11000. UNIFORM PRACTICE CODE

11100. Scope of Uniform Practice Code

(a) All transactions reported to Nasdaq pursuant to Rule Series 4630, 6400, and 6550 (“transactions executed on Nasdaq”), including the rights and liabilities of the members participating in the transaction, and those operational procedures that affect the day-to-day business of members shall be subject to the provisions of this Code except:

(1) transactions in securities between members which are compared, cleared or settled through the facilities of a registered clearing agency, except to the extent that the rules of the clearing agency provide that rules of other organizations shall apply.

(2) transactions in Direct Participation Program securities as defined in Nasdaq Rule 2810, except as otherwise provided in this Code.

(b) The scope of coverage contained in paragraph (a) above may be expanded or limited in any Rule of this Code if specifically provided therein.

(c) For transactions executed on Nasdaq between members, failure to deliver the securities sold, or failure to pay for securities as delivered, on or after the settlement date, does not effect a cancellation of the contract. The remedy for the buyer or seller is provided for by Rules 11810 and 11820 respectively unless the parties mutually consent to cancel the trade. In every such case of nondelivery of securities, the party in default shall be liable for any damages which may accrue thereby. All claims for such damages shall be made promptly.

(d) The CUSIP number must be used on the Uniform Transfer Instruction Form, Uniform Delivery Ticket and the Uniform Comparison or Confirmation.

Selected NASD Notices to Members: 83-69, 84-46, 84-68, 84-73, 91-63.

11110. Committees

A committee designated by the Board of Directors (the "Committee") shall have the power to issue interpretations or rulings with respect to the applicability of this Code to situations in which there is no substantial disagreement as to the facts involved in order to make custom, practice, usage, and trading technique in the investment banking and securities business uniform, to simplify and facilitate day-to-day business of members and to remove causes for business disputes and misunderstandings which arise from uncertainty and lack of uniformity, including rulings in connection with "when, as and if issued" trading and "when, as and if distributed" trading, and whether a security tendered is a good delivery in settlement of such contracts.

IM-11110. Refusal to Abide by Rulings of the Committee

It shall be considered conduct inconsistent with just an equitable principles of trade for any member to refuse to abide by an official ruling of the Committee, acting within its appropriate sphere, with respect to any transaction which was consummated within the provisions and purview of the Uniform Practice Code.

11120. Definitions**(a) Committee**

The term "Committee" as used in this Code, unless the context otherwise requires, shall mean the Committee delegated the authority to administer this Code by the Board of Governors^{1*}.

(b) Delivery Date

The term "delivery date" as used in this Code shall be used interchangeably with "settlement date" and shall mean the date designated for the delivery of securities.

(c) Ex-Date

The term "ex-date" as used in this Code shall mean the date on and after which the security is traded without a specific dividend or distribution.

(d) Immediate Return Receipt

The term "immediate return receipt" as used in this Code, shall mean the acknowledgment by the receiving member of a written notice and which shall be issued, upon receipt, via the media in which such notice is received.

(e) Record Date

The term "record date" as used in this Code means the date fixed by the trustee, registrar, paying agent or issuer for the purpose of determining the holders of equity securities, bonds, similar evidences of indebtedness or unit investment trust securities entitled to receive dividends, interest or principal payments or any other distributions.

(f) Trade Date

In a transaction between time zones where the bid or offer is accepted in a later time zone than that of the originator, the correct trade date shall be the day on which the dealer in the later time zone accepts the trade.

(g) Written Notices

The term "written notice," as used in this Code, shall include a notice delivered by hand, by letter, teletype, telegraph, TWX, facsimile ("FAX") transmission or other comparable media.

IM-11120. Trade Date**Ruling of the Committee:**

A dealer in an Eastern city leaves a bid or offering with a dealer in a Western city good until the close of the latter's business day. The Western dealer accepts the bid or offering on that day but, due to the difference in time between the two localities, his notice of acceptance is received by the Eastern dealer on the following day.

In the opinion of the Committee the correct trade date for a transaction of this type is the day on which the Western dealer accepts the bid or offer, even though the acceptance may not reach the Eastern dealer until the following day.

11130. When, As and If Issued/Distributed Contracts**(a) Confirmations or Comparisons**

(1) Each party to the transaction shall send a written "when, as and if issued" or "when as and if distributed" confirmation or comparison in the same form as set forth in the Sample Form appearing after this Rule 11130 and pursuant to the requirements of Rules 11210(a), 11220, and 11860.

