March 17, 2006

On March 13, 2006, TDC A/S (formerly Tele Danmark A/S), a company incorporated under the laws of Denmark (“Issuer”), filed an application with the Securities and Exchange Commission (“Commission”), pursuant to Section 12(d) of the Securities Exchange Act of 1934 (“Act”)\(^1\) and Rule 12d2-2(d) thereunder,\(^2\) to withdraw its American Depositary Shares (evidenced by American Depositary Share Receipts, each representing one half of one Ordinary Share, par value DKK 5 each) (“ADS”) and Ordinary Shares, par value DKK 5 each (“Shares”) (collectively, “Securities”), from listing and registration on the New York Stock Exchange, LLC (“NYSE”).

On March 3, 2006, the Board of Directors (“Board”) of the Issuer approved a resolution to withdraw the Securities from listing and registration on NYSE. The Issuer stated that the following reasons factored into the Board’s decision to withdraw the Securities from listing on NYSE.

First, the number of holders of the ADS resident in the United States decreased considerably in connection with the completion of the tender offer for all Securities (“Tender Offer”) by Nordic Telephone Company ApS (“Purchaser”) that expired on January 20, 2006. Pursuant to the Tender Offer, the Purchaser purchased 88.2% of the share capital of the Issuer. Based on information provided by Innisfree M&A Incorporated, as of early February 24, 2006,
there were approximately 1,710 ADS accounts held by U.S. holders containing an aggregate of
approximately 799,122 ADS (or the equivalent of 399,561 Ordinary Shares).

Second, trading of the ADS on NYSE has also decreased since completion of the Tender
Offer. The average daily trading volume of the ADS for the three-week period ending on
February 24, 2006 was approximately 9,200. The average daily trading volume of the ADS for
the corresponding three-week period in 2005 was approximately 32,800. The average daily
trading volume of the ADS for the five-day period ending on February 24, 2006 was
approximately 7,800. The average daily trading volume for the corresponding five-day period in
2005 was 71,100. The average daily trading volume of the ADS for the one-year period ending
on February 24, 2006 was approximately 32,400. The daily trading volume on February 24,
2006 was approximately 3,900. These decreases, as well as the factors mentioned below, have
caused the Issuer to re-evaluate the merits of maintaining its NYSE listing and registration under
the Act.

Third, the Issuer has adopted amendments to its articles of incorporation to permit the
Purchaser to redeem all outstanding shares (including those represented by the ADS) not held by
the Purchaser in a compulsory acquisition. The Board took notice of certain protests raised
against the validity of said amendments; irrespective thereof the U.S. delisting were still
considered to be in the best interest of the Issuer.

In addition, in connection with the proposed delisting from NYSE, the Board also
considered that the Board, following the extraordinary general meeting of the Issuer’s
shareholders held on February 28, 2006, does not include any directors who satisfy the
“independence” standards under NYSE’s corporate governance rules. The Issuer is therefore

unable to comply with Subsection 303A.06 of the Listed Company Manual, which requires that the Issuer have an audit committee, each member of which satisfies the independence standards of the NYSE. The Board has therefore decided not to form an audit committee for the time being. As a result, the Issuer is in material non-compliance with NYSE’s Corporate Governance Standards applicable to foreign private issuers. The Issuer stated that the Shares are currently listed on the Copenhagen Stock Exchange and the Issuer expects to seek to withdraw the Shares on the Copenhagen Stock Exchange.

The Issuer stated in its application that it has complied with NYSE's rules governing an issuer's voluntary withdrawal of a security from listing and registration by providing NYSE with the required documents governing the removal of securities from listing and registration on NYSE.

The Issuer's application relates solely to the withdrawal of the Securities from listing on NYSE and from registration under Section 12(b) of the Act,3 and shall not affect their obligation to be registered under Section 12(g) of the Act.4
