Publication of the proposal is expected to be made in the Federal Register during the week of August 6. (Rel. 34-16082)

NOTICE OF EFFECTIVENESS OF PROPOSED RULE CHANGE

The Boston Stock Exchange, Inc. has filed a proposed rule change which became effective under Section 19(b)(3)(A) of the Securities Exchange Act of 1934 (SR-BSE-79-1) to install a value charge system for all non-specialist transactions executed on the BSE. Publication of the proposal was made in the Federal Register during the week of July 30. (Rel. 34-16083)

MISCELLANEOUS

ORDERS GRANTING EXEMPTIONS PURSUANT TO SECTION 12(h)

Orders have been issued granting the applications of the following companies, pursuant to Section 12(h) of the Securities Exchange Act of 1934, for an exemption from the reporting requirements of the specified Sections of the Act:

American Systems, Inc. [Section 12(g)] - It appears to the Commission that the requested exemption is not inconsistent with the public interest or the protection of investors. (Rel. 34-16053)

Bangor Punta International Capital Company [Section 13] - The matter having been considered, it is found that the requested exemption is appropriate, in the public interest and consistent with the protection of investors and the purposes fairly intended by the policy and provisions of the Act. (Rel. 34-16065)

Genesco World Apparel, Ltd. [Section 13] - The matter having been considered, it is found that the requested exemption is appropriate, in the public interest and consistent with the protection of investors and the purposes fairly intended by the policy and provisions of the Act. (Rel. 34-16067)
Ashland Oil Canada Limited (Section 15(d)) - On April 18, 1979, as a result of stock purchases by Kaiser Resources Ltd., Ashland no longer had any public security holders. It appears to the Commission that the exemption is not inconsistent with the public interest or the protection of investors, and that no significant benefit will accrue to investors or the public if Ashland is required to file the subject reports, in view of the fact that none of the securities of Ashland are held by any person other than Kaiser Resources Ltd. (Rel. 34-16056)

First Texas Financial Corporation (Section 15(d)) - It appeared to the Commission that the granting of the requested exemption would not be inconsistent with the public interest or the protection of investors, inasmuch as Applicant's stock is no longer publicly held. (Rel. 34-16058)

Northern Telecom Computers, Inc. (Section 15(d)) - It appeared to the Commission that granting the requested exemption would not be inconsistent with the public interest or the protection of investors, in view of the fact that Applicant, a wholly-owned subsidiary of Northern Telecom Limited, has only 56 holders of its Installment Notes which are guaranteed on a subordinated basis by Northern Telecom Limited. (Rel. 34-16070)
