not appear to have an operating U.S. phone number.

8. As of June 25, 2021, the common stock of Conihasset Capital Partners, Inc. (ticker symbol CNHA) (CIK No. 0001363533), a Delaware corporation purportedly located in Boston, MA, had five market makers. The staff of the Commission was able to contact the issuer, which informed the staff that it is no longer operating.

9. As of June 25, 2021, the common stock of East Side Financial, Inc. (ticker symbol ESDF) (CIK No. 0000874037), a Delaware corporation purportedly located in Chicago, IL, had four market makers. This issuer is a failed bank.

10. As of June 25, 2021, the common stock of Eastern Light Capital, Inc. (ticker symbol ELCI) (CIK No. 0001021422), a Delaware corporation purportedly located in San Francisco, CA, had five market makers. The staff of the Commission attempted to contact this issuer and either the issuer failed to respond to the staff’s inquiry about its operating status, did not have an
operational address, or failed to provide its registered agent with an operational address. In addition, this issuer does not appear to have an operating U.S. phone number.

11. As of June 25, 2021, the common stock of Enable Holdings, Inc. (ticker symbol ENAB) (CIK No. 0001219097), a Delaware corporation purportedly located in Itasca, IL, had six market makers. The staff of the Commission attempted to contact this issuer and either the issuer failed to respond to the staff’s inquiry about its operating status, did not have an operational address, or failed to provide its registered agent with an operational address. In addition, this issuer does not appear to have an operating U.S. phone number.

12. As of June 25, 2021, the common stock of Encompass Energy Services, Inc. (ticker symbol EESI) (CIK No. 0001430415), a Delaware corporation purportedly located in Oklahoma City, OK, had five market makers. The staff of the Commission attempted to contact this issuer and either the issuer failed to respond to the staff’s inquiry about its operating status, did not have an operational address, or failed to provide its registered agent with an operational address. In addition, this issuer does not appear to have an operating U.S. phone number.

13. As of June 25, 2021, the common stock of Environmental Infrastructure Holdings Corp. (ticker symbol EIHC) (CIK No. 0001160479), a Delaware corporation purportedly located in West Conshohocken, PA, had six market makers. The staff of the Commission attempted to contact this issuer and either the issuer failed to respond to the staff’s inquiry about its operating status, did not have an operational address, or failed to provide its registered agent with an operational address. In addition, this issuer does not appear to have an operating U.S. phone number.

14. As of June 25, 2021, the common stock of EquiFin, Inc. (ticker symbol EQUI) (CIK No. 0000806011), a Delaware corporation purportedly located in Spring Lake, NJ, had six market
makers. The staff of the Commission was able to contact the issuer, which informed the staff that it is no longer operating.

15. As of June 25, 2021, the common stock of FFP Partners, L.P. (ticker symbol XXFPL) (CIK No. 0000811863), a Delaware corporation purportedly located in Fort Worth, TX, had six market makers. The staff of the Commission attempted to contact this issuer and either the issuer failed to respond to the staff’s inquiry about its operating status, did not have an operational address, or failed to provide its registered agent with an operational address. In addition, this issuer does not appear to have an operating U.S. phone number.

16. As of June 25, 2021, the common stock of General DataComm Industries, Inc. (ticker symbol GNRD) (CIK No. 0000040518), a Delaware corporation purportedly located in Naugatuck, CT, had seven market makers. The staff of the Commission attempted to contact this issuer and either the issuer failed to respond to the staff’s inquiry about its operating status, did not have an operational address, or failed to provide its registered agent with an operational address. In addition, this issuer does not appear to have an operating U.S. phone number.

17. As of June 25, 2021, the common stock of Glen Rose Petroleum Corp. (ticker symbol GLRP) (CIK No. 0000354567), a Delaware corporation purportedly located in Katy, TX, had six market makers. The staff of the Commission attempted to contact this issuer and either the issuer failed to respond to the staff’s inquiry about its operating status, did not have an operational address, or failed to provide its registered agent with an operational address. In addition, this issuer does not appear to have an operating U.S. phone number.

