Shana, steve, mike, and john---

I'm sorry for such short notice but it looks like the SEC contingent is going to have to back out of the greenwich breakfast. Obviously you all can proceed without us but, given the unique aspects of this breakfast, I understand that it creates difficulties without SEC involvement.

I just wanted to give as much notice as possible and not wait until monday. I always assumed that giving swanson a loaded gun the night before negated my need to prepare and now that gun night is cancelled..... (just kiddin).

Call me if I can be of any help and again I'm sorry for the inconvenience caused.

John

I am in Washington that day and depending on what the decision is, will meet up with everyone. In short, I am leaving it up to all of you and Shana and Steve.

Shana asked that I get in touch with you regarding the proposed "beef and guns" dinner before the Greenwich Topical Breakfast. Unfortunately, this event is not available on Wednesday evening.

Of course we are happy to plan another event for Wednesday evening but

wanted to know if you are still interested in getting a group together.

Let us know when you get a minute.

Best,

Elizabeth