(2) Each confirmation or comparison covering a contract in a "when, as and if issued" or "when, as and if distributed" security shall, at a minimum, contain:

(A) an adequate description of the security and the plan, if any, under which the security is proposed to be issued or distributed;

(B) designation of Nasdaq as the authority which shall rule upon the performance of the contract; and

(C) provision for marking the contract to the market.

(3) The Committee will furnish, upon written request therefor, an adequate description of any particular issue of securities and of the plan under which the securities are proposed to be issued for the purpose of inclusion in all contracts or confirmations covering transactions on a "when, as and if issued" or "when, as and if distributed" basis in the particular securities.

(b) Accrued Interest

(1) Unless the parties agree otherwise, "when, as and if issued" or "when, as and if distributed" transactions between members in fixed obligations of new or reorganized companies shall be "and accrued interest" to date of settlement. Interest shall be computed on the basis of the expired portion of the coupon current at the time of settlement, and all due and past due coupons shall be detached.

(2) "When, as and if issued" or "when, as and if distributed" transactions between members in income or contingent interest securities of such companies shall be traded "flat" and shall carry all payments that may be made or declared in connection with such new securities from the effective date of the plan; except that, if any payment is made or declared directly or indirectly in connection with such securities, prior to the settlement date, transactions made on and after the "ex" date for such payment shall carry only payments made or declared in connection with such securities from such "ex" date.

(3) Securities of such companies which bear a fixed rate of interest, plus contingent additional payment, are to be traded "and accrued interest" at the rate of the fixed interest, and traded "flat" in respect to the contingent payments.

(c) Marks to the Market

In case of "when, as and if issued" or "when, as and if distributed" contracts, the time of issuance or distribution of the securities is indefinite and may be long delayed. Therefore, such contracts should be marked to the market pursuant to the provisions of Rule 11730 of the Code.

(d) Contracts on Margin

All "when, as and if issued" or "when, as and if distributed" contracts shall be in compliance with Sections 220.4 and 220.5 of Regulation T of the Board of Governors of the Federal Reserve System.

(e) Request for Deposits

A member may require a customer to deposit cash or collateral to secure a "when, as and if issued" or "when, as and if distributed" contract even though Section 220.8(b)(1) of Regulation T of the Board of Governors of the Federal Reserve System may not require such deposit.

(f) Segregation of Funds

(1) Deposits against "when, as and if issued" or "when, as and if distributed" transactions should be segregated on the books of the firm in order to

present a true picture of the firm's position and its commitment in transactions of this kind. It may be appropriate to segregate such deposits from the firm's general cash balances by depositing them in a bank other than those containing the general deposits, loans or other obligations of the firm. Whether or not such physical segregation is made, no member should permit any part of deposits against "when, as and if issued" or "when, as and if distributed" contracts to be used for any purpose whatsoever other than to secure such contracts.

(2) As a minimum, every member doing business in "when, as and if issued" or "when, as and if distributed" securities shall ensure that the sum of the cash balances and any deposits with banks, clearing houses, or other brokers against "when, as and if issued" or "when, as and if distributed" contracts always exceeds the aggregates of all free credits and deposits against "when, as and if issued" or "when, as and if distributed" contracts by an amount fully ample to conduct his business without employing any part of such deposits.

(g) Settlement of Contracts

(1) A date for the settlement of "when, as and if issued" and "when, as and if distributed" contracts shall be determined by the Committee when a sufficient percentage of the issue is outstanding.

(2) In connection with a transaction in a security "when, as and if issued," delivery shall be made at the office of the purchaser on the date declared by the Committee; except that if no delivery date shall be declared by the Committee:

(A) delivery may be made by the seller on the business day following the day upon which the seller has delivered at the office of the purchaser written notice of intention to deliver, and

(B) open market "when, as and if issued" contracts in securities currently being publicly offered through a syndicate or selling group shall be settled on the date such syndicate or selling group contracts are settled; provided, however, delivery of securities in accordance with this paragraph shall be made during the normal delivery hours in the community where the buyer is located.

(3) In connection with a transaction in a security "when, as and if distributed," delivery shall be made at the office of the purchaser on the date declared by the Committee; except that if no delivery date shall be declared by the Committee, delivery may be made by the seller on the business day following the day upon which the seller has delivered at the office of the purchaser written notice of intention to deliver.

(h) Cancellation of Contracts

(1) Pursuant to Rule 11110, the Committee may cancel or terminate "when, as and if issued" and "when, as and if distributed" contracts as necessary to resolve conflicts over the settlement of such contracts.