18. As of June 25, 2021, the common stock of Global Agricultural Holdings, Inc. (ticker symbol GAHD) (CIK No. 0001070808), a Delaware corporation purportedly located in Dandenong, Australia, had five market makers. The staff of the Commission attempted to contact this issuer and either the issuer failed to respond to the staff’s inquiry about its operating
status, did not have an operational address, or failed to provide its registered agent with an operational address. In addition, this issuer does not appear to have an operating U.S. phone number.

19. As of June 25, 2021, the common stock of Holographic Storage Ltd. (ticker symbol HSTG) (CIK No. 0000070412), a Delaware corporation purportedly located in Van Nuys, CA, had five market makers. The staff of the Commission attempted to contact this issuer and either the issuer failed to respond to the staff’s inquiry about its operating status, did not have an operational address, or failed to provide its registered agent with an operational address. In addition, this issuer does not appear to have an operating U.S. phone number.

20. As of June 25, 2021, the common stock of Hot Mama's Foods, Inc. (ticker symbol HOTF) (CIK No. 0001339256), a Delaware corporation purportedly located in Springfield, MA, had seven market makers. The staff of the Commission attempted to contact this issuer and either the issuer failed to respond to the staff’s inquiry about its operating status, did not have an operational address, or failed to provide its registered agent with an operational address. In addition, this issuer does not appear to have an operating U.S. phone number.

21. As of June 25, 2021, the common stock of iMing Corp. (ticker symbol IMNG), a Delaware corporation purportedly located in Mongkok, Hong Kong, had six market makers. The staff of the Commission attempted to contact this issuer and either the issuer failed to respond to the staff’s inquiry about its operating status, did not have an operational address, or failed to provide its registered agent with an operational address. In addition, this issuer does not appear to have an operating U.S. phone number.

22. As of June 25, 2021, the common stock of KM Wedding Events Management, Inc. (ticker symbol KMWE) (CIK No. 0001591768), a Delaware corporation purportedly located in Dublin, CA, had five market makers. The staff of the Commission attempted to contact this
issuer and either the issuer failed to respond to the staff’s inquiry about its operating status, did not have an operational address, or failed to provide its registered agent with an operational address. In addition, this issuer does not appear to have an operating U.S. phone number.

23. As of June 25, 2021, the common stock of Madison Ave Media, Inc. (ticker symbol KHZM) (CIK No. 0001411096), a Delaware corporation purportedly located in Boca Raton, FL, had five market makers. The staff of the Commission attempted to contact this issuer and either the issuer failed to respond to the staff’s inquiry about its operating status, did not have an operational address, or failed to provide its registered agent with an operational address. In addition, this issuer does not appear to have an operating U.S. phone number.

24. As of June 25, 2021, the common stock of Message Processing International, Inc. (ticker symbol MPIN), a Delaware corporation purportedly located in San Marcos, CA, had five market makers. The staff of the Commission attempted to contact this issuer and either the issuer failed to respond to the staff’s inquiry about its operating status, did not have an operational address, or failed to provide its registered agent with an operational address. In addition, this issuer does not appear to have an operating U.S. phone number.

25. As of June 25, 2021, the common stock of Metro Global Media, Inc. (ticker symbol MGMA) (CIK No. 0000838803), a Delaware corporation purportedly located in Cranston, RI, had six market makers. The staff of the Commission attempted to contact this issuer and either the issuer failed to respond to the staff’s inquiry about its operating status, did not have an operational address, or failed to provide its registered agent with an operational address. In addition, this issuer does not appear to have an operating U.S. phone number.

26. As of June 25, 2021, the common stock of Mopals.com, Inc. (ticker symbol PALS) (CIK No. 0001222218), a Delaware corporation purportedly located in Toronto, Canada, had six market makers. The staff of the Commission attempted to contact this issuer and either the
issuer failed to respond to the staff’s inquiry about its operating status, did not have an operational address, or failed to provide its registered agent with an operational address. In addition, this issuer does not appear to have an operating U.S. phone number.

27. As of June 25, 2021, the common stock of Multi-Media Tutorial Services, Inc. (ticker symbol MMTS) (CIK No. 0000935496), a Delaware corporation purportedly located in Brooklyn, NY, had six market makers. The staff of the Commission attempted to contact this issuer and either the issuer failed to respond to the staff’s inquiry about its operating status, did not have an operational address, or failed to provide its registered agent with an operational address. In addition, this issuer does not appear to have an operating U.S. phone number.

