MULTINATIONAL TENDER AND EXCHANGE OFFERS RELEASE

The Commission has issued a release soliciting public comment on a conceptual approach designed to encourage foreign bidders to extend multinational tender and exchange offers to their U.S. securityholders on the basis of foreign disclosure, procedural and accounting requirements, where U.S. investors own a small percentage of the securities subject to such an offer. In particular, the Commission has requested comments from non-U.S. issuers, broker-dealers, investment bankers, regulatory authorities and associations. The concept release is premised on the Commission's concern that, where U.S. investors comprise a small portion of a foreign company's securityholder base, foreign bidders and issuers may attempt to avoid jurisdiction and to exclude U.S. investors from multinational offers pursuant to a determination that the costs of compliance with U.S. law outweigh the benefit of U.S. securityholder participation. The Commission believes this conceptual approach would allow U.S. securityholders who otherwise may be excluded from tender and exchange offers to participate on equal terms with foreign securityholders, with the protections accorded by the foreign regulatory scheme and U.S. antifraud provisions. Comment also is requested on additional or alternative approaches to facilitating extension of cross-border tender and exchange offers into the United States. (Rel. Nos. 33-6866; 34-28093; International Series Rel. No. 127; File No. S7-10-90)

COMMISSION ANNOUNCEMENTS

SEC RELEASES AGENDA FOR MEETING OF EMERGING MARKETS ADVISORY COMMITTEE

The Securities and Exchange Commission today released the agenda for the first meeting of its Emerging Markets Advisory Committee, to be held on Tuesday, June 12, at 10:30 a.m. at the Commission. (Press Release 90-31)

ADMINISTRATIVE PROCEEDINGS

NASD ACTION AGAINST GEORGE R. BEALL, JR. MODIFIED

The Commission has reduced sanctions imposed by the NASD on George R. Beall, Jr., of Boulder, Colorado, a former registered representative of an NASD member firm. The Commission affirmed the NASD's censure of Beall, but reduced the fine assessed by the NASD from \$7,500 to \$4,000.

The Commission found, as has the NASD, that Beall deliberately paid for two securities purchases in his personal account at the firm with checks written against insufficient funds. However, the Commission set aside the NASD's finding that Beall violated ethical standards when he left the firm's employ owing it more than \$5,000. The Commission found no evidence of bad faith in connection with that debt since the firm apparently forgave it at the time it dismissed Beall, and Beall remains willing to pay the debt when he is financially able to do so.

The Commission reduced the fine imposed on Beall in light of his otherwise unblemished record in the securities business, and the fact that it was setting aside one of the NASD's findings of violation. (34-28059)

SANCTIONS IMPOSED ON CHARLES R. HACK

The Commission announced that it accepted an offer of Settlement submitted by Charles R. Hack in response to the Commission's institution, on May 25, 1990 of public administrative proceedings pursuant to Section 15(b)(6) of the Securities Exchange Act of 1934 against Hack. Hack consented to the entry of an Order and Findings Imposing Remedial Sanctions. The Order finds that Hack consented, without admitting or denying the allegations of the Commission's Complaint, to the entry on February 5, 1990 of a permanent injunction by the United States District Court for the Southern District of New York, enjoining him from violations of Section 10(b)-5 thereunder.

As a result of the Commission's proceeding, Hack is barred from association with any broker, dealer, investment adviser, or investment company, except Parkview Associates, a registered broker-dealer with which he is currently associated, to the extent that Parkview is involved only in real estate limited partnership offerings under Regulation D and subject to the conditions set forth in the Order. (Rel. 3-7312)

PROCEEDINGS INSTITUTED AGAINST LONGHORN TRADING, INC. AND CHARLES MICHAEL BRINKLEY

The Commission instituted public administrative proceedings under the Investment Advisers Act of 1940 against Longhorn Trading, Inc. ("Longhorn"), a registered investment adviser, and Charles Michael Brinkley ("Brinkley"). The Order for Proceedings alleges that the Respondents violated the antifraud provisions of the Securities Exchange Act of 1934 and the Investment Advisers Act and the recordkeeping and false filing provisions of the Advisers Act. Specifically, Longhorn is alleged to have misrepresented the profitability of options trades wherein five investors lost almost \$1 million. The alleged violations took place from April 1986 through the present.

A hearing will be scheduled to take evidence on the staff's allegations and to afford Respondents an opportunity to present any defenses thereto. The purpose of the hearing is to determine whether the allegations are true and whether any remedial action should be ordered by the Commission. (Rel. 3-7337)

KELLY KIRK SHRYOC SANCTIONED

The Commission instituted public administrative proceedings under the Investment Advisers Act of 1940 against Kelly Kirk Shryoc, formerly of Fort Worth, Texas, and a principal of Longhorn Trading, Inc., a Registered investment adviser. Simultaneously, the Commission accepted Shryoc's offer of settlement. The Commission found that Shryoc wilfully violated certain of the antifraud and recordkeeping provisions of the Investment Advisers Act of 1940 and the antifraud provisions of the Securities Exchange Act of 1934. The Commission's Order provides that: (1)

Shryoc be barred from association with any investment adviser, investment company, transfer agent, broker, dealer, or municipal securities dealer, with a right to reapply after five years to the Commission.

In his offer of settlement, Shryoc consented to Commission's Order without admitting or denying the allegations or findings. (Rel. 3-7338)

PUBLIC ADMINISTRATIVE PROCEEDINGS INSTITUTED AGAINST KIRK A. KNAPP

The Commission announced the institution of public administrative proceedings pursuant to Section 203(f) of the Investment Advisers Act and Section 15(b) and 19(h) of the Exchange Act against Kirk A. Knapp ("Knapp"), based upon a Final Judgment and Order of Permanent Injunction entered against him on January 3, 1990 by the U.S. District Court for the Western District of Michigan, Southern Division, Case No. G88-368-CAL and upon Knapp's wilful violations of antifraud provision of federal securities laws. The Commission's Order Instituting Proceedings alleges, among other things, that in the offer and sale of the initial public offering of Centrac Associates, Inc. (Centrac), Knapp made materially false and misleading statements and omissions regarding, among other things: the use of the proceeds from the offering and the fact that 37% of the shares of the offering were parked in the accounts of nine nominees who Knapp knew would not pay for the shares. The order also alleges Knapp caused his firm, K.A. Knapp & Co., Inc., to bid for the purchase of Centrac stock before the distribution of the Centrac offering was complete. A hearing will be held to determine if the staff's allegations are true and, if so, what, if any, remedial action is appropriate in the public interest. (Rel. 34-28075)

CORPORATE REORGANIZATION RELEASES

CORPORATE REORGANIZATION OF SARATOGA STANDARDBREDS, INC.

The Commission announced that on May 8, 1990, in this pending reorganization case under Chapter 11 of the Bankruptcy Code involving a publicly held shell corporation with no business, it objected to the debtor's disclosure statement and plan of reorganization on the grounds that the disclosure statement lacked adequate information and that the plan was not confirmable as a matter of law because the debtor would emerge from bankruptcy with only minimal assets and no business other than seeking to merge with or acquire other companies. The debtor advised the court at a hearing on May 15 that it would amend its disclosure statement and plan in an effort to satisfy the Commission's objections. (Rel. CR.389, June 5)

The Debentures and MTNs will be issued pursuant to a deviation from the Commission's Statement of policy Regarding First Mortgage Bonds Subject to the Public Utility Holding Company Act of 1935. Jurisdiction has been reserved over the proposed issuance and sale of 3 million shares of \$10 par value common stock ("Common Stock") by competitive bidding or alternatively under an exception from competitive bidding.