(2) Contracts will be canceled if the securities are not to be issued or distributed.

(3) Contracts will generally be canceled if the securities which are to be issued or distributed are not substantially the same as those contemplated in the contract. Material changes which will generally result in cancellation include, but are not limited to, changes to the redemption schedule, dividend payments, interest rates, maturity, yield, and exercise price.

(4) Notwithstanding paragraph (h)(3), contracts will not generally be canceled as a result of changes that do not constitute material changes to the terms of the security called for under the contract. Changes which will not generally result in cancellation include, but are not limited to:

(A) changes in the dollar value of securities to be issued or distributed;

(B) restructuring of financing arrangements previously announced by the issuer of the securities; or

(C) settlement of any legal action or the occurrence of any other event which has or will have a material effect on the financial condition of the issuer of the securities.

Ruling of the Committee:

Where securities are physically separate instruments, transferable independently of one another, and not subject to any legal or technical condition which requires that they be kept together, good practice requires that they be quoted and dealt in separately and not as units.

Where, for some special reason, members enter into a contract calling for a group of securities, they are cautioned to make adequate specification both at the time of trade and in their confirmation or comparison, so that uncertainty or misunderstanding in the settlement of the contract may be eliminated.

(f) Default Upon Redemption of Due-Bills

A due-bill for any security or rights pertaining to any security issued pursuant to paragraph (c) of this Rule and presented for redemption pursuant to the terms of paragraph (e), and not honored by the seller may, at the option of the buyer, be treated as a "fail to receive" from the seller, and the distribution evidenced by such due-bill may be bought-in for the account and risk of the seller pursuant to the terms of Rule 11810. A properly executed Uniform Reclamation Form must accompany securities on reclamation or return

(2) Absence of Form Permits Sell-Out

Any security reclaimed or returned on a transaction without a properly executed Uniform Reclamation Form as prescribed within this Rule may, at the option of the receiving broker, be "sold-out" pursuant to Rule 11820 of this Code, however, in no event later than three business days after receipt of the receiving broker or his agent.

(c) Time for Delivery of Reclamation and Manner of Settlement

(1) A security with an irregularity having been delivered may be returned or reclaimed between the hours established by rule or practice in the community where the delivery or reclamation is to be made.

(2) When a security is returned or reclaimed, the party who originally delivered it shall immediately give the party returning it either the security in proper form for delivery in exchange for the security originally delivered, or the money amount of the contract. In the latter case, unless otherwise agreed, the party to whom the security is returned shall be deemed to be failing to deliver the security until such time as a proper delivery is made.

(d) Minor Irregularities

Reclamation for an irregularity which affects only the currency of the security in the market shall be made within fifteen days from the day of original delivery, except that, if the security is issued under the jurisdiction of a foreign country, the period for reclamation under this section shall be forty-five days from the day of original delivery.

(e) Wrong Form of Certificate

Reclamation, by reason of the fact that a form of certificate was delivered which was not a good delivery, but which is exchangeable without charge for a certificate which is a good delivery, shall be made within fifteen days from the day of original delivery.

IM-11710. Uniform Reclamation Form

A copy of the Uniform Reclamation Form is included at the end of 11000 Series Rules.

11720. Irregular Delivery - Transfer Refused - Lost or Stolen Securities**(a) Irregular Delivery**

For purposes of this paragraph, the term "irregular delivery" shall include, among other things, wrong, duplicate, misdirected or over-deliveries and delivery of unit investment trust securities having the incorrect payment option.

(b) Transfer Refused

Reclamation, by reason of the fact that a specific certificate tendered in settlement of a contract has been presented for transfer and transfer thereof has been refused by the transfer agent, shall be within 30 months after the settlement date of the contract.

(c) Lost or Stolen or Confiscated Securities

Reclamation, by reason of the fact that a security is lost or stolen or confiscated shall be within 30 months after the settlement date of the contract.

IM-11720. Obligations of Members Who Discover Securities in Their Possession to Which They Are Not Entitled

Any member who discovers securities in its possession to which it is not entitled is required to make reasonable attempts to ascertain and to promptly notify the true owner of such securities and to take affirmative steps to correct the situation. Failure to abide by this requirement may result in a violation of Rule 2110.

11730. Called Securities

Reclamation by reason of the fact that a security was delivered after publication of notice of call for its redemption, may be made without limit of time and such security may be returned to the party who held it at the time of such publication; except that this Rule shall not apply when an entire issue is called for redemption or when the security involved was dealt in specifically as a "called" security.