28. As of June 25, 2021, the common stock of My Screen Mobile, Inc. (ticker symbol MYSL) (CIK No. 0000776999), a Delaware corporation purportedly located in Toronto, Canada, had six market makers. The staff of the Commission attempted to contact this issuer and either the issuer failed to respond to the staff’s inquiry about its operating status, did not have an operational address, or failed to provide its registered agent with an operational address. In addition, this issuer does not appear to have an operating U.S. phone number.

29. As of June 25, 2021, the common stock of Nemo Motors Corp (ticker symbol NMOC) (CIK No. 0001413760), a Delaware corporation purportedly located in Redwood City, CA, had five market makers. The staff of the Commission attempted to contact this issuer and either the issuer failed to respond to the staff’s inquiry about its operating status, did not have an operational address, or failed to provide its registered agent with an operational address. In addition, this issuer does not appear to have an operating U.S. phone number.

30. As of June 25, 2021, the common stock of Nutroganics, Inc. (ticker symbol NUTTQ) (CIK No. 0000792094), a Delaware corporation purportedly located in Bethesda, MD, had six market makers. The staff of the Commission attempted to contact this issuer and either the
issuer failed to respond to the staff’s inquiry about its operating status, did not have an operational address, or failed to provide its registered agent with an operational address. In addition, this issuer does not appear to have an operating U.S. phone number.

31. As of June 25, 2021, the common stock of Oak Tree Educational Partners, Inc. (ticker symbol OTED) (CIK No. 0001384086), a Delaware corporation purportedly located in New York, NY, had six market makers. The staff of the Commission attempted to contact this issuer and either the issuer failed to respond to the staff’s inquiry about its operating status, did not have an operational address, or failed to provide its registered agent with an operational address. In addition, this issuer does not appear to have an operating U.S. phone number.

32. As of June 25, 2021, the common stock of Odimo Incorporated (ticker symbol ODMO) (CIK No. 0001292026), a Delaware corporation purportedly located in Boca Raton, FL, had six market makers. The staff of the Commission attempted to contact this issuer and either the issuer failed to respond to the staff’s inquiry about its operating status, did not have an operational address, or failed to provide its registered agent with an operational address. In addition, this issuer does not appear to have an operating U.S. phone number.

33. As of June 25, 2021, the common stock of Omnimmune Holdings, Inc. (ticker symbol OMMH) (CIK No. 0001403602), a Delaware corporation purportedly located in Houston, TX, had six market makers. The staff of the Commission was able to contact the issuer, which informed the staff that it is no longer operating.

34. As of June 25, 2021, the common stock of OptimumCare Corp. (ticker symbol OPMC) (CIK No. 0000820474), a Delaware corporation purportedly located in Laguna Niguel, CA, had six market makers. The staff of the Commission attempted to contact this issuer and either the issuer failed to respond to the staff’s inquiry about its operating status, did not have an
operational address, or failed to provide its registered agent with an operational address. In addition, this issuer does not appear to have an operating U.S. phone number.

35. As of June 25, 2021, the common stock of Oracle Healthcare Acquisition Corp. (ticker symbol OHAQ) (CIK No. 0001338648), a Delaware corporation purportedly located in Greenwich, CT, had six market makers. The staff of the Commission attempted to contact this issuer and either the issuer failed to respond to the staff’s inquiry about its operating status, did not have an operational address, or failed to provide its registered agent with an operational address. In addition, this issuer does not appear to have an operating U.S. phone number.

36. As of June 25, 2021, the common stock of Orthometrix, Inc. (ticker symbol OMRX) (CIK No. 0000946428), a Delaware corporation purportedly located in White Plains, NY, had six market makers. The staff of the Commission attempted to contact this issuer and either the issuer failed to respond to the staff’s inquiry about its operating status, did not have an operational address, or failed to provide its registered agent with an operational address. In addition, this issuer does not appear to have an operating U.S. phone number.

