PHILIP A. BERNICK BARRED

The Commission instituted public administrative proceedings against Philip A. Bernick, formerly a principal of a registered broker-dealer of Denver, Colorado. Bernick consented to the Order which finds that Bernick: (1) submitted for publication quotations for Laser Arms Corporation common stock, although the information required by Rule 15c2-11 of the Securities Exchange Act, which he had received, had not been obtained from a source that he had a reasonable basis to believe was reliable; (2) participated directly in the sale of unregistered Laser Arms common stock; and (3) on July 20, 1987, pleaded guilty to conspiracy to obstruct justice (United States v. Marshall A. Zolp, et al., No. 86-CR-0299 (D.N.J. July 20, 1987)) and received a three-year prison sentence (suspended), fined $2,000, ordered to make restitution of $10,000 and to perform community service, and was placed on probation for five years.

The Order also bars Bernick from association with any broker, dealer, investment advisor, investment company, or municipal securities dealer, with the proviso that he may apply to become so associated after three years from the date of the Order or upon the completion of probation, whichever occurs later. (Rel. 34-27574)

FRANK R. GRILLO BARRED

The New York Regional Office announced that the Commission has simultaneously instituted and settled administrative proceedings against Frank R. Grillo of Flushing, New York, and upon his consent barred Grillo from association with any broker, dealer, municipal securities dealer, investment adviser, or investment company. The Commission found that Grillo had been permanently enjoined upon his consent from violating the antifraud provisions of the federal securities laws in an action styled "SEC v. Frank R. Grillo, et al., Civil Action 89-1453 (D.N.J.)." The Commission also found that Grillo had failed reasonably to supervise two persons subject to his supervision, with a view toward preventing their violations of the securities laws. Grillo neither admitted nor denied the finding that he failed to supervise the two individuals at Walter Capital Corp., a defunct broker-dealer which underwrote an initial public offering of Regional Funding Corp. common stock in 1984. (Rel. 34-27560)