11740. Marking to the Market

(a) Demand for Deposit

The party who is partially unsecured by reason of a change in the market value of the subject of a contract in securities may demand from the other party a deposit equal to the difference between the contract price and the market price, without being required to make a mutual deposit. Such deposit shall be made either with the member demanding same or with a mutually agreed-on depository or, on failure to agree on a depository, with any member of the Federal Reserve System with an office in the financial district of the city where the unsecured party maintains its office.

(b) Assignment of Contract

Either party to a contract in securities may assign the contract, either at the time the transaction is effected or at the time a request is made for funds to "mark to the market," provided the other party to the contract assents to the assignment.

(c) Refund of Deposit

If the market value of the subject of the contract changes so as to permit a total or partial refund of any deposits which have been made in accordance with paragraph (a) of this Rule, such refunds shall be made on demand.

(d) Delivery of Demand for Deposit or Refund

All demands for deposits or refunds shall be in writing and shall be delivered at the office of the party upon whom the demand is made during the business hours of member banks of the Federal Reserve System located in the community where such party

maintains his office, and such demands shall be complied with immediately.

(e) Failure to Comply with Demand

Failure of a party to comply with a demand for a deposit or refund made in accordance with paragraphs (a), (c) and (d) of this Rule shall entitle the party making the demand to close the contract without notice, by making offsetting purchase or sale contracts in the best available market for the account and liability of the party failing to comply with said demand.

(f) Contract Closure

No contract shall be closed pursuant to paragraph (e) of this Rule prior to the expiration of regular delivery time in the community where the party making the demand maintains his office, on the next business day following the day when notice of such demand was received by the other party.

(g) Notice of Offsetting Purchase or Sale

The party making such offsetting purchase or sale contracts shall as promptly as possible on the day on which they are made (1) notify the other party via telegram, TWX, or other comparable written media, and (2) mail or deliver formal confirmation of same to the other party and a copy of said confirmation to the Committee.

11800. CLOSE-OUT PROCEDURES

11810. Buying-In

A contract which has not been completed by the seller according to its terms may be closed by the buyer not sooner than the third business day following the date delivery was due, in accordance with the following procedure:

(a) Notice of "Buy-In"

(1) Written notice of "buy-in" shall be delivered to the seller at his office not later than 12:00 noon, his time, two business days preceding the execution of the proposed "buy-in."

(2) For purposes of this Rule written notice shall include an electronic notice through a medium that provides for an immediate return receipt capability. Such electronic media shall include but not be limited to facsimile transmission, a computerized network facility, etc.

(b) Information Contained in "Buy-in" Notice

(1) Every notice of "buy-in" shall state the date of the contract to be

closed, the quantity and contract price of the securities covered by said contract, the settlement date of said contract and any other information deemed necessary to properly identify the contract to be closed. Such notice shall state further that unless delivery is effected at or before a certain specified time, which may not be prior to 11:30 a.m. local time in the community where the buyer maintains his office, the security may be "bought-in" on the date specified for the account of the seller. If the originator of a "buy-in" in a depository eligible security is a participant in a registered securities depository, the specified delivery time may not be prior to 3:00 p.m. Eastern Time and the "buy-in" may not be executed prior to 3:00 p.m., Eastern Time. Each "buy-in" notice shall also state the name and telephone number of the individual authorized to pursue further discussions concerning the buy-in.

(2) Notice may be redelivered immediately to another broker/dealer from whom the securities involved are due in the form of a re-transmitted notice (re-transmit). A re-transmitted notice of buy-in must be delivered to subsequent broker/dealers not later than 12 noon, recipient's local time, on the business day preceding the time and date of execution of the proposed buy-in, and the time specified for delivery may not be prior to the time specified in the original notice.

(c) Seller's Failure to Deliver After Receipt of Notice

(1) (A) On failure of the seller to effect delivery in accordance with the "buy- in" notice, or to obtain a stay as hereinafter provided, the buyer may close the contract by purchasing all or part of the securities necessary to satisfy the amount requested in the "buy-in" notice. Securities delivered subsequent to the receipt of the "buy-in" notice should be considered as delivered pursuant to the "buy-in" notice. Delivery of the requisite number of shares, as stated in the "buy-in" notice, or execution will also operate to close-out all contracts covered under re- transmitted notices of buy-ins issued pursuant to the original notice of buy-in. A "buy-in" may be executed by a member from its long position and/or from customers' accounts maintained with such member.