37. As of June 25, 2021, the common stock of Oryx Technology Corp. (ticker symbol ORYX) (CIK No. 0000915355), a Delaware corporation purportedly located in San Jose, CA, had seven market makers. The staff of the Commission attempted to contact this issuer and either the issuer failed to respond to the staff’s inquiry about its operating status, did not have an operational address, or failed to provide its registered agent with an operational address. In addition, this issuer does not appear to have an operating U.S. phone number.

38. As of June 25, 2021, the common stock of Osage Exploration and Development, Inc. (ticker symbol OEDVQ) (CIK No. 0001405686), a Delaware corporation purportedly located in San Diego, CA, had six market makers. The staff of the Commission attempted to contact this issuer and either the issuer failed to respond to the staff’s inquiry about its operating status, did
not have an operational address, or failed to provide its registered agent with an operational address. In addition, this issuer does not appear to have an operating U.S. phone number.

39. As of June 25, 2021, the common stock of Panache Beverage Inc. (ticker symbol WDKA) (CIK No. 0001314054), a Delaware corporation purportedly located in New York, NY, had six market makers. The staff of the Commission attempted to contact this issuer and either the issuer failed to respond to the staff’s inquiry about its operating status, did not have an operational address, or failed to provide its registered agent with an operational address. In addition, this issuer does not appear to have an operating U.S. phone number.

40. As of June 25, 2021, the common stock of Petrominerals Corp. (ticker symbol PTRO) (CIK No. 0000077952), a Delaware corporation purportedly located in San Clemente, CA, had seven market makers. The staff of the Commission attempted to contact this issuer and either the issuer failed to respond to the staff’s inquiry about its operating status, did not have an operational address, or failed to provide its registered agent with an operational address. In addition, this issuer does not appear to have an operating U.S. phone number.

41. As of June 25, 2021, the common stock of Pinnacle Bank of Oregon (Beaverton) (ticker symbol PNNB), a Delaware corporation purportedly located in Beaverton, OR, had five market makers. This issuer is a failed bank.

42. As of June 25, 2021, the common stock of PostRock Energy Corp (ticker symbol PSTRQ) (CIK No. 0001473061), a Delaware corporation purportedly located in Oklahoma City, OK, had six market makers. The staff of the Commission attempted to contact this issuer and either the issuer failed to respond to the staff’s inquiry about its operating status, did not have an operational address, or failed to provide its registered agent with an operational address. In addition, this issuer does not appear to have an operating U.S. phone number.
43. As of June 25, 2021, the common stock of Princeton National Bancorp, Inc. (ticker symbol PNBC) (CIK No. 0000707855), a Delaware corporation purportedly located in Princeton, IL, had six market makers. This issuer is a failed bank.

44. As of June 25, 2021, the common stock of Reliant Financial Service Corp. (ticker symbol RFNS) (CIK No. 0001108028), a Delaware corporation purportedly located in Toronto, Canada, had six market makers. The staff of the Commission attempted to contact this issuer and either the issuer failed to respond to the staff’s inquiry about its operating status, did not have an operational address, or failed to provide its registered agent with an operational address. In addition, this issuer does not appear to have an operating U.S. phone number.

45. As of June 25, 2021, the common stock of Seawright Holdings, Inc. (ticker symbol SWRI) (CIK No. 0001132887), a Delaware corporation purportedly located in Alexandria, VA, had six market makers. The staff of the Commission attempted to contact this issuer and either the issuer failed to respond to the staff’s inquiry about its operating status, did not have an operational address, or failed to provide its registered agent with an operational address. In addition, this issuer does not appear to have an operating U.S. phone number.

46. As of June 25, 2021, the common stock of Seilon, Inc. (ticker symbol SEIL) a Delaware corporation purportedly located in Toronto, Canada, had five market makers. The staff of the Commission attempted to contact this issuer and either the issuer failed to respond to the staff’s inquiry about its operating status, did not have an operational address, or failed to provide its registered agent with an operational address. In addition, this issuer does not appear to have an operating U.S. phone number.

