COMMISSION ANNOUNCEMENTS

SUSPENSION OF TRADING IN LILAC TIME SECURITIES TERMINATED. The SEC announced the termination of the suspension of trading in the securities of Lilac Time, Inc. ("Lilac") of Orlando, Florida, effective at midnight, April 26, 1973.

The suspension was initiated because of the unavailability of adequate and accurate information concerning the financial condition and business operations of Lilac and because of unusual market activity in the common stock of Lilac. Certain questions were also raised as to recent developments concerning the management and control of Lilac. Lilac was also delinquent in its required filings, specifically the 10-K Annual Report for the period ending March 31, 1972 and two 10-Q Quarterly Reports.

Lilac disseminated a release to marketmakers and several of the news media on March 27, 1973, and to its stockholders on April 12, 1973, which disclosed, among other things, that Glenn W. Turner and his wife had acquired on December 30, 1972, approximately 60 percent of the outstanding common stock of Lilac. On January 22, 1973, the Turners loaned Lilac $50,000 in cash. The Company gave them the option to purchase 50,000 shares of Lilac stock instead of repaying the loan. The Turners exercised their option on February 9, 1973.

Lilac called special stockholders' and Board of Directors' meetings on February 9, 1973. The new Directors elected were Glenn W. Turner, Alice Ann Turner, Glenn J. Beadle, Ken A. Kilgast and George Turner. The officers elected were Glenn W. Turner, President; Charles Owen, Vice President; and Nancy Gilliam, Secretary-Treasurer. (Rel. 34-10122)

COMTECH VENTURE FUND REGULATION A EXEMPTION SUSPENDED. The SEC has issued an order temporarily suspending the Regulation A exemption from registration under the Securities Act of 1933 with respect to a public offering of securities by Comtech Venture Fund, Inc. of Maryland. No underwriter was named for the proposed offering.

Pursuant to a notification filed on September 5, 1972, Comtech proposed to offer 83,200 shares of common stock at $5.00 per share. The filing was subsequently amended to increase the offering to 100,000 shares at $5.00 per share for an aggregate offering price of $500,000. According to the order, the Commission has reason to believe that: (a) the Notification and Offering Circular of Comtech contain untrue statements of material facts and omit to state material facts necessary in order to make the statements made, in light of the circumstances under which they were made, not misleading, particularly with respect to, among other things, the failure to amend the Notification and Offering Circular to disclose that an affiliate of the Issuer and the vice-president of the Issuer were the subjects of a permanent injunction prohibiting them from further violations of the Maryland Securities Act; (b) the terms and conditions of Regulation A have not been complied with, particularly with respect to the unavailability of the Regulation A exemption under the provisions of Rule 252(d)(2) and Rule 252(c)(4), in that First Federated Commodity Trust Corporation, an affiliate of Comtech, and John R. Singleton, an officer, director and promoter of Comtech, are subject to a decree of a court of competent jurisdiction of the State of Maryland permanently enjoining and restraining such persons from engaging in any fraudulent conduct or practice in violation of the Maryland Securities Act; and (c) the offering, if made, would be in violation of the registration provisions of Sections 5 and 17 of the Securities Act of 1933. Full Text. (Rel. 33-5387)

SUSPENSION OF REGULATION A EXEMPTION OF AMERICAN EDUCATIONAL SPECIALISTS, INC.; TRONICS CORPORATION; U.S. ENVIRONMENTAL SYSTEMS, INC.; ERIE-NIAGARA, LTD.; MED-PEDS, INC. The SEC has issued an order temporarily suspending the Regulation A exemption from registration under the Securities Act of 1933 with respect to a public offering of securities by each issuer: American Educational Specialists, Inc.; Tronics Corporation; U.S. Environmental Systems, Inc.; Erie-Niagara, Ltd.; and Med-Peds, Inc., all located in Dallas, Texas. Glendale Securities Corporation of Ridgewood, New York, is named as underwriter for each filing.

Pursuant to separate notifications filed on January 29, 1973, each issuer proposed to offer 50,000 shares of common stock at $1.00 per share for an aggregate offering price to the public under each notification of $50,000.

According to the order, the Commission has reason to believe that: (a) the notification and offering circulars are incomplete, inaccurate, and contain untrue statements of material facts and omit to state material facts necessary to make the statements made in light of the circumstances under which they were made not misleading, particularly with respect to, among other things, the failure to disclose the identity and background of all promoters and affiliates; the affiliation of each of the companies to one another in that they are all under the common control of undisclosed affiliates; (b) the terms and conditions of Regulation A have not been complied with in that the offering circulars failed to include statements of Cash Receipts and Disbursements; and (c) the offering, if made, would be in violation of Section 17 of the Securities Act of 1933. Full Text. (Rel. 33-5388)
CENTRAL AND SOUTH WEST CORPORATION. The SEC has issued an order authorizing Central and South West Corporation, Wilmington, Delaware holding company, to amend its certificate of incorporation to effect a 2-for-1 stock split which will increase its authorized shares from 24,000,000 to 48,000,000 and increase each share's par value from $7.00 to $3.50. (Rel. 35-17941)