(B) For transactions in Nasdaq listed securities where the buyer is a customer (other than another member), upon failure of a clearing corporation to effect delivery in accordance with a buy-in notice, the contract must be closed by purchasing for "cash" in the best available market, or at the option of the buyer for guaranteed delivery, for the account and liability of the party in default all or any part of the securities necessary to complete the contract.

(C) As provided in paragraph (c)(1)(A) and (B) hereof, members must be prepared to defend the price at which the "buy-in" is executed relative to the current market at the time of the "buy-in."

(2) Buy-in for unit investment trust securities. Buy-in execution options, in addition to those contained in paragraph (c)(1), may be available when the purchaser wishes to buy-in contracts made for unit investment trust securities. The purchaser may:

(A) by mutual agreement, accept from the seller in lieu of the seller's obligation under the original contract (which shall be concurrently canceled) the delivery of unit investment trust securities which are comparable to those originally bought in quantity, quality, yield or price and maturity, with any additional expenses or any additional cost of acquiring such substituted securities being borne by the seller;

(B) if the purchaser's options in paragraph (c)(1) are not available and the purchaser and seller cannot agree upon option (A), above, require the seller, for the account and liability of the seller, to repurchase the unit investment trust securities on terms which provide that the seller pay an amount which requires the seller to bear the burden of any change in the market price from the original contract price, with accrued interest. Bearing the burden of any change in the market price from the original contract price means that if the current market price is higher than the original contract price, the purchaser may require the seller to repurchase the unit investment trust securities at the current market price and conversely means that if the current market price is lower than the original contract price, the purchaser may require the seller to repurchase the unit investment trust securities at the original contract price, with accrued interest.

(d) "Buy-in" Not Completed

(1) In the event that a "buy-in" is not completed pursuant to the provisions of paragraph (b) hereof on the day specified in the notice of "buy-in," or as such date may be extended pursuant to the provisions of paragraph (f) or (g) hereof,

said notice shall expire at the close of business on the day specified in the notice of buy-in.

(2) When a "buy-in" notice is pending during a reconfirmation and pricing period and one or more members are participating in a reconfirmation and pricing service, such "buy-in" notice shall be canceled. Written notice of cancellation must be received by the non-participating member prior to the original or extended date of execution. Failure to provide such notification may result in an execution. New notice of "buy-in" may be issued no earlier than the first business day following the final reconfirmation and pricing settlement date.

(e) Partial Delivery by Seller

Prior to the closing of a contract on which a "buy-in" notice has been given, the buyer shall accept any portion of the securities called for by the contract, provided the portion remaining undelivered at the time the buyer proposes to execute the "buy-in" is not an amount which includes an odd-lot which was not part of the original transaction.

(f) Securities in Transit

If prior to the closing of a contract on which a "buy-in" notice has been given, the buyer receives from the seller written or comparable electronic notice stating that the securities are (1) in transfer; (2) in transit; (3) are being shipped that day; or (4) are due from a depository and giving the certificate numbers, except for those securities due from a depository, then the buyer must extend the execution date of the "buy-in" for a period of seven (7) calendar days from the date delivery was due under the "buy-in." Upon request of the seller, an additional extension of seven (7) calendar days may be granted by the Committee due to the circumstances involved.

(g) Notice of Executed "Buy-In"

The party executing the "buy-in" shall immediately upon execution, but no later than the close of business, local time, where the seller maintains his office, notify the broker/dealer for whose account the securities were bought as to the quantity purchased and the price paid. Such notification should be in written or electronic form having immediate receipt capabilities. If this written media is not available the telephone shall be used for the purpose of same day notification, and written or similar electronic notification having next day receipt capabilities must also be sent out simultaneously. In either case formal confirmation of purchase along with a billing or payment, (depending upon which is applicable), should be forwarded as promptly as possible after the execution of the "buy-in." Notification of the execution of a "buy-in" shall be given to succeeding broker/dealers to whom a re-transmitted notice was issued pursuant to paragraph (b) using the same procedures stated herein. If a re-transmitted "buy-in" is executed, it will operate to close out all contracts covered under the re-transmitted notice.

(h) "Close-Out" Under Committee, Securities Association or Exchange Rulings

(1) When a national securities association or exchange makes a ruling that all open contracts with a particular member, who is also a member of Nasdaq, should be closed-out immediately (or any similar ruling), members may close-out contracts as directed by the association or exchange.