47. As of June 25, 2021, the common stock of Solar Gold Ltd. (ticker symbol PLKT) (CIK No. 0001076505), a Delaware corporation purportedly located in San Juan Capistrano, CA, had six market makers. The staff of the Commission attempted to contact this issuer and either the
issuer failed to respond to the staff’s inquiry about its operating status, did not have an 
operational address, or failed to provide its registered agent with an operational address. In 
addition, this issuer does not appear to have an operating U.S. phone number.

48. As of June 25, 2021, the common stock of Strategic Internet Investments, Inc. (ticker 
symbol SIII) (CIK No. 0000053320), a Delaware corporation purportedly located in Kalispell,
MT, had six market makers. The staff of the Commission attempted to contact this issuer and 
either the issuer failed to respond to the staff’s inquiry about its operating status, did not have an 
operational address, or failed to provide its registered agent with an operational address. In 
addition, this issuer does not appear to have an operating U.S. phone number.

49. As of June 25, 2021, the common stock of Sycamore Ventures, Inc. (ticker symbol 
SYVN) (CIK No. 0000832443), a Delaware corporation purportedly located in Park City, UT,
had six market makers. The staff of the Commission attempted to contact this issuer and either 
the issuer failed to respond to the staff’s inquiry about its operating status, did not have an 
operational address, or failed to provide its registered agent with an operational address. In 
addition, this issuer does not appear to have an operating U.S. phone number.

50. As of June 25, 2021, the common stock of Teletouch Communications, Inc. (ticker 
symbol TLLEQ) (CIK No. 0000928659), a Delaware corporation purportedly located in Fort 
Worth, TX, had six market makers. The staff of the Commission attempted to contact this issuer 
and either the issuer failed to respond to the staff’s inquiry about its operating status, did not 
have an operational address, or failed to provide its registered agent with an operational address. In 
addition, this issuer does not appear to have an operating U.S. phone number.

51. As of June 25, 2021, the common stock of TransCoastal Corporation (ticker symbol 
TCEC) (CIK No. 0001046057), a Delaware corporation purportedly located in Dallas, TX, had 
six market makers. The staff of the Commission attempted to contact this issuer and either the
issuer failed to respond to the staff’s inquiry about its operating status, did not have an operational address, or failed to provide its registered agent with an operational address. In addition, this issuer does not appear to have an operating U.S. phone number.

52. As of June 25, 2021, the common stock of Trimol Group, Inc. (ticker symbol TMOL) (CIK No. 0001011733), a Delaware corporation purportedly located in New York, NY, had six market makers. The staff of the Commission was able to contact the issuer, which informed the staff that it is no longer operating.

53. As of June 25, 2021, the common stock of VIA Pharmaceuticals, Inc. (ticker symbol VIAP) (CIK No. 0001303387), a Delaware corporation purportedly located in San Francisco, CA, had six market makers. The staff of the Commission attempted to contact this issuer and either the issuer failed to respond to the staff’s inquiry about its operating status, did not have an operational address, or failed to provide its registered agent with an operational address. In addition, this issuer does not appear to have an operating U.S. phone number.

54. As of June 25, 2021, the common stock of Voiceserve, Inc. (ticker symbol VSRV) (CIK No. 0001353505), a Delaware corporation purportedly located in Edgware, England, had six market makers. The staff of the Commission attempted to contact this issuer and either the issuer failed to respond to the staff’s inquiry about its operating status, did not have an operational address, or failed to provide its registered agent with an operational address. In addition, this issuer does not appear to have an operating U.S. phone number.

55. As of June 25, 2021, the common stock of Winston Pharmaceuticals, Inc. (ticker symbol WPHM) (CIK No. 0001302554), a Delaware corporation purportedly located in Vernon Hills, IL, had six market makers. The staff of the Commission was able to contact the issuer, which informed the staff that it is no longer operating.
The Commission is of the opinion that the public interest and the protection of investors require a suspension of trading in the securities of the above-listed companies.

THEREFORE, IT IS ORDERED, pursuant to Section 12(k) of the Securities Exchange Act of 1934, that trading in the securities of the above-listed companies is suspended for the period from 9:30 a.m. EDT on July 12, 2021, through 11:59 p.m. EDT on July 23, 2021.

By the Commission.

Vanessa A. Countryman
Secretary