(2) Whenever the Committee ascertains that a court has appointed a receiver for any member because of its insolvency or failure to meet its obligations, or whenever the Committee ascertains, based upon evidence before it, that a member cannot meet its obligations as they become due and that such action will be in the public interest, the Committee may, in its discretion, issue notification that all open contracts with the member in question may be closed-out immediately.

(3) Within the meaning of this paragraph (b), to close-out immediately shall mean that (A) "buy-ins" may be executed without prior notice of intent to "buy-in" and (B) "sell-outs" may be executed without making prior delivery of the securities called for.

(4) All close-outs executed pursuant to the provisions of this paragraph shall be executed for the account and liability of the member in question. Notification of all close-outs shall immediately be sent to such member pursuant to the confirmation provisions of the Rule 11200 Series.

(i) Failure to Deliver and Liability Notice Procedures

(1) (A) If a contract is for warrants, rights, convertible securities or other securities which (i) have been called for redemption; (ii) are due to expire by their terms; (iii) are the subject of a tender or exchange offer; or (iv) are subject to other expiring events such as a record date for the underlying security and the last day on which the securities must be delivered or surrendered (the expiration date) is the settlement date of the contract or later the receiving member may deliver a Liability Notice to the delivering member as an alternative to the close-out procedures set forth in paragraphs (a) through (g). Such Notice must be issued using written or comparable electronic media having immediate receipt capabilities no later than one business day prior to the latest time and the date of the offer or other event in order to obtain the protection provided by this Rule.

(B) If the contract is for a deliverable instrument with an exercise provision and the exercise may be accomplished on a daily basis, and the settlement date of the contract to purchase the instrument is on or before the requested exercise date, the receiving member may deliver a Liability

Notice to the delivering member no later than 11:00 a.m. on the day the exercise is to be effected. Notice may be redelivered immediately to another member but no later than noon on the same day. Such notice must be issued using written or comparable electronic media having immediate receipt capabilities. If the contract remains undelivered at expiration, and has not been canceled by mutual consent, the receiving member shall notify the defaulting member of the exact amount of the liability on the next business day.

(C) In all cases, members must be prepared to document requests for which a Liability Notice is initiated.

(2) If the delivering member fails to deliver the securities on the expiration date, the delivering member shall be liable for any damages which may accrue thereby. A Liability Notice delivered in accordance with the provisions of this Rule shall serve as notification by the receiving member of the existence of a claim for damages. All claims for such damages shall be made promptly.

(3) For the purposes of this Rule, the term "expiration date" shall be defined as the latest time and date on which securities must be delivered or surrendered, up to and including the last day of the protect period, if any.

(4) If the above procedures are not utilized as provided under this Rule, contracts may be "bought-in" without prior notice, after normal delivery hours established in the community where the buyer maintains his office, on the expiration date. Such buy-in execution shall be for the account and risk of the defaulting member.

(j) Contracts Made for Cash

Contracts made for "cash," or made for or amended to include guaranteed delivery on a specified date may be "bought-in" without notice during the normal trading hours on the day following the date delivery is due on the contract; otherwise, the procedures set forth in paragraphs (a) through (f) of this Rule shall apply. In all cases, notification of executed "buy-in" must be provided pursuant to paragraph (g) of this Rule. "Buy-ins" executed in accordance with this paragraph shall be for the account and risk of the defaulting broker/dealer.

(k) Information on Notices

Notices of "buy-in" and "re-transmitted buy-in" shall include all information contained in the sample forms prescribed by Nasdaq.

(l) "Buy-In" Desk Required

Members shall have a "buy-in" section or desk adequately staffed to process and research all "buy-ins" during normal business hours.

(m) Buy-In of Accrued Securities

Securities in the form of stock, rights or warrants which accrue to a purchaser shall be deemed due and deliverable to the purchaser on the payable date. Any such securities remaining undelivered at that time shall be subject to the "buy-in" procedures as provided under this Rule.

11820. Selling-Out**(a) Conditions Permitting "Sell-Out"**

Upon failure of the buyer to accept delivery in accordance with the terms of the contract, and lacking a properly executed Uniform Reclamation Form or the equivalent depository generated advice for depository eligible securities meeting the requirements prescribed in Rule 11710(b), the seller may, without notice, "sell-out" in the best available market and for the account and liability of the party in default all or any part of the securities due or deliverable under the contract.

(b) Notice of "Sell-Out"

The party executing a "sell-out" as prescribed above shall, as promptly as possible on the day of execution, but no later than the close of business, local time, where the buyer maintains his office, notify the broker/dealer for whose account and risk such securities were sold of the quantity sold and the price received. Such notification should be in written or electronic form having immediate receipt capabilities. A formal confirmation of such sale should be forwarded as promptly as possible after the execution of the "sell-out."

11830. Mandatory Close-Out for Short Sales

(a) A contract involving a short sale in Nasdaq listed securities described in paragraph (b) hereof, for the account of a customer or for a member's own account, which has not resulted in delivery by the broker/dealer representing the seller within 10 business days after the normal settlement date, must be closed by the broker/dealer representing the seller by purchasing for cash or guaranteed delivery securities of like kind and quantity.

(b) This requirement shall apply to Nasdaq listed securities, as published by Nasdaq, which have clearing short position of 10,000 shares or more and that are equal

to at least one-half (1/2) of one percent of the issue's total shares outstanding.

(c) This mandatory close-out requirement shall not apply to bona fide market making transactions and transactions that result in fully hedged or arbitrated positions.

Selected NASD Notices to Members: 93-53.

11840. Rights and Warrants

(a) Definition - "Rights"

The term "rights" or "rights to subscribe," as used in this Rule is the privilege offered to holders of record of issued securities to subscribe (usually on a pro rata basis) for additional securities of the same class, of a different class, or of a different issuer as the case may be.

(b) Definition - "Warrants"

The term "warrants" or "stock purchase warrants" as used in this Rule is an instrument issued separately or accompanying other securities, but not necessarily issued to stockholders of record as of a specific date; i.e., warrants issued with or attached to bonds, common stock, preferred stocks, etc. The instrument represents the privilege to purchase securities at a stipulated price or prices and is usually valid for several years.

(c) Basis and Unit of Trading - Rights

Except as otherwise designated by the Committee, transactions in rights to subscribe shall be on the basis of one right accruing to each share of issued stock and the unit of trading in rights shall be 100 rights (unless otherwise specified).

(d) Basis and Unit of Trading - Warrants

Except as otherwise agreed or designated by the Committee, transactions in stock purchase warrants shall be on the basis of one warrant representing the right of the purchaser to receive one warrant in settlement of such transaction and the unit of trading shall be 100 warrants. Members must ascertain how many warrants they have to sell, what each warrant entitles the holder to purchase, the purchase price, and the current price of the warrant relative to the price of the underlying security which may be purchased. Trades in warrants should be properly described on comparisons and confirmations.

(e) Securities Which Have Expired by Their Terms

(1) In contracts for warrants, rights or other securities which have expired by their terms, deliveries effected more than thirty (30) days after expiration shall consist of (A) the expired securities; or (B) a Letter of Indemnity in lieu of the expired instrument.

(2) In the case of units or other securities of which one or more of the integral parts of the instrument has expired by its terms, after expiration, the instrument shall cease to be a unit as originally contemplated in the contract. Deliveries effected after expiration shall consist of the unexpired security and (A) the expired instrument; or (B) a Letter of Indemnity in lieu of the expired instrument.

(3) Deliveries effected pursuant to paragraphs (e)(1) and (2) of this Rule shall be settled at the existing contract price.

(1) For the purposes of this Rule, the terms of a transaction are clearly erroneous when there is an obvious error in any term, such as price, number of shares or other unit of trading, or identification of the security.

(2) Officers of Nasdaq designated by the President of Nasdaq shall, pursuant to the procedures set forth in paragraph (b) below, have the authority to review any transaction arising out of the use or operation of any automated quotation, execution, or communication system owned or operated by Nasdaq and approved by the Commission. A Nasdaq officer shall review transactions with a view toward maintaining a fair and orderly market and the protection of investors and the public interest. Based upon this review, the Officer shall decline to act upon a disputed transaction if the officer believes that the transaction under dispute is not clearly erroneous, or, if the officer determines the transaction in dispute is clearly erroneous, he or she shall declare that the transaction is null and void or modify one or more terms of the transaction. When adjusting the terms of a transaction, the Nasdaq officer shall seek to adjust the price and/or size of the transaction to achieve an equitable rectification of the error that would place the parties to a transaction in the same position, or as close as possible to the same position, that they would have been in had the error not occurred. Nasdaq shall promptly provide oral notification of a determination to the parties involved in a disputed transaction and thereafter issue a written confirmation of the determination.

(b) Procedures for Reviewing Transactions

(1) Any member or person associated with a member that seeks to have a transaction reviewed pursuant to paragraph (a) hereof, shall submit a written complaint, via facsimile or otherwise, to Nasdaq Market Operations in accordance with the following time parameters:

(A) for transactions occurring at or after 9:30 a.m., Eastern Time, but prior to 10:00 a.m., Eastern Time, complaints must be submitted by 10:30 a.m., Eastern Time; and

(B) for transactions occurring prior to 9:30 a.m., Eastern Time and at or after 10:00 a.m., Eastern Time, complaints must be submitted within thirty minutes.

(2) Once a complaint has been received in accord with subparagraph (b)(1) above:

(A) the complainant shall have up to thirty (30) minutes, or such longer period as specified by Nasdaq staff, to submit any supporting written information concerning the complaint necessary for a determination under paragraph (a)(2), via facsimile or otherwise;

(B) the counterparty to the trade shall be verbally notified of the complaint by Nasdaq staff and shall have up to thirty (30) minutes, or such longer period as specified by Nasdaq staff, to submit any supporting written information concerning the complaint necessary for a determination under paragraph (a)(2), via facsimile or otherwise; and

(C) either party to a disputed trade may request the written information provided by the other party pursuant to this subparagraph.

(3) Notwithstanding paragraph (b)(2) above, once a party to a disputed trade communicates that it does not intend to submit any further information concerning a complaint, the party may not thereafter provide additional information unless requested to do so by Nasdaq staff. If both parties to a disputed trade indicate that they have no further information to provide concerning the complaint before their respective thirty-minute information submission period has elapsed, then the matter may be immediately presented to a Nasdaq officer for a determination pursuant to paragraph (a)(2) above.

(4) Each member and/or person associated with a member involved in the transaction shall provide Nasdaq with any information that it requests in order to resolve the matter on a timely basis notwithstanding the time parameters set forth in paragraph (b)(2) above.

(5) Once a party has applied to Nasdaq for review, the transaction shall be reviewed and a determination rendered, unless both parties to the transaction agree to withdraw the application for review prior to the time a decision is rendered pursuant to paragraph (a)(2).

(c) Procedures for Reviewing Transactions Executed During System Disruptions or Malfunctions

In the event of a disruption or malfunction in the use or operation of any automated quotation, execution, or communication system owned or operated by Nasdaq and approved by the Commission, Nasdaq, acting through an officer designated by the President of Nasdaq pursuant to paragraph (a)(2), may, on its own motion pursuant to the standards set forth in paragraph (a), declare transactions arising out of the use or operation of such systems during the period of such disruption or malfunction null and void or modify the terms of these transactions; provided that, in the absence of extraordinary circumstances, a Nasdaq officer must take action pursuant to this paragraph within thirty (30) minutes of detection of the erroneous transaction(s), but in no event later than 6:00 p.m., Eastern Time, on the next trading day following the date of the trade at issue. When Nasdaq takes action pursuant to this subparagraph, the member firms involved in the transaction shall be notified as soon as is practicable and shall have a right to appeal such action in accordance with paragraph (d)(1) below.

(d) Review by the Market Operations Review Committee ("MORC")

(1) A member or person associated with a member may appeal a determination made under paragraphs (a)(2) or (c) to the MORC provided such appeal is made in writing, via facsimile or otherwise, within thirty (30) minutes after the member or person associated with a member receives verbal notification of such determination, except that if Nasdaq notifies the parties of action taken pursuant to paragraph (c) after 4:00 p.m., either party has until 9:30 a.m. the next trading day to appeal. Once a written appeal has been received, the counterparty to the trade will be notified of the appeal and both parties shall be able to submit any additional supporting written information, via facsimile or otherwise, up until the time the appeal is considered by the Committee. Either party to a disputed trade may request the written information provided by the other party during the appeal process. An appeal to the Committee shall not operate as a stay of the determination made pursuant to paragraph (a)(2) or (c) above. Once a party has appealed a determination to the Committee, the determination shall be reviewed and a decision rendered, unless both parties to the transaction agree to withdraw the appeal prior to the time a decision is rendered by the Committee. Upon consideration of the record, and after such hearings as it may in its discretion order, the Committee, pursuant to the standards set forth in paragraph (a), shall affirm, modify, reverse, or remand the determination made under paragraph (a)(2) or (c) above.

(2) The decision of the Committee shall be final and binding upon any member or person associated with a member and shall constitute final Nasdaq action on the matter in issue. Any adverse determination by a Nasdaq Officer pursuant to paragraph (a)(2) or (c) or any adverse decision by the Committee pursuant to paragraph (d)(1) shall be rendered without prejudice as to the rights of the parties to the transaction to submit their dispute to arbitration.
